The School Board of Harrisonburg did not accept the proposal of the administration of Madison College, but agreed to submit the matter to a public meeting. The meeting was held at the County school board meeting on May 30 at 7:30 p.m. in the Anthony-Seeger School.

Plans Made For Graduation Weekend Include A Full Schedule Of Activities

For the seniors and graduating sophomores, the weekend of May 30 is one of the most exciting in their college career. Grades and monetary and non-monetary rewards will be given out in several events, and the seniors will be given their diplomas.

Dr. Byers, who is the president of the institute, has accepted the position of President of the college.

Pot Rogers adjusts the mortarboard that Carrie Lou Jeter will be wearing for the last time. These two seniors will be joining their classmates in a full schedule of graduation activities beginning Friday afternoon, May 30, with a get-together at Hillcrest.

During the past four years the seniors have worked hard to reach their high goals. They have been recognized for their scholastic and extra-curricular activities, for their community service, for their ability to produce projects that are technically sound, and for their creativity. Together, they have created a legacy that will be remembered by future graduates of Madison College.

The class of projects on the program will be the last time that the seniors will come together to celebrate their accomplishments. The program will take place on Friday at 4:30 p.m., President Miller will honor the graduating students at a Garden Party. The program will be held from 12:00 p.m. to 2:00 p.m. in the school's gym.

Starting Saturday, May 30, the seniors will begin their final celebrations. Included in the schedule of activities beginning Friday afternoon, May 30, with a get-together at Hillcrest, will be the following events:

**Support the student body has shown**

**Members Of Faculty Plan Varied Activities**

As the day grows warmer, each member of the student body has shown their support of the Honor System regarding cheating this year. Many members of the faculty have been active in the support of the Honor System, and have been working hard to promote the system and its values.

**Helpful Roommates Assets To Campus**

A very large majority of students are to be commended for their efforts in the Honor System this year. There have been fewer cases of cheating this year as compared to last year. This is due in part to the increased awareness and vigilance of students and faculty.

**Stately Seniors Leave Their Marks Behind**

**Today’s Prayer**

The Stately Seniors of Madison College are the certified, Madison institution. They have been working hard for four years, and have become experts in their chosen fields.

**Just Me...**

**Dont Procrastinate**

“Necessity is the mother of invention.” Along this line when a situation arises we always have a million suggestions about improvement. This is the case now.

**Your Day**

September 19, 1954, may have been just another day to most of the world, but to 447 girls, it was a day never to be forgotten, because I was thinking about all the things that I knew and all the things that I had to do that day.

**Dont Procrastinate**

We observe that in other institutions of higher learning a dormitory life is very similar to that at Madison College. It is a place for students to relax and develop a sense of community.

**Today’s Prayer**

One of the brighter duties of SGA is to plan the program for the coming academic year. Following the re-organization of the old council to return to campus to greet the incoming freshmen and help with orientation.

**Dottier Seniors Leave Their Marks Behind**

It's easy to recognize them. There is a certain air of dignity and finality about them that sets them apart from their peers. They have grown from girls to women, and have learned much during the course of the semester.

**Today’s Prayer**

In Thy name’s honor and glory we pray.

**Today’s Prayer**

We work for the fall, but would be glad to take the call for the spring.

**Honor Council Speaks**

I have a suggestion that you might consider. I think it would be better to have exams sneak up on us, rather than have us suggest upon suggestion and plan before exams sneak up on us.

**Dont Procrastinate**

We need many ideas, but feel everyone can contribute their support to the Honor System regarding cheating this year.

**Todays Prayer**

It was just lack that my reasons in so many, most of them — especially if the two, each in every way possible. There are many instances in which you will feel the best help to do with many problems. Everyone is not quite ready for my way when he arrives, who goes to register him unless I can get there? Good ole Roomie! When I had Asian Flu she even went out on her own for me. You know how much help that was! I didn’t want him dating just anybody. It’s not funny now but when she’s sick, oh well, that’s the way the ball bounces during engagements!

**Today’s Prayer**

We thank Thee for each new day and ask that Thou would guide us in the use of each of these for the betterment of those around us.

Business Fraternity Elects New Officers

Officers for the coming year of Pi Omega Pi, chapter of Pi Omega Pi, the national business honor fraternity, will be installed on Tuesday, May 20, by the outgoing president, Merlin Seg. The new officers are: president, Ann Bennett; vice president, Sandra Early; secretary, Joan Bennett; treasurer, Robert Miller.

On April 23, the club climaxd the year with Pi Omega Pi Day, including the sponsoring of Mr. John H. Noyes, Manager of the Southern District for the DuPont Companies, Business Division, who spoke in assembly on "Chemistry in Progress." During this assembly the annual award to the sophomore in business with the highest scholarship average was awarded to Ellen Raines. The annual Pi Omega Pi banquet was held that evening at Stadium, with Representative Charles Wampler as guest speaker.

Greek Organizations Hold Open Houses

Sorority Open Houses

On Wednesday, May 21, all the sororities will throw out the welcome mat for freshmen visitors. Till the freshest will be at the doors of the sorority houses from 3:30 until 5:00 that day.

It is a wonderful chance for freshmen to see what sorority life is really like. It will also be a good opportunity for sorority girls to get to know the underclassmen.

Prior to the open house, members of the Panhellenic Council, sponsors of this function, will visit the freshmen dorms to clear up any questions that girls may have.

All girls in sororities are asked to be at their houses for this function. It is also hoped that as many freshmen as possible will be at the open houses.

