**Students Spit Self With Slugs**

Astonishment reigned throughout the dining halls as the president of the student body announced to the students that unless prompt action was taken, their place in the cafeteria was immediately unsafe, they would have to be removed.

Appreciation no one seemed to be aware that slugs, insect-soap powders and broken machines were in existence - at least in the Spotwood laundry.

Certain questions come naturally to mind. Are students fully aware of the advantages and possible hazards of hand-cast installations? Or are they just too lazy, too indifferent and too nonchalant about the laundry to adequately use it?

The situation becomes even more appalling when one realizes that the Spotwood laundry serves not only freshmen dormitories, but at least two upperclass dormitories and four sorority houses - housing both juniors and seniors.

Someone, of some group, reading this is directly responsible! It is to you that this editorial is directed. Please don't destroy the privileges of all by being selfish for the purpose of one.

**Your Opportunity . . . . . . .**

Many students do not take advantage of the many opportunities which are offered to them here on campus. Everyone should remember that your education depends not just on book knowledge but on the many experiences to which you expose yourself during your college years.

"Tennis professional, Bill Bos, will be on campus Monday, March 18, to conduct a tennis clinic for interested students. "Master lessons" will be conducted in Reed Gym at 1:30, 2:30, and 3:30 p.m. It is hoped that there will be an exhibition match with another player at 4:30 p.m.

All tennis enthusiasts, whether they are beginners or whether they know the game, are cordially invited to attend.

Mr. Bos is able to conduct this program for the benefit of Madison through the courtesy of the Wilson Sporting Goods Company and Hawkins Hardware Store.

Why don't you make the best of this opportunity and attend this match and classes? It will be to your advantage and you will be the one who will profit.

**Who Knows The Answer?**

Recently I attended one of your well known dance weekends, and I wish to express my appreciation to the two dance clubs for showing their good taste in dance music by choosing Tony Pastor the person responsible for this ever read the rules of etiquette.

For this match and classes? It will be to your advantage and you will have been conducted each Friday following.

"Construction, Comeliness" Combine For Speculation Concerning Awards

Burning questions on campus these days seem to include "Who's going to win the Academy Awards? Of course, no one knows better speculation is running high. Downtown the contest to determine who can guess what the experts will decide is receiving many entries. And, back in the dorms, the arguments ruffle but who is really the best actor, which movie is the greatest, and which actress did the best job.

Sandy Wilkinson, like so many others thinks Rock Hudson has done the best job this year and deserves the Academy Award. Barbara Whithamery says that really Glenn Ford should see the best actor award. Phyllis Modell stellt "The Weak Man," and thinks Henry Fonda deserves recognition for his past.

Shelley Gilbert says, "I don't care who wins, just so Kirk Douglas does "Last Fat Life," and "The Indecent Fighter" are the movies in which he appeared. Bill Koch likes Marlon Brandino and, because of her "construction," he would nominate Kim Novak. Judging from the number of Jiminy Dean pictures attached to bulletin boards, it looks like, Jimmy, would have a lot of votes. However, many feel that "Giant," his latest movie was not as good as "A Star is Born," and as Nancy Wilson says, "Somebody living should get a job."

Sandy thinks that he should get the award, but will not receive it.

To Dusie Talbert "it doesn't make no thru it." But, Lilian Mitchell feels strongly that Rock Hud-

son will get it. She puts it like this, "He's so handsome!"

Kris Miller admits, "I don't even remember seeing a movie in 1956, so he has no pref-

erence. Martha Childress would like to see Doris Day receive this recognition, but she's had no very good movies lately.

Music, Maestro

Additional assets to the Music Department are noted in the new high-fidelity phonograph. Madison's recently purchased phonograph has been installed in the Recital Room of Harrison Hall.

Dr. L. S. Byther has announced that this fine instrument will be used in a series of one-hour recorded recitals to be held on Fri-

day evenings at 8:30. These recitals were started March 1, and have been conducted each Friday following.

All students and faculty members are cordially invited to attend and enjoy these musicals.

The show-billed poetess presented a drug store and said to the druggist, "Would you please give me a package of prepared tablets of the monosaccharide of salicylic acid?" "I suppose its aspirin you want?" inquired the puzzled druggist. "That's it!" cried the poetess. "I have been told by that it's aspirin you want."

Merchants Sponsor Movie Sweepstakes

All Madison students may participate in the “Sweepstakes” and try for a prize.

Prizes offered by three local merchants and the theatre include a Diamond Ring for a man or woman from Fink’s Jewelers, a complete Sportswear Outfit for a man or woman from Joseph Nee’s, a seven piece Dining set from Schewel’s Furniture Company, and two annual passes, good for two patrons anytime, to each of the three top local movie experts to attend the State and Virginia Theatres. These prizes will be on display soon in each of the theatres.

Mark the ballots which will be in the three stores, at the two theatres, or can be obtained at this newspaper, and drop them in the official ballot boxes in the lobbies of the State and Virginia Theatres.

Entrants who guess the winners most closely matching those chosen by the Academy in Hollywood on the night of March 27, heard and seen here at about 10:30 p.m., will be awarded valuable prizes.
