This is where it all happened—Madison College. A lot of girls, a few boys and the faculty lived and worked and played together here to make 1954-55 a memorable year.

Nevertheless the real beginning was on a Sunday in September when the campus swarmed with upperclassmen in white, freshmen, parents and boyfriends.

For the 363 freshmen it may have begun in the spring when Mr. DeLong visited the high schools of Virginia.

The upperclassmen returned for registration, classes and the throes of student teaching conferences while the freshmen wandered through the bewildering maze of orientation, finding the proper classes and the Major Student Organizations Tea.
Invitations appearing in the P.O. boxes launched the exciting week of open houses and rush parties among the Greeks on our campus and concluded with the Saturday afternoon of walking and crowds blocking the traffic on Main Street.

Late in October the freshmen became real members of the student body when they were pinned and capped in the Old Student-New Student Ceremony.

Hoboes, witches, men from outer space and other weird creatures stormed the dining halls on the night of the Hallowe'en party to be fed, entertained and judged for originality.
The first formal dance of the year was the Student Government’s “Black Magic” which transformed the gym into a dark castle hung with Spanish moss and cobwebs.

As usual many watched from above.

Going home for Thanksgiving entailed buying tickets in Harrison lobby and catching the busses lined up in front of Logan.
All through December we celebrated Christmas in a big way.
The end of January as usual brought a flurry of finishing up term papers and taking exams.

But even studying can be fun sometimes.

With the new semester the home economics and physical education student teachers came back to campus and we were all plunged into the rush of basketball season, major elections Religious Emphasis Week and more elections.

No spring at Madison is complete without spending some time back campus sun bathing.

Nor would the story of the year be complete without mentioning Rettie Warren who is studying this year in England as our "foreign student". She has kept us enthralled with letters published in the Breeze.
No matter what the season, certain things are a part of everyday life at Madison; fighting the urge to stay in bed in the morning; standing for grace before meals in the dining hall; reading those long awaited letters or griping when they don't arrive; usually facing some change in the weather before the day is too far along; always having a term paper or readings to do; taking off to the movies or Doc's or the Dairy-Rite.

Through the pages of this book you will find words and pictures that will help recalling the years to come those everyday occurrences, the big events and the people who shared in them during this year at Madison College.
With grateful appreciation for guiding us throughout our college careers, for inspiring us to high professional standards through his sponsorship of Kappa Delta Pi, and for working tirelessly to lead us through the maze of credentials, applications, and interviews with future employers which accompanied the climax of our years at Madison, we dedicate the 1955 SCHOOL-MA'AM to

ALFRED K. EAGLE

CLASSES
THE SENIOR CLASS of 1955 had its origins in the dim and distant past—September 15, 1951, to be exact. On this momentous occasion from near and far we arrived on Madison's campus. Everything seemed a mad turmoil at first, with registration, getting settled in the dorms, and numerous teas and receptions to attend. We soon made a little order out of the chaos, however, and elected Gloria Taylor to preside over our baby class. President and Mrs. G. Tyler Miller were chosen to be our sponsors during our voyage through the seas of education.

Second semester Convocation brought us an outstanding speaker in the person of Senator Robert A. Taft.

Toward the end of the year, when we were already well-settled old college women, we embarked upon our first major venture as a class—our Freshman Class Day. We showed our originality from the very first by sponsoring an audience participation-type “radio show” for the assembly program. We’ll never forget the hilarious antics of our little family on a tour of New York in our class night show, “Lullaby of Broadway.”

Then February rolled around, and with it came our second class day. Our assembly speaker was Mrs. Emily Jacobson, who gave excellent readings comparing Shaw and Shakespeare. Our show that evening was entitled “Valentine Varieties” and included bouncing cupids and the King and Queen of Hearts.

Our capable leader as we labored through our junior
year was Janet Hefner. We managed to take time out from our toil around Christmastime to present Cleveland, the Amazing Mentalist, to the student body, and to give an outstanding evening performance of "Christmas Eve at Moulin Rouge", in true Parisian style.

Then came the whirl of major and minor elections, and we took the reins. It looked as if we would make it after all!

Those of us who survived this rugged year returned as mighty seniors. Here at last was the year when we ruled the roost. We really felt like seniors when our sister class "capped" us. Leading us through this year of heightened responsibilities was Jean White.

Class day rolled around almost before we knew it, and we thrilled to the voice of Frank Roane as he presented a stirring program. Our final production was "Plantation Party", set in the Old South.

As the year progressed some of our members disappeared into home management house for a time, others traveled to distant parts of the state for student teaching, and all found plenty to occupy their time. Placement credentials, interviews, and applications were the subject of all conversations. This year it was a member of our very own class we was elected Madonna, Miss Madison, Apple Blossom Princess and May Queen.

"Moving-up Day" gave us a jolt as we realized we were moving out. We took our last Madison exams. With mixed emotions we saw our college career come to a close to the tune of "Pomp and Circumstance."

As we go our separate ways as alumnæ we look back over four full wonderful years and realize how very much more than a degree after our names and a few facts in our heads we have gained here, and will carry with us into the years to come.

Backstage at the Seniors' "Plantation Party"

Scenes from the Juniors' "Fantasy in Jazz"
When the Sophomores
"took it away."
THE JUNIOR CLASS was really glad to return to campus this fall so we could experience our newly acquired status of upperclassmen.

The early part of the semester was spent looking up our little sisters and greeting our old friends. It seemed as though we could never catch up on all the details of those long, lazy summer days that had just passed.

Although "Rettie" kept in close touch with us through her letters from England, her place in the class remained empty.

Thanksgiving came and went and so did we; but before we were barely settled once again, December 8 was here—Class Day. We really had to squeeze in those rehearsals and it looked as though we could never get our show together in time. We were really proud that day as we dedicated our program to our sister class and presented our speaker, Miss Grace Matz, who was graduated from Madison 1952.

We all wondered who would be the lucky gal to be chosen Queen of the May this year and to become the first to wear the beautiful crown which we presented to the school as our class project.

A sigh of relief was heard as we rushed off for the badly-needed and most welcomed vacation of all—Christmas.

Many of us were now wearing a worried and defeated expression as the end of January approached and along with it, the inevitable exams.

Wherever did the time go? Soon we could be seen wearing rain coats and carrying blankets back campus to acquire a "glow of radiant health."

None of us will ever forget moving-up day as we watched our Seniors march out and as we took their places. How could this be? We were Freshmen just three short years ago!

As we reminisce, let us remember along with the dances, the holidays, exams, Class Day, and moving-up day, our president, Jaunita Mowles, who led us so capably and so smoothly over what appeared to be a "rocky" year. Too, let us remember and thank Mr. and Mrs. Boskey, our sponsors, and Buddy and Barbara, our mascots. Under Mr. and Mrs. B.'s guidance and with their help, we can look back on a truly successful year.

President

JAUNITA MOWLES

L. Jones, Reporter; C. Boskey; B. Boskey; P. Long, Secretary; J. Leffel, Vice-President; M. Zirk, Sergeant-at-Arms; Mr. Boskey; Mrs. Boskey; R. Ritchie, Treasurer.

CLASS
THE SOPHOMORE CLASS returned to school last fall to assume the dignity of "old" students. Along with this new status, we acquired our first "little sisters" and enjoyed welcoming and entertaining them at the Big Sis-Little Sis Party climaxing Freshman Week. A few weeks later our class decided to perpetuate the tradition begun by the Sophomore Class of 1953 and order beanies for the freshmen. At the Old Student-New Student ceremony in October we, along with the upperclassmen, officially ushered the "frosh" in by "beanie-ing" them.

One of the distinction of the Sophomore Class is being the Seniors' sister class. Never were we more proud of our sister class nor sadder at the realization of their near departure than at their capping ceremony. With tremulous hands we placed the academic caps on their heads and with mixed emotions heard Dr. Dingedine's address.

In the midst of the rush of activities and classes, it suddenly became time to work on our Class Day program. Various committees worked long and hard preparing the framework for our extravaganza. Enthusiastically the class auditioned, wrote, and rewrote, organized, and rehearsed. Finally The Day arrived and we happily embraced one another as the applause rose for an almost successful Class Night.

Dances came and passed; vacation eagerly anticipated became history as the year flew by. Our lovely float in the May Day parade helped us feel our class had made a contribution to the big spring celebration. The two-year students' graduation in June seemed unbelievable. Friendships have been too short and our class will seem incomplete without them.

Anne Warren's capable steering has kept us on our way this year and we extend sincere appreciation for her infinite patience and constant efforts on our behalf. Dr. and Mrs. Smith, our sponsors, have endeared themselves to us more and more through their devoted attention to our problems and projects.

As we wait at the door of our Junior year, anticipating the next two years as upperclassmen, we remember a splendid Sophomore year. Regretting that it has passed so quickly, nonetheless we move up with a feeling of satisfaction at having added another year to the rich experience of being Madisonites.

Dr. and Mrs. Smith, Sponsors; N. Quarles, Treasurer; T. Martin, Reporter; T. Quarles, Sergeant-at-arms; C. Sweeney, Secretary; M. Caton, Vice-President.

CLASS OF '57
THE FRESHMAN CLASS experienced its first day at Madison with mixed emotions. We were on the threshold of something vitally new and different, and we were scared, excited and a little doubtful.

Many of our fears and qualms vanished quickly as we acquired friends and became adjusted to college life. Upperclassmen and big sisters rendered invaluable help; their smiling faces and friendly manner helped us immensely. Homesick? Not us, for we were too busy joining college activities and learning traditions to have any nostalgic thoughts of home.

The eventful months flew quickly indeed. During October we elected our class officers, and also really became a part of Madison when capped and pinned during the Old Student-New Student Ceremony. With shouts of glee, we were soon off to a wonderful Thanksgiving holiday. Before we could quite catch our breath, Christmas vacation was at hand.

