There are three mails Monday through Friday, one morning and two afternoon; there are two mails on Saturday, one morning and one noon. First-class mail is put in the boxes Sunday between the hours of 3:00 P.M. and 4:00 P.M. Special delivery letters are delivered to the dormitories.

in the infirmary. He is on call at other times to treat emergency cases only. A graduate nurse is on duty at all times.

Visiting hours: 4:00 P.M. to 5:00 P.M.

The infirmary is open at all times. Any boarding student unable to attend classes on account of illness must report to the infirmary.

Each student is urged to join the group accident insurance offered at a very fair stipend. This covers the cost of x-rays, consultation with specialists, and treatments made necessary by accidents incurred during the school year.

Registration

Students in registering must use their proper, legal names, and students who are married while in college must immediately register under their married names.

A change of legal name or home address is to be made known promptly to the registrar, the dean of freshman women or the dean of women, the business manager, and the Post Office.

1. Freshmen report to the office of the dean of freshman women.
2. Transfers report to the office of the dean of women.
3. Old students report with room assignment slips to their respective housemothers.

Money

Students deposit personal money at the office of the business manager for safekeeping and quick accessibility.

Room Key

A room key for each student is secured in the College Stationery Store. A deposit of twenty-five cents (25c), which will be refunded when the key is returned, is required.
ATTENDANCES AND ABSENCES

Students are expected to be present at their classes and other scheduled appointments. Absence from class is obviously detrimental to the student's progress in academic work.

Absences for professional purposes, field trips, conventions, athletic and music groups, etc., are handled by the Dean of Women.

The college physician takes care of excuses for absences due to illness of a student, or in case of illness in the family, providing a doctor's statement is presented. All students must secure excuses for other absences from the Dean of Women.

In order to be valid, excuses must be presented to the instructor within one week after the student returns to school.

Students are expected to use class leaves sparingly and to save them for emergencies. The Committee on Attendance reserves the right to deny additional absences to students who have used their class cuts. For every occasion that a student takes a cut beyond the number allowed, he shall be reported to the Dean of Women and he may lose cuts for the following semester. If excessive cuts continue, the student may be recommended for probation or suspension.

Cuts may be taken as follows:

Students whose scholastic indices in the previous semester are 3.25, or better, may take as many class cuts as in their judgment it is wise to take.

First semester freshmen will have one cut in each class.

All other students may have as many cuts per course per semester as class meetings per week, except that in no case will more than three cuts be allowed in any course.

Cuts taken in any class at the first or last meeting in a given semester, or at the last period of any class before a
holiday or the first period after a holiday, are considered double cuts. (See also page 53, No. 7 in Catalog for details).

Teachers are not responsible for giving make-up tests to absentees when these tests have been announced. No shifting of students from section to section in order to extend a class cut is allowed.

All students missing classes or failing to report to residence halls on time immediately before or immediately after any college vacation except those taking double cuts previously approved, for deaths and funerals in the immediate family, or when excuses have been approved by the college physician must appear in person before the Attendance Committee of the Faculty and furnish reasons for their absences.

The class leave plan is not applicable to the summer term.

Assemblies

Assemblies are held at noon three times a week. All women students, except waitresses and student teachers whose teaching conflicts with assemblies, are required to attend assemblies on Monday and Wednesday. All students are allowed three cuts for Monday assemblies for each semester and two cuts for Wednesday assemblies for each semester. The Friday assembly is a chapel service conducted by the Y.W.C.A. at which attendance is voluntary. All students are required to attend convocations and Founder's Day assembly.

Men students are required to attend Wednesday assemblies, convocations, Founder's Day assembly, and their own meetings.

Intoxicants

Students are not permitted to use or have in their possession intoxicating liquors of any kind while under college jurisdiction. Conduct while absent from the campus which reflects discredit on the college subjects the person to disciplinary action.
Principles of Self-Government

Every student who matriculates at Madison becomes a member of a community which enjoys a considerable degree of self-government. Truth and honesty are the basis of such community life. Only where there is a deep sense of personal integrity can there be the mutual trust and self-respect upon which any system of self-government must rest.

Every member of the student association shares its obligations as well as its privileges. He must be willing to place the standards of the community above his own. He must accept responsibility not only for himself, but for his fellow-citizens as well. It is presumed that every student who enrolls at Madison is a person of honor and that he will act honorably in all of his relations.

The Honor System is established for the purpose of fostering and preserving these cherished ideals. Lying, cheating, stealing, and failure to report one of these breaches of honor are considered violations of the Honor System, whose effective operation is entirely dependent upon each individual student. Each student is equally responsible and should conduct himself so as to be free of reproach or suspicion, and should also be prompt to prosecute dishonorable acts of others. Failure to subscribe to these practices injures the integrity of the group and reflects upon the entire college body.

STUDENT-FACULTY STANDING COMMITTEES

The Student-Faculty Relations Committee consists of three students elected by each of the four classes, and the president of the Student Government Association, ex officio (see By-Laws, Article IV, Section I) and eleven members of the faculty to be appointed by the president of the college. This committee is "to consider responsibilities and privileges of the students and to present its findings to the president of the college."

The Campus Fee Committee is composed of the president of the Student Government Association, the presidents of the classes, the president of the college, or someone designated by him, and the business manager. The president of the Student Government Association shall act as the chairman.

The Assembly Programs Committee, composed of five members of the faculty and the vice-presidents of the four classes, arranges programs for the Wednesday assemblies at 12 noon.

The Entertainment Committee consists of five members of the faculty appointed by the president of the college, a representative from each class, and a representative of the men's organization. It arranges musical and other programs for the entertainment of the college community.

The Student Organization and Activities Committee consists of four students approved by the Student Council, the recorder of points, and four faculty members appointed by the president of the college. This committee determines the point-value to be set on each office in each organization and the total number of points permissible for any student to hold. The recorder of points shall act as chairman.
GENERAL SOCIAL REGULATIONS

Student activities are designed to develop the poise, self-confidence, and graciousness that are essential to a young woman's success in a home-making, professional, or business career. The dean of women, dean of freshman women, chaperones, hostesses, the Social Committee, and the Standards Committee exercise general supervision over all the social activities of the students, and encourage every means for wholesome enjoyment and increase of self-responsibility.

