Two Books for Four Years . . . Book I . . . Book II . . .  
Four Books for Four Years . . . Course One . . . Course Two  
. . . Course Three . . . Course Four.

“A new textbook in high school English composition which crystallizes in practical and applicable form the most recent educational theories. Without hesitation or qualifications, it may be recommended to every progressive teacher of the subject.”  
—Robert Shiley, Department of English, University of Chicago High School, in *The School Review*.
