NO. 21

Interdormitory Council Records, Open Dorms Discussed

The Interdormitory Open House at this time for Council meeting held Monday evening covered many topics including open dorms, permanent, and personal records. The meeting started with a discussion of the record a dorm mother fills out which goes on the Personal Record. There are two types of records -- Permanent Records and Personal Records.

The Personal Record contains the individual student's high school recommendations, high school grades, and his home phone number. These records are very seriously controlled. None of this information is given out. This information is only used for counseling purposes, and used by the Counseling Center staff. These records are kept in Alumnae Hall and student aides are not allowed to go into these files. Upon graduation, these records are sealed and destroyed.

The Permanent Record, by definition, is maintained by the Registrar, may be sent out to an employer, and always remains at the college. It is a factual report. If a student is suspended, it goes on his/her permanent record. When a student returns to the college, the fact that he was suspended is removed from his record. If he is expelled, he is not allowed to return to the college, and the fact that he was expelled remains on his record.

Any dorm can apply for

1. The 24-hour lounge, which is to be used for studying purposes, will be located either in the dining lounge or the recreation room.

2. For security purposes, the doors will be locked according to procedures followed at present.

3. No sleeping is allowed in the study lounge area.

4. Desks shall be requisitioned to accommodate students.

5. A resident on extended curfew may let her guest(s) into the lounge after curfew only if she is coming into the dormitory with a key. A resident who is not on extended curfew may open the door used by residents on extended curfew to let her guest in the dormitory but at no time is she allowed to leave the dormitory.

6. A guest may leave the lounge at any time, however, a guest is not permitted to re-enter the dormitory once he has left, unless he is accompanied by a resident at the dormitory with a key.

7. All guests must be accompanied by a resident.

8. A guest may not open the dormitory door--only a resident has this privilege.

9. The noise level of the study lounge must be appropriate to quiet hours.

10. Girls must sign their guest(s) in and out, and the last girl is held responsible for being certain

of more than \$5 million.

Also discussed were the general rules for 24-hour study lounges. The 24-hour study lounge is only a proposal and has not yet been approved. A committee was appointed to work with Dean Reubush on this proposal. The following are the general rules which were submitted:

Dr. Crawford led a nine-member delegation of Madison instructors to the AAHPER convention in Houston.

Dr. Crawford led a nine-member delegation of Madison instructors to the AAHPER convention in Houston.

Edward, Harding, and George return! They have recorded two albums and have written many new songs which they have performed. Here they are shown at the Madison Coffeehouse earlier this year. See related story on page 3. (Photo by Walt Morgan)

Godwin Hall Dedicated Senator Byrd Delivers Ceremonial Address

United States Senator Harry F. Byrd, Jr., will deliver the address at the May 6 dedicatory ceremonies for Godwin Hall, Madison College's sports center, named for former Governor and Mrs. Mills E. Godwin, Jr.

The senior Senator from Virginia, Senator Byrd, has spent 23 years in government--18 of those in the Virginia Senate prior to his appointment to the U.S. Senate in 1965.

He was elected in 1966 and was re-elected in 1970 as an Independent for a six-year term ending in 1977. He is the second person in the history of the Senate to be elected as an Independent.

He has been particularly active as a member of the Senate Armed Services Committee and has made fact-finding trips for it to Vietnam, the Middle East, Latin America, and North Africa. Senator Byrd also serves on the Finance Committee which has primary authority for all legislation dealing with taxes, revenues, and social security.

The Senator served four years as Chairman of Virginia's economic development program, which played a major role in helping to create 130,000 jobs.

Godwin Hall will be the largest building of its type in the Shenandoah Valley at a cost of more than \$5 million.

Honored in the spring program in addition to former Governor and Mrs. Godwin will be Dr. Caroline Sinclair, former head of the department of physical and health education, and Miss Dorothy Savage, former swimming coach at the college.