In order that more responsibility may be placed upon the individual student to promote qualities of resourcefulness, self-reliance, and self-discipline, the general social regulations have been liberalized in recent years. Changes in these regulations—to this end are reflected in the revised rules included in this section of the Handbook. The continuance of the present regulations will be determined by the attitude and conduct of students. If the privileges extended under these regulations should be abused, the Administration of the College reserves the right to revise or reinstate any regulation or to apply restrictions at any time during the school session. It is hoped that students will cooperate in following regulations so that such action will not be necessary.

The members of the student body individually observe the following regulations and report to the Student Council any violation by any members that would be harmful to the individual or to the College.

Participation in Community Activities

The College is genuinely interested in serving the community in which it is located; therefore, the Administration is in favor of participation by the faculty and students in appropriate community activities. It is felt that such participation is beneficial to all concerned—the faculty, the students, and community organizations. However, experience indicates that, in the absence of a policy governing the participation
of students in community activities, many students might give much more time to community projects than they could afford without detriment to their studies. The following statement sets forth the conditions for student participation in such activities:

1. Students may perform individually, in groups, or as members of an organization directed by a member of the college staff at any banquet or meeting of a civic club or organization. Such participation must be cleared through designated channels and must have the approval of the President or Dean of the College.

2. Boarding students may not perform in minstrels, variety shows, fashion shows, and the like, which are held in order to raise money for any organization, regardless of the worthiness of the cause. This requirement does not apply to men students or to women day students for whom the parents have the responsibility for making decisions concerning such requests; however, such students, student groups, or organizations who participate in performances for which admission is charged shall do so without use of the name of Madison College in publicity, in the programs, or in any other way that would indicate that they are participating as Madison students.

3. College organizations—musical, dance groups, and the like—composed entirely or partially of boarding students may not perform at any event open to the public to which admission is charged. If such organizations desire to participate at private functions, they may apply for permission to do so through designated channels and the approval of the President or the Dean of the College must be secured.

Dancing

A boarding student is permitted to dance in Harrisonburg only at the college, in private homes, and in other places approved by the dean of women or dean of freshman women for
a special occasion. Dancing either on campus or in public places is not permitted on Sunday.

Formal dances close at midnight. Students should familiarize themselves with social regulations for each dance weekend; these regulations will be posted in all dormitories and dating centers.

A student may leave campus following a dance with special written permission for each occasion from her parents and with the approval of the dean of women or dean of freshman women.

**Out-of-Town Dances and Engagements**

A student is allowed to attend dances and have other engagements at other colleges under such conditions as the dean of women and dean of freshman women may prescribe, provided:

(a) She has parental approval.

(b) The young man with whom she has a date notifies the dean of women, or the dean of freshman women, giving the name and address of the place at which she will stay.

(c) She does not return to the campus following a dance unless she is with a college chaperoned group, or unless she has special permission.

(d) She meets other conditions which may be established by the dean of women or dean of freshmen with the approval of the president.

**Dating**

1. A student may have dates with out-of-town men if her parents or guardian have given their permission on the Parental Approval Form.

2. A student may date men in Harrisonburg and nearby areas if they are on the "Approved List of Callers" in the office of the dean of women. To be eligible to date at Madison College a man must have at least the rating of a high school senior or if out of high school, be at least 18
years of age; and he must obtain a letter of recommendation from a faculty member and the approval of the president in order that his name be placed on the "Approved List." Local high school seniors may date freshmen only.

3. All men students and sons of faculty members (over 18 years of age) of Madison College are on the approved list. This means, of course, that the men students will thoroughly familiarize themselves with and abide by all of the social regulations and standards of the college. In case any member of the men's student organization abuses the dating privilege, the Men's Student Court will take appropriate action.

4. All men are received by the students in the social centers designated by the dean of women during the guest hours of these dating centers. At other hours they are received in Alumnae Hall. Dates may be received at the sorority houses within the hours set up by the Panhellenic Council. Freshmen will meet their dates in Alumnae Hall. After checking-in at Alumnae Hall, dates may accompany students to the entrances of their respective dormitories. All dating centers are closed for meals between 12:30 P.M. and 1:30 P.M. and between 6:00 P.M. and 7:00 P.M. During these hours, men guests not wishing to go to the dining hall may go to, or remain in, the reception room at Alumnae Hall. The guest hours of the dating centers (excluding Alumnae) are:

(a) 5:00 P.M.—10:30 P.M. Wednesday and Thursday
(b) 2:00 P.M.—10:30 P.M. Friday
(c) 9:00 A.M.—11:00 P.M. Saturday
(d) 9:00 A.M.—10:30 P.M. Sunday

Logan, Senior, and Junior will be open until 11:00 P.M. on Friday and Sunday, and 12:00 midnight on Saturday for those students with 11:00 and 12:00 o'clock privileges.

5. All Sunday morning dates are church dates. Dates may be received as early as 9:00 A.M. Sunday afternoon dates may be received as early as 2:00 P.M.
Recreation Rooms

Recreation rooms are provided on the ground floors of Ash­by and Spotswood Halls where radios, popular and classical recordings, games, pianos, and coke machines may be used.

The following regulations pertaining to the use of these facilities are formulated by the Student Council, Standards Committee, and Social Committee with the approval of the college administration.

1. The rooms are to be open to all women students at all times.

2. Organizations are not to schedule meetings in these rooms without permission from the office of the dean of women.

3. The coke machines are available on campus for students. It is important that the bottles be returned to bottle holders. Profits will be used to buy records, games, magazines, sheet music, and equipment, and promote other plans of the Recreation Committee for the recreation and social centers.

4. (a) Dates may be entertained at Ashby Recreation Room:
   (1) Monday, Tuesday, and Friday from 7:00 P.M. to 10:30 P.M.
   (2) Saturday from 2:00 P.M.—10:30 P.M.
   (3) Sunday from 2:00 P.M.—10:30 P.M.

   (b) Dates may be entertained at Logan Recreation Room:
   (1) Friday from 2:00 P.M.—11:00 P.M.
   (2) Saturday from 2:00 P.M.—12:00 Midnight
   (3) Sunday from 2:00 P.M.—11:00 P.M.

   (c) Dates may be entertained in Spotswood Recreation Room:
(1) Wednesday, Thursday, and Friday from 7:00 P.M. to 10:30 P.M.
(2) Saturday from 2:00 P.M. to 11:00 P.M.
(3) Sunday from 2:00 P.M. to 10:30 P.M.
(d) Spotswood Recreation Room is open Monday and Tuesday nights from 10:30 P.M. to 11:00 P.M. for dating for those with senior dating privileges.

