**Washington Drama Group Gives "Taming of The Shrew" Tonight**

Players Incorporated of Washington, D. C., will present Shakespeare's "Taming of The Shrew" at Madison College's Wilson Hall Auditorium on March 7, beginning at 8 p.m. It was an idea suggested by E. Anderson, Chairman of the Madison College Lyceum program, who is sponsoring the event.

This well-known story of Petruchio's attempt to mold a shrewish wife out of the fiery, headstrong Kate was one of the favorite and most frequently produced Shakespearean comedies. It has served some of the greatest minds in the theatre and inspired a smash Broadway musical and subsequent film, "Kiss Me Kate." One of the finest touring attractions in the field today, Players Incorporated has steadily grown and matured in the eight years of traveling that has taken it from one end of the country to another. Twice, this remarkable aggregation of young actors has played in the battlefields of Korea and three times they have played for the Defense Department.

**MADISON MAIDENS, EARLY VERSION—In great contrast to the present day Madison College "began taking in" true early 1908's fashion. Madison has certainly progressed in fifty years.

Stratford Players To Present Comedy

by Katie Warburton

Each month has one at Madison a state of great disorder and confusion occurs in the form of a fire drill. Each month has one, and it seems to be approaching; suspicious eyes are focused upon the fire chief in those buildings. It is for breakfast, and was almost dressed before she could be assured it was only a half hour later. Then there are one for those who come late and refuse to believe the midnight adventure ever happened. It must make a spectacular appearance to keep the sleeping expressions under pinned heads and growing class groups outside the dorms.

Recently a new attraction was added to the first drill was held at lunch time in the dining hall. It was a surprise to the students in the dining hall. Then, the opportunity of expression to each student in each class. The academic work. Those who would be working on a large dramatic production. Those who would be working on large dramatic productions and activities are offered for our enjoyment as well as cultural enrichment. The opportunity of expression to each student in each class.

There will be a called meeting of Sigma Delta Theta Monday night, when the final information on Sepia will be discussed.

April 1 will mark a turning point in our lives. It is the day of our initiation into the organization as the newly elected officers, students, and those coming themselves for their respective offices next year.

Congratulations are in order for Fr. Seibert, who today moved into his new office. The present officers express their thanks and acknowledge their efforts in making the 1957-58 season a success. Without some of the help given by the new students on campus couldn't have done it, and the contributions of the men students on campus couldn't have helped them. The student officers assume the responsibility, or influence they now have at our disposal to bring about a better understanding of the fraternity and its activities.

In as much as this issue of the Breese marks the 50th Anniversary of Madison, it has been brought to my attention by Mr. Hanson that it appears to celebrate some other anniversary in Madison.

At the summer commencement exercises, a program which was presented a two-year professional weeding of students who had the opportunity to graduate from any curriculum from Madison.

In this connection, however, he could not dental to the musicians and the audience, and not the musicians and the audience, and the performance before the appreciation of the Madison.

The cast includes: Abby Brewster — Pat Lumpkin; Martha Brewster — Sue Wool; John H. Roosevelt — Rev. Dr. Harpers; Nurse Plenty — Teddy Brewster; Eddie Steen — Jonathan Brewster — George F. Aardvark; Ethan Harpin — Allie Cross — Mr. Gible — Mr. Cagen — Burt Wilkerson — Richard Clove — Dr. Glespin — Al Strickler; Liberty Wilson — Lee Tomlinson; Officer Klein — Anne Lamont; Officer O'Harra — Andrew Fouth; Steve Holiday — Rick; Stage manager in Ann Carol and Edward B. Brock; in charge of setting and props.

Stratford Players' spring production, Arsenic and Old Lace, a comedy, by Joseph Kesselring, will be presented March 18 and 19. Dr. Catmair, director, and Wayne Carter, stage manager, are putting the show together.

The new German Club members are: Allan B. McGee, John A. D. Brown, Mark B. Morgan, and Lawrence A. D. Brown. They have been met with silence. The blatant demonstration of excitement on the campus is somewhat justifiable in that it will make the students more aware of their membership in the music club and the audience.

The club shall be in appreciation of the new members to those who have helped.

**Sophomores Score Hit With Class Night Presentation**

A DANCE GIRL in Gusti's Tavern, "Pooh" Hooper exhibits exquisite form in her Festival Dance during the Sophomore's "Elsie and The Yokel in Italy."

"We're the greatest class, we're the best of them all, and we'll shine through our years here at school!"

Yes, the Class of 1960 really did shine brightly Wednesday night, March 5, with the presentation of their Class Night, written by "Di" Boelt and "Poo" Hooper, and directed by Jean Harrison. Music was provided by Dick Barnes, Ruby Tway, and their committee.

With Italy as their theme, the Sophomores presented the play, "Elsie and The Yokel of Italy."

It seems that Rosabella, played by Bobbie Ann Dickerson, had a no-account husband on her hands. He steals a cow, gets caught, and sentenced to a term in prison. For those who have never visited a prison, a personal glimpse was given of how the other half lives.

That's what a jail is like, was a comment heard in the audience. Well, that's how those "prisoners" lived anyway.

Ah! For the life of a prisoner, peeling potatoes, and talking all day long. And that combo on "Jailhouse Rock" was a memorable sight. Then came the Festival Celebration. The local tavern seemed to overflow with talent—singers, dancers; even a chorus line.

First and foremost is the news that the girl's intramural basketball season is over. The first team had a 2,3 season—winning two and losing three. The second team, however, came through with an undefeated season. Many congratulations to the girls and their coach, Miss Berkley, for a job well done.

Saturday's game with Westminster was supposed to mark the end of the season. With this thought in mind the girls played good games and took them both 45-40 and 52-49.

Tuesday, however, Madison and Longwood met to play their previously scheduled game. Longwood won the first game 63-59 and Madison won the second 62-46.

With basketball over, it's time to get out those tennis rackets, bows, lacrosse sticks, and of course those ever faithful softball bats. Congratulations are in order for Judy Buir who won the fencing intramural finals.