Something inevitable greeted us upon return—EXAMS! The dormitories took on an air of tense stillness during this period and the library became quite popular as a meeting place for apprehensive freshmen. Many silent vows were made as we toiled over books, sleepy-eyed and weary, and burned midnight oil. With this new experience behind us, and grades issued, we had more pleasant thoughts to occupy our mind.

Long and hard we pondered for the fast approaching event, Freshman Class Day and Night. With such an array of talent, we were sure to have a big success. Success was ours, and another leaf was added to our golden book of memories. May Day too, was looked forward to with much enthusiasm. How pretty everyone looked on that day!

Too swiftly, our first year drew to a close. We were hesitant to leave our friends, but glad to be going home. And so, did our first eventful year at Madison pass. Observe us now—we have more confidence, a firmer step, a broader smile and a year of never-to-be-forgotten memories.

OFFICERS:

First Row: C. Mengebier, N. Mengebier (mascots); J. Koontz.

Second Row: Mrs. Mengebier, M. E. Garber, Secretary; C Evans, Reporter; F. Broaddus, treasurer; Dr. Mengebier, K. Haglund.

CLASS OF '58
THOSE FIRST DAYS
ADMINISTRATION
To Madison Students, Faculty, and Staff:

GREETINGS

AND

BEST WISHES!

A special message to the 1955 Graduates

It has been a pleasant and satisfying experience to have been associated with you during your years as students at Madison. You have rendered outstanding leadership to the College, and I wish to commend you for your loyalty and cooperation.

As alumni, you will continue as important members of our Madison College family. It is my hope that you will recall your years here with pleasure and satisfaction and that you will find that your experiences at Madison have been valuable in preparing you for your lifework. In future years, I hope that you will demonstrate your interest in and sentimental attachment for your Alma Mater and that Madison may look forward to your continued loyalty and support. My heartiest congratulations and best wishes for your future happiness and success are extended to each member of the Class of 1955.

Sincerely,

G. Tyler Miller, President

Hillcrest
The President’s Home
DR. SAMUEL PAGE DUKE

February 5, 1885 — April 25, 1955

Our leader and friend for thirty years.

With his unfailing energy, enthusiasm, and standards of high scholarship, he has left Madison College a goodly heritage.
These are days of bewildering complexity—days which are testing to the last limit the optimism and hope of every informed and intelligent person. At this moment millions of people in many different countries look to the United States to bring order out of chaos, to furnish leadership in preserving the idea and operation of democracy for mankind.

We must find a way to show that our country is dedicated to the furtherance of the good life for all people and this calls for intelligence and discernment on the part of all the citizens of our great nation. We must use to the fullest our knowledge and our abilities to think effectively if we are to make a significant contribution to the solution of the problems which confront us at this time. And we must apply our knowledge within a framework of moral and spiritual values.

You who are graduating this year can do much to help in the achievement of world peace. The individual's influence on world affairs is greater than most of us believe. Public opinion is the ultimate control of war and peace. But it is a most unfortunate truth that public opinion is actually the opinion of an articulate few. It is a challenge to us to become vocal, to become more outspoken in order that public opinion may have the benefit of our thinking. In this way the personal influence of each of us can count for much. Government officials, legislators, writers for newspapers, periodicals, radio and television are sensitive to and amenable to public opinion. Often they are at loss to know what course to follow because of the absence of a consensus of public opinion on many vital problems of the times. Each one of us must make it a primary responsibility to form his opinions and to make his opinions known.

Those of us at Madison who are responsible for the student personnel services are associated with the student both on the campus and off of the campus. A portion of our time and effort is spent in meeting and encouraging capable students to think favorably of Madison when they choose their college. We are mindful of the importance of our alumnae in this phase of our work and their loyal support has been most gratifying. When a student elects to come to Madison, we have the initial responsibility of acquainting her with the customs and the traditions of the college. We are proud of this opportunity to share these experiences with her. We feel that a student who is comfortably housed, and whose health is safeguarded, is in a better position to succeed than would otherwise be true. In making the transition from the home to the campus our association with the students' parents is of mutual benefit. We are further concerned with financial assistance for deserving students.

The many facets of our work are both tangible and intangible and should a student be aided toward becoming a more worthy individual, then we are grateful.

William J. DeLong,  
Director of Student Personnel Services

ORGANIZATIONS
THE STUDENT GOVERNMENT ASSOCIATION is the organization set up to help the members of Madison grow in character and power through individual self-government. In so doing, the students assume the responsibilities as well as the privileges involved.

The Student Council began the year with a retreat at College Camp where we made some very important plans and also had lots of fun and fellowship. Then we hurried back to campus to meet the freshmen and other new students and assist with registration. We sponsored the Freshman Talent Show and the coke parties and “uke sings.” We helped in the orientation of all students by conducting Handbook classes. We all enjoyed the Major Student Organizations Tea at which time we had the opportunity to meet all the new students.

The Old Girl-New Girl ceremony was a most impressive way of initiating the freshmen into the Madison student body. Another big event in the fall was the opening dance, “Black Magic”, which proved to be a huge success.

The student body again elected cheerleaders who helped create the Madison spirit. A plan for having informal dances in the Tea Room after the movies on Saturday nights was approved and put into action. The committee set up to work on the plans for the chapel worked long and hard in carrying out these plans. We hope that in the future years the chapel will become a vital addition to our college life.

The S.C.A. State Convention for high school students was held on our campus in March. Some of our Student Council members also attended the S.I.A.S.G. Convention at Mary Washington at which we were co-hostesses with Mary Washington. Both of these conventions helped a great deal in giving new ideas and inspiration.

Along with all our problems and hard work we had fun and relaxation at our Christmas Party and our party before graduation. These parties were held jointly with the Honor Council and our advisers.

Through the fine leadership of our president, Norma Proctor, and the help of our advisers, Mrs. Wilkins, Mrs. Garber, Miss Hardesty, Mr. Partlow, and Dr. Caldwell, we have completed a most successful year. Through the collective thinking and action of students and advisers and through the medium of democratic representation, we have developed a system of living which is best in the interests of all.
THE HONOR COUNCIL is the backbone of the integrity of Madison College. Not only does it promote the personal integrity of the students, but also it fosters straightforwardness in thought, conduct and speech in both the old and new students.

Serving on the Honor Council are representatives from the classes and Men's Student Organization. To start off our year together, we helped the Student Government conduct the freshmen Handbook classes. We also had a joint Christmas party with Student Government.

With our advisers, Dr. Charles C. Caldwell, Dr. David L. Hatch, and Dr. Raymond C. Dinkledine, to guide and counsel us through the year, we hope that the years to come will prove as successful as those in the past. We give them our heartfelt thanks and warmest appreciation.
STANDARDS COMMITTEE members are elected from each class, with the head waitresses being members automatically.

This year we assisted in registration, with President Miller's reception, with the dance "Black Magic", and with May Dance. We also conducted Handbook classes for the freshmen.

What are the dance regulations? May we cut campus here? When may we wear jeans? These are questions frequently asked of the Standards Committee, whose aim is to promote high ideals of social conduct and appearance on our campus.

A section of the Handbook is devoted to dining hall etiquette, campus behavior, and the appropriate dress for various occasions.

The desire of all students is to contribute to the wholesome attitude and air on campus. The Standards Committee is always ready to act as an adviser in such questions.
THE SOCIAL COMMITTEE is one of the many organizations on campus that does much of the "behind-scenes" work—arranging and serving for teas and receptions, polishing the seemingly endless store of silver, planning and decorations for dances—activities which provide invaluable social experience for the fifteen girls of the committee.

Work for the committee begins as soon as they return in the fall, for they must organize and direct the Major Student Organizations Tea, a large social function to help acquaint the freshmen with the officers of the campus. Soon after the tea planning with Student Government and preparations are begun for the big opening dance. This year our theme was the "Castle of Black Magic", complete with spider webs, black cats and all.

Throughout the basketball and hockey seasons, the committee members serve as hostesses at after-game teas for our own and visiting teams.

In the spring the girls are busy arranging for the May Dance, and since this is one of the largest dances of the year, much time, energy and effort are put into its plans and decorations.

The days between exams and graduation are busy ones for the social committee, preparing for the Senior Dance and serving for the Senior reception at Hillcrest.

Mrs. Logan, our adviser, is always ready to counsel us, and to assist the social committee in every way possible in its endeavor to help all organizations plan and carry out social events in the best social etiquette and standards.

First Row: S. Brown, D. Talbert, S. Hanson, S. Smith, B. Powers, N. Smith.
THE RECREATION COUNCIL encourages and provides recreational activities and facilities for the use of all students on the Madison College campus. The council is composed of representatives from each dormitory, all major organizations and all organizations interested in the promotion of recreation. Through the profits from the sale of cokes from the coke machines on campus, they are able to furnish records, record players and radios, ping pong balls and tables, and playing cards for students use in the recreation rooms. Remember the big May Day parade and the winning float which we all agreed was the best, though the others came mighty close—this, too, was sponsored by the Recreation Council who tried to make your life on campus more enjoyable throughout the year.

THE HANDBOOK STAFF worked hard securing ads, and other information while the Student Faculty Relations Committee, headed by Dr. Raymond C. Dingledine undertook the job of revising most of the material into a Handbook that would eliminate a lot of the unnecessary, yet one that would be meaningful and useful to every student.

All the hurrying around last spring only meant that we had high hopes of having the copy ready for the printers by June 1. The results were obtained except for the final proofreading which was done in August. Dr. Curtis, Dean Wilkins, and Dean Garber worked closely with us in an effort to improve the Handbook.

The Handbook contains vital information and is dedicated to the incoming students of Madison College with the hope that the contents therein will help them to appreciate the values and potentialities of college life.

Left to right: N. Williams, Business Manager; P. Sacra, Assistant Editor; S. McAllister, Assistant Business Manager, M. Covey, Editor
THE FIRE SAFETY COMMITTEE has completed its second year as a unit on campus by contributing to the safety and health of us all. This committee is composed of the Campus Fire Chief, Joey Osbourne, and a fire chief from each dormitory.