Overnight Absences On Or Off Campus

1. A student may leave her dormitory for the night with permission of the dean of women or dean of freshman women.

2. Overnight inter-dormitory visitation is permitted for sophomores, juniors, and seniors on Friday and Saturday nights. Overnight visitation is permitted for freshmen on Saturday nights, with visitation by students in the three upper classes in freshman dormitories also limited to Saturday nights. Inter-dormitory visitation is not permitted in a room where a student is on “strict campus,” except when an off-campus guest has made previous plans for visiting the campus.

3. Overnight absences off campus may be made in accordance with the Parental Approval Form.

4. All upperclass students should sign out for a weekend trip on Wednesday night or Thursday before 3:00 P.M. with their respective full-time dormitory hostess or social center hostess, or if desired in the office of the dean of women on Thursday, between 8:00 A.M. and 3:00 P.M. Any change of plan must be made known at the office of the dean of women. Freshmen sign out at the office of the dean of freshman women, Thursday between 8:30 A.M. and 3:00 P.M.

5. A student is to leave campus and return to campus at the time she signed to do so. A student is not permitted
to travel from the college at night except under extenuating circumstances. If an emergency arises and plans must be changed, a student must wire or telephone the office of the dean of women (Telephone 4-6757). A student having an eight or nine o'clock class shall sign in by 11:00 P.M. the night before, unless she lives within reasonable distance from the College or is accompanied by a parent, by another close relative, or by a mature person with written approval of a parent.

6. After a weekend or holiday off campus, a student is to be in her dormitory by 10:30 P.M. if returning by car, and not later than 11:00 P.M. if returning by bus. She signs in her dormitory without undue delay upon her return to campus. If special permission is needed to sign in for a later time, permission must be obtained from the office of the dean of women or the dean of freshman women.

7. If a student is returning to campus in her own automobile (see page 46, aCr's on Campus) after a weekend of holiday, she must return to campus by approximately 8:00 P.M. if she lives more than a reasonable distance from campus. She may return in the morning only if she can do so by leaving home at a reasonable hour. Any unusual requests may be left to the judgment of the administration.

8. For visiting in town, an upperclass student need have only one letter of invitation from her hostess. When a letter has been filed in the office of the dean of women a student may visit in the home of the writer without a letter for each visit. A freshman may spend the night with parents or close relatives in town and she may stay in faculty homes only when an invitation is extended through the office of the dean of freshman women.
Class Privileges

We believe that Student Government Association at Madison College covers all phases of living. With this conviction we have set up a new system of signing out which gives each girl the responsibility of abiding by the standards of the college and signing out accurately.

All students must be in their dormitories by 10:30 P.M. on week nights and 11:00 P.M. on Saturday nights unless special privileges state otherwise. (See senior privileges.) No student may open a dormitory door after it has been closed for the night without permission from the housemother. Late permission for important college activities may be secured by upperclass students from the dean of women and by freshmen from the dean of freshman women.

In each dormitory there will be two books: one book for messages, and one for signing out for dates. A girl who wishes to have her whereabouts known can sign the book to be kept beside the telephone on each floor. The date book will be under the supervision of the housemother; there will be only one date book in each dormitory or sorority house.

Freshman Privileges

1. A freshman may have a total of three nights per week off campus, not including Sunday church services. Choir practice and other church services are included in these three nights off campus. She may be with one or more students or a date. She signs an off-campus slip in her dormitory.

2. A freshman may date four nights a week. She signs a date slip in Alumnae Hall and an off-campus slip in her dormitory.

3. A freshman may ride at any free time with adult friends (not dates), or relatives by signing out according to her Permission Card provided she returns to campus by 10:30 P.M. on Sunday through Friday and by 11:00 P.M. on Saturday. If a freshman is to be off campus without a date after 6:00 P.M. she signs an off-campus slip in her dormitory.
4. A freshman may ride with a date as far as Belle Meade or the Harrisonburg Drive-In one night during the week between the hours of 5:30 P.M. and 10:30 P.M. Monday through Friday. On Saturday, a freshman may ride with a date from noon to 8:00 P.M. Between 5:30 P.M. and 8:00 P.M., on Saturday, she signs in at Alumnae Hall and then may ride as far as Belle Meade or the Harrisonburg Drive-In until 11:00 P.M. On Sunday a freshman may ride with a date to church services within 25 miles of Harrisonburg and to Sunday dinner and on Sunday afternoon until 5:30 P.M. After the 5:30 P.M. check-in in Alumnae Hall on Sunday, a freshman may ride until 10:30 P.M. A freshman may ride to and from dances at other colleges with a date provided she reaches her destination before 5:30 P.M., and provided the dean of freshman women has a letter on file from her parents for each trip.

5. A first semester freshman must be at college for one month before she has any overnight leaves. However, during the first month, in the case of a freshman who lives within a reasonable distance of the college or in a case of unusual circumstances, an application may be submitted to the dean of freshman women for a weekend or overnight absence.

6. In order for a freshman to leave the college for an overnight trip which entails her arriving at her destination after midnight, the dean of freshman women must have written permission from the parent or guardian. This ruling does not apply to travel home for holidays if students are traveling in groups.

Upperclass Privileges

1. An upperclass student may leave campus any evening if she is accompanied by one or more women students or a date.
2. An upperclass student may ride at any free time by signing out according to parental approval.

3. An upperclass student may date according to parental approval and her class rank based on her academic standing.
   (a) A sophomore may date any five nights during the week until 10:30 P.M. and on Saturday until 11:00 P.M.
   (b) A junior may date any evening until 10:30 P.M. and on Saturday until 11:00 P.M.
   (c) A senior may date any evening during the week until 11:00 P.M. and on Saturday until 12 midnight. She may have late permissions once a month until 1:00 A.M. for an appropriate reason. She obtains this permission from the dean of women.
   (d) Upperclass students, 21 years of age or older, regardless of classification or class, shall receive senior privileges provided they have parental approval, and that they sign out just as seniors do. Every student becoming 21 during a semester will report her birthday to the dean of women's office before she may receive senior privileges. Students 21 years of age and over may not date a boy unless he is on the approved list (see page 38).
   (e) A married student may go out with her husband at any time by signing Molly Madison's Book.

