WILLIAMSON & WESLEY'S  
 PRINCIPLES OF SOCIAL  
 SCIENCE - - - - - A Survey of  
 Problems in American Democracy

WILL the voter of tomorrow be equal to the task ahead of him? The definite purpose of this course is to help the student of today to become the intelligent, thoughtful, and effectual voter of tomorrow.

It trains students in solving problem upon problem of the sort well within the capacity of high-school students. It aims to arouse curiosity and to stimulate vigorous thinking; to draw from the student attitudes of responsibility, tolerance, honesty, and hopefulness; and above all, to cultivate in him the habit of basing his opinions on well reasoned-out grounds.