The May 6 date is also

Homecoming for the Madison alumni and this will be a reunion year for Mrs. Godwin, a former Madison graduate.

The dedication program will begin in Wilson Auditorium at 2 p.m. with Dr. Ronald E. Carrier, president of the college, presiding.

Humanities Adds Studies Programs

The Classical Interdisciplinary Studies Program has been added to the School of Humanities curriculum and will be open to students for the fall session, 1972. This broad based program focuses on the humanization of man in the western culture and his intellectual and political traditions.

The Classical Humanities Program is designed for students with a broad interest in human values. The curriculum provides an educational background for any profession which places a premium on the ability to make reasoned judgments, either in a literary-historical context or in a socio-political framework. Those who have been stimulated by Humanities courses in high school should be attracted to these programs as well as those already in college who are attracted to the historical and humanistic approach to life.

The program is set up in the 1971-72 Madison College Catalogue so that

a student majoring in the Classical Interdisciplinary Studies can obtain either a BA or a BS degree. The BS degree will not include reading knowledge of Greek or Latin and provides 55 credit hours of electives. Students planning to teach may use the electives to obtain a certificate in History. The BA degree qualifies the student for a Secondary Collegiate Professional Certificate in Latin. In this program 12 credits in literature (in translation), art, and history are replaced by 12 credits in Latin (literature courses about 300 level). Students who have not studied Latin in high school can still qualify by taking first and second year Latin courses in their freshman and sophomore years.

For more information, contact the Classical Interdisciplinary Studies Committee in the Department of Foreign Language or Dr. Margarete Rauch at 433-6128.

(continued on page 6)

\$500 Raised by 17-Mile Student Hike for Hope

Approximately 200 students from Madison College left last Saturday at 8:30 a.m. for a 17-mile hike to raise money for Port Republic Road and hospital ship Hope. The walk was sponsored by the college's Phi Mu social sorority, as part of their annual service project. Miss Linda Cosby, president of the sorority, said \$500 had been raised and more pledges were expected.

"Our 17-mile hike was charted by the Harrisonburg Police Department in order that we would be no

hazard to traffic." The group began on the Madison quad and to South Mason and to 33 to route 276 to back to the Madison Post Office.

The national organization of Phi Mu pledges the hospital ship \$75,000 annual gifts according to Miss Cosby.

The S. S. Hope hospital ship just returned from Jamaica. Its medical teaching missions are scheduled for northeastern Brazil in 1972 and Venezuela in 1973.

Edward and Harding Return for Concert

After a very successful coffeehouse here at Madison, the Campus Program Board is bringing Edward and Harding back for a concert Friday, April 28, at 8 p.m., in Wilson Auditorium. Edward and Harding is a folk trio with songs about happy times, good dreams, good life, and good friends. They have written many of the songs they perform.

Don Edward Owen and Bill Harding Candy went to high school together and had played in the same rock group. After graduation they wrote for about six months and then decided to go professional. In 1970 they recorded some of the things they had recently written and sung and were on their way. Recently, a bass player, George Korenko, has been added to the group. He has played professionally in Europe for about ten years. The numbers performed by this talented trio include "Mrs. Robinson," "The Boxer," "Suite Judy Blue Eyes,"

Miss Buckley Awarded \$1000 Scholarship

Madison College freshman Teri Buckley was recently awarded a \$1,000 scholarship and the right to appear in the Miss New Jersey beauty pageant as a representative of Turnersville, N. J.

She was also named as one of the 13 national finalists in the TKE fraternity International Sweetheart Contest. Results in final voting on the fraternity's contest will be announced in June.

Miss Buckley is a social work major at the college with a 3.6 cumulative average out of a possible 4.0.

She is the daughter of Mr. and Mrs. William Buckley of 97 Greenwood Drive, Turnersville, N. J.