**Riding**

Students shall be allowed to ride, according to parental permission and classification, until time to sign in at their respective dating centers. Those securing special privileges until 1:00 A.M. must sign in from riding as soon as they return from the place to which they signed to go.

**Back Campus**

A woman student is not permitted on back campus after dark except in connection with approved group activities.
Cars On Campus

1. Day students may use cars to come to and from campus but must park them in designated areas.

2. All boarding students must secure permission from the president of the college before bringing their cars to campus.

3. Students who are 23 years of age and over may keep cars on campus, but they must be parked in Logan Hall parking area or other places designated by the president. These students may use their cars at their own discretion.

4. All students—day and resident—must register in the office of the dean of the college any cars that they use regularly in coming to or from campus or that are kept on campus. Car registration for day students should be completed when registering for classes. All other students should register their cars within twenty-four hours after they are brought to the campus.

COFFE HOURS

Coffee hours are held, following a formal dance, in each dormitory used for a dating center. These coffee hours are held for freshmen, sophomores, juniors, and seniors, and are scheduled between 12:15 and 1:15 A.M. Any student not attending a coffee hour must be in her dormitory by 12:15 A.M. Any student who attends a coffee hour must plan to be there by 12:15 A.M. and must remain at the coffee hour for the entire period and be in her own dormitory by 1:20 A.M.

College Camp

The college owns a camp thirteen miles from Harrisonburg on the Shenandoah River, where groups of 15 to 25 students may arrange to spend weekends. It is imperative that information governing the use of the camp be obtained from the office of the dean of women by the groups before leaving the campus.
Campus Calendar

The campus calendar is in the office of the dean of women. Information to be put on the calendar or received from the calendar should be given to or secured from the secretary of the dean of women.

Campus Movies

1. Students may attend the campus movies on the presentation of their lyceum tickets.

2. Resident students having out-of-town guests on the campus may get complimentary guest tickets from the office of the dean of women or hostesses in the social centers before the movie.

3. Day students living outside of the corporate limits of Harrisonburg will be entitled to season complimentary movie guest tickets. Women day students living in Harrisonburg who are too far from campus to attend movies unaccompanied by another person may secure special escort tickets from the business office upon payment of the amusement tax.

4. Persons other than students, special guests, and employees of the college are not permitted to attend the college movies since the college is a non-commercial user of films.

DRESS

(See page 61, What to Wear)

Sitting With Children

Baby sitting is permitted only in faculty homes. The student must be brought back to her dormitory by midnight following a formal dance or by 11:30 P.M. on other nights.
Sunbathing

Sunbathing is permitted "back campus" only. No sunbathing is permitted on Sunday until 2:30 P.M. No dates are allowed on back campus with a girl who is sunbathing.

Sunday On Campus

1. Every woman is urged to attend and participate in the activities of the church of her choice.
2. Golfing, tennis, sunbathing, and similar activities are not engaged in during regular church hours on Sunday morning.

Swimming

The swimming pool may be used by all students any day during the dip hours. The pool is supervised by the Physical Education Department and lifeguards.

Tennis

Tennis courts of the college are open daily in appropriate weather (except on Sundays, when the hours are 2:30 P.M. to 7:00 P.M.)

Reservations for specific hours may be made on the main bulletin board in Reed Hall.

Students and guests may play tennis if proper tennis attire is worn.

Visitors On Campus

1. Overnight guests are welcome on weekends. They are registered with the dormitory hostess who will notify the office of the dean of women. Guests will observe the same regulations as students. A charge of $1.50 a night for an overnight guest is paid to the dormitory hostess or the director of dormitories.
2. Alumnae of the college are always welcome and are not charged for room accommodations for a period not exceeding two days. Those who remain for a longer period will be charged the regular rate of $1.50 per day.

Violations

“Liberty is not the right to do as you choose; it is the responsibility of choosing what is right.”

Violations of good standards for group living are handled promptly by the House Council by authority granted them through Student Government. (See Number four under DORMITORY PERSONNEL.) A problem may be referred to the Student Council, the dean of freshman women, the dean of women, or the president of the college.

Any student will forfeit her privilege of living in a dormitory if she creates disturbance so that others cannot work effectively or sleep.

Violations of standards, practices, and procedures at Madison College are handled promptly by the Student Council of the Student Government Association.

Violations of administrative regulations are handled by the Faculty Judiciary Committee.

Penalties which may be given for failure to cooperate with the college government are plain campus, strict campus, call-downs, probation, suspension, or dismissal. If a student receives as many as three call-downs, she is immediately restricted.

Strict Campus Regulations

A student under strict campus regulations must forfeit visits in dormitories other than her own, parties in dormitories, social affairs of clubs and organizations, dates, sunbathing, trips to the Tea Room, Doc’s, Dairy Rite, Kile’s service station just off campus, and trips to town and out of town.
Plain Campus Regulations

A student under plain campus regulations must forfeit trips to Doc’s, Dairy Rite, Kile’s service station just off campus, and trips to town and out of town.

Dormitory Life

In the dormitories women live as cooperative and reliable members of a large group. Their behavior is governed by good taste and intelligence. By living up to the best standards, students are oriented to the traditions and regulations of college life, lasting friendships are established, health is protected, effective study is promoted, wholesome personalities develop, and college proves to be a successful experience.

The Madison College way of living and working as presented in this HANDBOOK assumes intelligence, good college spirit, and refined taste; and it makes the college a wholesome place for keen intellectual growth and valuable personal development. The Madison atmosphere is that of intelligent behavior and disciplined self-control.

NO GIRL IS TO LEAVE HER DORMITORY BEFORE 6:00 A.M.

Quiet Hours

Hours for study and personal work in the dormitories are observed from 7:00 P.M. to 10:00 P.M. daily except Saturday and Sunday evenings. The use of musical instruments which disturb others is not permitted during study hours. Lights must be turned out by 12:00 midnight in dormitories for upperclassmen and by 11:00 P.M. in dormitories for freshmen, except on Saturday nights when all lights must be turned out by 12:30 A.M. On nights of formal dances at Madison, regulations for lights will be posted in the dormitories.
Students should be in their own rooms and are expected to be considerate in the use of radio, record player, and bathtub from 11:00 P.M. to 6:45 A.M. 

Door signs should be respected at any hour of the day for the benefit of those who wish quiet or who wish to work without interference.

