FIFTY YEARS OF PROGRESS

FIFTY YEARS AGO this spring, on March 14, 1908, the General Assembly of Virginia provided for the establishment of the State Normal and Industrial School for Women at Harrisonburg, Virginia. A year and a half later, on September 28, the first session of the school began. It consisted of a forty-two acre campus and three buildings — an academic building, a dormitory, and a farm house which was on the property when it was acquired. Instruction was begun with a faculty of fifteen under the able and dedicated leadership of President Julian A. Burruss.

The minimum entrance requirement in 1909 was completion of the seventh grade or its equivalent. Girls could come to Harrisonburg for all or part of their high-school work and could complete a two-year course beyond the high-school level. Completion of the two years of post-high-school work carried with it receipt of the highest diploma offered by the Normal School, the "full diploma."

As a pioneer in Virginia, the Normal School emphasized and developed vocational education for young women. After nine years of growth and expansion, the Household Arts Department became the Department of Home Economics. For the following twenty years, Harrisonburg was the center for home economics training in Virginia, and this department remains one of the strongest in the South.

In 1925, the campus appeared barren along side the unpaved highway. The newly erected Sheldon Hall served as an academic building with an auditorium located upstairs. The first campus radio was put in this auditorium and made available to the students.

The Rural Arts program, instituted in 1910, attracted much attention in Virginia as well as other parts of the country. The State Normal and Industrial School for Women had the first rural school supervisor in Virginia and one of the first in the United States. Traveling by horse and buggy in all kinds of weather, Normal School students observed and taught in the schools of Rockingham County.

Rapidly academic standards were raised and high school courses eliminated. In 1914 the name of the school was changed to the State Normal School for Women at Harrisonburg. Two years later, the General Assembly authorized the offering of a four-year college course leading to the bachelor of science degree. This degree was first awarded in June, 1919, to nine students.

Dr. Burruss left Harrisonburg in 1919 to assume the presidency of V.P.I. and for the next thirty years progress and growth continued under the efficient and untiring leadership of the late Dr. Samuel P. Duke.

Another milestone was reached in 1924 when the Normal School became the State Teachers College at Harrisonburg. This signified that only work on the college level was being offered. Students were being graduated with degrees in elementary and secondary education and in home economics.
AT MADISON COLLEGE

In 1938 Harrisonburg Teachers College became Madison College. The institution was now officially a multi-purpose college for the education of young women. Teacher training remained its major function, but the college began to offer work leading to straight bachelor of science and bachelor of art degrees and to a bachelor of science degree in business. Teaching curricula were broadened to include a program for training teachers of business and teachers of music. A two-year course in business, leading to the secretarial diploma, was introduced; and the pre-nursing program was expanded to provide pre-technical and pre-medical training.

After World War II, the College was authorized to admit men as day students. The admission of men has continued and has enabled Madison to help meet the postwar demand for educational facilities and to contribute men to the teaching profession, as well as to the field of business.

When Dr. Duke retired in 1949, Madison College had grown to an institution of twenty-four buildings and a campus of sixty-two acres. The faculty numbered 100 and the student body, at the height of the postwar educational boom, had passed the 1,300 mark.

For the past eight years, Madison College has continued its development under its third president, Dr. C. Tyler Miller. Constant stress has been placed on the improvement of the instructional program and on increasing the college's role of serving the educational needs of the state. Emphasis has been placed on a program for the training of elementary and high-school librarians. Particular efforts have been made to encourage students to enter the teaching field, and in recent years about two-thirds of the student body has been enrolled in teaching curricula. Further advancement of the instructional program for teachers occurred in 1954 with the inauguration of a graduate program leading to a master's degree in education.

Madison College now consists of a 240 acre tract of land and a sixty-two acre main campus. A new dormitory and a well-equipped science building have been major additions to the buildings which now number twenty-eight. Two additional dormitories are under construction as well as a campus training school, and funds have been appropriated for a new infirmary.

From its beginning, Madison College has emphasized not only the preparation of students with high standards for teaching, but also the preparation of students for other useful occupations, for loyal citizenship, and for wholesome living. The College has constantly sought to instill in the minds of its students high ideals of service and of personal conduct. On the following pages of this book, a Madison Schoolma'am will unveil many of the scenes, events, and accomplishments which have made this school year at Madison seem significant.

Courses in gardening, bee culture, and poultry raising were part of the rural arts program to prepare students for teaching and successful homemaking. Much food for the dining hall was produced by the efforts of industrious students.

Drawing, handwork, and woodwork were emphasized in manual arts classes. These subjects were basic requirements for teachers of art and manual training.

Class productions were of the highest calibre when the senior play marked the opening of a five-day commencement celebration. Weather permitting, the amphitheater behind Maury Hall was frequently used for student dramas and lyceum programs.
RESPECTFULLY DEDICATES IT TO

DR. WILLIAM L. MENGEBIER

Because he is our friend — encouraging, advising, and contributing his warm understanding whenever we need him . . . .

Because he has guided us enthusiastically and often lent us the strength for success . . . .

Because he is a teacher extraordinary, who arouses in his students a new faith in their own ability, who instills a love of truth and honor and who, by the sincere dedication of his own brilliance, has inspired those about him . . . .

Because of his many and varied contributions to our college and the influence he has had in our lives, we are exceedingly proud to dedicate this yearbook to Dr. William L. Mengebier.
FOREWORD

HERE IS MADISON as symbolized by this view of the campus, stately and permanent, offering to young men and women a sound liberal arts and professional training with the best equipment and instructors available... 

HERE IS MADISON as seen through the informal scenes where lifetime friendships are made, where students learn to grow in grace and forebearance into mature citizens, capable and wise... 

HERE IS MADISON providing vocational training that will allow its graduates to step into the professional world sure that the best jobs and the most secure of futures await them...

Cultural, spiritual, educational, and social events all play an important role in keeping the spirit of Madison alive. Each student enjoys participation in various phases of college life to further enrich his college days.

From fall to spring, it is the many unforeseen activities as well as the special occasions that provide memorable experiences for each student. Our feelings toward Madi-

son are expressed in one of our Alma Maters.

"Of our college we will sing;
A song of endless praise,
The classmates and the fun,
We'll remember all our days,
The things that we have done
And the knowledge that we've won,
O Madison, O Madison, we'll love and cherish thee."

—Greeley and McConnell

The spirited Seniors combined head, heart, and hands to make their final year a meaningful climax to their college career. Strengthening friendships, prospecting for jobs, checking credit hours, and student teaching played significant roles. Memorable highlights were the Capping Ceremony, our class night production of "The Pullet and I," May Day festivities, graduation week with its many activities, and finally Pomp and Circumstance, which drew the curtain on our college days.
Those hunger pangs, resulting from skipping breakfast, bring early arrivals for lunch.

JUNIOR CLASS NIGHT

One of the highlights of Junior Class Night was the dance of the Venus maidens.

Spacemen and earthlings alike, seem to be spellbound over Santa's story of the real meaning of Christmas.
Though the Junior Class was the smallest on campus, we made up for it in spirit and hard work. The first weeks of school passed quickly and before we knew it Thanksgiving holidays were here.

December brought a frantic but successful effort to produce an “out-of-this-world” class night despite falling curtains and midnight rehearsals. Christmas vacation was over all too soon. We returned to campus to do some serious studying for exams.

