Meet Your Officers

Barbara Mauzy, new Editor-in-Chief of the Bluestone, is the daughter of Mr. and Mrs. Layton Y. Mauzy of Harrisonburg, Virginia. Barbara, an Elementary Education Major, feels that Madison has a going to have a very good yearbook this year, but that there is always room for improvement. Barbara would like to see more snapshots, color pictures, and a better system of choosing the best. She feels that the choosing of the format of the yearbook will depend on what the student body prefers.

There was a tie between Beth Alpha and Lorraine Godfrey for the office of president of the Women's Athletic Association. There will be a runoff at a later date.

Sigmas Kappa and Sigma Sigma Social sororities have recently elected new officers for the 1966-67 season.

Jim Kurtz received the Speaking Award.

James Kurtz

Recital Features Electronic Music

"I find the creative aspects of performing to be very challenging and rewarding," said James Kurtz, member of Madison's music department.

Mr. Kurtz will be featured with Dr. Jean Shaw and Miss Harriet Ininger in a forthcoming faculty recital sponsored by the music department. Kurtz will incorporate electronic music into his program. "Besides two sonata recitations for an unaccompanied clarinet, my program will consist of a study of a solo clarinet with electronic extensions." He continued, "I think we will see the second of a live performer with pre-recorded electronically altered sounds."

Dr. Shaw will perform Brahms's Cello Sonata, and then join Kurtz and Miss Ininger in a recital of Brahms's Variations for Cello, Clarinet, and Piano.

Individual Rights Seen Injured

This letter is directed to the Social Committee. If I ask some questions maybe I'll get some concrete answers instead of just hand-me-down word of mouth.

Not wishing to assume the role of the offended Madison major, I would like to know seventy women got the right to deny the student body the use of their Social Center? Was it slip-shod planning or strife between committees that the use of the Social Center were not followed.

This brings up my final question: are any more of these faux-pas intended for the future? If there are, I would like to know where seventy women got the right to deny the student body the use of their own Social Center? Please plan your dances for a night when your committee's decisions are not followed.

College Inspects New P.O., Bookstore

"Babylon!! I don't think 36 people standing in one place to exhaust the floor opening—TRYING to open—makes sense!"

This is the overwhelming answer to the question "How do you like the new P.O.?" The majority of students questioned agree that the post office is too crowded particularly after meals, and that the present plan solves nothing for the future. Sharon Gunt, a senior P.B. major, commented, "The P.O. . . . that hallway over at the HOD'S is too narrow. Also, why not just open—my P.O. box!"

Another senior, Margaret Fake, replied, "Those bottom boxes are too low and the lighting is bad. By the way, since our P.O. isn't government run, why can't we have more deliveries?"

Billy Dennis, sophomore, answered, "The P.O. is an improvement.

When questioned, Suzanne Hobden, sports leader of the Freshman Class, replied, "The P.O. is an improvement in the fact that we have separate boxes, but it is just as difficult to get to the boxes now as it was in Harrison Hall.

Our past grad, Bev, Anderson commented, "I like the crowd. It gives me a feeling of being close."

Mr. Hick's, the bookkeeper and sponsor of the Freshman Class, stated that the area is poorly engineered.

The bookstore received an overall favorable rating. Consciousness shows that most of the questioned liked the quicker self-service system. A senior, Kathy Young said, "It is an improvement. The service is much quicker."