**Dormitory Personnel**

1. The Dormitory Council is a self-contained unit consisting of a hostess provided by the college administration, a president, an assistant president, and from two to six proctors, in charge of all regulations affecting the living of the resident group. This group meets every two weeks to discuss problems of group living.

2. Each member of the dormitory is responsible for the operation with the Dormitory Council, the dean of freshman women, the dean of women, and the president of the college to promote the wholesome welfare of all women in her dormitory.

3. Each dormitory hostess is a counselor working in cooperation with the Dormitory Council, the dean of freshmen, the dean of women, and the president of the college to promote the wholesome welfare of all women in her dormitory.

4. The Dormitory Council may give call-downs and plain campus as penalties for violations. If the case is serious enough to warrant a penalty by strict campus, it should be referred to the Student Council.

**Fire Drills**

The Fire Department officers and their duties are set forth in the Student Government Constitution. Fire drill instructions are posted in each dormitory. In dormitory meetings fire drill instructions are discussed for clear understanding and correct performance. Fire drills are held in each dormitory at irregular times.
When the alarm is sounded, each student shall:
1. Close windows, leave shades up, turn on the light, put on coat and shoes, leave door open.
2. Go quickly, using proper exit.
3. Be prompt in answering roll call.
4. Refrain from laughing or talking during fire drill.
5. Return to room at proper signal.

Only the appointed fireman shall sound the alarm, except in case of fire. No one may be excused from a fire drill.

Housekeeping Standards

High standards of care and management in dormitory rooms protect health, make efficient study possible, encourage good friendships, and create a desirable atmosphere for self-respecting members of a group.

1. Rooms are subject to inspection at any time by the dormitory hostess, or director of dormitories.
2. Sub-standard housekeeping brings a call-down from the House Council or director of dormitories.
3. Marring of walls in any way or the misuse of equipment provided by the college is not permitted. Fines are collected for damages. Pictures are to be hung from the molding. No tacks or scotch tape is to be used on the walls. Scotch tape, rather than tacks or nails, should be used on the doors. Students may not paint or redecorate walls or furniture without permission from the business manager.
4. Students are not permitted to move furniture from one room to another. Rearrangement of furniture within a suite may be permitted if permission is obtained from the housemother.
5. Students may not put soft drink bottles, boxes, trash, or other debris in the halls since they must be kept clear in order to insure good housekeeping standards and to reduce the fire hazard.
6. Students using the kitchenettes must wash all dirty dishes and eating utensils and return them to the proper places; also stoves, tables, and sinks must be cleaned and left in good condition.

7. Students must not leave wet clothing to dry in community baths when using them for laundering purposes; also, washboards, boxes of soap powder, starch, and other articles must be removed from these baths after laundering has been completed.

8. Students may not use in their rooms inflammable substances or any electrical appliances except radios and hand hair dryers.

9. On leaving school, students are expected to leave their rooms clear of clothing, furnishings, and trash.

Lost And Found

Lost and found articles are turned in to the office of the dean of women. Losses are to be reported promptly to the chairman of the Honor Council.

Pets

No pets are permitted on the campus.

Radio And Record Player Regulations

A radio or record player may be used in a dormitory on the following plan:

1. Not more than one radio may be used in a room.
2. A fee of $1.50 a session is charged for the use of each radio or electric record player and must be paid in the office of the director of dormitories (Jackson Dormitory basement).
3. The volume of the sound of the radio and other musical instruments should be controlled so as not to disturb students in other rooms.
Smoking

The college does not encourage smoking. It is permitted in dormitories, social centers, recreation rooms, campus rest rooms, halls of Reed during intermission of formal dances, and in restaurants.

Telephone and Telegraph Service

All students should give to their friends and families their hall telephone number since calls between city switchboard and dormitories are made over pay telephones. Only emergency calls may be made or received by students after 11:00 P.M.

Students are requested to place calls sparingly, and to use the telephone only from three to five minutes per call.

Students are notified at once of Western Union messages, which are delivered at Alumnae Hall. They may send messages at any time from a pay telephone.

Vacation Periods

All dormitories are closed during the Thanksgiving, Christmas, and Easter vacations.

Presented by the Standards Committee of the Student Government Association

The STANDARDS COMMITTEE aims to promote high standards of conduct and appearance. The conduct of a Madison student embraces all of her activities. This information has been compiled by the STANDARDS COMMITTEE to supplement the Student Handbook. Students are urged to acquaint themselves with these standards of conduct, and to comply with them.
And After Classes

The recreation rooms in Ashby, Logan, and Spotswood are a favorite meeting place between classes, after lunch, in mid-afternoon and evening. The doors are always open to women students. Phonographs, coke machines, and radios are provided. Also games and dancing are enjoyed. Of course, we do not dance on Sunday. You may bring your cigarettes along; smoking is permitted so long as proper care is taken of the furniture and ventilation proves satisfactory.

Upperclassmen and their dates are welcome in Logan, while only freshmen in Ashby. Check your handbook for the hours. Dates are also welcome in Spotswood Recreation Room.

Be careful about your personal appearance. Neatness and appropriate attire are required. For further information see handbook page 61.

Downtown

A few spare minutes and we're on our way downtown. College students are expected to be very careful about their personal appearance, voices, and conduct on the street, in the movies, and in public eating places.

Students are expected to use discrimination in the choice of restaurants, theaters, and other public places. After the movies we might stop for a coke someplace. Check the time and allow ample time to get back to school. Students are allowed to attend Sunday afternoon movies if they wear Sunday dress. Smoking is permitted in downtown restaurants.

For Sunday morning church be sure you wear appropriate dress, hat, shoes and gloves.

Let's Dance

What about dances? Yes, we have occasional informal dances and big ones too...in the fall the Opening dance, sponsored by your Student Government starts the ball rolling.
Then there is the Panhellenic dance before Christmas, German and Cotillion dances, the May dance, and the Commencement dance. Be sure to introduce your date to your friends and in return meet their dates. Don't just wonder who the people sitting on the sidelines are; introduce yourself and your date to the chaperons who like to know you outside of the classroom too.

Be on your best behavior... here are a few reminders.