Second semester rolled by, highlighted by Woody Herman’s concert, Easter, May Day, and major elections. Moving Up Day marked another milestone in our lives as the Senior Class banner became ours.

JUNIOR CLASS
The "Jolly Juniors" admiringly gaze at their new class rings.
Dr. and Mrs. Lester S. Bucher, our sponsors, who have offered valuable guidance and helped us along the ladder to success as a class.

SOPHOMORE CLASS NIGHT

Along with the other Sophomores, Gail Matthews lent us her special talent to make our show a varied one. Her style of clogging is refreshing and an unusual form of entertainment.

The Sophomore chorus line acquired a few new members this year and joined in the festival entertainment as the "Tzenettes." Their contribution was colorful and demonstrated great skill.
Leaders of the Class of 1960, left to right, are: Ann Shotwell, secretary; Jean Harrison, vice president; Liz Frances, treasurer; Betty Hammack, parliamentarian; and Nancy C. Moore, reporter.

SOPHOMORE CLASS OFFICERS

MARTHA DUKE
President

Returning in September, the Class of 1960 had more on which to start than the previous year. Our year of experience as Freshmen told us what to expect in the line of studies and activities.

The force that started the ball rolling was a lively "Get-Together" held in Ashby gym.

Stan Freeman, piano satirist, was proudly presented in our assembly program on Class Day. That night in Wilson Hall, Italian gaiety and bright colors reigned, typifying the spirit of the Sophomores.

In the Spring a promising Junior year was brought into focus with the election of our new class officers.

SOPHOMORE CLASS
Stan Freeman, a nationally known pianist and piano satirist, obliges two sophomores, Rosalie Miller and Beverly Miller, with his autograph. Mr. Freeman gave an outstanding performance for our Class Day assembly in March.
The freshman class is happy to have Dr. and Mrs. E. L. Tolbert as their sponsors. Dr. Tolbert is a newcomer to our campus as Dean of Students. Their two daughters, Margaret and Jane Tolbert, are the freshman class mascots.

FRESHMAN CLASS NIGHT

These girls of the freshman class know that Doc’s Wing Dings are the best.

Confusion at “I. V. U.” puts Alice on the spot during rehearsal for class night.
September 15, 1957, the gates of Madison College were opened to a group of new but enthusiastic students who were to become the graduating class of '61. We realize it is a hard and long road to travel but we will not stop to relax until our tasks are accomplished.

Although we are new here and have a lot to grow accustomed to, we are fortunate to have the understanding and help given us by the Dean of Freshmen, our senior counselors and the upperclassmen. Through their cooperation and interest they have started us off on a road which shall, in the future, be a successful one and one which we shall be proud to be a part of.

HILLCREST
Home of the President
MESSAGE FROM THE PRESIDENT

Since becoming President of Madison College my association with the fine young people of the student body has been a very satisfying, stimulating, and challenging experience. The cordial, friendly spirit of fellowship prevailing here is recognized as one of Madison's greatest assets, and I believe that this recognition is deserved. The good citizenship record and the splendid cooperation of Madison students justify our pride in the student body. As President of Madison College, I wish to commend the leadership on our campus which is primarily responsible for these conditions.

Particularly do I wish to commend the loyal and outstanding leadership and cooperation of the Senior Class. As alumni, you will continue as important members of "The Madison College Family." I trust that your years here will be pleasant memories, that you will demonstrate your concern and sentimental attachment for your Alma Mater, and that Madison College may look forward to your continued interest and support. My heartiest congratulations and best wishes for future happiness and success are extended to each member of the Class of 1958.

I sincerely hope that the members of the present junior, sophomore, and freshman classes will continue at Madison until graduation. Let me assure those of you who expect to return that I shall look forward with much pleasure to the privilege of working and associating more closely with you as you assume increasing responsibilities as students here.

This year is the Fiftieth Anniversary of the founding of our College. We can look back with pride to the achievements of the past but, with the help and assistance of the able members of our student body and our steadily increasing family of loyal alumni, we feel certain we can look forward to an even greater Madison in the years ahead.

Sincerely,

G. Tyler Miller, President

THE DIVISION OF THE HUMANITIES

This division includes the departments of Art, English Language, Literature, and Speech, Foreign Languages, Music, and General Philosophy. Those students at Madison College interested in art may select it as a major field and prepare to teach this subject or they may choose this major for cultural or commercial reasons. English Language, Literature, and Speech offer courses not only selected for fulfillment of major and minor requirements but also to meet the wide variety of special interests of Madison's students. The department of Foreign Languages makes available a well-equipped language laboratory. Its courses are open to both prospective foreign language teachers and interested Madisonites. Organized for three purposes, the Department of Music prepares students to teach vocal and instrumental music in the public schools, provides thorough training for musically gifted students whose goal is professional music and who wish to build a solid foundation for advanced study, and combines music with academic studies as a broad basis for a college education. Finally, General Philosophy deals with the various aspects of persistent problems of philosophy and their significance for contemporary life. THE DIVISION OF THE NATURAL SCIENCES

The Division of Natural Sciences is composed of the departments of Biology, Chemistry, Geology, Mathematics, Physical and Health Education, and Physics. In addition to Majors offered in each of the departments, the Division also offers a Divisional major in Science for those students who wish to obtain a broad background in science. It is particularly designed for high school science teachers. (*) indicates Representatives to the Education Division.

THE DIVISION OF THE SOCIAL SCIENCES

At Madison College students have the opportunity to develop vocational skills as well as the supplementary subject matter relating this skill to the social and cultural environment. The SOCIAL SCIENTIST, whether he is an economist, geographer, historian, political scientist, or sociologist, contributes to the understanding of human behavior by his unique focus. To be a HOME ECONOMIST, whether you wish to teach in a school, work in a hospital, or assume the responsibilities of effective family living, instrumental skills have little meaning unless seen in the large complex of interpersonal relations. Likewise in BUSINESS EDUCATION, skills in typing or office management, accounting and bookkeeping become meaningful when viewed as one aspect of office or factory which in turn is part of the larger social and economic system. The LIBRARIAN must be trained in skills essential to professional competence. Librarians work with colleagues whose joint responsibility is to serve the needs of a particular school or community.

By the consistent and systematic coordination of the resources of the Department of Business Education, Geography, Home Economics, Library Science, and Social Science the student at Madison College is able to combine skill with knowledge. (* indicates Representative to the Education Department).

THE DIVISION OF TEACHER EDUCATION

The Division of Teacher Education has the responsibility of administering those programs of the College which are designed for students who are preparing to teach. This Division includes all members of the faculty teaching courses in education and psychology; those directing or supervising the laboratory school experiences; and representatives from each department of the College offering a major or minor or field of concentration in the preparation of teachers. (These representatives and field supervisors are pictured in their respective departments).

ACADEMICS
Teachers are prepared for both the elementary and secondary grade levels. A student who has not made up his mind as to which grade level to choose may safely pursue either; and if the time should come when he prefers one level he may switch without having lost any credits. Student teaching is conducted in both grade levels.

Fourth graders at Keister turn to R. Rowland with their reading problems.

Questions for R. Rowland even arise in junior English classes at Harrisonburg High School.
Child growth and the nature of learning are stressed with elementary teachers, and kindergarten to the sixth grade is the student-teaching field.

B.A. high school teachers emphasize English, social science, and foreign language. Either the major or minor subject is taught on a junior or senior high level.

