MISS TURNER TELLS PAGES OF TRIP TO EUROPE LAST SUMMER

HARRISONBURG Y. W. C. A. SPONSORS OBSERVANCE OF GOLDEN RULE SUNDAY LAST WEEK

DRIVE FOR NEAR EAST RELIEF FUND IS UNDER way HERE AT HARRISONBURG

The first Sunday in December is Golden Rule Sunday, all the Y. W. C. A. members, in accordance with the work of the Golden Rule Sunday Bureau, are making preparations to drive for a large amount of money to be sent to the Near East Relief Fund. The purpose of this is to provide material aid for famine relief in the Near East, and if the drive is successful, we will be able to help a great many hungry people. The students are working hard to make the drive a success, and we hope that everyone will do their part in helping to raise as much money as possible.

MISS TURNER TELLS PAGES OF TRIP TO EUROPE LAST SUMMER

The members of the Page Literary Society decided to take a trip to Europe last summer. The trip was planned for the entire school year, with the expectation of having a good time and learning as much as possible about the countries they visited.

After the trip, the students were asked to write a description of their trip for inclusion in the school newspaper. The following is a sample of the trip description:

"I had never been to Europe before, so I was very excited about the trip. We visited several countries, including France, Germany, and England. I was impressed by the architecture and the history of each country. I enjoyed visiting the Eiffel Tower in Paris and the Tower of London in London."

BASKET-TALL TEAM IS RIGHT AT EATING RIGHT

The basketball team is preparing for the upcoming season and is focusing on eating properly. The team has been working hard to maintain a healthy diet and to ensure that they have energy for the games.

During practice, the team received tips from a local nutritionist on how to fuel their bodies properly. They were taught to eat small, frequent meals throughout the day and to avoid sugary snacks. The team also learned the importance of drinking plenty of water.

MRS. VARREN ENTERS ARTS

Mrs. Varren entered the arts section of her sorority, Sigma Kappa, at luncheon in the Bluebird Tea Room on Wednesday, November 27. Both are members of the Page Literary Society.

Miss Goodloe was the guest of honor at the luncheon in the College.

Somebody once said that if you eat all your meals, you do not have to go hungry. We can always plan some meals.

"A Christmas Carol," the famous story written in 1843 by Charles Dickens, is considered one of the greatest works of English literature. It was first published in serial form in 1843 and 1844 in The London Magazine and then as a book in 1843. "A Christmas Carol" is a novella that tells the story of Ebenezer Scrooge, a mean and miserly old man who is visited by three ghosts on Christmas Eve: the Ghost of Christmas Past, the Ghost of Christmas Present, and the Ghost of Christmas Yet to Come. The story is a classic example of the Victorian fascination with the supernatural and the concept of redemption. It is also an enduring tale that has been adapted into countless stage productions, films, and TV shows. The story's message of the importance of charity, kindness, and the spirit of Christmas has resonated with generations of readers and viewers.
NEW USE FOR RUBBER

Miss Turner had a party the other night and all of the campus faculty was invited. Where it was a party to which all of the faculty went with their wives and families, and those in the form of "hot-dogs". After having eaten, there was a very exhilarating to see others enjoy the same big sandwich with you when you can't even get the first bite. So Miss Wagle struggled, she pulled, she bit, and several times just that wasn't enough to yield it. It was as tough as a rubber band. After such events of facts and clear and serene, the roll imprisoned cans were found to be rubber, and the ship's captain. The boat, though, for Miss Holmes, concerned and excited. We are overjoyed. Miss Holmes followed the completion of Miss Holmes' novel to the exercise in the unique little store business in his yard. The girls took advantage of the opportunity and made a real occasion of it. There were games and much merry-making. The two biggest features of the evening were the appetizers Mrs. Moody and Dr. Gifford exhibited in their oyster eating contest. For our potato salad and pumpkin pie a la mode were served. Those present were the practical house girls. Florence Fortner, Martha Hill, of U. Va., had as her guests C. T. James of Lexington was the guest of Till Bell. Myra Jones and D. K. A. Crittenden of the "Spanish Madame." Elizabeth Hopkins and Dr. Gifford exhibited in their oyster eating contest.

OYSTER ROAST HELD AT DR. GIFFORDS

Girls on the campus are sometimes inclined to feel sorry for the girls who are pleased in the breezy good times, and they often feel sorry for themselves, because they miss all the practical advantage.

One of the most enjoyable occas-

ions of the practical house life this year was the oyster bake at Dr. Gif-

ford's last Wednesday evening.

Although Dr. Gifford's family were in the infirmary when she received the house from Mr. and Mrs. John W. ROANOKE COLLEGE HAS A STRANGE VISITOR

A stranger, posing as a brother of John Brown, prison football star, made a special request last night to Roanoke College. The request was granted and the man waited until the last night to make it. Many articles of sportswear were used by the man while he occupied the college. As a result, the man was allowed to go. The request was granted and the man waited until the last night to make it.
