The Cotillion Dance Club will present its annual spring formal dance tomorrow night at 8 p.m. in Reed gym. Easter will be used as the theme and the Y. M. I. Commanders will furnish the music.

In the entrance hall will be placed a large Easter bateau of white cotton. He will hold in his hands a large Easter basket and on the floor surrounding him will be green grass and numerous colored eggs. The predominating colors are to be in green and white. This color scheme will be carried out in the story decorations and in the ceiling. The win- dow drops will be white paper bonnets and the centerpieces will be enclosed in white bible frames.

Coterie Ball to Follow Easter

The figure will come from a garden setting, perhaps a vineyard. This figure, which can be carried out in story, will wear white. The number to be played for will be the figure of "Easter Parade." The following figure will be exclusively for Cotillion club members.

Intermission will be at 10 o'clock at which time the guests will be seated on the second floor of Reed. All Cotillon club members and their dates will be served at Alma Hall.

Those to be in the receiving line are: Ann Myers, social chairman; Ruth Davis, president; Jackie Rady, vice-president; Jane Wilson, secretary; Shirley Wilkerson, treasurer; Ruth Barlow, business manager; Mary Elizabeth Russell, sergeant-at-arms; and Marion Walker, reporter. The Y.M.I. Commanders will furnish the music.

Let's Everyone Practice!

Discoveried talent. So let's go out there and have the most fun ever.

Projects. No longer can you say physical education funds and equipment are used only by those students. They are giving you the chance, everyone.

Volleyball Season Opens

Let's Everyone Practice!

The Athletic Association which determines to assure activity for all, every week of the school year, has now opened its volleyball practices. This season every girl on campus has the chance to learn to play volleyball and perhaps become a member of her dormitory team if she desires. It is everyone's chance to get her daily exercise, show her school spirit, spend her leisure time wisely, learn to cooperate with friends and learn to play one of America's favorite games—all in one hour!

You can't take up every night and you've probably played bridge until it has ceased to be mental exertion, so why not turn to that our final decision is the best one—the one that will produce the most desirable results for the student organizations of Madison.

Easter Promises Rebirth, And Life After Death

It is strange to realize that Easter, the most significant celebration of the Christian calendar, is named for Eastre, the pagan French goddess. But, before we search this out, we must approach the change in the season from winter to spring by looking on it from the Christian point of view. It is a season in which the beauty of the world begins to return, where spring begins to flower and life begins to reemerge. It is a time when the world is reborn, and the world is reminded of its own mortality and rebirth.

The talented Sagul Trio played to a pitifully small audience on Monday night—is this an indication that Madison students have little or no interest in culture; in good music and the artists who interpret it?

For those who are interested in the classics, The Short Stories of Dostoevsky lies in plan the Library. Betty Bizzio's clinic at atomic bomb and one of cupid's arrows hits Haymes at the same time. Germwize trees are feared.

The Spotlight... By BERTY SNELLING

Have you heard the news about our neighbors, the Stanmore Military Aca-
demy boys? As far as anyone from anywhere near that site is concerned, the news is great. Here's the story.

SMA's crack basketball team played 24 games in the past season. With outstanding exhibitions of individual ability, the five man team, getting their individual talents into a one-purpose squad, to win games, found themselves in the thick of their schedule with 21 wins and only one loss, this being to the powerful Navy Yachts from Annapolis.

The "terrible Vince" walked off with the State Military School title, and to add to their accomplishments, SMA became victors in the American University Tourney that was held at Glen Falls, N.Y. All State Champions of Prep Schools were invited. SMA accepted.

Bill Wilkens, 6 feet 1, and Joel Butler, 6 feet 4, will control the height of the team. Bob Pickel, Bobby Sperry, and Franklin Albee, 6 feet 6, known as the "Mighty Five," will compete the other starters in the starting five which has already invaded New York State, to become the Old Dominion's representa-
tive in this All-Eastern tourney. The game was scheduled for the SMA boys to have been played last night at 10 o'clock with the Suffield, Connecticut Academy. "Anyway, we don't know you. But we do wish them "Huddle" full of luck. Take over, boys, and bring home the bacon when you come—if would be the top opening round bout. The outcome? We don't know. Jimmy Miragliotta, Ever heard of him? I'm sure some of you have—those who go with "Virginia" boys should have, anyway. Jimmy is well known at the U. of Va. for his ability as a boxer. This year he is boxing his third varsity season, and up to now he has made out all right. As a member of the 1943 and 44 Cavalier teams, he boxed only one meet lost. After Army, the service grabbed him for a short stretch, to temporarily postpone his return at the school.

Junior at the University of Virginia, Jimmy Miragliotta is taking up where he left off. In eight dual meets this season, he won six decisions and captured the other two bouts by Technical Knock Out. That's good enough in any ring. Now the University has sent him to the Blue and Gold, to compete in the tenth annual National Collegiate Athletic Association boxing tourney.

Because of his past record, Jimmy is being carefully followed in his col-
legiate career by Virginia everywhere. For his opening bout at the NCAA tourney, the sensitive Virginia, the overachieving Miragliotta, was permitted to meet Frankel, of Miami, Florida, but right in a 135-pound class that was expected to be the way opening round. The outcome? We don't know. Jimmy Miragliotta is one of the favorites to bring back a national championship, and we should be over the hill next time you go over in the U. of Va. area around about this fellow. Maybe you could get to meet him and tell him you heard this cold weather.

Miller To Head Fellowship

Betsy Miller was elected president of the Westminster Fellowship on March 2. The new vice-president is Joe Schindl.

Porpoise Elects Committee

At a recent meeting of Porpoise Club, the following girls were elected to plan the spring water carnival which will be given in May: Lynn Mitchell, chairman; Mickey Parrotta, Henry Hughes, and Jo, treasurer; Mary Kate, secretary.

"Round The Disc

By Frances Connock

Ray Bloch dresses up a couple of perennial favorites in a Brand New Style—"Humoresque" and "Begin The Night." The Cole Porter song is a charming adaptation of the old Russian version. "Humoresque" features a strong string section that sweeps up to a thrilling finish. "My Bel Ami," a light and airy French ditty is quite provocative when dished up in a Beach Shore. Pilot line "I Close My Eyes" is a smooth and soft.

Frank Sinatra goes soothing on "This Is The Night." Composition is that wonderfull "Windy" number. A dreamy sax section spotlights "It's Dreamtime" by Vaughn Monroe and his orchestra. The maestro himself, and the Moong Lads handle the vocals. Vaughn again goes bare to beat with Betti Norton as an inspired compensation on the composition piece. "We Could Make Such Beautiful Music." That Irving Berlin favorite "All By Myself" is recorded in a smooth danceable arrangement by Sammy Kaye. Backside features the band's new vocalist, Mary Street, in "You Know What It Happened." Syngapone grouping is found in "Midnight," that exotico Latin number, which is Skitch Henderson's newest recording. "Par Away Island" is a slowed down, semi-casual ballad, Kaye's voice is soothingly is a lot of a let-down on the latter, though. Ray Bloch dresses up a couple all into "A Serenade to an Old-Fashioned Girl!" Equally fascinating is his rendition of Frank Sinatra goes soulful on "This Is The Night." The "terrible ones" walked off with the State Military School title.. And the first game scheduled for the SMA five was to have been played last night at 10 o'clock with the Suffield, Connecticut Academy. "Anyway, we don't know you. But we do wish them "Huddle" full of luck. Take over, boys, and bring home the bacon when you come—if would be the top opening round bout. The outcome? We don't know.
