# Lived Experiences of Academic Librarians of Color: A Bibliography

Compiled by Dr. Jody Condit Fagan, 2022

The scholarship in this bibliography offers wisdom for all academic library workers about the experiences of academic librarians of color. I have tried to provide links to open access full-text where possible. Where a book chapter has no open access online, I provide a link to the WorldCat record. While the list is not intended to be comprehensive, I welcome any suggestions for additional sources or open access channels ([faganjc@jmu.edu](mailto:faganjc@jmu.edu)).