In the fall the Harrisonburg Fire Department staged a mock fire fighting demonstration in which many of us received first hand experience in using the different types of fire extinguishers here on campus. Monthly fire drills have been observed to help us keep constantly prepared.

THE GRANDDAUGHTERS’ CLUB was established in the fall of 1939. Its aim is to create a closer friendship among the daughters of alumnae.

This year under the leadership of our sponsors, Mrs. Derrick and Mrs. Dingledine, we have enjoyed many good times. Our Christmas party was a big success with the club preparing a box for a needy family. Other activities were helping with Founder’s Day and Homecoming.

Second Row: H. McAlpin, A. Townes, Treasurer; E. Henson, Vice-President; C. Artz, Secretary; M. Brown, Reporter; B. Rausserman, F. Landis.

Third Row: D. Hess, J. Myers, N. Cloud, S. Young, President; M. Em-swiler, A. Myers, A. Lutz, F. Moffett, B. Freed.

Kneeling: J. Harris, J. Osbourne, chief.

Standing: S. Carleton, D. King, W. Thacker, B. Smith, D. Turner.
THE MEN'S STUDENT GOVERNMENT ORGANIZATION helps us men, outnumbered as we are, to find our place in what appears to be a woman's world. For purposes of student government, promotion of student-faculty relations, acting as an intermediary between the administration and the men students, and promoting the general goodwill and welfare of the college and student body, the Men's Student Government Organization is the most vital men's organization on campus.

We have our own complete system of self-government administered through the Student Council, made up of the officers, and the Student court, which is composed of representatives elected from each class. Any breach of college rules, traditions, and social etiquette, as well as problems or ideas which the men want to bring up, are handled through this organization.
A standing athletic committee has the full responsibility for all sports activities. This committee sponsors the Dukes, our basketball team, which had a busy and successful year.

The year began in traditional fashion with our annual smoker in Logan Recreation Room. In addition to providing delicious refreshments and splendid entertainment, the event stimulated better new-old student relations as well as student-faculty relations.

Men students at Madison have earned a place in many campus organizations. In singspirations, assembly programs, dramatic productions, class night activities, and many club meetings, we find the men students a vital part of the scene.

With Hollis Showalter as president, the Men's Student Government Organization opened a path by which the men students held their own in what appeared to be a women's world here at Madison College.

OFFICERS:

President .................. Hollis Showalter
Vice-President .............. Douglas Soyars
Treasurer ..................... Dale Long
Recording Secretary ........ Eldon Padgett
Corresponding Secretary .... Thomas Byrd
THE BREEZE, Madison's student newspaper, now in its thirty-second year of publication on campus, has progressed greatly since its first appearance on December 2, 1922. This weekly paper distributed to the student body each Friday night is written primarily for the students to inform them of coming events, brief them on past events, and offer them an opportunity to share opinions and views on campus happenings.

Each Tuesday and Thursday night members of The Breeze staff may be seen in their second home (Logan 9, The Breeze room) sweating over headlines that just don't seem to fit, news stories that don't seem to have enough "spice," pictures that take up too much space, features that there are too many of or not any of, stories and columns that haven't been turned in, subjects for editorials, or the constant problem of making up the paper to be "eye-catching" and balanced. But despite the many headaches and constant problems there is always time for much laughter and even more working together to put out "the best yet!" On special occasions the staff puts out six or eight page editions and, of course, the April Fool's issue, our pride and joy.
In October the editor-in-chief, Betty Smith, and make-up editor, Jean Anthony, attended the Associated Collegiate Press convention in Washington, D.C. They brought back many helpful hints for improving the paper and put them to practical use. The state press convention was held in Lexington, Virginia, and representatives from The Breeze were Natalie Tiller and Beulah Ellis, headline editors; Ann Fosnight, news editor; and Sylvia Painter, assistant make-up editor.

Many new members were added to the staff this year. Deserving special credit are B.J. Butler, associate editor who sat in the driver’s seat for eight weeks while the editor-in-chief was away doing her student teaching; Ann Fosnight, news editor; Nat Tiller and Beulah Ellis, headline editors; Jean Anthony, make-up editor; Jan Bolen, sports editor; Ginger Brown, feature editor; and our reporter for the men students, Skip Michael, who began his column, “Skip’s Skoop,” this year. Also the members behind the scenes, those who handled business matters and the distributors, should be credited for a job well done. Nor can we forget the grand work done by our professional photographer, Bob Riley.

Our adviser, Dr. Glenn C. Smith, usually drops around to offer suggestions wherever needed, and he has given aid in making this a most successful year for The Breeze.
THE SCHOOLMA’AM, now in its 46th year, was the first student publication on Madison campus.

This year, inspired by Janet’s many original ideas, our new quarters in Alumnae Hall, and a new adviser, Miss Mary Margaret Brady, the smaller-than-usual staff showed immediate capability.

In October Phyllis Sawyer mailed the organization contracts, and we scheduled and rescheduled the many group pictures. From then right up to the deadline, Bob Riley was on the job taking pictures of every occasion, bringing proofs to be inspected, and developing them to the proper sizes.

During the first three weeks of November, Jerry Golden from Colonna Studios in New York, was busy in Alumnae 9 taking individual portraits. Later they were given to the class editors to be shuffled, reshuffled, and finally arranged in the class sections.
Fern Jennings compiled the student directory and helped with the sorority section, and Barbara Wolfe was in charge of the faculty section. Our one bit of art work was ably drawn by Kathie McKessor. Mary Sue Missimer planned and posed the pictures for the feature section. Janet Neff, our associate editor, helped with the group pictures and assisted in organizing the dummy.

The copy sheets were edited by Jenny Ayres, then turned over to the efficient typists for completion.

The financial and business sides of the Schoolma’am were managed by Nan St. John and the members of the business staff. They were responsible not only for handing out money, but for collecting ads and typing the copy.

Each person on the staff did her job, be it large or small, and slowly, but surely under the capable hands of Janet, the parts began to fall into place to form the 1955 Schoolma’am as you have it now.
THE Y.W.C.A. unites “in the desire to realize full and creative life through a growing knowledge of God.”

The purpose of the Madison Y.W.C.A. is to help enrich the spiritual and social life here on Madison campus. Through its program, the “Y” seeks to help students and faculty alike to know the full significance of the Christian life.

From the beginning of the school year to the end, the Y.W.C.A. plans and sponsors activities designed to help meet the needs of students. The Big Sister-Little Sister program helps incoming students become acquainted with Madison and its traditions more quickly. Opening vespers and the annual candlelight service are inspiring beginnings for the school year. During the year, Friday Chapel services each week, dorm devotions, Sunday vespers, the Kid party at Christmas, the Annual Christmas pageant, Religious

Cabinet Members

First Row: J. Jollett, E. Laing, Mr. Partlow, Mrs. Partlow, J. Woodford, J. Dygert.

Emphasis Week, an all campus Marshmallow roast, Saturday night singspirations, the Hallowe'en party, and Holy Week services are among the many activities sponsored by Y.W.C.A. The “Y” closes its program each year with a special vesper service for those who are graduating.

The various programs and projects are planned and directed by the Y.W.C.A. Cabinet made up of the officers and representatives from each class. The officers are elected from and by the student body.

The Madison College Y.W.C.A. is affiliated with the Y.W.C.A. of the United States.

The great majority of students plus many of the faculty are members of the “Y”. We are proud of the interest and active participations of students and faculty at Madison in “Y” activities and hope that through its program we may all indeed realize a truly full and creative life.

Cabinet Members

Jr. Y. Officers
First Row: A. Turner, President; K. Weaver, Vice-President.
Second Row: C. Childress, Secretary; L. Webb, Recreational Leader; B. Banks, Treasurer.
THE Y.M.C.A., through its varied programs, participation in Friday chapel services and the Christmas pageant, has tried this year to enrich the spiritual lives of its members. Christian fellowship and worship have been of foremost importance in the minds of the leaders of this men’s organization.

Growth should always be an important part of a Christian’s personality and the Y.M.C.A. has tried to kindle growth in all fields in every one of its members. Participation in inter-faith councils, in social and religious committees, and various other organizations has stimulated this growth.

The “Y” this year, with the help of the Harris—
onburg High School Hi-Y club, organized a Hi-Y club at Broadway High School. We plan to do the same in other Rockingham County high schools in the future.

Of course, no organization could ever exist without the sincere effort of its sponsors. Ours is no exception: Mr. Hanson and Mr. Shorts receive our hearty thanks.
THE WESLEY FOUNDATION at Madison is part of the Methodist Student Movement in Virginia. Through the cabinet and council structure this Methodist group carries out many varied programs of worship and study as well as activities of a social and recreational nature and service projects.

After a Fall Retreat at Massanutten Springs, our Wesley Foundation began welcoming our freshmen on campus and inviting them on board the "Wesley Wagon." We soon got back into the swing of things with challenging Sunday school lessons, the Sunday morning church services and our Wesley evening meetings. The W.Y.F.'s or Wesley Youth Fellowship, as the freshmen groups are called, were busy in each dorm with study groups and projects. The Wesley Choir, under the capable direction of Skip Michael, became an important activity for some of our members, while others lent their talents to the dramatics group under Jean White's leadership.

In November Madison was hostess to a conference of the Virginia M.S.M. We shall always remember the inspiration brought to us by our speaker, Clarice Bowman.

The dramatics group presented our Thanksgiving program and the Wesley Choir led us in a beautiful Christmas service. Other programs included Bible study led by our own members and a series of programs on the U. N., with Mr. Hassan Saab of Lebanon speaking to us one evening.

Our social activities began with a Prospector's Party given for us by the ladies of the church. In November we met our church mothers at a tea on campus. For our banquet in January, a Rebel Party, Mrs. Leland Schubert was our speaker. Of course, our schedule also included our annual trip to Skyline Drive and the hike up Massanutten Peak.