1. Girls meet and sign out for dates or other callers in their respective social centers.
2. Formal dances begin at 8:30 P.M. and end at 12:00 P.M. No one leaves the dance until 12:00 P.M.
3. Girls with dates are expected to go down the receiving line.
4. While on the dance floor students and dates will refrain from chewing gum, speaking loudly, running across the dance floor, smoking and dancing in exaggerated forms.
5. You may smoke in the halls of Reed during intermission.
6. NO DRINKING IS ALLOWED.
7. At all formal dances girls wear formal dress and dates wear tuxedos, tails, or military uniforms.
8. Dances are for all Madison students and their dates. Men stags are not allowed unless they are Madison students.
9. Spectators at formal dances must wear Sunday dress.

Dining Halls and Tea Room

A few rules which we observe.

1. Students observe high standards of etiquette in the dining halls and in the tea room at all times.
2. Reverence during grace is the proper attitude. Learn the songs which are used for grace at dinner. Students do not sing at any other time in the dining halls.
3. Head scarves may be worn turban style to breakfast only, and are not to be worn in any fashion to other meals.
4. Students dress to make their best appearance for Sunday dinner and other specified occasions. It is well to “freshen up” for dinner every evening.

5. Students are requested not to take food or dining hall property from the dining halls. Fruit may be taken at breakfast. Preserves may be brought to breakfast but may not be left there. Food served in the dining hall is to be eaten there.

6. Courtesy to the waitress is the standard at all times; remember that they are students too.

7. At meal times, books and wraps are put in the rooms provided for them in the lobbies of the respective dining halls. Freshman and sophomore cloakrooms are on the right and left sides of Harrison lobby; upperclassmen eating in Junior hang their wraps in the lobby and seniors hang their wraps in Senior lobby.

8. Thoughtful behavior is in good taste at all times.

9. Students push their chairs back to the table and leave their respective tables as a group and do not stop at other tables to talk on the way out of the dining hall.

10. Students are required to eat at their own table, if it is open.

11. Refrain from handling glassware, china, and silver, until you are seated at the table.

12. Consideration for the tea room staff is shown by returning chairs to their original places, if you move them to another table. Books may be placed on empty chairs rather than on the console tables. Be neat with your smoking in the tea room. Please use the ash trays and not the floor. Coats are hung on the hooks in the hall just outside of the tea room.

Around Campus

1. Students do not sit on walls in front of campus.

2. STUDENTS DO NOT CUT CAMPUS.
3. Students meet their dates in social centers as designated by the office of the dean of women.

4. Students and their dates may walk or sit on the porches of the following dormitories, Junior, Logan, Senior, Alumnae, or sorority houses. Benches are provided for your convenience.

5. STUDENTS LOWER SHADES AFTER DARK.

6. Students do not talk out of windows or from upper story porches to passersby.

7. Pajamas are worn only in the dorms. Girls may wear slacks and jeans for picnics and hikes. For other occasions after dark, slacks and jeans are worn with a full length coat. A full length, buttoned coat is always worn over gym suits and other active sports attire. The above mentioned attire is not worn to the social centers, recreation rooms, class, the post office, and library. Dungarees may be worn with a long coat to the post office during the week but not on Sunday.

8. Clothes are not to be hung in the windows to dry.

Mind Your Manners

"Good taste or bad is involved in everything we are, do, or have. Our speech, manners, dress, and household goods—even our friends are evidence of the quality of our taste."

Manners are not things to be read and talked about only; they must be practiced EVERYWHERE. Volumes have been written on the subject—it is very important. Here are a few general reminders.

When you receive an invitation, do be sure to answer it. If you must decline, do so, but when you accept be sure to go. Don’t let it slip by.

Be polite and take time to help guests on campus. Spend a few minutes giving them instructions.

Introduce yourself and make introductions whenever there is an opportunity.

Your behavior should never be conspicuous—showing affection in public is bad taste.
Get to know your faculty members, they are interested in you not only as students but as individuals.

“Good taste is a matter of the heart and understanding, not inherited but acquired.”

—Vogue’s Book of Etiquette

Attention Please

On Monday and Wednesday at noon we have assemblies which you are required to attend. See page 11 for attendance regulations. It is necessary that you give your strict attention to what is going on not only for politeness sake but for your own good. On Monday your Student Government has charge and many important announcements are made which you should catch. If you can knit and listen at the same time, go ahead....but no talking and whispering. In our Wednesday assemblies one organization usually takes charge and we have either a speaker or a program. No knitting in Wednesday assemblies, so finish that sock for him some other time. No writing, studying, or talking, please. By the way, assemblies are dismissed with Seniors leaving first. Enter quietly if assembly has begun.

Attendance at Friday assemblies sponsored by the Y.W.C.A., is optional but very worth while.

Sunbathing

“No classes until lunch — let’s go sunbathing.” That’s a familiar phrase around campus when spring comes. The most popular place, on warm spring days and when spring fever has taken the campus by storm, is the area behind the tennis courts. This is the only place sunbathing is permitted. Bring your own blanket and come on out. (College blankets do not go sunbathing.) Radios, magazines, or a bridge game all add to the atmosphere. As a matter of courtesy, pick up your paper, kleenex, and other trash, and put them in the trash can provided. Any bottles taken back campus must be returned to the dormitories.
Bathing suits or shorts and halter are quite appropriate and these can be easily concealed by a rain coat or other long coat on the hike over and back. Sunday seems to be the ideal day to acquire a suntan, so come on out AFTER vespers are over—2:30 p.m.

Saturday Night

Wilson Auditorium is the popular place on Saturday night. Yes, maybe you have heard that we have movies on campus every Saturday night. All of you Madison co-eds are welcome and bring your out-of-town guests. Be sure to get your lyceum ticket, and have it with you, and if you have a date or other guests from out of town, you may secure guest tickets from your social center free of charge. Members of the Ushers' Committee collect guest tickets and check student lyceum tickets at the door.

Before the movie we usually have a "singspiration" program provided by campus organizations and talent. The movie itself begins at 7:30 P.M. except on nights of formal dances when it begins at 7:00 P.M. only one showing so try to make it on time. Late comers enter the auditorium by the side aisles. Unnecessary laughter and noise are not in good taste.

Weekends

When going away on weekends, remember that we are all representatives of Madison and we should behave as such. Socks or slacks are not considered appropriate for traveling on the bus. We are expected to conduct ourselves as ladies while on the campus, in the community, and at other schools. Our conduct brings credit or discredit, not only to ourselves, our families, and our college, but to the girls who have attended, are attending, and to those who will attend our college in the future.