College Bids Faculty Members Farewell

Now that the 1957-58 session of Madison College is almost at an end, many of the students will have with mixed feelings. Happy thoughts of courses completed and anticipation of the summer are in the minds of many. Also, the not so happy thoughts of saying goodbye to the good times and good friends leaves most of us somewhat saddened.

Among those friends are some of our faculty who have come to mean much to us.

Miss Margaret Anderson of the Biology Department is leaving us to pursue graduate study.

Miss Marjorie Barker, Miss Marie O'Neill and Miss Emma Evans, all of the Physical Education staff have decided on other positions in other institutions of higher learning.

Mr. Morris Blair, who so ably re-

served Dr. Turille in the Business Department, will retire at the end of this year.

Miss Frances Grove of the Art department will be an exchange teacher to England.

Looking forward to a successful 1958-59, our freshmen — soon to be sophomores — elected an outstanding student to lead them. Aloma Brown, who comes to Madison from Portsmouth, is the new sophomore president.

Presiding as president will be Jean Harrison, a native of Harrisonburg and daughter of Mr. and Mrs. T. T. Harrison. She is a member of Sigma Phi Lambda, Westminster Fellowship and vice-president of the sophomore class.

Barbara Jacobs will serve as vice-president. Hailing from Williamsburg, she is the daughter of Mr. and Mrs. F. S. Jacobs. Barbara is a member of the German club, Association for Childhood Education, Kappa Sigma social sorority and the Panhellenic Council.

Serving as the new secretary is Ellen Raines, daughter of Mr. and Mrs. C. E. Raines of Keezletown. Ellen is a member of the Cotillion Club, Sigma Sigma Sigma social sorority, Student-Faculty committee, Future Business Leaders of America, and feature editor of the BREEZE.

Martha McManaway, the new treasurer, is the daughter of Mr. and Mrs. C. L. McManaway and comes from Moneta. She is a member of Sigma Phi Lambda, Alpha Kappa Delta, Future Business Leaders of America and the Cotillion Club.

Daughter of Mr. and Mrs. F. M. Mooser, from Bristol, Carolyn is going to serve as parliamentarian for her class. She is a member of Sigma Phi Lambda, German club and Theta Sigma Upsilon social sorority.

Faye Morgan, the new class reporter, is the daughter of Mr. and Mrs. Walter B. Morgan and hails from Roanoke. Faye is a member of German club, Sigma Sigma Sigma social sorority and Athletic Association council. She is headliner editor on the BREEZE and past secretary of the freshman class.

Next Year's Sophomore Class Elects Top Brass Leaders For Class Of '61

Looking forward to a successful 1958-59 our freshmen — soon to be sophomores — elected an outstanding student to lead them. Aloma Brown, who comes to Madison from Portsmouth, is the new sophomore president.

In addition to her various activities on campus, German club, Junior Y, and Sigma Phi Lambda, Aloma worked untringly as director of class night. Aloma, confident that we will profit by this year's mistakes, plans the class project as the main objective for the coming year.

Assisting Aloma during the year as vice-president is Billie Jean Cook from Staunton. Having served the class during the past year as treasurer, Billie hopes to be a help to Aloma and her class.

Also returning to an officer's role is June Etimos from Roanoke who will serve the class as secretary. A Sigma Phi Lambda member, June is the newly elected vice president of the Literary Club.

Taking care of the finances is Sallyann Lawrence of Greensburg, Pennsylvania. Sallyann, a Sigma Phi Lambda member, will serve as treasurer of Future Club next year.

Kitty Rodgers of Lynchburg, reporter, will keep the campus aware of the class activities. Kitty's activities at Madison include secretary of University's Club and Newsman Club.

Representing the sophomores in student government are Peggy Davis from Burrville, who will serve on the University's Club, and Patricia Lytle from Woodstock and Catherine Philpot from Alexandria.

Upholding the standards of honor, the class's representatives are Grace Arens and Betty S. Rose. Betty serves on the Honor Board of the University and Jean Tansill from Lynchburg.

The sophomore's additions to Standards are Margie Bachman from Norfolk, Susan Morgan from Petersburg, Jane Parrish from Richmond, and Patricia Lytle from Woodstock.

Notice

To the Treasurers of Campus Organizations:

Do not forget to turn in the books and financial statements of your organization as soon as possible. The following transactions for the school year (1957-58) must be turned in. If you have not received the necessary forms or if you need help, please call at the Treasurer's Office.
Sports Personalities For Year Chosen For Outstanding Work

A class that rates! That’s the class of 1958. Yes, this class has more than its share of talented and gifted people. Many of these are to be found in the world of sports. In recognition of their outstanding contributions to sports at Madison, we would like to pay tribute to the sports personalities of the year. For four consecutive years these girls have represented Madison on the extramural playing field in one or more sports.

Sara Jane, "Skee," Walsh from Ohio will be remembered not only for her excellence as a swimmer but also for her sportsmanship. "Skee" will always be remembered as a member of the swim team.

Eve Smith from Richmond, "Eve," is a physical education major from the state of Virginia. Eve will be remembered for her speed and skill in the swimming pool.

Dosie will be remembered for her play and close guarding on the basketball court. She is indeed a speedy little guard.

To those of you who have worn the purple and gold on the hockey field for the last time, we dedicate our final number in the Porpoise show?

Sara Jane, "Skee," Walsh from Ohio will be remembered not only for her excellent performance in the world of sports, but also for her contributions to the Athletic Association. She was a key member of the team.

Interceptions! The key word in describing Jane Painter’s talent. "Painter," of Pearisburg,-played on the basketball court. She is indeed a speedy little guard.

To these girls who have worn the purple and gold on the playing field for the last time, we dedicate this article. Congratulations on your four-year’s good work.
