Breeze Receives Excellent Rate

First Class-Excellent was the honor rating received by The Breeze as recorded in the National Newspaper Scoreboard sent to Rebe- ca Rogers; this past year's edition-to- date.

Larry Moore, editor of The Breeze, says the critical service of A.C.P., Madison's newspaper, was judged on the basis of News Values and Sources, News Writing and Editing, Headlines, Topography and Makeup, Department Figures and Special Features— all graded and combined to determine a final score.

The Breeze's total of seventy-six hundred and fifty, which made it sixty-sixth of the papers that are rated, is posted. Some of the highest scores are earned by the latter section as mentioned in grad- uations above.

The purpose of this A.C.P. service is not to create inter-school rivalry, but to provide an agency by which staffs may be aided in giving their students more value and communiques a significant publica- tion, and to help them in the solution of the difficulties that are experienced in trying to measure the effectiveness with which they serve their individual schools.

Ex. G. I. Paints Mural

A mural depicting old England, with its thatched huts, horses, peasants and lovely lady, has been admired by the dinner bell restaurant in downtown Harrisonburg. It is the work of Lawrence Hatfield, a Madison student.

Curtis Represents Madison At Apple Blossom Festival

Thursday, April 26, marked the beginning of the annual Apple Blossom Festival at Winchester, Va. Madison's representative is Ann Curtis of Mid- dle School. She was selected by faculty, Charles Pole, a medical student at the University of Virginia.

While in Winchester, Madison's court beauty is a guest of the George Washington Hotel. In addition to the Queen's Ball on Thursday night and the Blossom Ball tonight, Ann has been entertained by newsmen and parties.

The Coronation of Queen Sharon- gah XXII took place Thursday after- noon. In the Grand Feature Parade, which is scheduled for 9:00 o'clock to- day, the Princess from Madison is rid- ing on a float. Her dress is of white organza over pink taffeta with a tight fitted bodice and a full skirt. The skirt is trimmed with these tiers of soft mate- rial, embroidered and edged with lace. The neckline is off the shoulder, finished in organdy and a full yoke of lace. She is wearing pink silk stockings and shoes which match her gown.

Ann was voted "Sweetheart of Sig- ma Chi" at The University of Virginia. She is a member of Kappa Kappa Gamma and is one of the endowed scholarships in the Madison campus.

Vandercomb Attends Annual Convention

Miss Hope Vandercomb, Dean of Wo- men, attended a joint convention of the National Association of Deans of Wo- men, the National Vocational Guidance Association, and American College Personnel Association from April 18 through April 21 at Stevens Hotel in Chicago, Illinois.

French Club To Give Play

Wednesday, May 4, the assembly program will feature a French play, "La Comedie D'une femme Morte," presented by Le Cercle Francais.

The play tells the story of a judge who married a young girl who was expected, for political reasons, to be unable to talk. As a result of living with her, he finds that himself is becoming dumb and when a friend tells him that he can care for his wife, he is overjoyed. After a successful operation, the judge becomes the master of the house and demands that the woman be treated as a lady. Now his wife not only talks—she is becoming dumb and when a friend of hers comes to see her, he knows she is the same lady who told him of a doctor who can talk again. The play is a farce.

Breezy Receives Excellent Rate

First Class-Excellent was the honor rating received by The Breeze as recorded in the National Newspaper Scoreboard sent to Rebecca Rogers; this past year's edition-to-date.

Larry Moore, editor of The Breeze, says the critical service of A.C.P., Madison's newspaper, was judged on the basis of News Values and Sources, News Writing and Editing, Headlines, Topography and Makeup, Department Figures and Special Features—all graded and combined to determine a final score.

The Breeze's total of seventy-six hundred and fifty, which made it sixty-sixth of the papers that are rated, is posted. Some of the highest scores are earned by the latter section as mentioned in graduations above.

The purpose of this A.C.P. service is not to create inter-school rivalry, but to provide an agency by which staffs may be aided in giving their students more value and communiques a significant publication, and to help them in the solution of the difficulties that are experienced in trying to measure the effectiveness with which they serve their individual schools.

