Learn To Swim

Coach classes in beginning swimming for freshman girls who did not know how to swim were offered by the physical education department for a period of six weeks.

Since no coach classes will be offered the second eight weeks it was very important that the girls took part in this work. These seven classes were under the very capable direction of Miss Dorothy Savage, Mrs. Mary Nelson, and Grace Signor, respectively. The two Tuesday classes — 3:00 P.M. and 7:00 P.M. were under the able instruction of Miss Dorothy Savage, Mrs. Mary Nelson, and Grace Signor, respectively. Judy Brown instructed the 7:00 P.M. class on Wednesday, and Janet Past conducted the 4:30 P.M. class on Thursday.

The physical education department is grateful to the staff of the Schoolma'am for their work at the pool with these beginning swimmers.

Senior Life diving class will be met to meet Tuesdays from 8:30 P.M. and under the instruction of Mr. James Sowers. All who wish to take part should sign up at the pool. There are five requirements for this class: The first is to be able to do a standing dive from the end. The second is to swim twenty lengths of the pool continuously. Diving from the surface to a minimum depth of six feet is the third requirement. Treading water and floating motionless are the fourth and fifth requirements respectively.

Advanced diving classes are to meet after Thanksgiving on Wednesday nights from 7:00 P.M. under the instruction of Janis Setzer.

If any of those interested in any of the swimming classes to come, should sign up at the appointed place. Come out and give swimming a try. It can be fun if you make it that way.

Schoolma'am

What DO you WANT to call your yearbook? Today this is a more important question than it has ever been put before the student body of the Schoolma'am.

Why has this question come up? Because it is the opinion of the students that the name, "Schoolma'am" is now obsolete and inappropriate due to the changes incurred by the growth and expansion of Madison College.

These changes are to be found not only in the curriculum offered, but in the student body itself. The men now play a big role in our college community. Students are enrolled in several non-teaching curriculums, such as business administration, pre-nursing, secretarial, and liberal arts. Obviously, the name, "Schoolma'am" would not appropriately represent the college days of these Madison students.

For fifty years, "Schoolma'am" has appeared on the cover of the yearbook. It is time for a change and it is deemed only suitable that Madison should enter its second fifty years with a more representative title for its book of memories.

A suggestion box has been placed in the post office lobby for the students to deposit their ideas for a title. A few of the many suggestions are: The Virginian, Bluestone Symposium, Madre Fleet, The Blue Ridge, The Shenandoah, The Duke, The Flashback, The Collegiate, The Parkfinder, Madison, retrospect, Sphere of M. C., Occolade, and Madison Review.

In response to the interest from the students, Liz Dawson, editor-in-chief, of the "Schoolma'am, replies: The enthusiasm we showed in the past was based about putting a mouse trap in the linen draped across a chair. Several sophomores were lying in wait for the linen, and we knew that the "Schoolma'am" would not appropriately represent the college days of these Madison students.

Well, extramural hockey season is officially over now and with its end we find the beginning of extramural basketball. Miss Crawford, who will coach the girls, plans to start try-outs as soon as the holidays end. Losing a number of players because of graduation, the team will be looking for new talent along with the players who didn't graduate. Those of you with basketball experience be sure to come out and give it a try. You can't lose — if you don't make extramural there is always intramural if you really want to play.

Stopping by the gym today I watched a close-hard fought volleyball game. Both teams had the team-work so often lacking in a group — what's more they were having fun. I also noticed they were the only two teams there. The Athletic Association sponsors these intramural activities for YOU — you too can get in on the fun. Ann Sullivan, A.A. volleyball sports leader, would enjoy having you out — so give it a try.

Something new in being tried for the freshmen physical education majors — a swimming meet in which the beginning swimmers can enjoy having you out — so give it a try. There will be coach classes in advanced diving offered to anyone interested. They will start the Wednesday following Thanksgiving from 7:00 to 8:00 p.m. If you would like to join the class, see Harriet Cork in converse 223 or Box 14.
