Eleven Additions Made To College Faculty

New Library Completed

Post Office—Supply Room
Moved to Harrison; New Dining Room Seats 150

The opening of the 1939-40 session finds Madison's physical plant enlarged and improved through construction of new buildings and remodeling of old.

Construction work on Madison's new $140,000 library, to be known officially as Madison Memorial Library, was nearing completion at the time The Breeze went to press last week. Although some of the furniture orders will be delayed, the library will be open for use at the beginning of the fall session. All equipment is expected to be installed and the two class rooms and an office of the local Board of Education are being furnished in the basement of the library. The new bracing plant, built at a cost of $72,000, has been completed since June.

The first floor of Harrison Hall, formerly occupied by the library, has been remodeled, the west wing of this third hall dining room seating 110 students. The post office area above is to be made a partment. Additional dormitory accommodations are being provided in the east wing.

The greatly increased registration of boarding students has necessitated the furnishing of dormitory rooms in the basement of Jackson Hall and on the third floor of the Home- management House, as well as in the former Hanbrooks Apartments building. New tennis courts, to replace those which occupied the site of the present library, are being constructed in the area between the new building and the hospital.

A. A. Will Hold Sports Carnival Tuesday p. m.

Sports, Games, Swimming, and Much Will Be Demonstrated

Last year's Sports Carnival having been so successful, the Athletic Association is planning a welcome return this year. The event will be held in Reed Gym, and will be started promptly at 7:00 p.m. A special feature of the Carnival will be the new swimming pool, which will be used by the students for swimming and diving in the evening. There will be badminton, tennis, volleyball, and a variety of other games and activities.

Confidentially

There is something in September that is beyond the law of gravity to the student. It is changing the weather, and everyone is noticing it. It is generally agreed that this is the beginning of the end of the summer and the start of the school year. The atmosphere is changing, and everyone is feeling the effects of the new term.

Y. W. Appoints Big Sisters

The following girls have been appointed as big sisters by the Y. W. C. A.: Kitty Dawson, Miss Mary Hunter, Miss Margaret Snidow, Miss Frances Warren, and Miss Mary Leathers. These girls will be on hand to welcome and assist the new students on the opening day of classes.

In order to carry out the wishes of the Faculty Room, Miss Edythe Schneider, a B.M. at Columbia University, began her work shortly after the classes of the spring quarter.