The B.S. diploma differs only in the emphasis which is on science, mathematics, or physical education.

At Turner-Ashby, A. Watts keeps her students' interests with new techniques in her physical education classes.

K. Anderson and S. Kurihara join efforts in demonstrating a science project on electricity to fourth graders. C. Jeter conjugates verbs for her Spanish class.
Teaching is the largest field of employment for specialists in home economics, but an institutional management major is also provided for students interested in this field.

The business teaching program also enables the student to become a stenographer, secretary, office machine operator, and clerical worker. Students wanting to teach vocal or instrumental music enter Curriculum VI.

A typist at Harrisonburg High asks her teacher, C. Walls, for help in setting her margin.

A special class in rhythm games for the benefit of children of faculty members is taught by music majors from all classes.
A student not primarily interested in teaching may secure academic training equivalent to that offered in a liberal arts college.

Work in science is emphasized in Curriculum VIII. Pre-medical and pre-dental students enroll in this curriculum to prepare for graduate work.

Foreign language students record readings which they can play back on tape.

An extracted heart holds the attention of A. Shotwell and H. Woolfolk as Dr. Mengebier explains why it continues to beat.

Curriculum X

B.S. IN GENERAL HOME ECONOMICS

Pre-nursing students obtain a good background in Curriculum VIII A.

Graduates in Curriculum IX are eligible to practice as dietetic interns in hospitals and to enter administrative courses approved by the American Dietetic Association.

Business, journalism, demonstration work, and social welfare are but a few of the fields general home economics is geared to.

B.S. IN BUSINESS

Curriculum XII
BACHELOR OF MUSIC

Curriculum XI is a four-year professional, non-teaching plan for those interested in becoming secretaries, supervisors, office managers, or bookkeepers and accountants. It provides for a secretarial major, a business administration and accounting major, and a secretarial major with a science background for medical secretaries.

Curriculum XIII is for the unusually musical students with outstanding performing ability who desire to build a foundation for graduate professional study. Students admitted to this curriculum are required to pass performance tests periodically and to demonstrate satisfactory progress.

F. Crockett is busy with the “stops” as she prepares her recital program.
THE FEATURES
In recognition of their outstanding scholarship, leadership, and cooperation in educational and extracurricular activities, these twenty-one seniors were selected by a committee of students and faculty members to represent Madison College in the 1957-1958 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.
In receiving this highly coveted college award, these students gain recognition which will accompany them throughout their lives in any profession they may choose to follow. To be named to WHO'S WHO is a great honor, and these seniors are indeed worthy of this award.

Members of the Props Committee for May Day are planning how they will effectively carry out the theme, THE GOLDEN YEARS.
ORGANIZATIONS
The Student Government Association is the major student organization to which every student who matriculates at Madison College belongs. The Student Council, composed of elected officers and class representatives, forms the nucleus through which students gain experience in the privilege of self-government.

This year began with a retreat at Riverwood; then student council members assisted in freshman registration, and, during Orientation Week, helped the freshmen get acquainted through dorm coke parties and the traditional Freshman Talent Show.

During the year, the S.G.A. sponsored the Major Student Organizations Tea and the annual Old Students-New Students Assembly, and brought Woody Herman to campus for a concert.

This year, the Student Council established a standard campus election date to go into effect during the 1958-59 session, cut required Monday assemblies to two a month, investigated off-campus recreation facilities and sponsored the Apple Blossom Princess. In April, five representatives were sent to the S.I.A.S.G. Convention at Converse College in Spartanburg, South Carolina.
The Honor Council is a coveted heritage on Madison’s campus. Through the years, it has grown stronger in its efforts of promoting the personal integrity and straight-forwardness in speech, conduct, and thought of all students.

Elected representatives from the classes and the Men’s Student Government Organization serve as an impartial court to uphold the Honor Code.

In September, the Council helped to orientate the new students by explaining the Honor Code to them and by holding an impressive ceremony at which all new students signed the Honor Code Pledge cards, signifying their understanding, support, and participation in the Honor System. At Christmas, the Council presented with the S.G.A. the Christmas Party.

In order to remind each student of her responsibilities under the Honor Code, an Honor Week was initiated this year in January which included a movie, buzz groups in the dormitories, and a speaker for the Wednesday assembly.

The Honor Council is definitely a mighty and unalterable tradition.
The Men's Student Government Organization began its activities in the Fall of 1948. It was felt that the men students on campus were in need of an organized group by which they might integrate their activities and facilitate means of taking part in campus activities.

The objectives of the SGO are to promote better student-faculty relations, act as an intermediary between the administration and the men students, and to promote the general good will and welfare of the college and student body. Toward these objectives, the SGO has aimed to promote and support the well being of the men students at Madison.
GOVERNMENT

The SGO has participated in various activities during the year, including the annual smoker (the stag party to which we look forward), Old-New Student Day and Assembly, Student Government Assembly, Men's SGO Annual Picnic, and various get-togethers of the Honor Council.

The standing committees: Activities Committee, Athletic Committee, and Finance Committee, plan and supervise such things as our social life, budgeting, etc. Eddie Broyles and Danny O'Donnell are our representatives to the Honor Council, and we appoint a Constitutional Committee when the need arises.

The SGO is very proud of its men and looks forward, with much enthusiasm, to the day when Madison will be officially co-ed.

The Judicial branch of our self-government is our Student Court, which is composed of one freshman, two sophomores, two juniors, and four seniors including the chairman.

All faculty members and all students are privileged to prefer charges, submit reports, or request decisions or opinions before the Student Court concerning any matter within the court's jurisdiction. The Court is charged to hear and render decisions on breach of college rules, traditions, and social etiquette, as well as other problems or ideas which concern the men students. Also the Court cooperates with the Women's Student Government Association in cases concerning male and female students here at Madison.

Under the Constitution, the Court has the power to affix such punishment as it may deem justifiable upon any member of the Men's Student Government Organization found guilty. A vote of two-thirds of the Court shall be required for conviction.

All decisions of the Court are subject to the approval of the College Administration. If a decision of the Court is not satisfactory to the defendant, an appeal may be taken to the Faculty Judiciary Committee whose recommendation shall be submitted to the President of the college for final decision.

The Court is rather proud of the fact that it has had to convene very few times in the past few years and is very optimistic concerning the conduct of men students at Madison in the future.
The Y.M.C.A. strives to develop in its officers and members a spirit of Christian co-operation through worship and working together.

This year the “Y,” with the assistance of the Y.W.C.A., made available a prayer room for those students who wish to communicate more closely with God, and also followed tradition by again participating in the annual Christmas program.

One very successful campaign was selling Christmas cards for the purpose of sending members to the Southern area Y.M.C.A. Council at Atlanta, Georgia.

The meeting room has been furnished with a picture of Christ and a large scale Y.M.C.A. symbol, and the “Y” conducted the Chapel programs on the last Friday of each month.
Our Cabinet meetings close with “Blest Be the Tie—”: E. Witcher, N. Clase, N. Gunter, K. Wheatly, M. Jones.

Worship centers are a must for Friday Chapel: N. Sydnor, P. Davis, L. Draper, B. Bishop, J. Artz.

Below: The Prayer Room.

To instill in every student of Madison College a belief in the true Christian life is the main purpose of the Y.W.C.A. To accomplish this, the “Y” sponsors such programs as Religious Emphasis Week, Friday Chapel and Sunday Vespers, Dorm Devotions, the Christmas Pageant, and the Thanksgiving and Easter Sunrise services.