Business Club Presents Show

"Spring and Summer Fashion Show" was presented by the Madison Business Club on Tuesday night at the Alumnae Reception Hall. Business students and faculty members were invited to the style show which was under the chairmanship of Carrie White Moore, president of the Business Club.

Travel-time, crepe material, extreme crepe for-lunch, boudoir time, square dance and formal were the styles modeled. Fads featured under these styles were shorts, skirts, suit, dressy dressers, cottons, suits, and formal.

Flora Hughe, Virginia Hignite, Mary Sue Murdock, Hazel Smith, Betty Reynolds, Mildred Davis, and Mary Sue Murdock were the models.

Clothing and hair styling was sponsored by Joseph Nye and Clifford Lonnquist.

Former Representative To Address Graduates

An announcement was made at the time of the Annual Convention of the American Association of University Women (AAUW) that former Representative Eva F. Watts had been appointed to the committee on women in Congress. This committee is charged with the responsibility of investigating women in Congress and reporting the findings at the next annual convention.

Mrs. Watts was first elected to Congress in 1940 and has been re-elected six times. She is a former nurse and is now a member of the House Committee on Appropriations. Mrs. Watts is one of the most active women in Congress, and is known for her perseverance and determination.

The American Association of University Women is a national organization of women who are alumnae of American universities and colleges. The organization was founded in 1869 and has a membership of over 300,000 women in over 600 chapters across the United States.

The organization's mission is to promote the education and advancement of women, and to promote the wellbeing of their families and communities. The AAUW has been involved in a number of significant social justice issues, including the fight for women's suffrage, the fight for women's right to own property, and the fight for women's right to vote.

The organization has also been involved in a number of educational initiatives, including the establishment of women's colleges and universities, the establishment of women's clubs and societies, and the establishment of women's schools and colleges.

The organization's most significant achievement has been the establishment of the Women's National Educational Scholarship Program, which provides scholarships to women who are pursuing higher education. The organization has awarded over 100,000 scholarships to women since its inception.

The organization is currently involved in a number of significant initiatives, including the establishment of women's centers and the establishment of women's programs in schools and colleges.

The organization is composed of women who are alumnae of American universities and colleges, and is open to all women who are interested in promoting the education and advancement of women.

The organization is headquartered in Washington, D.C., and has chapters in every state in the United States.

Special Provision For Study Abroad

Public Law 386 of the 79th Congress, "the Fulbright act," authorizes the establishment of the Fulbright program. This program is designed to facilitate the exchange of American students, teachers, and scholars with foreign universities and institutions. The program is intended to promote the exchange of ideas, knowledge, and culture, and to strengthen the ties between the United States and other countries.

The program is open to all American students, teachers, and scholars, and is funded by the United States government. The program is administered by the U.S. Department of State, and is managed by the Fulbright Foreign Scholarship Board, which is located in Washington, D.C.

The program is designed to provide opportunities for American students, teachers, and scholars to study and work abroad, and to receive training in foreign countries. The program is also designed to promote the exchange of ideas, knowledge, and culture, and to strengthen the ties between the United States and other countries.

No Time To Think

An attack on the hurried, crowded life of modern America was recently made by President Charles W. Eliot of Harvard, who called for "a little more time to think.

It is true. We do need time. Our planned curriculum leaves no little time for contemplation, meditation, reflection, thoughtful consideration, thinking things out! These we need time for, and not to finish.

Each one of us must, of necessity, take time out for contemplation in this rushed life on campus. If a difficult task, but one which we must undertake, for of use the cramping of facts and figures and other people's thoughts into our minds if we have no opportunity to sift through them and think things out.

More Leading---Less Shoving

Over the holidays some of us overheard two teachers discussing their schoolroom problems in various phases, and one of the young women happened to make this statement: "I can't make Frances learn to pay attention and read---but no class room was perfect, and we had to expect something of Miss X's subject. With a little place well placed emphasises at strategic points in the course we had excited to the extent that we had 'gone on' in our own. What could be any more progressive in the field of education than learning by guided discovery, logically planned, and ultimately "doing" that discovered?"