Chorale Presents Annual Home Concert

The Madison College Chorale will present its annual Home Concert on Sunday, April 23, at 3 p.m., in Wilson Auditorium on the Madison College campus. The Chorale has recently returned from a three day tour in Northern Virginia where it presented five

terest is a work which is spoken rather than sung, the "Geographical Fugue" by Ernst Toch. The public is cordially invited to attend this concert free of charge. A highlight of the program will be selections from The Peaceable Kingdom by Randall Thompson, a contemporary American composer. The remainder of the sacred portion of the program will include Vittoria's "O vos omnes," Verdi's "Ave Maria," Viadana's "Exultate Justi," "When Jesus Wept," by William Billings, and two works by the young American composer, John Ness Beck, "Canticle of Praise" and "O Sanna." On the lighter side the Chorale will perform a number of folk songs and spirituals including "Shenandoah," "Lonesome Valley," "I Bought Me a Cat," and "Ezekiel Saw de Wheel." Of particular in-

Geological Field Trips Offered

Geological field trips are offered as a service of the Madison College Geological Association. The Association members are also offering their services for educational tours of the college's geological department, for presentation of movies pertaining to various aspects of geology and for talks and demonstrations, dealing with rocks, minerals, fossils, and geologic maps.

Interested persons should contact Mr. W. T. Harnsberger at Madison College, 433-6130.

Greek News!!!

The Percy H. Warren Senior Women's Honor Society is a local honorary the College.

On Wednesday, April 12, Alpha Chi Chapter of Kappa Delta Pi, the national education honor society, initiated its newly elected officers for the year 1972-73. The program consisted of Mr. Charles Kurtz, Principal of Lee High School; Mr. Paul T. Vames, Assistant Principal of Shelbourne Jr. High School; and Mr. James R. Kivligan, Principal of Bessie Weller Elementary School. They spoke on "Discipline in Today's Schools for the New Teacher."

The new officers are President: Suzanne Gambill; Vice Presidents: Linda Lee Elsmore and Hope Pullen; Secretary: Karen Monroe; Treasurer: Sharon Stephenson; Historian-Reporter: Rosa Wymer. Mr. Henry Goff, Jr., was in charge of the initiation.

Prior to Founder's Day festivities, the new members of the Honorary were tapped. President Linda Hern introduced the new members during ceremonies. Lynn Bauer will serve as president for the upcoming year.

TEX
TEX is having a Beer Blast April 29 at the house on Newman Avenue from 6 p.m. on. \$1 donation at the door. Wednesday, April 19, begins the first day of pledge period for the ETA class. All prospective pledges welcome.

Sigma Phi Epsilon
The brothers of Sigma Phi Epsilon are proud to announce the installation of 17 men into the Brotherhood on the 15th of April, 1972. The Sig Eps are now 45 in number, with 3 new men pledging for the second pledge class of this semester.

Sig Ep's new officers for the remainder of this year and for the next year were installed to their positions on March 6, 1972. They are John Knupp, president; Tom Eddins, vice president; Craig Sterrett, controller; Roy Leake, secretary; Jim Black, recorder; and Lenny Cascio, Chaplin.

ΘΧ
Theta Chi obtained its National status April 8, 1972. The weekend began with welcoming of guests at the fraternity house on Friday, April 7.

The next day marked establishment as a National Chapter. Saturday afternoon at Otterbien Methodist Church the Madison Colony became the Eta Kappa Chapter of Theta Chi. The acceptance of the Charter was followed by the installation of National Officers. Saturday night, a semi-formal dinner-dance was held in Staunton, Va. Members of the administration, alumni brothers, representatives of sororities, and fraternities from Madison as well as the National Installation Committee were guests at this affair. Sunday, April 9, ΘΧ held open house at the fraternity house.

The Talent Show, which will be sponsored by ΘΧ, will be held in Wilson Auditorium and anyone interested in entering should contact Gary Little at 434-9112.

Miss Mills Awarded Director Certificate

Miss Naomi Mills of the Madison College Department of Physical and Health Education has been awarded the Camp Director/Administrator certificate from the American Camping Association.

