GENERAL REGULATIONS

Registration

A change of legal name or home address is to be made known promptly to the Registrar, the Dean of Women, the Business Manager, and the Post Office.

Money

Students deposit personal money at the office of the Business Manager for safekeeping and quick accessibility.

Marriage

Any minor student who marries without the full knowledge and consent of his or her parents may be required to withdraw from the college by the President. Such consent must be submitted in writing by the parents to the Dean of Women or the Dean of Students prior to the marriage. If required to withdraw, the student may not re-enter until a lapse of two full semesters or the equivalent.

A student twenty-one years of age or older must give written notice to the Dean of Women or the Dean of Students of his or her intentions to marry. Failure to do so may result in the student being required to withdraw from the college by the President. If required to withdraw, the student may not re-enter until the lapse of two full semesters or the equivalent.

This regulation also applies during holiday periods of the school session.

Infirmary

Students are urged to make visits to the infirmary during Sick Call hours. Any student unable to attend
classes on account of illness must report to the infirmary. One of the three registered nurses is on duty at all times and will treat minor illnesses. In case of emergency, she should be telephoned and she, in turn, will contact the physician when necessary. The College Physician is on call at other times to treat emergency cases only.

The infirmary staff will be of any assistance possible and facilitate the making of appointments with local dentists or physicians when requests are received. Medical excuses will not be given for dental work which is not an emergency or which has not previously been approved by Dr. Green. Students wishing to receive medical excuses due to illness must check with the infirmary before leaving campus for home.

Each student is urged to join the group accident insurance offered at a very fair stipend. This covers the cost of X-rays and treatments made necessary by accidents.

Permission not to participate in physical education classes will be granted only upon examination by and presentation of a signed excuse from the college physician.

Regular visiting hours for infirmary patients are from 5:00 to 6:00 p.m. The time limit is 15 minutes. Two visitors per patient are allowed at any one time. Isolation patients are not allowed visitors.

All students are required to join in the mass chest survey on September 16 and 17, 1964, from 9:00 A.M. to 4:00 P.M. when X-ray facilities will be brought to the campus.

Students over 18 years of age are required to have a chest X-ray annually; those under 18 are not permitted to have an X-ray on campus, and must have one either
at the Rockingham Health Center or at their own expense.

**Back Campus**

Back campus is the area behind the President’s home extending to the railroad tracks. A woman student is not to cross the railroad tracks unless with college approved groups and is not permitted back campus after dark except in connection with approved group activities.

**Tennis**

Tennis courts of the college are open daily in appropriate weather (except on Sundays, when the hours are 2:30 P.M. to 7:00 P.M.)

Reservations for specific hours may be made on the main bulletin board in Keezell Hall.

Students and guests may play tennis if proper tennis attire is worn.

**“Riverwood”**

The college owns a camp thirteen miles from Harrisonburg on the Shenandoah River, where groups of 15 to 25 students properly chaperoned may arrange to spend week ends. It is imperative that information governing the use of the camp be obtained from the office of the Dean of Women by the groups before leaving the campus.

**Laundry**

Each article sent to the laundry must be marked with the student’s name. Clothes having collars should have the owner’s name on the underside of the collar or collar band. Garments which do not have collars
must be marked where the owner’s name can be readily seen by the employees in the College laundry. “Iron-on” name tapes may not be used, as they come off in the laundering process. The College laundry will refuse any article sent to the laundry if improperly marked by the owner in any way.

**Automatic Washing Machines**

Automatic washing machines and dryers are furnished in Spotswood, Ashby, Logan, Gifford, Wayland, and Hoffman dormitories for the use of students. A quarter is placed in the machine for each washing.

**Room Key**

A room key for each student is secured in the College Stationary Store. A deposit of one dollar, which will be refunded when the key is returned, is required.

**Lost and Found**

Lost and found articles are turned in to the office of the Dean of Women. Losses are to be reported promptly to the President of the Honor Council.

**Vacations**

All dormitories are closed during the Thanksgiving, Christmas, and Easter vacations. Students must be out of the dormitories by 3:30 P.M. A student who must wait later than this is required to see the Dean of Women or the Assistant Dean of Women to make arrangements to wait off campus.

**Campus Calendar**

The campus calendar is in the office of the Dean of Women. Information to be put on the calendar or received from the calendar should be given to or secured
from the Secretary of the Dean of Women. Social events and overnight group trips off campus should be put on the calendar within one week before the event is to take place, and the proper form should be filed in the office of the Dean of Women.

Organizations are not to schedule meetings in recreation rooms, parlors or Alumnae Hall reception room without permission from the office of the Dean of Women.

Assemblies

There is required attendance at assemblies for all full-time undergraduate students except waitresses and seniors (this privilege is extended only to members of the senior class, not to students 21 years of age who enjoy senior privileges) who may attend on a voluntary basis. There may be some required assemblies for seniors, which will be announced. There may be exceptions for required assembly attendance in cases of emergencies, for which excuses must come from the Judicial Vice-President of the Student Government Association for women students and the Vice-President of Student Government Organization for men students. This includes attendance at convocations at the beginning of the first and second semesters and on Founder’s Day. There is to be no talking, writing, or reading during assembly time. Men students are not to remain in the day room during the assembly hours.

Campus Social Events

Forms are provided in the office of the Dean of Women for all campus social events and overnight group trips off campus. These forms must be approved one week in advance during regular office hours in Alumnae Hall. The event must be placed on the campus calendar.
Campus Movies

1. Resident students having out-of-town guests on the campus may get complimentary guest tickets from the office of the Dean of Women.