The Wesley Foundation is devotedly guided by Mrs. H. K. Gibbons, our counselor, teacher and "second mother," and our minister, the Rev. Walter M. Lockett, Jr.

Second Row: M. Williams, N. La Prade, C. Yost, S. Koontz, E. Isom, L. Mahone, Jr., J. Holt.

THE NEWMAN CLUB is the organization for Catholic students on Madison's campus united through this national club. We strive to achieve spiritual, intellectual and social development.

A reception given by the Ladies' Sodality of the parish upon our return to campus in the fall...a trip to Staunton for the Marian Year celebration...our regular meetings with

The Marian Year celebration...our regular meetings with discussions on various subjects interestingly led by Father McMahon, our wonderful chaplain...the unforgettable candlelight initiation of the new members...our monthly communion...a trip to U. Va....visits at the home of Mrs. Sloan O'Donnell, our sponsor...all have made this year a successful one.

First Row: M. Caton, J. Thomas, M. Sturtzman, Secretary-Treasurer; A. Skapars, President; F. Soriano, Vice-President; F. Soriano, P. Phalen.

THE SCHWARZENAU CLUB is organized for Church of the Brethren students and under the guidance and direction of the local church and our adult advisers, Mrs. Lawrence Hoover and Mr. Olen Miller, we feel that we have continued to grow and develop spiritually.

Our year began with a banquet at the church and each student was given a church mother and father. We have had fellowship in other ways—joint meetings with the local C.B.Y.F., parties, Christmas caroling and outside speakers.

Future plans include visiting and giving to a nearby needy community, and a Spring Retreat. Our aims are to foster a well-rounded spiritual, intellectual and social program for all members.
THE BAPTIST STUDENT UNION has again this year linked Baptist students on campus with the Harrisburg Church through the coordinating activities of the Executive Council. Through the B.S.U. bus, furnishing transportation to Sunday services; informal visits with the Dickersons in their home; through “Pause for Power” and Friday night Bible Study followed by supper, B.S.U. has sought to meet the spiritual needs of all its students.

Special events highlighting our B.S.U. year have been the state convention in Alexandria, pre-school retreat, the Thanksgiving sunrise service, our Y.W.A. mission study and supper at Christmas, Spiritual Emphasis Weekend in February with Mrs. J. Winston Pearce to inspire us, and our “Out of This World” banquet in March with Bob Denny as our speaker.

Among our favorite times are those breakfasts, fellowship hours and visits at the center where Mary A. is always ready to feed us, advise us and help us in every way.

THE LUTHERAN STUDENT ASSOCIATION was founded several years ago at Madison for the purpose of fostering closer relationships among the Lutheran students and the Muhlenberg congregation to encourage spiritual growth, and to provide social fellowship for them.

Under the direction of our president, Charlene Myers, and the guidance of our sponsors, Pastor and Mrs. Fenner, the Brauns, and Miss Katherine Sieg, we have made 1954-55 one of our most successful years. There were the devotional services at the church and on campus, numerous conferences, including the Virginia Area Conference at Roanoke, socials for fun and fellowship and finally that marvelous weekend at College Camp.
THE WESTMINSTER FELLOWSHIP, made up of Presbyterian students and other students who wish to make our local church their home, had as its ultimate purpose the growth of the student spiritually as well as educationally.

Each Sunday morning we have participated in Sunday School and Church Service. On Sunday nights we have enjoyed supper, recreation, and a program, followed by an inspiring evening worship service.

Our minister, Dr. Albert G. Edwards, our director of Christian education and student work, Miss Laura Nelle Wirthlin, and our advisers, Mr. and Mrs. Sam Shrum and Mr. and Mrs. David McCorkle have helped us grow by providing for us full and rich religious experiences and by helping us find a place in the church in which to serve His Kingdom.

THE CANTERBURY CLUB fosters for the Episcopal students in college the warm experiences to be found in group fellowship and a study of the Christian way of life.

Sunday nights we meet at the church for supper and varied evening programs and speakers. Among our speakers this year was Miss Childs who spoke on her missionary-teaching experiences in Alaska. Two of our own Canterbury alumni, now Seminary students, Sam Gould Thorpe and Ralph Brooks, conducted our Thanksgiving service. Among special interest was our visit to the National Cathedral in Washington in the fall.

The Canterbury Club’s active year included several visits and participation by members in the services of various, outlying mountain missions, together with sending representatives to both the District and Regional Conferences at Rosslyn.

We have progressed under the capable supervision and counsel of our adviser, Mrs. Percy Warren, and our rector, Mr. McCabe. In large measure, we feel it is the Canterbury Club that has helped us, as college students, to adjust successfully and happily to our changing educational environment.
SIGMA PHI LAMBDA is an honor society for all students who attain a three-point average, and has as its threefold purpose the promotion of scholarship, fellowship, and leadership among its members.

On Sigma Phi Lambda Day in December we had as our guest speaker Mr. Peter Wieslander, an Exchange Visitor Student from Sweden who was studying at the University of Virginia and who spoke on “Sweden Today.” That same week we introduced the society to freshmen and transfers at a tea in Senior Hall.

At the monthly meetings conducted by our president, Margaret Hartsel, we had many interesting programs including the showing of many pictures taken by our sponsor, Miss Richardson, while on her trip this past summer.

The officers and Miss Richardson deserve thanks and praise for their leadership and support.
KAPPA DELTA PI, a national honor society in education, is an organization on our campus in which the members and officers are always striving to effectively carry out its purposes and aims—to encourage high professional, intellectual, and personal standards, and to recognize outstanding contributions to education. Under the guiding leadership of its president, Ann Davis, and its counselors, Miss Frances Grove and Mr. Alfred Eagle, the organization through its monthly meetings of discussion groups and programs feels that it has aided each member of Kappa Delta Pi in partially realizing these goals.

The year started off with the initiation of twenty-five enthusiastic juniors and seniors into KDP in November. This program was one of the highlights of the year's activities and both the new and old members pledged themselves to support and uphold the aims and purposes of the society.

At the December meeting the society visited the Planetarium at Eastern Mennonite college where Mr. Blackbill presented a talk on the subject "The Christmas Story".

January was a full month for KDP. The first event was the regular monthly meeting at which several members of the Waterman School P.T.A. presented their views on the subject "The Use of Audio-Visual Materials, Field Trips, and Resource People in the..."
School”. Following their presentation an open discussion was held for the entire group.

January 19 was “The Big Day”—Kappa Delta Pi Day on our campus. The organization was most fortunate to have as its guest speaker for the assembly program Dr. John F. Locke, author of a weekly commentary on the International Sunday School Lessons for Adults. Dr. Locke chose for his subject “The Seven Deadly Values”.

At the February meeting various members of the society led the group in a discussion on the pertinent subject “An Integrated School System vs. Private Ownership of Schools”.

The year came to a successful close in May with the installation of the new officers of KDP for the coming year and the observance of the annual banquet.

Alpha Chi Chapter of Kappa Delta Pi was installed at Madison College on January 30, 1928, by Dr. Thomas C. McCracken. Through the years its membership and activities have enlarged and expanded until the organization today is one of the largest on campus and contributes a major part to the fostering of educational influence in the college. Membership in Kappa Delta Pi fills one with professional pride and a desire to give his utmost to the promotion of a democratic and child-centered educational program.

Officers: R. Padgett, Vice-President; J. Simmons, Corresponding Secretary; A. Henderson, Treasurer; M. Pankey, Historian-Reporter; Miss Grove, Sponsor; F. Phalen, Recording Secretary; Mr. Eagle, Sponsor.
THE USHERS are on hand for all programs in Wilson Auditorium. Our job is to assist you in finding a seat and to answer any questions pertaining to the programs. We have served to the best of our ability at such programs as the Community Concerts, the annual Glee Club concert, lyceum programs, and Saturday night movies.

Mr. Clifford Marshall is the sponsor for the Ushers' Club and Betty Myers is head usher.

JUNIOR MARSHALS, who are appointed by Junior Class officials have as their chief duty the directing of formal processions. Advised by Mr. Shorts and headed by Mary Anna Holloman we have endeavored to regulate these activities in an orderly and systematic manner.
PI OMEGA PI, a national honorary fraternity in business education, aims to promote scholarship and high ethical standards, to aid in civic betterment in colleges, and to teach the ideal of service as the basis of all worthy enterprise.

Successful activities during the year include administering business placement tests to new students, sponsoring shorthand and typing contests for high school students, presenting an award to the sophomore business major with the highest average, holding a Homecoming tea for business alumnae, and presenting monthly business education programs at the club’s meetings.

Pi Omega Pi Day activities included sponsoring former Under Secretary of War, John Slezak, as assembly speaker, and holding a banquet at The Gables where initiation of new members and election of officers took place.

THE FUTURE BUSINESS LEADERS OF AMERICA is comparatively new on campus. We have had an active local and national chapter for three years. Our activities of the year started with a party for the freshmen. We had very interesting field trips to Merck, Inc. in Elkton, Va. and to Washington, D. C. to visit several offices. This was the highlight of the year. In March we were host to the high school chapters for their regional meeting here. The year concluded with our annual banquet and installation of the new officers.

Our leaders, Miss Martha Ann Colvin and Miss Mary Margaret Brady, have done much to make our F.B.L.A. chapter a more vital part of the Department of Business Education.
LE CERCLE FRANCAIS means fun, French and fellowship for all French students interested in widening their understanding of the French language, customs, and culture.

This year has been full of club activities lead by June Simmons, our president, and Dr. Woelfel, our adviser. We presented our annual Christmas play in Friday chapel, took a trip to the French embassy in Washington, and also enjoyed several picnics and parties.

EL CLUB ESPANOL is the campus organization composed of those Spanish students interested in becoming more familiar with the Spanish speaking countries of the world and their peoples.

