And to the loyal visitors who were joined for better, for worse, in one student body by the Reverend Virginia Blain, who stepped out of her role as student government president long enough to perform the ceremony.

Preceded by the college glee club, clad in green and white costumes, the two families moved slowly down the aisle between rows of symphonic spectators. The bride's mother and father, Elda Finney and Ruth Eleanor Mathews, have been remarkably well under the stress of losing their only child and were morally supported by the near relatives. Grandmother Pedem and grandfather Killinger turned back the page of time and relived their romantic period, while kid brother, Billie Powell, and kid sister, Peggy Poole, were prevented from wrecking the ceremony by Anni Anne Lewis.

Blessed for far the newyear, there might be left on their domain a group of neighbors who the grooms family fared the nuptials with an air of merrymaking. The pastor, formerly Holmes Hardy Amelina, and the father, Anina Wines, were accompanied by their son, John Powell, whose sister, Martha, and the bride's half sister, Mary Lewis, were among the guests.

Not much attention has been given to the students of the college. Not only must they read the books in the library, but they must also attend the professors each day. An empty room with comfortable chairs and reading materials would be provided.

The progress of our college is not as rapidly as possible. As for material available to the students, 25,000 books are in the library. A conference room and additional necessary rooms would be provided. A browsing room with comfortable chairs and reading materials would also be provided.

When entering the library around eight in the evening, we are shocked to find that there are no seats available. This would seem to call for more chairs and perhaps hardwood tables in order to lighten one's burden since students are used in children's libraries.

Lee and Page Literacy Societies announce the following pledges for the Fall quarter:

As the paper goes to press no definite news can be obtained concerning Labor's pledge.

To Rural Schools

A drive to help the rural schools in Rockingham County is being sponsored by the Association for Children's Education on this campus. Students are being urged to save such articles as string, wrapping paper, cardboard, and odd pieces of muslin which are no longer of use to them, but will greatly aid the one-room school teachers.

The Association is especially interested in the one-room school at Stone Gap, following Harrisonburg student and member of the Association for International Children's Education, Helen Ferguson was recently elected secretary of the organization.

The Susquehanna Club held its regular meeting Thursday, October 17. Hazel C. Layton was elected sergeant-at-arms of the club and new members were introduced.

Athletic Council Elects Additional Officers

Margaret Bell and Martha Pitts were elected secretary and assistant business manager, respectively, of the Athletic Council at the semi-monthly meeting held last Monday night.

Bell, president of last year's freshman class, is vice-president of the Lea Literary Society, a member of Bluestone Cotillion Club and plays on the varsity basketball squad. Pitts has taken an active part in athletics, playing on both the basketball and track teams, and is also a member of Lee.

Logan Will Association

C. T. Logan, head of the English department, was elected president of the Rockingham Literary Association last Friday night, to succeed the Rev. Walter Williams, who resigned due to illness.

Rev. Williams banded the movement, which ten years ago resulted in the establishment of the library. His resignation was accepted with regret (although he will remain as a member of the board). Mr. Logan has for many years been connected with the literary movement, started in the Harrisonburg High School.

Jig Saw
by MIKE LYNX
Let her who is without dough throw the first bolt. For what is esthetic but the touch of the hand? Let the sculptor’s hand be the sculptor’s touch at the bar of the Dough-Golesh (tea room, in town). It’s a one-up-and-one-over-the-top occasion, and our thirst for confectionery and consequently some future breakfasts. Let the dough-golesh be our breadbasket.

If, on the other hand, it is felt that a request to be remembered and special arrangements be made for the varsity team, the following suggestions are offered:

1. No one is permitted in the pool unless the life guard is on duty. If anyone is going to swim at a time other than during dip hours, arrangements for the time and the life guard must be made.

2. Take a thorough shower before entering the pool.

3. Be sure to stay in the foot bath at the bottom of the stairs before entering or leaving the pool.

4. Wash on the tile—don’t run. It is slippery, and a fall may mean serious injury.

5. No one will be permitted in the pool without a bathing cap. No padding or swimming in air.

6. Do not sit in front of the diving board.

7. No swimming across the tile with street shoes on.

8. Dip hours are scheduled as follows:

   College Dip Hours—Monday 2 to 5 p.m., Tuesday 1 to 5 p.m., Wednesday 2 to 5 p.m., Thursday 3 to 5 p.m., Sunday 3-4.5:30, Saturday 1-3:30, Sunday 3-4.5:30.

   Faculty Dip Hours—Tuesday 4:30-5:30, Saturday 4-5:30 and 8-9 p.m., and Friday 6-8 p.m.

Hockey Squad Practices on Skills
Class Hockey Starts Development Material for Varsity Team

Because of the continuous raids last week-end the hockey practices had to be delayed. Practices were during the week held in special stick work and skill with the new artificial swimming pool.

This year class hockey was started earlier because of pressure on previous years with the hope of developing some new material for the varsity squad.

Several positions on the varsity team, left vacant by graduation last June, remain open and judging from the interest and hard work shown in practices, these berths will be ably taken care of.

Freshman Learning Games

The freshmen as yet haven’t been able to organize a class team because of their inexperience with hockey. However, is their Physical Education class they are becoming familiar with the game.

Ann Van Landingham, captain, is working on the development of the Hampshire Field Hockey Association to the point where the varsity team will be able to compete with the junior varsity team.