2. Day students living outside of the corporate limits of Harrisonburg will be entitled to season complimentary movie guest tickets. Women day students living in Harrisonburg who are too far from campus to attend movies unaccompanied by another person may secure special escort tickets from the business office upon payment of the amusement tax.

3. Persons other than students, special guests, and employees of the College are not permitted to attend the College movies since the College is a non-commercial user of films.

Horseback Riding

Any student planning to go horseback riding must:
1. Have parental permission on the form supplied in the office of the Dean of Women.

2. Sign printed slips in the office of the Dean of Women for each trip.

3. Be familiar with other instructions as given in the office of the Dean of Women.

Baby-Sitting Regulation

Baby-sitting is permitted in faculty homes and in ministers homes; however, the following time regulations must be observed:

A. FRESHMEN and those on ACADEMIC PROBATION
   (1) Any night until 11:30 p.m. (this is included in three nights per week off campus for these students).
B. SOPHOMORES
(1) Any night until 11:30 p.m.
(2) Once a month until 12:00 midnight. (Not to take the place of a late permission for dating).

C. JUNIORS
(1) Any night until 12:00 midnight.
(2) Twice a month until 1:00 a.m. (Not to take the place of a late permission for dating).

D. SENIORS
(1) Any night until 1:00 a.m.

Juniors and Seniors will be allowed to sit until 1:00 a.m. and must be brought back to the dormitories by 1:15 a.m. following a formal dance at Madison. Freshmen and Sophomores who serve as baby-sitters must return to their dormitories by 12:30 a.m. on nights following a formal dance.

Parental permission is necessary for students who wish to baby sit. Permission is also obtained from the Dean of Women.

Visitors on Campus

1. Over-night guests are welcome on weekends. They will register with the dormitory hostess who will notify the office of the Dean of Women. Guests, however, are not to be housed on campus during examination periods. Guests will observe the same regulations as students. A charge of $1.50 a night for an over-night guest is paid to the dormitory hostess or the director of dormitories. Propective students are not subject to this fee.

2. Alumnae of the college are always welcome and are not charged for room accommodations for a period not exceeding two days. Those who remain for a longer period will be charged the regular rate of $1.50 a day.
3. Students who have invited prospective students to spend the weekend on campus should notify the office of the Dean of Women five days in advance of the proposed visit.

Selling and Soliciting on Campus

No solicitation, such as taking orders or selling merchandise to students and employees, or fund raising for any purpose, is permitted in the buildings or on the grounds of Madison College without permission of the President of the College.

Participation In Community Activities

The Administration is in favor of participation by the students in appropriate community services. However, experience indicates that, in the absence of a policy governing the participation of students in community activities, many students might give much more time to community projects than they could afford without detriment to their studies. Therefore, the following statements set forth the conditions for such participation:

1. With the approval of the President or of the Dean of the College, students may perform individually, in groups, or as members of an organization directed by a member of the college staff at any banquet or meeting of a civic club or organization.

2. Boarding students may not perform in minstrel, variety shows, fashion shows, and the like which are held in order to raise money for any organization, regardless of the worthiness of the cause.

3. Parents of day students have the responsibility for decisions regarding participation of such students in community activities. However, such students who participate in performances for which admission is
charged shall do so without the use of the name of Madison College in publicity, in the programs, or in any other way that would indicate that they are participating as Madison students.

4. College organizations, composed entirely or partially of boarding students may not perform at any event open to the public to which admission is charged.

5. College organizations desiring to participate at private functions may apply for permission to do so through designated channels, and the approval of the President or the Dean of the College must be secured.

**Overnight Absences On or Off Campus**

1. A student may leave her dormitory for the night with permission of the Dean of Women or the Assistant Dean of Women.

2. Overnight visitation in another dormitory is permitted for sophomores, juniors, and seniors on Friday and Saturday nights. Overnight visitation is permitted for freshmen on Saturday nights, with visitation by students in the upper classes in freshman dormitories also limited to Saturday nights.

3. Overnight visitation is not permitted in a room where a student is on “strict campus,” except when an off-campus guest has made previous plans for visiting the campus.

4. When spending the night in another dormitory or sorority house, a student signs the list in her housemother’s room, has her housemother approve one overnight slip to be presented to the housemother of the building to which the student is going.
5. Overnight absences off campus may be made in accordance with the Parental Approval Form.

6. A first-semester freshman and students on academic probation must be at college for a month before she has any overnight leaves. During this time, in the case of unusual circumstances, an application may be submitted to the Dean of Women for a week-end or overnight absence.

7. All students must sign out in person for a week-end trip before Thursday at 3:00 p.m. with their respective full-time dormitory hostess.

Any student who finds it necessary to sign out after Thursday at 3:00 p.m. should sign out in the office of the Dean of Women. These sign-out slips will be marked “late”, and three late sign-outs during a semester is automatically a call-down.

8. A student is to leave campus and return to campus at the time she signed to do so. Any change of plans must be made known at the office of the Dean of Women. If an emergency arises and plans must be changed in returning to campus, a student must wire or telephone the office of the Dean of Women.

A student is not permitted to travel from the college at night except under extenuating circumstances.

A student having an eight or nine o’clock class shall sign in by 11:30 P.M. the night before, unless she lives within reasonable distance from the college or is accompanied by a parent, by another close relative, or by a mature person with written approval of her parent.