Under the guidance of our sponsor, Dr. Martinez, the club has succeeded this year in undertaking and carrying out many new projects and activities. Among these were a trip to Washington, D. C. where we were the guests of the Pan American Union and the Spanish Embassy, the preparing of a Christmas box for a needy family, a social with the Harrisonburg High School Spanish students, and a wonderful weekend at college camp.

We closed the year’s activities according to tradition with our annual picnic at Dr. Martinez’s home.
THE EX LIBRIS CLUB is made up of prospective librarians, library assistants, and persons who are interested in library science. We have succeeded in widening our knowledge of libraries and library science through our meetings, outside speakers and parties. This fall a group toured libraries in the Richmond Public School System for further understanding of a school librarian's job.

This year we are pleased to have Mr. Joe Kraus as co-sponsor along with Miss Cundiff. With their helpful assistance we feel that we have had a very successful year.

THE ART CLUB, sponsored by Miss Aiken, Miss Grove and Miss Walker, launched the 1954-55 session by staging a campaign to enlist new members. During the months of November and December the club made Christmas sprays and flower arrangements for the dating centers. Following Christmas, nominations were made for the Miss Madison contest which is sponsored annually by the club.

For the homecoming luncheon, May Day centerpieces were designed and constructed.

Throughout the year we have endeavored to further the interest of art on campus by raising lettering standards on posters and bulletin boards, encouraging exhibits of art work, and helping with decorations for special occasions and dances.
THE ASSOCIATION FOR CHILDHOOD EDUCATION has for its purpose to bring together those who are members of the elementary and dual curricula and especially interested in young children in order to exchange ideas and experiences, and to better equip ourselves to uphold the standards of our professional training.

Our monthly programs, centered around the theme of "Education of Others", have been most informative since our speakers have traveled and studied in various countries.

The most outstanding projects of the year include an enlightening assembly program with Dr. Bob Williams, annual banquet, Easter program for the Cerebral Palsy Clinic and a picnic at City Park. Only under the expert guidance of our sponsors, Miss Anthony and Dr. Poindexter, could this successful year have been possible.

THE FRANCES SALE CLUB is an organization composed of students majoring in Home Economics. The club's purposes are to further interest in home-making and to obtain a stronger spirit of friendship and co-operation among the girls in all fields of Home Economics and to train them in club leadership.

We attribute a successful year to the leadership of our advisers, Miss Elizabeth Patterson and Miss Martha Sieg, and our president, Maude Marshall. The State Convention of the Virginia Home Economics Association, held in Roanoke in March, is attended by Frances Sales Members. In the club the girls work together, sharing their ambitions and ideas of ever improving the American Home.
ALPHA RHO DELTA, originally founded for all those majoring or minoring in Latin, has been extended to those who are interested in the finer arts and cultures of the old countries. It brings to life the sports, festivities, and grandeur of the days of the emperors.

A touch of humor adds variety to our interesting and educational programs. Our programs include speakers acquainted with these cultures, talks by students, and slides and movies shown by Dr. Sawhill.

THE MATHEMATICS CLUB is composed of mathematics majors and minors with Dr. Ikenberry as our sponsor. At monthly meetings conducted by our president, Marlene Wood, the club presents programs of mathematical interest. As their aims members wish to maintain and foster an interest in mathematics on campus.

Besides our monthly meetings, we have our annual Christmas party at which new members are initiated and our annual visit to the Ikenberrys' in the Spring.

First Row: M. Wood, President; P. Keiser, Vice-President; B. Freeman, J. Howard, M. Curtis, R. Thorpe.

Fourth Row: Dr. Ikenberry, A. Anderson, M. Southard, G. Robinson.

THE CURIE SCIENCE CLUB has as its purpose to establish and maintain on the campus of Madison College as an association of persons particularly interested in science and scientific research in all its branches; to cooperate with educational institutions in fostering an interest in scientific matters; to provide a forum for the presentation and discussion of papers on scientific subjects; and to provide opportunities for cooperation and fellowship among its members.

The club is proud that three of its members are eligible to receive the Curie Key for the presentation of at least three papers and having the required accumulative rating.

Mathematics, physics, biology, chemistry and home economics majors and minors were all included in our fall initiation and at this time the club was honored to have Dr. Mengebier of the Biology department to speak on “Radiation Sickness”.

The members of the club would like to tip their hats to our faithful sponsors, Dr. Raymond Cool and Mr. Stephen Bocskey who have helped to make us so successful in carrying our our motto “on with science”.

THE GLEE CLUB, one of our oldest campus organizations strives foremost to serve the college in its various musical needs. It seeks to promote better music and musical appreciation on the campus and maintains high standards of scholarship and conduct with full cooperation on the part of each member.

This year proved to be one of outstanding events. We had the honor of being chosen to represent Virginia at the National Confederation of Music Clubs Convention in Miami, Florida. We were also one of four colleges in the entire South Eastern area of the United States to participate in this program. The entire Glee Club benefited greatly from the experience and came back with a store house of memories from this never-to-be-forgotten trip.

Other highlights of the year included our annual Christmas Vesper service which was shared by the Randolph-Macon Glee Club. Along with our traditional Christmas tree fantasy, we sang representative yuletide carols from various countries.

Prior to Easter vacation we presented a beautiful and inspiring program of Holy Week music for the student body. In our functions as a college choir we participated in such events as Convocation, Founder’s Day, May Day, and Commencement. In the spring we attended the “Parade of American Music” in Staunton sponsored by the Virginia Federation of Music Clubs in which only outstanding music of American composers was presented.

Miss Edna T. Shaeffer, the founder and director of the Glee Club has worked untiringly in making our group a unified and purposeful organization.
THE CONCERT BAND is an organization on campus that welcomes all students who play band instruments. The primary purpose of the band is to promote interest and provide experience in ensemble playing. We meet for rehearsal on Tuesday nights and Wednesday afternoon, under the direction of Mr. C. T. Marshall. Each year we participate in May Day and play several concerts on and off campus.
THE MADISON COLLEGE CONCERT ORCHESTRA which is composed of thirty-two members is featured on a weeks' tour each spring. These concerts include a variety of compositions, ranging from symphonies and show tunes to novelty numbers. The orchestra also serves the college by performing at various times throughout the year.

The orchestra, under the conducting of Clifford T. Marshall, features two vocalists which delight audiences with their renditions of favorites familiar to all. The beautiful lighting and staging effects that are so much a part of the orchestra leave a memorable impression on its audiences from the opening to the closing.

At the end of the year, each member feels that he has added much to the pleasure of many as well as expressed his own feelings through music.

THE DIAPASON CLUB is composed of young organists who, under the sponsorship of Mr. Hicks, try to foster musical interests, abilities, and appreciation on our campus. Some of our activities to accomplish this aim have been participating in recitals, exchanging recitals with clubs on the campus, assisting with church music, and our annual tour to Washington to see and play outstanding organs.

This year we became affiliated with the newly organized Rockingham Guild of Organists.

THE LOST CHORDS often hear these familiar words, especially at their Wednesday night rehearsals, "Hey, somebody! Am I sharp or flat? You can tell the difference, and I can't." This year we have increased our membership from 8 to 12 and have had a very good year. Our activities have included playing for German and Cotillion Club Saturday night informal dances and several high school dances in the area.

Mr. Anderson, our adviser, has helped us attain our goals of becoming more familiar with dance music, becoming better musicians, and getting experience as non-professionals in the playing field.
THE CHORAL ENSEMBLE is limited to fifteen singers. It concentrates mostly on the singing of madrigals and a cappella sacred music, but has done secular cantatas and other types of vocal chamber music.

The members of this group have enjoyed singing over the radio and in various Harrisonburg churches and clubs. Highlights of their contributions to the college were the Christmas assembly program of old English carols and madrigals and last year’s part in the May Day program.

The Ensemble was organized late in the fall of last year, under the leadership of Miss Gertrud Burau.

THE MADISON COLLEGE CHORUS, a newly formed organization, is striving to give all students interested in choral music an opportunity to work in a choral group.

The Chorus serves as the official Y.W.C.A. Choir for Friday Chapels. We assisted the Y.W.C.A. in choral accompaniment for the Christmas Pageant, sang Christmas carols for the Christmas Pageant, sang Christmas carols and madrigals and last year’s part in the May Day program.

One of our highlights this year was becoming a member of the Virginia Federation of Music Clubs and attending the Federation Conference in Staunton.

The Chorus is directed by Miss Edna T. Shaeffer.
Jean White and Dale Long as Mattie and Frank in "Stage Door."

"Everybody look at Miss Macon." — "Stage Door"

THE STRATFORD PLAYERS present, in their productions, interpretations of our world through that of make-believe. Dramatic form has changed somewhat since Stratford-on-Avon housed the greatest dramatist, and types and fads in settings have come and gone, yet the appeal of Stratford is based largely on interest in dramatic productions conducted by the members, doing backstage work, and acting roles in plays. For each of these jobs, points are given which, when totalled to the magic number, theory without practice is as bare as an undressed stage, so this organization grew into the Stratford Drama Society and then Stratford Players. The 25 members in 1955 feel much the same as did those in 1917, 1918, 1925, 1935, but with a stronger sense of responsibility to present to the Madison student body the best they can in dramatic production as well as attempting to maintain the standards of high achievement set forth by the founders.

Far from being the care of the club, the acting is usually the smaller part of the work in the production. Most of the labor is done by those trained in lighting, make-up, settings, etc. Two major productions are presented annually. This fall Madison was introduced to the lives and trials of 20 young actresses in the Foottights Club through "Stage Door" by Kaufman and Ferber. Some Players' plays were presented for themselves in their director's spacious rooms in Maury. Often Players' actors presented interesting performances at going time, too.

Membership in Stratford is based largely on interest manifested through attending classes in various phases of productions conducted by the members, doing backstage work, and acting roles in plays. For each of these jobs, points are given which, when totalled to the magic number.
required, make one eligible for membership in Players. The stage door stands open.