Archers Win Four Events in Championships

Madison's Archery team, which won first place honors in four events at the 1971 Southeast Inter-collegiate Championships in Delaware, is featured in the May issue of *Archery World*, the official publication of the National Archery Association. Although ineligible to win the regular championship in the Southeast, Madison's archers, led by olympic hopeful Robert Ryder, swept to wins in the men's freestyle, ladies' freestyle, women's team and mixed team competition.

Ryder's NAA score of 790 was tops in the men's freestyle, while Lisa Howard's 698 was best among women. In addition, Sue Vincke and Chris Ward won fourth and fifth place honors in the ladies' freestyle.

The mixed team composed of Ryder, Howard, Vincke, and Bryan Daniels bettered all comers with a combination score of 2912. The women's team of Howard, Vincke, and Ward edged out Florida Tech by 2049-2010.

Madison to Host Archery Tournament

The archery team is hosting a meet on Saturday, May 6, at 10 a.m. Participating schools are VPISU, East Stroudsburg State College (Pa.), and Westhampton. Both men's and women's teams will be shooting.

The archery range is on the field below the Warren Campus Center. This is the only opportunity to see the team in action this spring on campus.

- The Grandstander -

by John Hulver

Between the rain, the strike and the usual April chilly weather the 1972 Baseball season is getting started rather sluggishly. The pitchers, who stay in shape easier than the hitters during such a layoff, dominated the opening games by overpowering the batters inning after inning. With the regular fan across the nation already irritated by strike, he now has to sit through the many dull pitching duels while the big hitters get their timing back. Burt Hooton, a rookie pitcher for the Chicago Cubs, made evidence of the lack of hitting when he tossed a no-hitter against the Phillies Sunday afternoon in his initial start for 1972. It could be a long summer in the ball park.

* * * * *

Madison and 11 other Virginia colleges formally organized The Virginia College Athletic Association in Hampden-Sydney on Sunday. Dukes Athletic Director Dean Ehlers was named secretary-treasurer of the Association at an earlier meeting as 67 representatives from 15 schools adopted a constitution and laid the groundwork for championships in 10 sports.

This league should set up the Va. small college athletic conference that has been needed for a long time. It is probably the best place for the Dukes to build a football program that the Madison campus so eagerly awaits.

* * * * *

Cindermen Down Shepherd, 77-64; Win First Meet in School's History

Madison's track team won its first meet in the history of the school with a 77-64 win over Shepherd College on Tuesday afternoon at Bridgewater. The Dukes competed in a triangular meet with Shepherd and Bridgewater, but the scoring was kept separate because Shepherd was a makeup meet for the Dukes.

The Dukes lost to the Eagles, 91-54, in the other half of the meet as the Dukes raised their season record to 1-4.

Tom Riley scored the Dukes only double win over both schools by capturing the high hurdles and the intermediate hurdles in the times of 15.5 and 56 flat respectively. The intermediate time is his best effort of the year.

The Dukes mile relay

team of Tom Cushing, Bill Walton, Larry Czarny and Richard Hillman toured the circuit in 3:34.4 to capture first over both schools with their best time this year.

Gary Leake jumped 5' 11" as he was the only other Duke to defeat both schools. It was his second high jump win in a row. Johnny Phillips turned in back-to-back wins over the Rams in the mile and half-mile with times of 4:48.7 and 2:10 respectively.

Johnny Mohone toured the grueling three-mile run in 16:15 to take first over Shepherd. In the pole vault, the Craig Ostlund vaulted 12' 6" to top the Rams.

Cushing nipped teammate Czarny in the 100-yard dash as they placed first and second over the Rams, both were timed in 10.6.

The Dukes' 440 relay team of Cushing, Czarny, Riley and Walton outlegged the Rams, but could not match the speed of Bridgewater in the quarter-mile relay.