9. After a week-end off campus, a student is to be in her dormitory by 10:30 P.M. if returning by car, and not later than 12:00 P.M. if returning by bus. If
special permission is needed to sign in at a later time, permission must be obtained from the office of the Dean of Women.

10. For visiting in town, a student need have only one letter of invitation from her hostess. When a letter has been filed in the Office of the Dean of Women, a student may visit in the house of the writer without a letter for each visit.

11. A student may spend the night with parents or close relatives in town, and she may stay in faculty homes only when an invitation is extended through the office of the Dean of Women. She may also spend one night a month in the home of a day student, provided visits are not made in homes where dates are living or staying, and that an advanced written invitation to visit is extended through the office of the Dean of Women.

12. A student may stay in a hotel or motel only when accompanied by her parents.

Automobile Regulations

1. General Statement

a. Resident students are not allowed to have automobiles, except by special permission, which is secured in advance from the President of the College, through the Dean of Women. Special permission is not required under rule 5a, b, c, d. When a student has secured special permission to have or to operate an automobile, it is expected that the use of the automobile will be limited to the purposes for which the permission is granted. Every student is responsible for knowing and abiding by the following regulations.
2. General Regulations

a. Except as noted below, no resident student shall, while college is in session, maintain or operate a motor vehicle in Harrisonburg, Rockingham County, or in adjoining towns or counties.

b. A student may not register a car belonging to another student or in another student’s name.

c. Storing or otherwise keeping an automobile in Harrisonburg, Staunton, Elkton, or other places in this area, for occasional use is a violation of this regulation.

d. A resident student who rides in a car which is used in violation of the regulations may be held equally guilty with the owner or driver.

3. Securing Permissions

a. Resident students may bring automobiles to the campus for transportation to and from home provided that a letter of permission has been approved and filed in advance in the office of the Dean of Women.

b. Neither registration nor letters of permission are required in the following conditions: see rule 5a, b, c, d.

c. Before driving cars of other persons, a resident student must present a letter of approval from a parent or guardian to the Dean of Women to obtain permission. A student may drive another student’s car only if the car is used for transportation from Harrisonburg to an out-of-town destination. (Parental approval is necessary.) This regulation does not apply to students driving anyone’s car around campus or around town. Seniors having cars on campus will adhere to other regulations as listed in the Handbook.
d. Car keys must be turned in to the housemother upon arrival to campus.

e. Any situations not included in the above require special permission from the Dean of Women.

4. *Special Privileges for Seniors*

a. Seniors may bring cars to the campus for approximately the last month before graduation. The exact date will be announced.

b. Automobiles must be registered at the office of the Business Manager.

c. They may be used for trips in and around Harrisonburg PROVIDED the driver signs out in Alumnae Hall first.

d. The approval of the Dean of Women must be secured for weekend trips and for out-of-town day trips.

e. Failure to comply with Parking and Traffic regulations may result in loss of this privilege.

5. *Special Privileges for all Students*

Automobiles brought to the colleges under the following conditions need not be registered, nor is a letter of permission necessary—this applies only to the following circumstances:

Resident students may bring automobiles to the campus for transportation to and from home under the following conditions:

a. In September, provided they are taken home the weekend following the opening of school.

b. On weekends immediately prior to and at the end of all scheduled holidays provided they are
taken home the weekend immediately following the holiday period.

c. The last weekend before the examination period provided they are taken home the weekend that exams end.

d. The last weekend before off-campus student teaching and at the end of off-campus student teaching, provided they are taken home the following weekend.

6. Other Regulations

a. Resident Students driving cars back to the campus must be back by 9:00 p.m. unless special permission is obtained from the Dean of Women to return later. This also pertains to resident students 22 years of age or older.

b. Carrying passengers—If a student carries a passenger in his or her car and makes any monetary charge whatever to the passengers (direct charge or reimbursement of expenses), then it is no longer necessary for the passenger to prove the student guilty of gross negligence if an accident occurs. All that has to be proved is that the student was guilty of ordinary negligence, which is easier to prove. Reimbursement for traveling expenses does not void Standard Virginia Automobile policies; but the law requires greater caution on the part of the vehicle owner/or driver. Under certain conditions, it is possible for a student to be in violation of the State Corporation Commission laws concerning “for hire” transportation, if passengers are carried for a monetary charge.

c. If a student is involved in an automobile accident, major or minor, a report must be given to the Dean of Women within 24 hours.
d. Students shall not ride in over-crowded cars. Not more than six persons shall ride in standard cars with only two seats. In station wagons, taxies, sports cars, and compact cars, the number shall not exceed the normal capacity of the vehicle.

**Exceptions to the Regulation**

Restrictions pertaining to possession and use of cars by resident students do not apply to:

a. Those in the Master's Degree program.

b. Day Students.

c. Students 22 years of age or over, (exception, see Rule 6a).

**Registration Requirements**

All students having automobiles, including day students, students granted special permission to have automobiles (except as noted in section 5. b., c., d. and e.), and students exempt from the regulation, must register their cars with the office of the Business Manager when registering for classes and observe regulations in the booklet, *Parking and Traffic Regulations*.

**Penalty for Violation of the Regulations**

Students who violate the automobile regulations may be subject to dismissal from the college.
POSSESSION AND USE OF ALCOHOLIC BEVERAGES

Women Students

Madison College does not approve the use of alcoholic beverages by its students anywhere. The possession or use of alcoholic beverages on the campus, at college-sponsored functions and in the City of Harrisonburg is strictly prohibited.

Any woman student who is attending her first semester of the regular session is prohibited from drinking at any time while under college jurisdiction.