The best thing about the club is saved for the last. Yes, the most important impetus to the success of the group is the able, capable and incomparable "Doc" Latimer, director, adviser, and often hostess to the club. Although orchids usually come only on opening night, here is an appropriate place to inject millions of 'em to Stratford's "number one gal" of the stage. Bushels of posies in thanks go also to Edgar McConnell, the president of the club who so ably took office when Rettie shipped out to Merrie England.

In these pictures are reminders of the plays, the Players and stage crews. Many volunteer forces who did so much in production aren't seen here, but those present remember them with appreciation. So, dear audience, the next time you see a production, move smoothly across the stage, don't forget that backstage are grease-paint stained hands, nailed thumbs, airsick prop girls on the catwalk, and a "jillion" trips to the costume room on fourth floor Wilson; also remember the privilege, fun and satisfaction that comes to the Players in thus expressing dramatic interest and talent.

"Terry, we're in the movies." Stage Door

"I'm leaving and I'm taking you with me." Stage Door
THE BLUESTONE COTILLION CLUB celebrated its twenty-fifth successful year on Madison campus in 1954-1955. This year brought thirty new members in the fall goating.

The “Miniature Mardi Gras,” our cabaret dance, was held on January 15. The decorations in the gym really made us feel as though we were deep in the heart of New Orleans.

Our president, Sylvia Payne, did a tremendous job on our biggest dance of the year by bringing Tony Pastor and his orchestra to our college campus. The gym was gaily decorated as we celebrated our Silver Anniversary on February 19th. The banquet before the dance was also a great success.

Throughout the year, which also included two Saturday night informal dances in the tea room in March, the club was under the able sponsorship of Dr. and Mrs. Glenn Curtis Smith and Dr. and Mrs. Charles Caldwell.

THE GERMAN CLUB began a very successful year with their annual cabaret dance. Among the many memories of the 1954-55 year were the socials, the tearoom dance and the fun of spring and fall goating.

Our big dance was a true "Spring Rhapsody" with the music of Dean Hudson weaving a spell of pastels, swirling skirts and swaying dancers.

The ending and crowning festivity was our spring picnic, to which everyone looks forward all year and at which, along with our sponsors, Dr. and Mrs. Raymond Dingledine and Mr. and Mrs. Thomas Leigh we bade farewell to the seniors.

THE SESAME CLUB is the organization at Madison for women day students. We are proud of our day students because they have contributed a great deal to the Madison spirit.

To Ali Baba “Sesame” meant the opening of a door to great wealth and riches, and we have tried to make the Sesame Club a doorway to a fuller, richer, college life for all day students.

Regular meetings are held each month under the leadership of our president, Marilyn Zirk. Our able and cooperative advisers are Dr. and Mrs. Glenn Smith and Miss Ferne Hoover.

Day student chaos can be aptly compared to Joe Ney’s store on a Saturday afternoon—piano being banged on; lockers being slammed; food being munched; discussions on TV versus study; and some poor soul trying to study. But under the chaotic atmosphere there is a unity, the likes of which may be found nowhere else on campus. We have wonderful times—sponsoring the Harrisonburg High School Band in Wednesday assembly; holding parties, initiation at the College Camp, picnics and just getting together for bull sessions.

Our aim is to create a closer relationship between day students, boarding students, and faculty. This is one reason why the doors of our headquarters in Harrison are always open to visitors. So if you are in the P.O. Lobby waiting for that “special” letter or just stopping by the Tea Room, drop in and chat with us—you will always be welcome.
THE MADISON COLLEGE ALUMNI ASSOCIATION salutes the very fine Senior Class of 1955! We are proud of the contribution you have made to Madison College and thankful for all she has done for you. Now we invite each one of you to become active members of our ever-growing Alumni Association and thus keep virile those ties of friendship and the many fine impulses initiated here. Thus we can help each other to continue our growing processes and can continue to serve our Alma Mater.

GREEK LETTER ORGANIZATIONS
THE PANHELLNIC COUNCIL is an organization set up to serve as a medium through which the “Greeks” on campus work together in promoting common interests and solving mutual problems. The Council, which is composed of three representatives from each sorority, meets every Tuesday afternoon at 4:30. The sororities take turns in serving as hostess, but Mrs. Varner is our favorite hostess. “Aunt Bernice,” as everyone on the Council calls her, is our very capable adviser and inspiration.

The Christmas Dance is one of the most important events sponsored by the Panhellenic Council each year. This year the theme of the dance was “Silver Bells,” and Reed Gym was all dressed for the occasion on the night of December 11. Silver bells and stars covered the ceiling, and greenery bordered the new sorority shields and covered the arches through which the court, led by Suzanne Sublett and her escort, entered. For the figure the girls wore white dresses and carried silver bells with red carnations. After forming the letters “P.C.” the girls made an outline of a bell.

Huge Christmas candles decorated the bandstand, from which came the dreamy music of Dick Levin and his orchestra. During the evening a representative of each sorority sang a song dedicated to that sorority. On Saturday afternoon the orchestra also gave a concert for the enjoyment of the college students and the public.

This dance proved to be a highlight of the year to all.
those who attended and to all those who worked so hard for its success.

Perhaps fall rushing is the most important single event for all the sororities. This year Panhellenic tried to cut down on the length of time involved in rushing. Preparations were made early, and when the time came there was a week filled with parties and open houses for all the sororities. At last, on Saturday, October 23, the excitement of the week was brought to a dramatic climax. In the Panhellenic Room on the fourth floor of Wilson each rushee received her bid, and from there made the long walk to the house of her choice. Many Alumnae were back to join in the activities and to help welcome their “new” sisters.

This fall some of the members of our Panhellenic Council attended a workshop held at Longwood. There were representatives from several colleges there, and our delegates gained much from the panel discussions and speakers.

This year the sororities continued the policy of taking records to the dining hall each week. The Council also decided to keep a written record of the history of the Panhellenic Council and keep it up-to-date each year.

The Annual Scholarship Award was presented November 22 at the annual Panhellenic Sing. The sorority which received the cup for this year for the highest average was Sigma Sigma Sigma, which will now keep the cup. Dean Warren spoke to us about what the college expects of sorority women. Before adjourning each sorority sang its song, and then we all sang together “The Panhellenic Spirit.”

Our banquet in the spring marked the end of a very busy but happy year. We feel that through the able leadership of our chairman, Suzanne Sublett, and the cooperation of every member of the Council we accomplished much during the year.
The fall was a busy time with student-teaching plans, Saturday night sessions, and preparations for our rush party when our house was transformed into the "ASA Showboat." Rush week-end climaxd our efforts, and we were well rewarded by fifteen new sisters whom we and our many returning alumnae welcomed so warmly.

Before we left school for the Thanksgiving holidays, we sent a basket of provisions to a needy family in Harrisonburg. Hardly had we returned to campus and settled down for work again when the Christmas season descended upon us with its many gala get-togethers...the caroling party with Theta, the evening the new initiates entertained us so wonderfully with "The Night Before Christmas," and our own party here at the house, held around the Christmas tree when we opened our presents to each other. All these memories and many more we shall always keep and cherish as some of the happiest parts of our college days.

One of our greatest thrills of the year was the announcement of the name of the Senior to portray the Madonna in the annual Christmas pageant. It was Joyce, our own president!

After we returned from our vacation, the house was cleaned from top to bottom, files were put in order, and we awaited the coming of Miss Evelyn G. Bell, our national president, for chapter inspection. The week-end that she spent with us served as an inspiration to set our goals even higher and to be stronger in our striving for them.

Our heart-felt thanks for counsel and assistance so freely given go to our adviser, Miss Boje, and to Joyce, our capable president, for leading us and strengthening our sisterhood in Alpha Sigma Alpha.

Third Row: M. Harris, B. Holland, E. Holland, J. Holt, D. Hunter, E. Jefferson, P. Lewis, M. Marcus.

ALPHA SIGMA TAU, the fifth sorority to be established at Madison, was founded in Ypsilanti, Michigan in 1899. Since then it has been true to its purpose, which is to promote the ethical, cultural and social development of its members.

For the Alpha Sigma Taus, this has been a year filled with fun, fellowship, and accomplishments. On returning to school in the fall, we wasted no time in setting to work to beautify Lincoln House. The smell of paint filled the air as dear old Lincoln began to shine, from top to bottom.

The girls returning were pleased to find in their midst, Miss Leotus Morrison, new professor of physical education at Madison, and new housemother at Lincoln.

Soon October rolled around and with it, plans for our coming rush party. “The AST Carnival,” was a great success. Our efforts were more than rewarded, when at the end of rush week, we welcomed nineteen wonderful pledges into our sisterhood.

In November, we journeyed to the Gables in Elkton where we had our annual Founder’s Day Banquet. There in the candlelight, we pledged anew our loyalty to AST.

December was a memorable month for the AST’s. With it came the initiation of the new pledges, and our Christmas party, to which we invited three needy Harrisonburg children.

On December 11th, we attended the Panhellenic Dance, “Silver Bells”, where we listened to Shirley Fairfield as she sang a special Alpha Sigma Tau song. Our hearts swelled with pride as we watched Joan Pease, Frances Alls, and Helen Diffee represent us in the figure.

The coming of spring brought us some more wonderful sisters. In May, we gathered our belongings, boarded the college bus and headed toward college camp for a fun-packed weekend.

All too soon, the year came to a close. Never to be forgotten memories are the Sunday night suppers, telephone calls, blind dates, and bridge games. We bade our seniors farewell at the senior breakfast, and with tears of happiness, saw them graduate.

To Joan Pease, our president and Miss Helen Frank, our adviser, we extend our sincere appreciation. Their unselfish and uniting efforts have made our dreams for a perfect year come true.

Fifth Row: N. Sweeny, J. Turner, J. Van Saun, J. Viar, P. Walters, J. Webster, N. Williams, A. Young.

Not Pictured: S. Bowdle.
a great success. Our wonderful alumnae, who came back for rush, gave us money with which we bought lamps and drapes to add to the pride of Shenandoah Apartment.