Debate Trophies

Permanent debate trophies will be awarded to the top three debate teams. Winners in the individual events of extemporaneous speaking, intermediate reading, after dinner speaking and persuasive speaking will also be awarded trophies.

Dukes Pound Shenandoah, 8-2; Jefferson Wins First Game

Freshman Vinny Jefferson, pitching his first college game, yielded one hit, fanned five and walked only one through the first five innings to lead the Dukes to an 8-2 victory over Shenandoah College in Winchester, last Friday.

Jefferson, who was relieved by Scott Hall in the sixth inning, also banged out a double and a single to pace the Dukes' 12-hit attack. Kenny Collins backed up Jefferson with three singles, along with Steve Stark's two singles and Victor Loving's two RBI single.

The Dukes were supposed to play a doubleheader to make up the rained out game from April 8, but the Hornets refused to play because of a limited bench.

Jim Sparling broke out of

his early season slump with four hits, including a two-run homer, to lead the Dukes to a 16-4 smashing of cross-town rival EMC last Wednesday at Park View.

The Dukes exploded for six runs in the second inning to give pitcher Larry Hunt lots of margin to work with as the Royals scored three runs in the same inning. Jim Franklin backed up Sparling with three hits as the Dukes outhit the Royals 17-5, but they also committed three errors.

Tomorrow the Dukes host Virginia Commonwealth University in a doubleheader beginning at 1:00 p.m. in Memorial Stadium. Results of the Va. State doubleheader played Wednesday afternoon will appear in the next issue of the Breeze.

Undefeated Duchesses Overrun Roanoke, 14-0 in Lacrosse

Patsy Jones led the women's lacrosse team to a 14-0 pounding of Roanoke College on Monday in Salem, Va. Miss Jones slammed seven goals into the net as the Duchesses ran their undefeated record to 3-0.

Goalkeeper Beth Lee recorded her first shutout of the season as Dee McDonough and Jill English scored two goals each and Trish Frear, Ann McLin and Sue Wessmer added one apiece.

The Duchesses recorded

a 12-7 victory over Bridgewater on April 11, behind Pat Kelly's five goals. In the season opener, the ladies downed Mary Washington 14-5 at home on March 22.

The second team scored a 13-5 victory over Bridgewater in their only game played so far. Patsy Jones and Beth Schermerhorn scored six and three goals respectively.

Today the Duchesses travel to Cumberland, Md., to face Frostburg College in a 4 p.m. game.

Courtsmen Trounce Lynchburg for Third Win

Alan Mayer defeated his fourth opponent in a row to lead the Dukes tennis squad to a 6-3 victory over Lynchburg College on Monday afternoon at home. The win runs the Dukes undefeated mark to 3-0-1 for the only blemish on the team record. In the season opener they downed Elizabethtown 5 1/2 - 3 1/2 and then cross-town rival Bridgewater 5-4.

Mayer downed Marc Fariss of the Hornets 6-2, 4-6, 6-0 in singles play as teammate Rich Coleman took Dan Guandolo 1-6, 6-4, 6-2 for his third singles victory of the year.

Ambassadors Add Nine New Members

The Madison Ambassadors, an organization still in its first year of existence has added nine new members to its forces.

They are:

Percy Conway

Fredericksburg

David Davis

Dinwiddie/Petersburg

Jerry Davis Manassas

Kathy Dillaber Woodbridge

Lynn Herrington

Chesapeake

Rob Moffett Warrenton

Beth Smith Virginia Beach

Elaine Trahos Alexandria

Charmaine Walker

Front Royal

These students have shown quite an interest in spreading the word about Madison over the state to their particular home area.

Even though there are over 40 Ambassadors, there are still areas throughout Virginia and other states that lack representation. If you would like to tell high school students what Madison really represents, then you may be just the person to step into the shoes of a Madison Ambassador.

Contact Steve Smith in the Admissions Office at 6147 or 6302, if you are interested.