The Student Council, which has primary jurisdiction over the conduct of students, will thoroughly investigate when there is evidence of misconduct caused by or connected with drinking alcoholic beverages, whether on campus, in Harrisonburg, or elsewhere; if guilt is established, appropriate penalties will be given by the Student Council.

Any infraction of these regulations may result in suspension or expulsion.

When students are accompanied by their parents or guardians, they will be primarily responsible to them for conduct governed by these regulations.

Men Students

Madison College does not approve the use of alcoholic beverages by men students anywhere. The possession or use of alcoholic beverages on the campus and at college sponsored functions on or off campus is strictly prohibited. College sponsored functions off campus will include meetings, banquets, picnics, outings, and parties of any college authorized campus organization for men and/or women students, including social fraternities.
The Men's Student Court, which has primary jurisdiction over the conduct of men students, will thoroughly investigate when there is evidence of violation of the requirements set forth in the preceding paragraph and of misconduct caused by or connected with drinking alcoholic beverages whether on campus, in Harrisonburg or elsewhere; if guilt is established, appropriate penalties will be given by the Men's Student Court.

The conduct of men students who do not live with their parents and are rooming away from home, is under the supervision and control of the College; however, when a man student is at his home or is accompanied elsewhere by his parents or guardian, he will be primarily responsible to his parents or guardian for conduct governed by these regulations.

Any infraction of these regulations may result in suspension or expulsion.

CLASS ATTENDANCE

In September, 1962, the practice of allowing excuses for student absences was abolished, including professional cuts and all other cuts as applied to athletic teams, music groups, student teaching, students attending professional and church meetings, students taking part in field trips and the like. The policy does not mean that students may not be absent to participate in these activities. It does mean that absences for these purposes will not be excused. In fact no absences will be excused. Some students have been using the term, "unlimited cuts," to describe our class attendance policy. We have no cut system whatever.

Absences for certain reasons may be certified. Absences due to illness may be certified by the College Physician, those caused by death or serious illness in the immediate family, those due to religious holidays
and emergencies may be certified by the Dean of Women for women students, and by the Dean of Students for men. Students who become ill while at home or away from the College should obtain a statement verifying the illness from the attending physician and present it to the College Physician for his certification. Certified absences should be brought by students to the attention of the instructors or classes missed by presenting the statements of certification.

STUDENT ATTENDANCE

Policies and Operational Details

1. Regular class attendance is expected of all students. Responsibility for all course work is the student's whether present or not.

2. Students are not permitted to be absent from classes the two days before a vacation period or the two days following a vacation period. Boarding students who are absent from classes at these times will be assigned a minimum penalty of one-month strict campus. Women day students who are absent during these times will be assigned appropriate penalties by the Dean of Women; for men day students appropriate penalties will be assigned by the Dean of Students. Although a philosophical inconsistency exists in this provision, it was made necessary because of the exceptionally large number of student absences before and after vacation periods.

3. The Southern Association regulation which stated that students could not receive credit for any course in which more than 20% of the class meetings has been discontinued. In light of this change the regulation will no longer be in force at Madison College.

4. Faculty members are expected to give make-up tests for absences that are certified. If they desire to do
so, they may also give make-up tests for absences that are not certified.

5. Grades should be determined solely by the quality of the work done by the students.

6. Students who have an average below 2.0 and first semester freshmen will be subject to disciplinary action by the Attendance Committee if they miss more than one meeting of any class. Faculty members should report absences in excess of one by students in these categories to the Dean of Women for women students and to the Dean of Students for men students.

7. All classes will meet in accordance with the official schedule of the College. As has been the practice in the past, any departure from the schedule, in time or place of meeting, must have the prior approval of the Dean of the College.

8. Test and examination dates should be announced as far in advance as possible. It is recognized that it is not always easy to know when a unit of work will be completed; consequently, the date that a test will be given. Nonetheless, faculty members are urged to make such announcements as early as possible. This is not intended to rule out “pop tests”. However, if “pop tests” are given they should be administered in sufficient number or in conjunction with announced tests to preclude the possibility of a few “pop tests” alone causing a student to fail a course.

9. All faculty members will be expected to check attendance in each of their classes each day they meet. It is believed that faculty members will want to do this for their personal information.

10. Memoranda certifying absences due to bad weather should not be distributed. Such absences may be
reported directly to the teacher concerned by the student.

Academic Probation

1. All students with a cumulative average of less than 2.0 are on academic probation. This regulation will become effective for each new student at the beginning of the second semester of her first year here. Scholastic averages will be computed at the end of each semester at which time revised lists of names of students on academic probation will be distributed to the faculty.

2. All students who are on academic probation (cumulative average of less than 2.0), regardless of the number of years they have been at Madison, will be permitted only those social privileges allowed first semester freshmen.
ENFORCEMENT OF REGULATIONS

Except where otherwise specified, all rules and regulations carried in the Student Handbook and the College Catalog shall be enforced by the Women’s Student Council and the Men’s Student Court.

The members of the student body individually observe the following regulations and report to the Student Council any violation by any members that would be harmful to the individual or to the college.

During the period of social probation, the violation of any college regulation may result in expulsion.

The President and Faculty of the College are the final authority on all matters and questions pertaining to student government for both men and women students. If, in the judgment of the President, Dean of Students, or the Dean of Women, the Student Council or Men’s Student Court has given a penalty which is deemed insufficient, the case may be referred to the Faculty Judiciary Committee for review and recommendation to the President for appropriate action.