The “Y” Cabinet, composed of elected representatives from each class, also plans other activities through which closer relationships among the students are attained. The Big Sister-Little Sister program whereby freshmen are helped through those “trying first weeks” of school by the upperclassmen; the Halloween party when students and faculty together join in the fun; the
Y officers take their turn at clean-up: A. Moore, Treasurer, first semester; M. E. Garber, President; D. Clarkson, Treasurer, second semester; F. Crockett, Secretary; B. L. Simpson, Vice President.

The Y's favorite host and hostesses, our advisors: Mrs. B. Partlow, Mrs. R. Dingledine, Mr. B. Partlow. Absent from picture: Mr. C. Shorts.

CHRISTIAN ASSOCIATION

Christmas Kid party when presents are brought to give to a needy child; and of course those “Singspirations” we enjoy so much before the movies on Saturday nights — all of these play an important part in our campus life at Madison.

To promote Christian fellowship among the freshmen and to bring them into one close group, the Junior “Y” was organized under the sponsorship of the Senior “Y.” They plan activities for their class and, with the help of the Y.W.C.A. Cabinet, carry out planned programs and projects throughout the year.

Working together, the two “Y” organizations help students to realize how important it is to grow spiritually.

Cabinet members are off for a planning retreat at Massanetta: C. Smith, A. Harris, M. Tod, A. Turner, B. Brenner.
Where may we cut campus? When may we wear bermudas? What are the dance regulations? The Standards Committee studied these questions and other campus regulations, making some adjustments, in order to have more efficiency and cooperation among the students and the Committee.

Standards promotes good conduct and appearance. Members of the Committee are always willing to answer any questions pertaining to the rules, and to urge students to submit suggestions that they feel would bring needed improvements.

The duty as well as the desire of every individual student is to contribute to the wholesome attitude and healthful spirit of living for which Madison’s campus is known. Standing by, as a reminder and counsellor, is the Standards Committee.
The Social Committee does much "behind-the-scenes" work. Polishing silver, arranging and serving for teas and receptions, as well as planning and decorating for dances, provide invaluable social experience for these girls.

The Committee began its year's work by organizing and directing the Major Student Organizations Tea, which acquainted the freshmen with the college officers. Since the opening dance was cancelled because the college was closed due to the "flu" epidemic, a concert by Woody Herman was given with the Student Government Association. The Committee members also served at teas for the teams after all home athletic activities.

In the spring the girls were kept busy; the May Day dance was arranged with the dance clubs' assistance in decorating, and the members helped with the Senior Dance and the Senior Reception at Hillcrest.

Mrs. Logan, our advisor, is always ready to counsel and guide in upholding the social standards of the college.

**SOCIAL COMMITTEE**

BARBARA BANKS
Chairman
Coming from behind the big white door with the shingle BREEZE over it, is many a desperate cry every Tuesday and Thursday evening. From all the chaos and confusion comes one organized thought — to print the past, present, and future news of Madison campus in such a way as to bring about harmony in all aspects.

THE BREEZE, which is published weekly, is now in its thirty-fifth year at Madison College. In order to keep up with the modern trends of newspaper writing, two delegates were sent from the BREEZE staff to represent Madison at the Associated Collegiate Press Conference held in New York in November. Many interesting and worthwhile ideas were brought back to be incorporated into the BREEZE.

CONNIE LOU FAULDER
Editor-in-Chief

Many problems faced the frustrated staff every Tuesday and Thursday. There was a lack of red pencils, a cry for more news, a tempermental typewriter, stories to be revised with a twenty-five word lead, and headlines that were either too long or too short. Of course, the big problem of having an "eye-appealing" paper and working with late copy is a chronic one.

In spite of the rush for time, everyone managed that snack from "Doc's," or for home-made cookies that people were trying for the first time and for which they wanted the BREEZE staff to be the guinea pigs. In addition to the every Tuesday and Thursday coke breaks, there were special ones at Halloween and Christmas with decorated napkins and figured burning candles to set the atmosphere.

The BREEZE closed shop in May with the new editor leading the frenzied activities in the BREEZE room. A successful year ended and the BREEZE room door closed 'till next year.

CINDY JAMES
Business Manager

The staff takes time off from their work to enjoy an informal Christmas party given by the editor.
Madison's yearbook enjoys the distinction of having been the first student publication issued at the college. Now, in its forty-ninth year, it still maintains the purpose of preserving those memories — scenes and events and accomplishments — which have made the year seem significant.

The Editor-in-Chief and the Business Manager are elected in the annual school elections. Each of the four classes elects a representative to serve as class editor for its section. Other members of the staff are selected from members of the student body.

The SCHOOLMA'AM staff enjoyed working to produce a book they believed would be of high standards. They relinquished hours of their time to sketch layouts, write copy, solicit advertisements, and go with Allen Litten to make pictures. Cooperation and enthusiasm were exhibited in high form from September to March when the final deadline rolled around.

Each member of the SCHOOLMA'AM staff assumed her responsibilities and kept in mind the basic purpose of the yearbook — to serve as a resume of a year's events and accomplishments, a pictorial history, and a directory of acquaintances. They strove to reveal effectively all aspects of a year's life at Madison College.
The HANDBOOK is one of the school publications sent during the summer to all new and old students. This booklet contains not only the rules of the Student Government Organizations but also school songs, including the Alma Mater. In addition, the extra-curricular organizations and their functions are explained. THE HANDBOOK staff from the time of their election and appointments are kept busy securing ads from firms located in and around Harrisonburg and patronized by the college students. The staff also compiled general information for the HANDBOOK.

FIRE SAFETY COMMITTEE

With the co-operation of the student body the Fire Safety Committee completed its fiftieth successful year at Madison College. This Committee was composed of an appointed fire chief from each dormitory and was led by Nancy Brown, campus Fire Chief.

A demonstration by the Harrisonburg Fire Department was given in the fall to inform us about the use of fire equipment, procedures to follow and the hazards of fire. Each month a fire drill was given in the dormitories and one mass fire drill from the dining hall to remind us of the importance of being constantly prepared.
JUNIOR MARSHALLS

The Junior Marshalls are appointed each year by the class officers of the Junior Class.

The Marshalls assist and direct all formal processions on such occasions as Convocations, Founder's Day and Graduation.

USHERS

The Ushers can be found at all programs which are held in Wilson Auditorium; the Community Concert series, the annual Glee Club concerts, or College Lyceum programs.

The Committee consists of representatives from each class. They assist guests with questions pertaining to the programs and seating arrangements.

In addition to serving the alumni and friends of Madison College, the Ushers have an opportunity to attend the varied programs.

Their sponsor is Mr. Clifford Marshall and the head Usher is Charlene Grimm Schaeffer.
THE BLUESTONE COTILLION CLUB

Initiating its twenty-eighth year on campus, Bluestone Cotillion Club inaugurated several activities in the club’s endeavors.

For the first time a candlelight initiation was held for the eighty new members who “goated” so enthusiastically those two November days. During the “goating” Cotillion presented its newly designated, snappy outfits of pointed yellow hats with the patriotic blue and yellow streamers.

On the agenda for the year, the club set out to sponsor a bridge party which would be open to the entire campus, and a Bermuda Hop in the spring which would supplement the usual Cabaret Dance. The annual Mid-Winter’s which was supported by Cotillion and German Clubs was held March 14-15. The Friday night informal, the Saturday jazz concert, and evening formal were geared to the Southern Plantation theme.