Kahlil Gibran once wrote of teaching that "... he is indeed wise who does not put you into the house of wisdom, but rather says to you to the threshold of your own mind." How much good a little more leading to a point and a little less shoving on our part would do.---not only in the teaching of facts, but in the teaching of the lives, as a whole, of those we may attempt to help, richer finer ones.

Glee Club Goes On Annual Tour

The Madison College Glee Club is on its annual tour from April 27 through April 30. It was in Frederickburg at Mary Washington College on April 28 to participate in the College Choir Audition sponsored by the Virginia Federation of Music Clubs. On Friday it will attend a lunch at Randolph-Macon College in Ashland. Tonight the Madison College Glee Club will appear in joint concert with the Randolph-Macon and University of Richmond Glee Clubs in Chafler High School Auditorium. The Glee Club will sing for a luncheon at Randolph-Macon on April 27 and at VPI on April 28. Tonight the Madison College Glee Club is under the direction of Miss Edna T. Stoffer.

Annual Institute Held on Campus

The fourth annual institute in business education, sponsored by the Department of Business Education at Madison College and the Department of Education at Richmond, was held at the Madison College campus Friday, April 22, with over thirty high schools in the Shenandoah Valley represented.

This'n That

by Joan Shillerson

Well, Easter's over and gone. Spring is in the air—and we've both been busy as hens laying new eggs. On Easter Sunday we were both at the cemetery to make sure that everyone had a happy Easter vacation—so let's see now.

We Know It—We set it!!!

Frank Glickens and I sat in our wicker chairs and enjoyed the sun and the breeze. We discovered that we were both sweltering in the heat, but johnnie was giddy about it!!!

Patty Hoffman, a freshman this year, went home to Martinsville one weekend and came back all engaged to Morton Haynes, also from Martinsville. They haven't "set the date" yet, though.

Jackie Allenston is another girl who's sporting a smile these days. Jackie, a sophomore from Newport News, got the news from Harold Metheny, also from Newport News who attended Shenandoah College.

Nancy Ellis just can't hide that big grin and surprised feelings since she received her beautiful solitaire from Larry over the holidays, and she's already planning to make that romance of theirs known to the world!!!

We told you quite a while ago about Bob Knudsen's pin. Bob is a Phi Kappa Psi at W. and L. and is being done, and is being done, in the physical education field. Well, last Friday night all the girls were gathered around campus looking for size 9 shoes and live snails? Could it be some Miss Ulfich's community recreation students?

The Glee Club will sing for a lunch given by the Richmond chapter of Madison College Alumni on Saturday at the Jefferson Hotel.

Library Presents Interesting Process

The Department of Library Science has brought to our library a beneficial display on How Books Are Made. This display was planned and arranged by the editors of Compton's Encyclopedic Encyclopedia and will be in Reed gym until May 5. It covers, in a general and very interesting way, the process of bookmaking. The actual process is demonstrated by pictures mounted on mats. One page of Compton's encyclopedic book is also in the display. Ways of mounting, and using color are shown. The exhibit also includes a display of the best practices in modern bookmaking.

Easter's clammy, simply loads of Madisons. Those dancing floor girls from Harold Metheny, also from Martinsville, have been very happy about it!!!

The Madison College Glee Club is under the direction of Miss Edna T. Stoffer.

The Sportlight...

by Claudenia Carmen

Vacation time is over and it's back to the old routine once again. Now that spring weather is here to stay we will be looking for a lot of you out on the softball diamond. Watch the bulletin boards for any changes in schedule.

"To the victor go the spoils." Miss Erica topped Johnston with a score of 20-15. The volleyball season was very successful this year and we want to thank everyone who participated. The basket ball championship was captured Monday night in Roeg gym by Mildred Hiltz and Catherine Cockrell.

This fourth annual institute in business education, sponsored by the Department of Business Education at Madison College and the Department of Education at Richmond, was held at the Madison College campus Friday, April 22, with over thirty high schools in the Shenandoah Valley represented.