In the event any student is suspended, the student must leave the campus immediately after the penalty has been given, unless special permission is secured from the Dean of Women or the Dean of Students.

SOCIAL ACTIVITIES

Student activities are designed to develop the poise, self-confidence, and graciousness which are essential to a young woman’s success in a homemaking, professional, or business career. The Dean of Women, Assistant Dean of Women, chaperones, hostesses, the Social Committee, and the Standards Committee exercise general supervision over all the social activities of the student, and encourage every means for wholesome enjoyment and increased self-responsibility.
PARENTAL APPROVAL CARD

The Parental Approval Card is a special form which the parent of each student signs. This form shows the parental permission for the social activities of the student. Each student is responsible for knowing the privileges awarded and the restrictions placed upon her by her parent. The Parental Approval Card of each student is on file in the offices of the dormitory hostesses and may be checked at any time by the student. Any action of the student which is not in accordance with her Parental Approval Card will be subject to an investigation by Student Council and subsequent penalty.

GENERAL CONDUCT

If there is any question as to the appropriateness and good taste of a student’s conduct anywhere, whether or not under college jurisdiction, the Student Council and/or Men's Court will investigate the situation and take appropriate action.
It is assumed that a Madison student will, at all times and in all places, uphold high standards of conduct and appearance.
STANDARDS COMMITTEE
REGULATIONS

What is the Standards Committee?

The Standards Committee is a branch of the Student Government Association. This Committee aims to promote high standards of conduct and appearance. The conduct of a Madison student embraces all of her activities, both on and off campus.

How are Standards' members selected?

The committee is composed of a chairman, a representative from each of the other dorms, two representatives from Gifford and Wayland, a representative from the women day students, and the head waitress in the dining halls. The Chairman of Standards is chosen by the student body during the election of minor officers in the spring; representatives are elected by their respective dorms during the first month of the fall semester to serve for a period of one year.

overnight at approved homes, and must report to such
homes not later than one hour after the dance or other
social function is over.

Upon arrival in the city, a student should report to
her hostess as soon as possible, preferably by going to
the house or by telephoning if the former method is
not feasible. The hour of 8:00 p.m., in consideration of
the hostess, is the deadline for such reporting. Students
may not go out in the morning before 7:00 a.m.

A student may ride to and from dances at other
colleges with a date provided she reaches her destination
before 8:00 p.m. and provided the Dean of Women has approved the trip.

**Strict Campus**

A student under strict campus regulations must forfeit visits in dormitories other than her own, parties in dormitories, social affairs of clubs and organizations, dates, sunbathing, trips to establishments just off campus, and trips to town and out of town. She may not go in the tea room, or to Doc's Tea Room.

Students on strict campus may not be excused for: (1) sing-spirations; (2) movies; (3) lyceum programs; (4) social functions of campus organizations; (5) concerts and recitals unless attendance is required for class; (6) athletic events (spectator); and (7) campus dance week ends. However, in the event of pre-planned week ends at other colleges or athletic events in which the student is a participant, the decision will be left to the President of the Student Government Association.
Students excused from strict campus will make up two days for every day they are excused for social activities and one day for every day missed for illness or death in the immediate family.

**Room Restriction**

A student under room restrictions will be under the same restrictions as under strict campus. In addition, she will be restricted to her room except for classes, meals, work in the college library, and church. She will not be excused from restriction under any circumstances other than death, serious illness in her family, or in the case of a wedding in which she is a participant. Students under room restriction who are excused for social activities shall make up two days for each day, and those who are excused for family illness or death will be required to make up one day for every day missed.

**DORMITORY REGULATIONS**

1. The Dormitory Council is a self-contained unit consisting of a president, a vice president and from two to four proctors for each floor, and a hostess, who serves in an advisory capacity. This council, which is in charge of all regulations affecting the living of the resident group, meets every two weeks to discuss problems of group living. The president represents the dormitory residents on Inter-dormitory Council.

2. Each member of the dormitory is responsible for cooperation with the Dormitory Council, the Dean of Women, the Assistant Dean of Women, the Dean of Students, and the President of the College to promote the wholesome welfare of all women in her dormitory.

3. The Dormitory Council may give call-downs or other suitable penalties for violations. If a case is
serious enough to warrant a penalty of strict campus, it should be referred to Student Council.

4. Penalties are administered to students who are late returning to dormitories (less than 15 minutes by the House Council; over 15 minutes by Student Council).

5. All dormitory meetings are compulsory, as at these the discussion of matters which are of concern to all dormitory residents takes place. Attendance will be checked by hall monitors and call-downs will be issued for unexcused absences.

6. No student may open the door of a dormitory after it has been locked for the night without first securing permission from the hostess, or unless she has previously been asked to admit a student who has late permission.

7. Only during fire drills are students to use fire escapes.

8. Only long distance emergency calls may be accepted after 11:00 p.m.

9. Students are not to leave the dormitory before 6:00 a.m.

10. Quiet hours for study and personal work are observed in the dormitories each evening from 7:00 p.m. to 10:00 p.m. with the exception of Saturday. After 11:00 p.m. each night, quiet hours are again observed.

11. There is no restriction on lights for any student who needs lights for study.

12. All freshmen, sophomores, and juniors must be in their rooms at 10:30 p.m. on week nights and 11:00 p.m. on Saturday nights in order that they may be accounted for by the hall monitor. Seniors must
be in their rooms at 11:00 p.m. each night. Visitation between dorms, with the exception of Freshman dorms, is allowed between 10:30 p.m. and 11:00 p.m. This privilege applies to members of the Senior Class only.