Spring witnessed more “goating,” an Easter party for the club, and the traditional spring picnic when the incoming officers made their official stand.

GRACE MANLY

President
Beginning its twenty-sixth year on campus, the German Club began the first semester by welcoming thirty-one new members into the club. Following this fall goating, the annual Cabaret Dance, presented in October, set the mood for informality and enjoyment.

The highlight of the year was the German-Cotillion dance weekend held on March 14-15, which included an afternoon band concert and a formal dance centered around a “Plantation Theme.”

The German Club also assists with the May Day and Commencement Dances. The year’s events were completed with a spring picnic at which time the officers received gifts from the club, and all “good-byes” were said to the graduating German Club members.

THE STRATFORD

Stratford Players was first organized on Madison campus in 1917 as the Stratford Literary Society, for the purpose of studying drama. But theory without practice is as bare as an undressed stage, so this organization grew into the Stratford Drama Society and is now the Stratford Players.

Membership in Stratford is based largely on interest manifested through attending classes in various phases of production conducted by the members, doing backstage work and acting roles in plays. For each of these jobs, points are given which, when totaled to the magic number required, make one eligible for membership in Stratford. This year began with an

active membership of twenty-five and more were added with the spring goating.

The important impetus to the success of the group is the incomparable “Doc” Latimer, director, advisor, and hostess to the club.

There are two public productions given during the year. The fall production consisted of “Mary Stuart” by John Drinkwater and part of act three of Maxwell Anderson’s “Mary of Scotland.”

Utmost satisfaction has come to the Players this year through expressing dramatic interest and talent.

J. Oliver, F. Landis, and B. Neal are practicing a reading. A. C. Younkins makes-up J. Snead for her part in the fall play.
Kappa Delta Pi, a national honor society in education, formally recognizes with membership those juniors and seniors who have met the national membership requirement of a scholarship grade above the upper quintile of the college and a certain number of completed semester hours in education. The members must indicate a continued interest in the field and manifest desirable personal habits and leadership attributes.

The theme for the year has been “The Teacher as a World Citizen.” The tapping and initiating of new members which took place in October and was followed by Kappa Delta Pi Day in November. The first speaker of the year was Dr. Wells, who spoke on the “Teacher as a Citizen in the Scientific World of Today.” The new year brought us other interesting speakers: Dr. L. G. Locke, Dr. Mildred Hoyt, and one of our exchange students.

In March, one of our advisors, Miss Frances Grove, attended the National Convention of Kappa Delta Pi in Chicago. Selected from our membership as an alternate was Mary Lois Hardy. Their report was heard by the society in April following the election of next year's officers.

May brought the official closing of the 1957-58 school year with installation of officers and our traditional banquet. The society strove to carry out its purposes in the encouragement of high professional, intellectual, and personal standards, and of recognition of outstanding contributions to education.

Officers: G. Lewis, Historian; F. Whitt, Corresponding Secretary; L. Wood, Treasurer; J. Carpenter, Recording Secretary; B. Monger, Vice President; Miss F. Grove, Adviser.

SIGMA PHI LAMBDA

Sigma Phi Lambda is the local honor society of Madison with membership open to students maintaining a three-point average. Its purpose is threefold: the promotion of scholarship, leadership and fellowship among students.

The first series of programs was based around this purpose in three consecutive meetings. In March at a Monday assembly, freshmen students who were then eligible for membership were recognized and were later installed at a regular meeting.

Social events included a tea given in honor of freshmen students who had outstanding high school records and who might be prospective members of Sigma Phi Lambda.

Sigma Phi Lambda welcomes the opportunity to recognize students of outstanding scholastic abilities.
Pi Omega Pi, a National Honorary Business Education Fraternity, aims to promote scholarship and high ethical standards, aid in civic betterment in colleges, and teach the ideal of service as the basis of all worthy enterprise.

First row: K. Comer, Treasurer; M. Thomas, Vice President; C. Reed, Secretary; M. See, President; L. Bowers, Mrs. M. Coffman, Advisor. Second row: Mr. Hanson, J. Wine, Miss Anderson, A. Benesek, B. Pearce, H. Harnsberger, C. James, Miss Rucker, Mr. Sanders, Mr. Blair.

Activities during the year included administering business placement tests to new students, sponsoring a shorthand and typing contest for high school students, presenting an award to the sophomore business major with the highest average, and sponsoring a speaker in assembly.

Alpha Rho Delta strives to create a greater understanding and appreciation among its members of the life, arts, and cultures of ancient civilization, and to present the relationship of this heritage to the present day.

The varied and interesting programs included speakers on topics of classical and current interest, slides and movies, and study of some of the greater pieces of literature of the classical period through discussion and fellowship.
EX LIBRIS CLUB

The Ex Libris Club enables prospective librarians, library assistants and those interested in library science to enjoy the companionship of fellow students with common interests. The club also attempts to interest others in library science and to impress upon them the pleasure and value of library use.

Each year the Club sponsors discussions, speakers, and field trips of special interest. Almost traditional are the Club's preparation of a Christmas basket for a needy family and the annual spring picnic.

ART CLUB

The Madison Art Club consists of art majors, minors, and other students who have a genuine interest in art. By the participation of its members in all phases of campus life, it creates a fuller appreciation of art at Madison.

During the year the Club carried out many activities and projects. Among these were sponsoring an Art 30 Exhibition and conducting the Miss Madison Contest. The Club also made posters for Religious Emphasis Week and other special events.
CURIE SCIENCE CLUB

Each Curie Science member tries to further the progress of science as expressed in the motto, “On with Science.” In order to fulfill the motto, the club scheduled various activities. An analysis of the International Geophysical Year was done by the group in the areas of Biology, Chemistry, Physics, and Mathematics. Cancer and topography were discussed by student leaders. The club is fortunate to have interested faculty advisors who have shown movies and taken the club on the tour of the planetarium. The schedule also included a trip to Washington to visit the Smithsonian Institution, National Institute of Health, and Walter Reed Hospital. To conclude the busy year, the club spent an afternoon at Riverwood.
The Association for Childhood Education is established to promote the interest of students enrolled in the elementary and dual curricula in the education of young children through exchange of ideas and experiences, and to better equip its members to uphold the standards of professional training.

During the year the programs have included a panel discussion of student teachers, a talk on The Student National Education Association, the initiation of new members, and talks by the assistant Superintendent of Schools in Arlington, and by the Supervisors.

Highlights of the year’s activities were the annual banquet and the picnic at Rawley Springs.

ASSOCIATION FOR CHILDHOOD EDUCATION

FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is nationally organized to promote the understanding of business procedures, thus helping adapt the business student to his selected vocation.

A picnic highlighting the September meeting was first on the Chapter's calendar. The other meetings presented informative programs by the members and special guests. Activities this year included field trips, speakers, and movies.

The conclusion of the year's calendar was an annual Banquet and Installation of Officers for the coming year.
FRANCES SALE CLUB

The Frances Sale Club is composed of ninety students who are majoring or concentrating in home economics. The Club was named in honor of the first home economics teacher at Madison and its purposes are to further interest in homemaking, to obtain a stronger spirit of friendship and cooperation among home economics students, to give training in club leadership, and to provide professional development of home economics.