If there is any question as to the appropriateness and good taste of a girl's conduct anywhere the Student Council is justified in questioning the student and taking appropriate action.
What to Wear

“What should I wear?” That is the number one question among new students and almost as frequently asked by upper-classmen. The first rule is “dress appropriately” and second is “use good taste.” For classes cottons until it turns cool and then these are replaced by skirts and sweaters or blouses. Semiformal dress replaces the classroom clothes on Sunday, and by semi-formal we mean hose, heels or dressy flats, and dresses or suits. For lyceum programs, special occasions, teas, or other social events, we dress up—semiformal dress.

Hats are worn to afternoon teas and parties and to church. For formal affairs we wear long dresses...formal dances call for evening dress and formal dinners call for dinner dresses (stoles should be worn with strapless gowns).

By the way, when planning any social event, teas, class days, banquets, luncheons, receptions, open house, etc., contact the Social Committee. The Committee can give you a lot of suggestions and will be glad to help you.

Shorts, jeans, and slacks are not worn on porches of the dormitories.

Helpful Suggestions

1. Be considerate of your roommate, your neighbors, your hostess.
3. Remember that the faculty members are interested in your personal welfare. Make it a point to get to know them.
4. IF YOU DON’T KNOW THE ANSWER, ASK.

What does the word "honor" mean on the Madison College campus?

The Honor System was created by Madison College students to foster high ideals of integrity and straightforwardness in conduct, thought, and speech. Since it is the work of students, they believe that every person who enrolls at Madison will be proud to belong to an organization which will not tolerate lying, cheating, and stealing. Each new student comes into possession of a coveted heritage—something that grows stronger with the years. In order to strengthen it, and to leave to those that follow a mighty tradition of honest dealing with one another, each student must give his full cooperation to those elected representatives of the student body who have the responsibility of enforcing the Honor Code. To do otherwise would be to violate one’s personal integrity.
The purpose of this organization, founded in March, 1910, is to encourage and stimulate the students' interests as participants in athletic games and sports, to promote good sportsmanship, and to cultivate a spirit of cooperation and fellowship.

Under the new constitution, the members of the council are officers of the A.A.; class representatives; student intramural coordinator; student extramural coordinator; intramural committee composed of sports leaders in basketball, hockey, water sports, softball, badminton, archery, table tennis, volleyball, tennis, dance, fencing, and golf; extramural committee composed of club presidents in fencing, modern dance, Porpoise, and Mercury Clubs, and the managers of the extramural teams.

There are intramural and extramural sports programs which afford each girl an opportunity to take part in the various athletic activities on campus. These programs include hockey, basketball, volleyball, archery, badminton, tennis, swimming, softball, table tennis, golf, and fencing.

The Y. W. C. A. endeavors to lead students into a richer college life by helping them find more adequate relationships with God and their fellow students. It is the aim of the "Y" to promote growth in Christian faith and character and in the realization of one's responsibilities to society.

To help carry this out, the Y undertakes a program of a wide variety of activities each year, some of which are the Big Sister-Little Sister program, Freshman "Y", Halloween Party, Kid Party at Christmas, Christmas Pageant, Easter Sunrise Service, Dorm Devotions, Saturday night singspiration, and religious emphasis week. Friday Chapel and Sunday vespers are two of the highlights of the week for students and faculty alike.

It is the goal of the "Y" to help each student find the answer to her spiritual and, somewhat, to her social needs in order that she may lead the most abundant life possible both while in college and thereafter.

The editor-in-chief and the business manager of *The Breeze* are elected by the student body. Members of the editorial staff are appointed by the editor-in-chief, while the business manager selects her assistants from a group of volunteers.

*The Breeze* is now in its thirty-third year as a Madison Publication.
The Schoolma'am, Madison's yearbook, now in its fortieth year, enjoys the distinction of having been the first student publication issued at the college.

The editor-in-chief and the business manager of The Schoolma'am are elected in the annual school elections. Other members of the editorial staff are appointed by the editor-in-chief. In addition, each of the four classes elects a representative who serves as class editor. The Schoolma'am rooms are in Alumnae Hall.

The Schoolma'am has as its purpose the preservation of those memories-scenes and events and accomplishments—which have made the year at Madison significant.

VIII. SORORITIES

Panhellenic Council

This association, composed of three representatives from each sorority on campus, has as its main purpose to maintain on a high plane sorority life and inter-sorority relationship, to co-operate with college authorities in their effort to maintain high social and scholarship standards throughout the whole college, and to be a forum for the discussion of questions of interest to the college and sorority world.

A policy, which has been followed in the past years, is that a student has to be on campus for two regular semesters before she may be rushed by a sorority, except in the case of a transfer who may be rushed after one semester, provided she meets the standards. In order to be eligible for rushing, a student must have a scholastic cumulative "C" average as well as a "C" for the preceding semester. No girl can be rushed, pledged, or initiated while on strict campus or during suspension resulting from a major offense.

Panhellenic Code of Ethics

Membership in a sorority obligates each initiate thereof:

1. To co-operate with college authorities and to foster closer relationships with faculty and student body.

2. To respect both the letter and the spirit of any agreement made by the college and the council.

3. To refrain from speaking disparagingly of any non-sorority girl or a member of another sorority.

4. To refrain from discussion of sorority affairs with non-members.

5. To regulate conduct so that it shall at all times conform in spirit and appearance with accepted standards of good breeding.

6. To conduct all rushing as inconspicuously as possible,
to keep all rush rules in the "spirit" and the "letter of the law."

7. To remember that of those to whom much is given, much is required and that a sorority badge is not a mark of superiority but a pledge to high endeavor.

8. To remember that the unity of sororities means mutual improvement and protection.

9. To so honor the badge worn that nothing will be done to reflect discredit upon it.

Advisers
Mr. W. J. DeLong, Jr.
Dr. J. Emmert Ikenberry

Upon enrollment at Madison all men students automatically become members of the Men’s Student Government Organization and are required to attend all regular meetings. The purpose of the organization is to promote the general welfare of the student body and to ensure the right of democratic self-government. The latter function is performed chiefly through the Men’s Student Court, composed of three seniors, two juniors, two sophomores, and one freshman, with the president of the organization serving as chairman. Cases of infringement of college tradition, breaches of social etiquette, overcutting or unexcused absences from regular meetings of the organization, and all matters contrary to the best interests of the college are brought before the court, with that body administering punishment, subject to the approval of the college.
This Christian Association welcomes and seeks to include in its fellowship all men in the institution, whether student or faculty, who are in sympathy with the purpose of this organization. In the fellowship of the Christian church they seek to understand and do the will of God through worship, study, and action, and strive to realize it both in personal living and in working toward a new society. The Y.M.C.A. takes an active part in the annual Christmas Pageant and Friday chapel.
Sigma Delta Rho

Sigma Delta Rho is the men's fraternity on the Madison campus. The purpose of the fraternity is to give the men students a chance to fraternize with each other and discuss various problems on campus. Some of the projects for the fraternity this year were helping to decorate for the Panhellenic dance, debating with various sororities on national and international affairs, and holding the annual picnic at the college camp. Sponsor's night is always a big event of the year for the fraternity. This year we served a delicious spaghetti dinner and we watched television at the Bocskey's.