13. Students are not to sleep in the room with the door locked—this is a safety precaution.

14. All dorms are closed during Thanksgiving, Christmas, and Easter vacations, and students must be out of the dorms by 3:30 p.m. A student who is unable to leave by 3:30 must see the Dean of Women or the Assistant Dean of Women.

**FIRE DRILLS**

The Fire Drill officers and their duties are set forth in the Student Government Association Constitution. Fire Drill instructions are posted in each dormitory.

Only the appointed fire chief for the dormitory shall sound the alarm, except in the case of fire. No one may be excused from a fire drill and call-downs are given for violations. Authority for giving call-downs for violations rests with the dormitory fire chief.

**DAY STUDENTS**

All day students, while on campus, are under the same regulations as boarding students, with the exception of signing-out procedures. They must, therefore, attend all assemblies and must not cut campus.

When day students are given a penalty equivalent to strict campus, they are placed on campus restriction. Campus restriction is the forfeiting of the privilege to: (1) visit in dormitories; (2) attend social affairs of clubs and organizations; (3) sunbathe on campus; (4) attend the campus movie; (5) attend singspiration; (6) attend
athletic events as a spectator; (7) attend a campus dance; (8) visit the tea room; and (9) date Madison College students on or off campus.

The Honor System was created by Madison College students to foster high ideals of integrity and straightforwardness in conduct, thought, and speech. Since it is the work of students, they believe that every person who enrolls at Madison will be proud to belong to an organization which will not tolerate lying, cheating, or stealing. Each new student comes into possession of a coveted heritage—something that grows stronger with the years. In order to strengthen it and to leave to
those that follow a mighty tradition of honest dealing with one another, each student must give his full cooperation to those elected representatives of the student body who have the responsibility of enforcing the Honor Code. To do otherwise would be to violate one's personal integrity.

CONSTITUTION OF THE HONOR COUNCIL OF MADISON COLLEGE

Preamble

We, the students of Madison College, recognize that every community has privileges and ideals. In the interest of the student body, the individual must respect these ideals, believing that through personal actions and attitudes the members of such a community will strive to uphold the high standards of honor.

Desiring to assume the responsibility of guiding individual integrity, we have organized this honor system.

Article I. Name

This honor system shall be headed by the HONOR COUNCIL OF MADISON COLLEGE, AT HARRISONBURG, VIRGINIA.

Article II. Organization

Section 1. There shall be an Honor Council composed of a President, Vice-President, three (3) seniors, three (3) juniors, three (3) sophomores, two (2) freshmen, two (2) representatives from the men's organization for the first one hundred (100) men students, together with an additional representative for each additional one hundred (100) men or major fraction thereof.

Section 2. The members of the Honor Council shall be elected during the spring semester of the incoming sophomore, junior, and senior classes and men's
organization, to take office at the beginning of the fall semester and to serve for one year. During the period following their election, they shall serve as *ex officio* members of the Honor Council. The freshmen shall be elected during the fall semester to take office not later than November 1 to serve the remainder of the year. All class representatives on the Honor Council shall be chosen by their respective classes.

**Section 3.** Members of the Honor Council shall be eligible for re-election.

**Section 4.** Duties of the Officers

(a) The *President* shall be the chief executive officer of the Council and shall exercise the general duties of such an office.

(b) The *Vice-President* shall serve in the absence of the president and assist the president in any way necessary and proper.

(c) The *Secretary*, elected by council, shall keep a complete record of all the proceedings of the Council and inform the proper authorities of all decisions. She shall also keep the Honor Council files up to date and in order.

**Section 5.** It shall be the duty of the Honor Council:

(a) To investigate all suspected violations of the Honor Code and to impose any penalties for violation thereof.

(b) To see that the Honor System is explained to all students, particularly to the incoming freshmen.

**Section 6.** There shall be a faculty advisory committee of three (3) members for the Honor Council. Its members shall be chosen by the Honor Council, and the terms shall be staggered so that not more than two
members will be chosen at a time. This committee shall be purely advisory and shall not have power to veto decisions of the Honor Council.

Section 7. The Honor Council shall be financed by an appropriation from the campus fee.

Article III. Meetings

Section 1. The Honor Council shall meet at any time deemed necessary by the President, or in her absence by the Vice-President.

Section 2. The President, or in her absence, the Vice-President, shall also call a meeting upon the request of a majority of the members of the Council.

Article IV. Scope of the Honor System

Section 1. The jurisdiction of the Honor Council shall extend to all cases involving cheating, lying, stealing, or failure to report one of the above breaches of honor. The jurisdiction of the Honor Council shall not extend to violations of administrative and student government rules and regulations, unless they involve cheating, lying, stealing, or failure to report one of these breaches of honor.

Section 2. All scholastic work, whether in the classroom or out, shall be the student's own, and shall be done in accordance with the requirements of the professor. Students may work together if the professor permits it. Otherwise, all papers, parallel reading, experiments, and tests shall be each individual student's work. Each professor shall explain his requirements to each class, and a copy of these requirements shall be filed with the Honor Council. If there is any doubt, the students should consult the professor.
SECTION 3. The student who gives illegal aid is as responsible as the student who receives it. A student's signature on a paper shall be his pledge.