Highlights of the year were a Christmas party for seventeen children in the community and the High School Recruitment and International Relations Programs. In the spring, representatives of the Club attended the Virginia Home Economics Association Convention in Richmond.

The Mathematics Club, which is composed of Mathematics majors and minors, has as its purpose to maintain and foster an interest in mathematics on campus.

At monthly meetings, members present subjects of mathematical interest to the club; one interesting subject being “Topology.”

Other activities of the Club included an initiation service and Christmas party in December and a visit to the home of Dr. and Mrs. Ikenberry in February.

The Geographical Clubs were organized several years ago to meet the needs of students from the four areas: Southwestern Virginia, Richmond, Northern Virginia, and Norfolk. Their aims are to bring about a closer association among the students living in these areas, to facilitate holiday transportation arrangements, to be of assistance to prospective Madison students, and to promote social functions with other colleges having similar organizations. Membership is open to all students of the four areas wishing to participate in these activities.

The Executive Council, composed of the presidents and advisors of the individual clubs, serves as the co-ordinating body of these clubs.
Le Cercle Francais attempts to create an understanding and an enjoyment of the French language, customs, and people for its members. It also tries to bring some knowledge of life in France to the other students on campus.

The goal of learning through enjoyment was reached by playing French games, learning French songs, and attending a Mardi Gras at our sponsor’s home. Among the Club members were one girl and an exchange student who had lived and visited in France. We also initiated a French table in the dining hall where we can apply what we have learned.

This year the high point of achievement was the presentation of a Christmas program entitled “Christmas Around the World,” in which all foreign language clubs and some foreign students participated.

El Club Espanol offers its members the opportunity of meeting informally and becoming familiar with the ways of life of Spanish-speaking people. Through the use of films and songs, by discussions, by participation in the Foreign Language Club Christmas Program, and by taking special trips, the Club has broadened its knowledge in the field of Spanish.

One of the highlights this year was a social meeting with five Cuban students, who told us about their customs. At the end of the meeting, Spanish refreshments were served and dancing was enjoyed. Our last meeting was a picnic held at Lr. Martinez’s home.
THE GRANDDAUGHTERS’ CLUB

In 1939 the Granddaughters’ Club was organized to cherish the traditions and memories of Madison as passed from Mother to Daughter. The members participate each year in the Founder’s Day and Homecoming Exercises.

SESAME CLUB

“Sesame” means open door and we of the Sesame Club have tried to make our club just that.

We welcome all women day-students into our club and we try to make the school year a more profitable year by working and playing together as an integral part of Madison College.

During the year we have a fall initiation at Riverwood, a Christmas party, and a spring picnic. There were many other activities for everyone.

The Madison College Alumni Association was organized in 1911 by the first graduating class. Its purpose as expressed then and as it continues to be now is: to keep alive happy memories of campus living, to keep friends of college days in touch with each other, to keep Madison in touch with her graduates that she may continue to inspire and challenge them to right thinking and courageous living.

Our Alumni Association helps to serve the college, also, by interesting worthwhile students in matriculating at Madison, by establishing scholarships, by publicizing what Madison has to offer, and by endeavoring to build up fine Public Relations.

We have eight Madison Alumni Chapters in the State, one in Baltimore and one in Charleston, West Virginia. These groups have supported their Alma Mater in many different ways, and have enjoyed fine fellowship through common interests.

Your Senior Class President will serve as your class agent. You will help her and help us tremendously if you will notify our Alumni Office promptly when any change of address or name occurs. An office is maintained on the campus where class lists, and alphabetical and area files are kept, and are available to everyone. From this office go out class letters and twice a year an Alumni News Bulletin, containing news of the College and her Alumni.

Each person who has attended Madison for one year or its equivalent is eligible to become a member of the Madison College Alumni Association and is cordially invited to do so. Keep us informed as to your location and work, that we in turn may keep you informed about each other and your Alma Mater.

As you go out to take your place in the world's work, you take with you something of Madison College, just as you have left something of yourself here. It is our earnest hope that through you the influence and contribution of our Alma Mater may continue to grow, and to instill principles of truth, righteousness and brotherhood in the lives of the future citizens of our nation.
The Recreational Council does much to improve the facilities on the campus for the enjoyment of the students.

Television sets were obtained for two dormitories as well as new radios, new record players and party games.

This year the Recreational Council took the responsibility of organizing and sponsoring the Madison College Cheerleaders. Another project was sponsoring informal dances for the students and their dates.

The Council directed dormitory decorations, parade, and the floats for May Day.

Each year the Recreational Council strives to obtain those recreational facilities most needed and desired on the campus.

Advisors: Miss Morrison, Dean Wilkins.

President: D. Bossard.
The purpose of the Madison College Concert Orchestra is the promotion of high standards of musicianship. The highlight of the year for the members was the annual spring tour, a week during which the Orchestra presented programs in various schools and communities throughout the state. In addition to the tour, the Orchestra gave concerts in many nearby localities. The concerts which the group presented contained a variety of compositions, from classical music to

show tunes. For the younger members of the audience, there were novelty numbers. Madison students heard the Orchestra in special assemblies and in their spring concert.

At the year's end, each member felt a satisfaction that resulted from his contribution to the varied audiences. He had given pleasure to many, some of whom had never heard such a group before. It is this pleasure that is the musician's reward; that which he gives is returned many fold.

T. Wolfe, Secretary; J. Crenshaw, President; J. Fulcher, Vice President.

N. Anderson, Publicity Manager; S. Spinks, Librarian; C. Mincer, Treasurer.

THE GLEE CLUB

The Glee Club, under the direction of Dr. Lester Bucher, began its forty-first year with its basic purpose predominant in the minds of its members — service to Madison College.

The Glee Club participated in several of the college assemblies. The Club gave a joint concert with the Glee Club of Randolph-Macon Men’s College at Christmas. The spring tour took them through Virginia and North Carolina where concerts were given at various colleges and churches. The Club participated in the May Day Celebration and in the Graduation exercises.

The members had a satisfaction in knowing that their work contributed to the musical growth and pleasure of others as well as themselves.

J. Henson, Accompanist; Dr. Bucher, Director; J. Arzt, Treasurer; G. Lewis, President; M. A. Wertz, Vice President; L. Wingate, Librarian; K. Alderman, Secretary; B. Hundley, Business Manager.
The goal of the Concert Band is to promote high standards of musicianship and an interest in ensemble playing, as well as providing an opportunity for such playing experience.

During the year the Band participated in assembly programs and presented concerts in nearby areas. Its members also were a part of the gala May Day program.

The Madison College Madrigal Singers, who are in their fifth year, added some new faces, bringing the total to twenty-one members. The Madrigal Group concentrates mainly on the singing of Old English Madrigals and a Capella sacred music, but has branched out this year to include four-part secular music.

The group was busy singing for civic clubs, organizations, churches in the community, and participating in college activities.

Some highlights of the year were singing for state wide conventions, the annual Christmas program at St. Stephens Church, representing the college on its Saturday morning television program, and a spring program.

Several members were a part of the Virginia College Choral Clinic in Richmond.
MADISON COLLEGE CHORUS

The Madison College Chorus provides an outlet through group participation for those students who have a special interest in choral music. To be of service for campus functions is the primary aim of the organization.

The chorus took part in the Friday chapel programs by leading in hymn sings and rendering special music, and during the Christmas season helped to supply the music for the Christmas pageant.