Dukes Drop Fourth

Jim Morris punched out Lynchburg College handed the Dukes a 5-0 loss in Memorial Stadium Tuesday night. Larry Hunt Morris returned in doubles went all the way as the team of Fariss Hornets outhit the Dukes and Russ Triolo 2-6, 6-2, 9-4. Hunt is now 1-2 and the team dropped to 3-4.

Gregg Knupp and Mike Winner also scored singles for the Dukes as for the Dukes only extra did the doubles team of base hit. Each team committed two errors as Baker Thorne and Coleman hurled five innings for the 4 1/2 - 4 1/2 in their last Hornets before being relieved by George Mason.

Five Elected Democratic Delegates

Five members of the Madison College community have been elected to a slate of delegates to the state Democratic convention June 9 and 10. The city Democrats took a liberal stance in the election April 10.

The liberals had challenged the mix in age in the city committee's slate before the slate was elected. It had won approval for a requirement that the slate include at least four women, one black and three young (under 30) delegates. This slate was composed of three young people, two blacks, and four women.

These five members of the eight member slate are: Miss Leslie Cook, a Madison College freshman and secretary of the city committee;

Russell Ritenour, also a Madison student;

Mrs. Juanita Sanders, a homemaker and wife of a Madison College faculty member;

Mrs. Mary McMurray, a homemaker and wife of a Madison College faculty member, and

Dr. John Wood, a Madison College history professor.

European Special Ed Tour Offered

Madison College is offering a study tour of European special education facilities this summer from June 19 to July 13. The tour is designed to study, first hand, state institutions and public school classes for the handicapped in six European countries with ample opportunities provided for sightseeing and other activities in each of the countries visited.

Participants in the tour may earn 3 semester hours credit in special education. College credit is optional for this tour. The tour price of \$961 includes: transportation, sightseeing, accommodations, meals, tips and taxes, and baggage.

For additional information and applications, contact Dr. Christiansen at Madison College, Harrisonburg, Va. 22801.

Residents of Madison's dorms gather in an opening meeting on the quad on April 12 to discuss Open Dorm policy. (Photo by John Cooper)

Summer Research Grants Received

Six summer research compounds;

grants totaling \$13,800 -Dr. S. J. Kurtz, a member of the music department, for a study of ensemble music for wind instruments before 1925, and;

-Dr. W. P. Roberts, a member of the college's geology department, who will study sediment in Newman Lake on the campus and in Blacks Run;

-Dr. P. T. Neilsen of the biology department who will study the effect of the pollutant methylmercury on the growth of algae;

-Dr. R. W. Quist of the special education department who will study improvement in clinical phonetics teaching;

-Dr. G. P. Crowther of the chemistry department, who will study development of a new synthetic base for chemical

LAWYER'S ASS'T

in only 3 months — \$9,000 or more to start

College graduates and other qualified persons (male and female)—our instructors (all practicing lawyers) will train you to become a lawyer's assistant, to perform paralegal services under a lawyer's direction and supervision (but not as a legal secretary—in fact, you too will use the services of a legal secretary). Attend classes days or evenings for only 3 months. Housing accommodations are available at an extra charge.

We will teach you practical, "how to" information and techniques on CORPORATIONS • SECURITIES REGULATION • LEGAL AND NON-LEGAL RESEARCH • DOMESTIC RELATIONS • LITIGATION AND TRIALS • MERGERS AND ACQUISITIONS • TRUSTS AND ESTATES • REAL ESTATE • PUBLIC AND PRIVATE FINANCING • and much, much more.

- Enter a new and exciting field and become involved
- Do interesting research, analyzing, discussing and writing
- Earn a high salary starting at \$9,000 or more per year
- Accept responsibility
- Perform and be treated as a paralegal specialist
- Associate with lawyers and their clients
- Increase your knowledge and potential
- Become a skilled and valuable part of the growing legal industry

SUMMER CLASSES ARE NOW FORMING; APPLY FOR ADMISSION RIGHT AWAY.