SECTION 4. The Honor System has been violated if a student is referred to the Honor Council by the Student Council as having deliberately failed to tell the truth when questioned by campus authorities, members of the faculty, or members of the Student or Honor Councils during an investigation, hearing, or trial. A statement of a libelous nature circulated by one student about another shall be regarded as a violation of the Honor System. Lying during an investigation, hearing, or trial in connection with the violation of a social rule or college regulation shall come under the jurisdiction of the Honor Council, but the breaking of a rule or regulation shall not come under its jurisdiction.

SECTION 5. Deliberate appropriation of another's property, including food and money, constitutes a violation of the Honor System.

Article V. Procedure

SECTION 1. Any student, conscious that he has violated the Honor System, should report himself to a member of the Honor Council.

SECTION 2. (a) Any student who observes a violation of the Honor System, shall, if possible, solicit the aid of a witness to the act and the two must promptly investigate the violation. If they feel they have sufficient evidence, they shall ask the accused for an explanation. (b) If it is unsatisfactory, they shall request the accused to report himself to the Honor Council within two days. When he reports himself he shall also give the names of his accusers, who shall be notified by the Honor Council that he has reported himself.
(c) If the accused does not report himself within two days, the accusers shall report the violation to any member of the Honor Council.

Section 3. A faculty member observing a violation of the Honor System will speak to the student recommending that he report himself to a member of the Honor Council. If he fails to do so within the two-day period, the faculty member shall then report the offense to the Honor Council.

Section 4. If any student observes a violation of the Honor System and fails to report it, he too has violated the principles of honor. Reporting an offense is preserving the integrity of the group.

Section 5. Any student who reports himself or who is reported to the Honor Council shall have the right to a full and impartial hearing by that body, and any conviction shall be based on a two-thirds vote of the full membership of the Honor Council. If the charges are not upheld, the details of the hearing shall be deleted from the minutes.

Article VI. Penalties

Section 1. In determining penalties the Honor Council shall take into consideration whether a person (a) reported himself without being spoken to, (b) reported himself after being spoken to, or (c) had to be reported by others.

Section 2. Failure to report a breach of honor shall carry the same range of penalties as other violations of the Honor System.

Section 3. Penalties of the Honor Council consist of:

(a) Probation — This is the lightest penalty given by the Honor Council. The student is allowed to remain in college; if the student appears before the Honor
Council again, his previous penalty of probation is considered and weighs in the final penalty of the second offense.

(b) **Suspension** — 1. Indefinite suspension means that a student is suspended indefinitely, but is allowed to apply for readmission to Madison College in which case the decision for readmission will be made by the President of the College. 2. Definite suspension means that a student is suspended from Madison College for a specified length of time after which he is allowed to return to the college.

(c) **Expulsion** — The student is expelled from Madison College never to return again as a student.

**SECTION 4.** The foregoing penalties shall be entered on the student's permanent record.

**SECTION 5.** In all cases, except those involving suspension and expulsion, the decision of the Honor Council shall be final. In all cases involving suspension and expulsion, the recommendation of the Honor Council shall be submitted to the Faculty Judiciary Committee of the College for review and recommendation to the President, who may suspend or dismiss students for such violations.

**SECTION 6.** A second conviction for any violation of the Honor System may result in recommendation for dismissal from the college.

**Article VII. Pledge**

**SECTION 1.** Every student who matriculates at Madison College thereby becomes a member of the Honor System. After the student has gained an understanding of the Honor Code, he must sign this pledge:

"I understand the privileges and responsibilities of self-government in group living, and I realize that I
am pledging my full cooperation in maintaining our Honor System. I promise that, by personal actions and attitudes, I will uphold the principles of the Honor Code of Madison College.”

**Article VIII. Amendments**

The Y. W. C. A. endeavors to lead students into a richer college life by helping them to find more adequate relationships with God and their fellow students. It is the aim of the “Y” to promote growth in Christian faith and character and in the realization of one’s responsibilities to society.

To help carry this out, the “Y” undertakes a program of a wide variety of activities each year, some of which are the Big Sister-Little Sister program, Candlelight Service in the early fall, Freshman “Y”, Halloween Party, Kid Party at Christmas, Christmas Pageant, Easter Sunrise Service, Dorm Devotions, Saturday night singspiration, and religious emphasis week. Friday Chapel and Sunday vespers are two of the highlights of the week for students and faculty alike.

It is the goal of the “Y” to help each student find the answer to her spiritual and, somewhat, to her social needs in order that she may lead the most abundant life possible both while in college and thereafter.

The purpose of your Women’s Athletic Association is “to afford recreational opportunities for all students and to develop a high degree of sportsmanship and an interest for participation in healthful physical activities.”

An intramural program has been established to provide you with a wide and varied group of activities that will meet your needs and interest. The Association offers you basketball, hockey, softball, volleyball, archery, tennis, bowling, fencing, lacrosse, swimming, golf, and dancing under the intramural program.

An extramural program has been set up for those of you who have the ability and desire to represent Madison in competitive sports throughout the state. Under this program the W.A.A. sponsors a hockey, basketball and tennis extramural team.

The Association also works hand-in-hand with its Mercury and Fencing Clubs, Porpoise and Orchesis in its efforts to fulfill its stated purpose.
The Breeze is a student-published weekly newspaper. Its main functions are to inform, entertain, provide a medium by which students may voice opinions and offer students an opportunity to learn and develop journalistic knowledge.

The Editor-in-Chief and the Business Manager of The Breeze are elected by the student body for a term of one year. Members of the editorial staff are appointed by the Editor-in-Chief, while the Business Manager selects her assistant from a group of volunteers. Since The Breeze is the college paper, anyone desiring to work on its staff need only to contact the Editor-in-Chief.