DIAPASON CLUB

The Diapason Club, which is affiliated with the American Guild of Organists, has as its aim the fostering of musical interest, abilities, and appreciation on the campus, especially in regard to organ music. It is composed of Madison College organ students. Each year the Club sponsors an assembly program, at which time a prominent organist is presented in recital. The club members participate in student recitals, assist with church music, sponsor the appearance of musical artists and take an annual trip. In recent years, the group has visited the organ factory in Hagerstown, Maryland and has taken a tour to see some of the larger, outstanding organs in Washington, D. C.
The Interfaith Council is composed of the presidents of the various religious groups on campus, their ministers, advisors, and the faculty advisors. Its primary function is to enrich the cooperative religious life on campus. In its endeavor to reach this goal it has provided a monthly prayer in the Breeze. In the Assembly program sponsored by the Interfaith Council, Rabbi Bernard Honan of Charlottesville was presented as speaker. He gave us a better understanding of the Jewish faith. The Interfaith Council also sponsored World Student Day of Prayer on campus. Several meetings have been held among the various denominations.

The Council played a definite part in strengthening the unity of our campus.

The Lutheran Student Association, a national organization, helps students attain a well-rounded college life through Christian study and fellowship.

Students were welcomed to Madison and Muhlenberg Church by a party given by members of the church. New students were extended a special welcome with a tea when they arrived. The New Year began with a candlelight service. Programs also included exchange meetings with other groups on campus and the University of Virginia, a hymn sing, and spring retreat.

**WESLEY FOUNDATION**

With a new minister and many new faces, Wesley Foundation started an active year. Wesley Foundation, made up mostly of Methodist students, started a new series of discussion groups to study Christian problems. The year’s activities included welcoming freshmen, giving programs for the women’s group at some churches in nearby areas, prayer groups, choral programs given by the Wesley Choir, and parties with other schools. There were also conferences at other Virginia schools which were open to students. One special conference was the Sixty Quadrennial National Conference at Lawerance, Kansas, which was attended by four girls from Madison.
WESTMINSTER FELLOWSHIP

Westminster Fellowship is composed of Presbyterian students and those who wish to make the local church their church while at Madison. W.F. seeks to bring these students to a fuller knowledge of the Bible and Christ through Sunday School, inspirational programs, and Christian fellowship together. Most of the year’s activities were planned by the Council during their fall retreat at Massanetta. Freshmen were welcomed by letters and visits from Presby Pals.

Thus began the fall activities of W.F., which continued into the winter months with a variety of programs. Christmas brought a meaning to W.F.ers as they collected gifts for “Johnny and his brothers.” During the Christmas season, eight members of W.F. attended the special college conference at the University of Kentucky. Frequently through the year W.F. enjoyed fellowship with other denominational groups on campus and with W.F. groups from other colleges. The spring brought the Synod Conference, election of officers for the coming year and the end of another year of W.F. activity at Madison.

The Baptist Student Union through its unit organizations, Sunday School, Training Union, and Y.W.A., has striven to create a closer relationship between the Baptist Students on campus and the Harrisonburg Church. Through “Pause for Power,” Friday night Bible study, the Student Choir and Sunday night fellowship, we have sought to develop wholesome social and spiritual life and strong Christian friendship.

Events highlighting the year were a preschool retreat at Massanetta Springs, the State Convention at Richmond, the annual Banquet in February, and the experience of working with Doris Jones, our new Student Director.

CANterbury Club

The Canterbury Club provides fellowship and worship for the Episcopal students here at Madison. Every Sunday night, the Club meets at Emanuel Episcopal Church for supper, devotion, and a planned program. Some of the activities have included an interfaith meeting, Christmas at St. Anne’s Home, and informal talks with several persons of interest on campus. Madison’s Canterbury is a part of the Virginia Canterbury Club and has been represented at many district and regional conferences at Roslyn.

The Newman Club is organized for the Catholic students on Madison's campus. It is a member of the Piedmont Province for the National Newman Club Federation.

The purposes of the club are for the members to work together to achieve well-rounded personalities — spiritually, intellectually, and socially.

There were many activities that were profitable, and will long be remembered by all.

**SCHWARZENAU CLUB**

The Schwarzenau Club is organized for students who are members of the Church of the Brethren. The aims are to foster a well-rounded spiritual, intellectual, and social program for all members.

The church gives a Welcoming Banquet each fall, at which each club member is given church parents. The club participates with the local and district Youth Fellowships.

During the year, the club sponsored a choral program at the church. An annual retreat at Rawley Springs was enjoyed by all.

Greek World — These terms on the Madison College campus denote a world inhabited by citizens wearing white hats with sorority letters and having a spirit of unity and friendship in maintaining the purpose of the Panhellenic Council. That purpose is to serve as a medium through which Madison sorority sisters may work together in promoting common interests and solving mutual problems.

The council is composed of three representatives from each sorority who meet weekly to make plans and lead sorority affairs.

Fall rushing is perhaps the most important event for all sororities. Rushees, bids, meetings, open houses, and exciting parties — all were synonymous with the experience of fall rush. The culmination and reward of hurried weeks arrived when each rushee was greeted amidst laughter and tears by her chosen sisters.

“Candy Christmas” was the theme of Panhellenic’s major social event, the Christmas dance. Reed Gym was dressed in hues of red and green with numerous candy canes. The chairman of the council led the members in the formation of a huge candy cane and the letters NPC.

Panhellenic memories are many, including the visit of Mrs. Robert Wild, Phi Beta Phi National president and NPC delegate. Mrs. Wild was guest speaker for the Panhellenic Sing when Alpha Sigma Alpha received the Scholarship Cup for the highest scholastic average this year.

The philanthropic project of the council was to distribute Sunshine Baskets to ten deserving people. Friendships of former foreign students are not forgotten for the council sent greetings and gifts to them during the holiday season.

Spring rush with its traffic stopping activities was followed by the Panhellenic picnic. The annual auction was the highlight of the picnic.

Our banquet in the spring marked the official end of the year and past officials initiated the new — leaving them responsibilities and accomplished patterns to follow.

As the 1957-58 school session came into focus, thirty-six members of Alpha Sigma Alpha returned to greet the new term.

The October rush season approached and committees geared their originality and talents to complement the rush party, "The Academy Awards," and thirteen girls joined our sisterhood.

The Panhellenic Cup was an unexpected achievement, but a very inspiring one. National Founders Day became another milestone of history when Beta Epsilon went to Shenandale for a banquet and short commemorative program.

Virginia State Day was held at Longwood College where a bronze plaque was dedicated to the founding of ASA on that campus.

The highlight of our Christmas season occurred when we volunteered our services to four small needy children. Toys, presents, and food were welcomed gifts to them.

After Christmas we had initiation and the enjoyable spring rush season. Also, we visited college camp for a fun-packed weekend.

Our Philanthropic project was completed as we sponsored the National Red Cross Drive on campus. With this as a mark of only one year of time, ASA removes the old and gains the new to continue with new activities and desired achievements.

September witnessed the return of Alpha Sigma Tau and Zirkle House once again rang out with fun and laughter.

Using their traditional “Carnival” theme, the Alpha Sigma Taus once again slipped into the disguises of fortune tellers, artists, and house haunters to present their big rush party. The following weekend everyone welcomed seventeen pledges into the sisterhood. Also, there was the added joy of seeing many of the alumnae back.