We celebrated a wonderful “Founders’ Day” at a banquet at the Belle Meade Restaurant. The singing of our favorite songs with the aid of our alumnae guests made the evening complete.

“We pledge a toast” to our President, Sue Foster, for a successful year which enriched our sisterhood. Our hearts beamed with admiration when she represented the Pi Kaps and Madison College as a most beautiful Apple Blossom Princess.

Sylvia Payne did a wonderful job as president of Bluestone Cotillion Club, assisted by Joan Holst, vice-president, contributing to the dance and its undertakings to make them a great success. We were also proud of Nete Wood as president of German Club for which she also gave her best for a successful year. Our hearts glow with pride as we see our beloved sister, Betty Smith, listed among Who’s Who Among Students in American Colleges and Universities.

Monday night before Christmas vacation we had a party with our friends and neighbors, the AST’s. We all went caroling and then came back to Shenandoah for some much needed hot cocoa.

After we got back from Christmas vacation our fall pledges gave us a fabulous party.

Spring holds the pleasant memories of our weekend at College camp. All too soon the happy year is ended with the Seniors bidding tearful fond farewells at the Senior Breakfast.

As the year draws to a close we thank our advisers Miss Betty Patterson and Mrs. Glenn Curtis Smith for the wonderful inspiration they have been to us all.

SIGMA SIGMA SIGMA's, in reviewing this, another memorable year recall the accomplishments and the wonderful times that were shared and cherish the advice and guidance of "Mama Ding" our housemother and sponsor, and Jane Dingledine Hueston, our chapter alumnae adviser.

Soon after returning to Madison in the fall, we were visited by Mabel Lee Walton, a former national president of Tri Sigma. Then came rush weekend! We welcomed the alumnae who returned for the big occasion and were happy to receive the eighteen pledges who were to become part of our circle.

Chapter inspection was held this year, Alpha Upsilon being visited by Mildred Huber, national parliamentarian of our sorority. From her visit we gained many points on how to function more smoothly. In November, a Panhellenic Workshop was held at Longwood College. There, Alpha chapter was hostess for our representatives.

Early in December at the Panhellenic Sing, we were happy to receive the Scholarship Cup; of course, that holds a position of honor on our mantel. Also in this month was held the campus Tuberculosis Drive, conducted by our pledges. The latter, by the way, gave us a terrific Christmas party shortly before we left for Christmas vacation. It showed a lot of planning and they seemed to enjoy giving it as much as the members enjoyed being entertained.

Those of us remaining on campus missed the physical education and home economics majors who went to various cities to do their student teaching. But they came back in February, in time for the chapter coffee for the local alumnae. Other guests at Sprinkle in February were the members of Sigma Delta Rho, the fraternity.

Nor can we forget numerous other things which were so much a part of this "big" year. Certainly one of the best times was our rush party, "Under the Sea"; and then there was the open house after the Christmas dance, "Silver Bells". We always looked forward to our Founder's Day banquet and this year's was no exception. It was really grand.

Linda quite ably filled the capacity as president of Sigma Sigma Sigma, just as our other officers, Roxanne, Nan, Elizabeth, Peggy, Betty, and Jane were other wonderful leaders.

Miss Hudson and "Barca" weren't with us this year, but, needless to say, their visits were anxiously awaited.

Third Row: M. Hazel, B. Henderson, J. Herrin, J. Hogge, C. Howard, F. Jennings, J. Johnson.

Not Pictured: M. Atkins, B. Beville.
Beginning of the week, we threw out the "welcome mat" and opened wide our doors. Then came the big party of the year—A Trip to the Moon. At the end of this week, nine new pledges were welcomed into our fellowship.

In January Phi Chapter sponsored the annual March of Dimes Drive at Madison.

The Theta Sigs were proud and happy when one of our members, Mary Jane Guyton, was among those chosen for recognition in this year's edition of Who's Who In American Colleges and Universities.

Several highlights of the year were our privileges of having dorm devotions with Sigma Sigma Sigma; Christmas caroling with Alpha Sigma Alpha; conducting our annual magazine campaign to help the Cerebral Palsy children; and sending representatives to the annual Panhellenic Workshop which was held at Longwood College. It was a great thrill for us to learn that Phi Chapter will serve as co-hostess with Tau Chapter at the Theta Sigma Upsilon Convention this August in Roanoke, Virginia.

We have experienced a happy, active year under the capable leadership of Jane Warren. The sorority's social and business projects have been carried out with enthusiasm. All of us deeply appreciate the friendly and invaluable help of our faithful adviser, "Doc" Woolf.

The story of the founding of Theta Sigma Upsilon is one of determination, courage, and hard fighting. It began as a literary society at Kansas State Teachers' College, Emporia, Kansas. Known as the Sigma Literary Society, its members leased a house in the summer of 1919 and were recognized as a local sorority. From that beginning, they established themselves as a national education sorority, under the name of Theta Sigma Upsilon. Their goal was to form a sisterhood that would have for its five-fold aim the physical, the intellectual, the social, the ethical, and the spiritual development of its members.

President
VIVIAN ALLSTON

ZETA TAU ALPHA was founded in 1898 at Longwood College. Since this time it has held true to its purpose: "to intensify friendship, to promote happiness among its members and in every way create such sentiments, to perform such deeds and to mold such opinions as will conduce to the building up of a nobler and purer womanhood in the world." Here at Madison, Gamma Kappa of Zeta Tau Alpha was founded in 1949 as the eighty-first chapter of this international fraternity. Our memories of Zeta will live always.

This year we have gathered many memories to fill our days. We will remember those days that we as members of Zeta Tau Alpha were also citizens of Madison College. Whenever we have had the opportunity to give our time or talents in campus activities, we have done so. We have, also, tried to branch out and give help to those who need it in Rockingham County. At Thanksgiving and Christmas one family of the county benefited from the group's cooperation and love existing among the Zetas. Our other projects include contributions given to our national scholarship funds and help to the National Society for Crippled Children and Adults. Our spring project was sponsoring the drive for Aid to Crippled Children here on campus. Giving of time and energy we were able to report a successful drive.

The memories of the excitement at rushing will long be remembered. What a good time we had at the open house sessions and the delightful rush party, "Zeta Futurama," that climaxed our period of rushing here at Madison. Our efforts to make the rush period a success were well worthwhile—we welcomed twenty-three sisters. The Zeta alumnae who visited us on rush weekend enjoyed the occasion as much as we.

We held our traditional White Banquet at the Shenvalee in January, an experience that none of us will ever forget. Our Founder's Day Breakfast, the Seniors Breakfast, the initiations, and the receptions will be among our memories.

The Gamma Chapter of Zeta Tau Alpha is grateful to Vivian Allston, president, who has been an inspiration to each Zeta to do her best and give her utmost toward the building of a stronger and nobler Zeta Tau Alpha, both on the campus, here at Madison, and in the world.

To Miss Glada Walker and Miss Herr, our advisers, we express our sincerest thanks for their able counsel and guidance. Their guiding hands have led us through one of the best years yet.

Amid tears of happiness we bade farewell to our seniors, who have so ably guided us through the year. We wish the best of luck to our seniors of '55 and as they leave we can feel proud of them for we know that they compose a significant part of the year of '55. We'll miss all who will not return in September, but we are looking forward to a great year in '55-'56.

President
FRANCIS MASON

SIGMA DELTA RHO is proud of the fact that it is the best men's fraternity on the campus—in fact, the only one. We are also proud of our fraternity in that it brings us the needed closeness and fellowship in our college lives.

Under the leadership of President Frank Mason we started off the year with a bang. At the college camp, along the banks of the Shenandoah River, we initiated our new pledges and then filled ourselves with delicious barbecue. Who will ever forget that informal initiation and the week to follow?

Later in the year we assisted the Panhellenic Council by contributing our bit to the success of their big dance. We were also kept on our argumentative toes by holding a series of debates with the six sororities on campus.

Many thanks should go to Mr. and Mrs. Bocskey and Mr. and Mrs. Sanders, who, as our wonderful sponsors, were always glad and willing to be of assistance when called upon.

Our year was brought to a rousing and roaring end by a weekend spent at the college camp. What a weekend!

Our officers were:
President—Francis Mason
Vice-President—Eldon Padgett
Recording Secretary—Edward Michael
Treasurer—William Garrett
Alumni Secretary—Dale Long
Chaplain—Donald Salt

Out at college camp
A meeting in Logan

Not Pictured: J. Bell, D. Bruce, D. Long, E. McConnell.
ATHLETICS
THE ATHLETIC ASSOCIATION is one of the major organizations of the college and its membership is composed of all students who are enrolled at Madison College. The executive body, or Athletic Association Council, consists of the president, vice-president, business manager, class representatives, presidents of Mercury, Fencing, Porpoise, and Modern Dance clubs, and all sports leaders.

The Athletic Association opens the school year with the annual Chuck Wagon Party held back campus for freshman and transfer students. Amidst fried chicken, singing and games, the students are introduced to the officers and activity leaders. Throughout the year, the Athletic Association sponsors many activities including intramural hockey, basketball, softball, volleyball, archery, badminton, fencing, golf, table tennis, swimming and water sports, modern dance, social dance, square and folk dance. There are extramural teams in hockey and basketball.

May Day brings a grand climax to the work of the Association. May Day is steeped in traditions, such as the tapping of the Queen and her court, campus wide decorations, the parade, and finally the May Day show and festivities paints the final stroke on the Athletic Association's Chart of another year well done.
THE MERCURY CLUB, endeavoring to promote good professional attitudes and fellowship among physical education majors and minors, is boosted by mutual interests of the members. Throughout the year organized panel discussions, talks by professional members in the field of physical education, and various recreation and social programs have supplemented these interests.

One of the club’s highlights of the year was the assembly program which featured Mrs. Luellen Hewitt who had returned from a year’s exchange teaching in England. Her topic was “My Impressions of the Educational System in England.”