The Breeze is now in its forty-second year as a Madison publication.
The Bluestone, Madison’s yearbook, enjoys the distinction of having been the first student publication issued at the College. Now in its fifty-third year, it still maintains the purpose of preserving those memories—scenes and events and accomplishments—which have made the year at Madison seem significant.

The Editor-in-Chief and the Business Manager of The Bluestone are elected in the annual school elections. Each of the four classes elects a representative to serve as class editor for its section. Other members of the editorial staff are appointed by the Editor-in-Chief, and the members of the business staff are appointed by the Business Manager.

STUDENT GOVERNMENT

Principles of Self-Government

Every student who matriculates at Madison becomes a member of a community which enjoys a considerable degree of self-government. Truth and honesty are the basis of such community life. Only where there is deep sense of personal integrity can there be the mutual trust and self-respect upon which any system of self-government must rest.

All members of the Student Government Association and the Men Student Organization share its obligations as well as its privileges. THEY MUST BE WILLING TO PLACE THE STANDARDS OF THE COMMUNITY ABOVE THEIR OWN. They must accept responsibility not only for themselves, but for their fellow students as well. It is presumed that every student who enrolls at Madison is a person of honor who will act honorably in all relationships.

The Honor System is established for the purpose of fostering and preserving these cherished ideals. Lying, cheating, stealing, and failure to report one of these breaches of honor are considered violations of the Honor System, whose effective operation is dependent upon each individual student. All students are equally responsible and should conduct themselves so as to be free of reproach or suspicion, and should also be prompt to prosecute dishonorable acts of others. Failure to subscribe to these practices injures the integrity of the group and reflects upon the entire college body.
STUDENTS' ADVISORY COMMITTEE
TO THE PRESIDENT

SORORITIES

Panhellenic Council

This association, composed of three representatives from each sorority on campus, has as its main purpose to maintain on a high plane sorority life and inter-sorority relationship, to cooperate with college authorities in their effort to maintain high social and scholarship standard throughout the whole College, and to be a forum for the discussion of questions of interest to the college and sorority world.

A policy, which has been followed in the past years, is that a student has to be on campus for two regular semesters before she may be rushed by a sorority, except in the case of a transfer who may be rushed after one semester, provided she meets the standards. In order to be eligible for rushing a student must have a scholastic cumulative 2.00 average as well as a 2.00 for the preceding semester. No girl can be rushed, pledged, or initiated while on strict campus or during suspension resulting from a major offense.

Panhellenic Creed

We, the fraternity undergraduate members stand for good scholarship, for guardians of good health, for wholehearted cooperation with our college's ideals for student life, for the maintenance of fine social standards, and for the serving, to the best of our ability, of our college community. Good college citizenship in the larger world of alumnae days is the ideal that shall guide our chapter activities.

We, the fraternity officers, stand for loyal and earnest work for the realization of these standards. Cooperation for maintenance of fraternity life in harmony with its best possibilities is the ideal that shall guide our services.
We, the fraternity women of America, stand for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life. To us, it is not the enjoyment of special privileges, but an opportunity to prepare for wide and wise human service.

The Interfraternity Council of Madison College was organized in the Spring of 1963 by members from each of the men's fraternities. The organization was founded to handle jointly-sponsored activities and to act as a governing body in matters affecting the two fraternities. The I.F.C. became an official campus organization in the Fall of 1963 after being approved in an open meeting of the faculty. The council is composed of three members from each fraternity with the chairmanship alternating annually between the two groups. The sponsorship of the annual winter formal in December in conjunction with the Panhellenic Council is the highlight of the year's activities.
MEN'S FRATERNITIES

Sigma Delta Rho

Sigma Delta Rho has as its principal aims: the promotion of brotherhood among its members and the other men students on the campus. It has many interesting activities during the school year which include its initiation (both formal and informal), its annual spring picnic and this past year its campus-wide selection of the year's sweetheart. All in all, Sigma Delta Rho offers a fellowship to its members and builds within them a feeling of loyalty and pride.

Our year began with official recognition from the college. Our social activities have included a series of picnics, parties, and dances. At the Panhellenic Christmas Dance, Miss Barbara Sweeney of Alpha Sigma Tau was chosen as the Sweetheart of Phi Alpha Epsilon. Along the talent line, we teamed up with the other men student organizations in presenting a minstrel show to the Madison ladies and faculty members.

We feel our first year has been a successful one and Phi Alpha Epsilon looks forward to the future and to the strengthening of our organization.

For thy gracious blessing
For thy wondrous word
For thy loving kindness,
We give thanks, O Lord.

Amen.

—Lester S. Bucher
ALMA MATER

O Alma Mater to thy name we'll ever faithful be,
Lift learnings torch to brighter flame,
Shed honors light on thee.
Where mountain blue meets sunset glow,
Our college stands serene
With passing years its friendships grow
In memory ever green.
O Madison, may wisdom clear guide us and prosper thee,
We give thee, Alma Mater dear our love and loyalty,
Our love and loyalty.

—MARY FUNK SLAUGHTER
COLLEGE SONG

Of our college we will sing
A song of endless praise,
The classmates and the fun,
We'll remember all our days,
The things that we have done,
And the knowledge that we've won,
O Madison, O Madison, we'll love and cherish thee.

In the greens of Shenandoah stands our Alma Mater strong;
A symbol of fulfillment, and to her we'll sing our song,
A song of lasting friendship and fond memories of you,
O Madison, O Madison, to thee we'll e'er be true.
