What Virginia Teachers Say About Tressler's ENGLISH IN ACTION

"I consider Tressler's ENGLISH IN ACTION far superior to any series of its kind I have found. I have been particularly impressed with the logical arrangement of your material throughout the entire four-year course. The explanations are made in a very concise manner and the exercises are splendid. I think the series is certainly well compiled." and

"I am perfectly delighted with the two books ENGLISH IN ACTION by Tressler. I consider them the best books for the teaching of grammar and composition that I've ever seen."

*We have received equally enthusiastic commendations
from teachers in every section of the country*

TRESSLER'S ENGLISH IN ACTION is available in two-book or four-book editions for grades nine to twelve.
