4 Ways to Reduce Your Water Waste

1. Turn off your faucet while brushing your teeth.
   - Save 1 gallon per minute.

2. Only wash full loads of laundry.
   - Save 3,400 gallons annually.

3. Take a shower instead of a bath.
   - 25 gallons versus 35 gallons.

4. Get a professional car wash.
   - Save 100 gallons per wash.

Small changes. Worldwide impact.
