Miss Lois Pearman, B. S. Winthrop College, Rock Hill, South Carolina, M. A. Teachers College, Columbia University, has just been appointed associate professor of home economics and is teaching courses in clothing. For five years Miss Pearman taught in the North Texas State Teachers College at Denton. She came to Harrisonburg from Ames, Iowa, where she was doing graduate work during the fall.

The recent growth of the home economics department has made necessary more laboratory and classroom space in Maury Hall. The biology department was consequently moved during the Christmas holidays from Maury to the second floor of Wilson. Maury is now occupied by the chemistry and home economics departments. Type-writing and stenography has been moved to the first floor of Reed.

During the week of December 28 to January 2, when various professional organizations were in session, members of the college faculty attended the following meetings: Professor C. P. Shorts and Dr. C. H. Huffman, president and secretary of the local chapter of the American Association of University Professors, along with Dr. J. A. Sawhill and Professors R. M. Hanson and C. T. Logan, attended meetings of the AAUP in Richmond. Miss Cleveland, Mr. Logan, Dr. Huffman, and Dr. Sawhill attended various branches of the Modern Language Association, meeting in Richmond the same week. Professor G. W. Chappelle and Dr. Amos T. Showalter went to Atlantic City to attend meetings of the American Association for the Advancement of Science; and Dr. A. J. Tresidder attended the meeting of the National Association of Teachers of Speech in St. Louis.