Under the able leadership of Barbara Mayo, president, and Miss Mary K. Beyrer, adviser, the club has provided its members with opportunities for fun, fellowship, and building of good professional ideas.
HOCKEY season and crisp autumn weather brought many enthusiasts to the field. Signs of great activity, the rebirth of terms such as "bully off," "play it casual," run, the "pitch," and many sore muscles marked the opening of the 1954 hockey season. Under the guiding hand of Miss Hartman, the team shaped up quickly and prospects for a bang-up season were bright.

A dreamy, rainy day proved to be no hindrance to the Madison girls as they scored a victory over Shenandoah Club in the first game of the season. The 1954 schedule included Bridgewater, Westhampton, Hollins, Intermountain Match, Tidewater-Blue Ridge Tournament, and the Southeast Tournament. Six of our team members were selected to play in the Southeast Tournament held at Sweetbriar College. They were Mary Lou Carroll, Mary Anna Holloman, Anita Webb, Betty Harrelson, Tresa Quarles, and Mary Ashton. The tournament lasted for two days and was climaxed by a banquet. After the banquet films of the International Hockey Tournament of 1953 were shown.

Several Madison players had the rare opportunity to see hockey at its best when they traveled to Washington to see the Virginia team play the Irish Ladies Touring Team. All in all, the 1954 hockey season proved to be a memorable, enriching experience.

FIRST TEAM

Second Row: B. Harrelson, M. Hollomon, T. Quarles, M. Ashton, Captain; M. Carroll, A. Webb, J. Beach, Miss Hartman.
THE FENCING CLUB has only been on our campus for a few years. The purpose of our club is to provide an opportunity for interested persons to fence, to stimulate interest in the sport of fencing and to sponsor various types of fencing programs in the interest of the college and student body.

As part of our fencing activities this year we have entertained alumnae and a visiting instructor. We had a successful intramural program, and we participated in a meet with Mary Washington College and the College of William and Mary.

Our club is led by our most capable adviser and instructor, Dr. Caroline Sinclair, and Vernelle Lytton, President, and Martha Cromer, Secretary-Treasurer.
THE DUCHESES opened the '55 season in home territory against a fast moving Bridgewater squad. The game ended in a decided victory score of 43-19 for our opponents. However the day was saved by Madison's second team which triumphed over neighboring Bridgewater College by a score of 31-21.

A week later on our home court we emerged victorious after a thrilling see-saw game which was decided in the last few seconds of play when Shirley Steward sank a free shot to give Madison a 42-41 win over Lynchburg College. True to form the second team, remaining undefeated, outscored its opponents 36-17.

Our third game necessitated traveling to Longwood College by the college bus, affectionately known as ole Iron Sides (among other things). Longwood proved to be the abler team and rolled over Madison's varsity, 52-24. The second team was given its first trouncing by a score of 61-36. The day was improved somewhat by the fact that ole Iron Sides managed to pass a tractor, a truck and a dog on the way home.

Game number four took place at Westhampton College. We hit our stride and the first team emerged victorious by a score of 59-35. After a hard fought game the second team was defeated by a small margin of 27-24.

Playing our last game at home, we met the Sweet Briar team and finished the season in good standing. The first team had little trouble in managing a 49-37 victory, followed by the second team's hard played game which netted them a 48 tally to Sweet Briar's 36.

Briefly these were the games, but the fun, good times, attitudes and fellowship in which we all shared and were made aware of remain with us as fond memories. We shall remember the '55 basketball season with happiness and sincere appreciation to our coach, Miss L. Morrison.

FIRST TEAM
First Row: C. Legard, B. Myers, J. Guyton, M. L. Carroll, S. K. Stewart, J. Kiser
SECOND TEAM

THE CHEERLEADERS were elected by the student body in a Monday assembly under the sponsorship of Student Government. They have served at the home basketball games, cheered the Dukes and Duchesses on to victory.

First Row: B. Taylor, M. Maust, P. Kruse.
Second Row: S. Blankenship, C. Evans, J. Hamlett.
THE PORPOISE CLUB holds tryouts each semester and everyone is urged to participate in these. The requirements for entrance are grace, skill, and stroke ability. Competition is keen and to uphold the high standards of the club, only the best of the group are chosen.

In the spring, the Porpoise Club holds its annual water pageant which this year was "Spring Splashes." The members of the club devote many long hours in preparation of this special event. The Club also sponsors various activities, such as swimming workshops and lessons. Delegates from Madison's Porpoise Club were sent to a swimposium, the first of its kind to be held, at a neighboring college in the winter. Their goal was to learn upon what bases other swimming clubs work and their requirements for entrance. Many new strokes and stunts were also learned at this meeting.

The aims of this club are wide and varied. They are to promote further interest in swimming; to help others learn to swim, and to emphasize the importance of safety measures which are imperative to each individual. Through careful guidance and direction of our sponsor, Miss Beyrer, the members of Madison's Porpoise Club strive to attain and reach these ultimate goals.
THE MODERN DANCE CLUB began the 1954-1955 school year by learning many new techniques and materializing new ideas brought to our campus by Mrs. Hewitt, club adviser who taught in England last year. Our members could be seen practicing on each Thursday night in Ashby gym. The new techniques and other traditional ones were used as criteria on which to judge prospective members in fall tryouts. Several girls who displayed skill, grace and coordination in dance were selected, bringing club membership to twenty-six. Tryouts were held again in the spring and we added more new members.

Presenting our first program of the year at the Y.W. C.A. Centennial Celebration held at Madison in November, we added to the Thanksgiving atmosphere with a religious dance in three parts entitled “Seeking, Prayer, and Thanksgiving.” Almost immediately, thoughts and activity turned anxiously toward the Christmas season and we began rehearsals on a group of dances which were combined with the singing of the “Madrigals” in a varied Christmas program. Memorable dances presented included “The Twelve Days Of Christmas,” “Recorder Suite,” and the “Mummers Dance.” Our last meeting before vacation was given over to a party and informal discussion on activities for the rest of the year.

Returning from vacation refreshed and ready to work we began planning for the Fine Arts forum at the Women’s College of The University of North Carolina in Greensboro, North Carolina. This trip is the highlight of a girl’s experience in the dance club and it is an honor to be chosen to attend. Helen Sellner, Mary Manhardt, Joan Kafer, Bee Ellis, Mary Ellen Choate, and Emma Gene Edwards represented our group this year and presented a dance called “Stellar Journey”. The trip proved to be an interesting and educational one to all who attended.

Long weeks of practice and hard work were brought to a climax as we presented our annual recital on March 4 and 5 in Wilson Auditorium. The dance we gave at the Fine Arts forum was given along with a light and gay “Insect Comedy,” the more serious “Instrumental Suite,” a sparkling, happy “Rodeo” dance, and several others.

Our participation in the festivities of May Day brought the year to a successful close. To Mrs. Hewitt, the club adviser, and Helene Sellner, our capable president, we owe our sincere thanks, for their guiding hands made possible the year’s achievements.

The Athletic Association strives to answer the physical and social needs of every student by offering a full, well planned and well conducted intramural program from September to June.

The satisfaction of hearing your arrow plunk in the gold—the elation of making a better score than you did last time—what could be more thrilling! And if you aren’t a “Robin Hood” you can easily learn to shoot through the intramural archery program in both fall and spring.

The intramural dance program is divided into three parts to satisfy the variation in student interest. Modern, social and square and folk dance programs of an instructional as well as a recreational nature are provided to stimulate interest in dance as a social and self-beneficial activity.

Tops in popularity of the winter sports programs is intramural basketball. What spirit and enthusiasm came from those cheering sections during purple and gold league tournament games!

What excitement—three volleyball games in session at one time in Reed gym each afternoon during the intramural volleyball season. Although skill is unnecessary, competition is keen and everyone always has a good time.
All intramural sports are closely supervised by the physical education staff, A.A. Council and physical education majors and minors who coach and officiate.

Information on these pages was adapted from the A.A handbook.

Badminton tournaments consisting of both singles and doubles matches are held each year at the same time that table tennis tournaments are in progress. Pre-tournament instruction is given for all who desire it. Being a recreational activity, badminton provides an important carry-over value as well as immediate satisfaction for the participant.

With spring come softball to our campus. The softball program is one of the most popular intramural activities. As all participants will agree, there's nothing quite so enjoyable as a good team game in the great out of doors.

Golf is valuable for the participant whether she plays alone or with others. Although this form of sport requires a great amount of skill and much practice, even the beginner will enjoy learning the fundamentals when the opportunity is provided for instruction back campus.

During warm weather in both the fall and spring the intramural tennis enthusiasts are seen out on the courts. Many of us just can't wait (that's snow in the picture) to get started on our practicing. Ladder tournaments are held for all who sign up, and in the spring our best players compete with tennis teams from other schools.
FEATURES
In recognition of their outstanding scholarship, leadership and co-operation in educational and extra-curricular activities, fourteen seniors were selected by a combined student and faculty committee to represent Madison College in the 1954-55 annual edition of *Who's Who Among Students in American Universities and Colleges*.

By receiving this highly coveted college award, these students gain the recognition which will accompany them throughout their lives in any profession they might choose. To be named in *Who's Who*, is a goal worth striving for, and these students richly deserve this honor.

The following students were selected by the student body as the most outstanding members of their respective classes.

*First Row*: R. Thompson, J. Hogge, and J. Herrin.  
*Back Row*: N. Proctor, J. White, B. Smith, J. Freeman, and F. Alls.

---

Now, turkey's an everyday dish . . . you don't have to wait for holidays to enjoy it!
Buy it whole, in quarters, halves or by the meal-size piece.

Also: have you tried the new baby-sized turkey broiler-fryers? They're new and delicious.

Virginia Farms Poultry is the bird to get
Its the best bird we've had yet.
Just one bite and the taste will tell
That these birds really do excell.

PATRONIZE
J. M. Hulvey & Sons

PATRONIZE OUR ADVERTISERS
Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