CUSTOMS AND TRADITIONS

Old scrap-books, old songs, old lace, old streets—old things are dearest; and the nicest, most individual, most compelling aspect of Madison is its traditions—some almost as old as the College itself. Of all the memories taken away by girls who have attended Madison, the longest remembered are those of the events that have been going on, year after year, until they have become traditional. It would be impossible to determine just which of the following customs and traditions means the most.

Homecoming

Homecoming, which is held in the spring, is the time for all former students of Madison College, in both summer and regular sessions, to visit the college and enjoy the program provided for the occasion.

May Day

The all-college May Day is sponsored by the Athletic Association. Participants include members from all classes. The Athletic Association Council nominates the court. Nominations are made on the basis of beauty, poise, and grace. Candidates are nominated and each member of the council votes by secret ballot for thirty-eight girls. The final decision for the queen, her maid-of-honor and the twelve maids is made by the student body. Balloting is done at one of the assembly periods. Those persons elected by the student body to serve in the May Court are tapped by members of the Athletic Association Council during a Monday assembly.

Old Student—New Student Ceremony

Symbolical of the union between new students and old, the old student-new student ceremony is solemnized each fall under the auspices of the Student Government Association.
Candlelight Service

In the fall, soon after the arrival of the students, each girl is given the opportunity of becoming a member of Y. W. C. A. A candlelight service is held as a public recognition of its new members. This is a most impressive service, as each girl receives the light symbolical of the Christian life.

Christmas Pageant

Each year, just before the Christmas holidays begin, a simple but impressive Christmas pageant is given by the Y. W. C. A. The Madonna is chosen by popular election from the student body.

Worship Program

Worship services are held every Sunday afternoon at 1:50 P.M. The Y also sponsors the Friday chapel services. The entire student body is invited to attend.

Big and Little Sisters

During the summer each upper classman receives the name of her little sister, to whom she writes and gives an early welcome to the campus in order to make the newcomer feel as if she were a part of the college before she gets here. The big sister helps her little sister to become adjusted and acts as her adviser all through the year. The big sister-little sister party is given on the first Wednesday evening of each school year. Each big sister escorts her little sister and delights in introducing her to the old girls.

Sports, Games, and Dancing

Year long interest in sports is kept high by the intra-mural program. The fall sports are field hockey, archery, and ten-
nis. Tournaments are arranged and instruction is given to those who desire it. The winter sports are bowling, basketball, volleyball, and badminton. Bowling competition and instruction arranged. The girls use the alleys in town. Basketball, volleyball, and badminton arouse interest with the intra-dormitory tournament held in each sport. The spring sports are softball, archery, and tennis. Intra-mural swimming runs throughout the year.

There is a year long participation in modern, square, and social dancing. Each student is given an opportunity to engage in her favorite sport and dance. She is encouraged to participate in the intramural program and to learn new activities. Students at Madison find these athletics a valuable way to use their leisure time and become acquainted with their fellow classmates.

Sports leaders are elected by the Athletic Association Council for each of the various activities. These leaders are responsible for scheduling intra-dormitory competition during the respective season. Each activity has a sponsor who is a member of the Physical Education Staff.
Blue-Stone Hill
(Tune, Juanita)

Dedicated to the Harrisonburg State Normal School as its first Alma Mater.

Fair on yon mountain, Gleams the light of morning skies;

Firm on yon hill crest Blue stone towers rise. Proudly waves

Old Glory, white and red and blue Above, Writ with freedom’s

Story, Sign of truth and love. Ma-ter, Al-ma Mater,

Through a far we bless thee still; And may Love

for ever Smile on Blue-Stone Hill.

101
Far o'er the Valley,
When at eve the world is still,
Shine through the gloaming
Lights from Blue-Stone Hill.
Thus afar out-streaming,
O'er the land and o'er the sea,
Like the stars e'er gleaming,
May thy glory be.—(Chorus.)

Queen of the Valley,
Alma Mater, thou shalt be;
Round thee shall rally
Those who honor thee;
All thy daughters loyal,
One in heart and one in will,
Many gifts and royal
Bring to Blue-Stone Hill.—(Chorus.)

Noon, night, and morning
We attend thy signal bell,
True to its warning
Till we say farewell.
Through the years, swift winging,
Oft will come a quickening thrill—
In the soul still ringing,
Bells of Blue-Stone Hill!—(Chorus.)

—John W. Wayland
Alma Mater

1932-1940

(Tune, Old Refrain)

Music omitted because the tune is copyrighted.

As shines the light divine on seekers near,
So gleams thy power, O Alma Mater dear.
For finer truth in love and strength to live
We come, accepting all, that we may give.

CHORUS:

The daughters of thy pride we long to be,
Inspired to nobleness and loyalty;
Afford us wisdom from thy wid'ning store;
Sight us with visions fading never more.

We love thy hills uprising to the blue,
Thy soft grays blending with the sunset hue.
Show us the beauty of our friendships rare;
Teach us the worthiness of such to share.

GARNET L. HAMRICK
Alma Mater
1940

O Alma Mater to thy name well ever faithful be, Lift
learning's torch to brighter flame, shed honor's light on thee. Where

mountain blue meets sunset glow, our college stands serene, With

passing years our friendships grow in memory ever green. O, Madison, may wisdom clear guide us and prosper thee. We
give thee, Alma Mater dear, our love and loyalty, Our

love and loyalty.

During the 45 years of its existence, the name of the college has been changed from the State Normal School to Harrisonburg State Teachers College to Madison College. Along with the changes in names it seemed appropriate to change the songs used Alma Maters. Madison students are requested to learn all three songs.