National Founder's Day was celebrated on November fourth at Shenandale by a banquet that was thoroughly enjoyed by the members, pledges, sponsor and alumnae representative.

During the month of December, the pledges became official members of Alpha Sigma Tau and received their pins. The house was gaily decorated for Christmas and again Santa paid his annual visit at the party given by Alpha Sigma Tau to aid two needy children and their mother. It was at this time that the true meaning of Christmas was felt.

Spring rushing brought forth much merriment as we welcomed new pledges into the sorority. Local Founders Day was celebrated by a weekend trip to college camp. With the school term fast drawing to a close, the juniors gave the seniors a farewell breakfast.

We all had memories of an inspiring Alpha Sigma Tau year as June came.

The members of Pi Kappa Sigma hold the sentiment of “There is no place like home” in regard to their Madison home — Shenandoah Apartments.

Our first big event of the year was the district meeting held at Longwood in September. We were also very happy to welcome a new sponsor into the sorority. She is Joan Holst Troubaugh, who is an Alpha Omicron alumnae.

Our rush party and the flu bug came hand in hand but we fought off the latter and presented “The Roaring Twenties” in true flapper style. Our nickelodeon welcomed the rushees to the party which was complete with a Model A Ford and a flapper fashion show. Rush weekend found many alumnae returning to be with us on this happy occasion.

Shenandoah has also had a face-lifting of which the members are very proud. Our TV room is our pride and joy with the new rug and draw draperies.

We entertained three children at a Christmas party and their shining eyes reflected the true meaning of giving. At our own Christmas party, Mrs. Johnson, our first sponsor, celebrated with us.

In the spring we welcomed more new sisters and were glad to see more alumnae sisters too.

The month of May was a busy one for us. First came May Day; then our annual trip to Riverwood; then came the senior breakfast where each graduate was presented a gift.

June soon came and it was time to close Shenandoah’s door on another memorable year.

Madison's Tri Sigmas returned in September and eagerly began preparing for chapter inspection. Alpha Upsilon was honored by the visit of their national president, Mrs. Margaret Freeman Dixon, for their inspection. A tea was held in her honor.

In October a new rug came for Sprinkle House. Our rush party, "A Queen's Debut," was held and we welcomed eleven new sisters.

All the Sigmas came to "Claus's Corner" dressed as toys for the Christmas party given by the pledges. Christmas baskets were given to several needy children as our local social service project and contributions were sent to the Robbie Page Memorial Fund, Sigma's national social service project. The pledges conducted the sale of Christmas seals for the Tuberculosis Association.

Sigma's greeted more new sisters at spring rush. We visited Camp Strawderman for a weekend that we shall long remember.

In April, Sigma celebrated its sixtieth anniversary at Longwood College with all the national officers there. Alpha Upsilon also celebrated the event with a banquet.

June came quickly for the Alpha Upsilon and the seniors left to seek their success elsewhere.

The new school year brought with it renewed opportunity for service, friendship, and fun to Theta Sigma Upsilon.

Messick House became a jailhouse that really rocked for the "Jailbird Fling," our rush party. Bars at the windows and balls and chains persuaded a fine group of girls to become "lifers."

December was a month to remember. A new advisor was initiated with the new members. The spirit of giving was carried out at a Christmas party when we made Christmas happier for a needy family. The new members entertained the old and presented a beautiful punch bowl and cups.

In January, Theta gave a reception for one of its talented sisters who presented a recital of organ and piano music.

In the spring, Theta welcomed its new sisters in the rush and entertained its national president for several days. She urged us to go on to even higher service. The annual Founder's Day banquet in March found Theta sisters dressed up for a wonderful meal and entertainment by the spring pledges.

What more fitting break before exams could Thetas have than a weekend at college camp? The rush of May Day, exams, and graduation seemed to come at once and with these came plans for attending the national convention in Michigan during August.

And so another year ended for the Thetas. The members will carry on the traditions of Theta sisterhood and add even more memories to be held in the heart of every Theta Sig.

Dingedine House is “Home Sweet Home” to all Madison Zetas. We of Gamma Kappa chapter have worked to achieve the high ideals for which Zeta Tau Alpha stands.

Much cheer was brought into the lives of others when we adopted a needy family and gave them food, clothing, and other items at Thanksgiving and Christmas. Other service projects carried on throughout the year included contributions to our National funds and the drive for Crippled Children.

Our delightful rush party, “Annie Get Your Zeta,” was climaxed when we and returning alumnae welcomed twenty-three new sisters.

We held our traditional White Banquet at Shenandale in January and it was a truly rewarding experience. Our Founder’s Day breakfast, Panhellenic Sing, initiations, our spring weekend at college camp, the annual senior picnic, the debate with the men’s fraternity, and the weekend of spring rushing will be among our fondest memories.

June and graduation quickly approached, but “Zeta Memories Live On.”

Eager to start the year off with a bang, the men of Sigma Delta Rho returned to campus in September with a variety of ideas for making the year a success.

First, they chose Connie Lou Faulder as the Sweetheart of Sigma Delta Rho — 1958. Connie was chosen for congeniality, attractiveness, and outstanding personality.

Then, the initiation of nine new members brought the total enrollment of the fraternity to twenty-seven members.

There were fun times in the fraternity, too. The members took part in swim parties in Reed, an outing at Riverwood, and debates with some of the sororities. Members of Sigma Delta Rho label this year a most successful one.

ATHLETICS
The Athletic Association, composed of all students enrolled at Madison, has as its purpose to encourage and stimulate the student's participation and interest in athletic games and sports, to promote good sportsmanship, and to cultivate a spirit of co-operation and fellowship.

The Athletic Association Cabinet consists of the officers of the Athletic Association elected by the student body; class representatives; student intramural coordinators; student extramural coordinators; intramural committee composed of sports leaders in basketball, hockey, water sports, softball, badminton, archery, table tennis, volleyball, tennis, dance, fencing, and golf; and the extramural committee composed of club presidents in fencing, modern dance, Porpoise and Mercury clubs, and the managers of the extramural teams. The organization sponsors the annual Chuck Wagon Party for the Freshmen during orientation week, and the traditional May Day Program at Madison. The Athletic Association's other activities include the sponsorship of the intramural sports. Hockey, basketball, tennis, and fencing are offered as extramural sports.

S. Vanaman, N. Tavey, and D. Bird enjoy the annual chuckwagon party that is given each year by the Athletic Association for new students.

E. Witcher, J. Snead, M. Talman, and D. Pinard are working hard to make this the best May Day ever.
Right after returning to campus in the fall, old and new players are seen getting ready for the first extramural sport on campus.

The extramural hockey team plays neighboring colleges in the state; the schedule consisting of five or six games such as the picture on the left with Longwood College.

Toward the end of hockey season a selected team represents Madison in the Blue Ridge Hockey Tournament. This year the tournament was held in Lynchburg, Virginia.

A selected group from the participating colleges formed the Blue Ridge Team which had the opportunity of playing the Welch Touring Team from the British Isles.

**HOCKEY**

The Mercury Club is a professional organization for physical education majors and minors. The purpose of this club is to promote good professional attitudes and understandings among the members, to advance good fellowship, and to promote study and discussion of professional problems. This organization puts to practical use the preparation and study in physical education by presenting social and recreational programs throughout the year, and by helping the Athletic Association in its programs and projects. The club cooperates with the American Association for Health, Physical Education, and Recreation, and other state and national education associations interested in the growth and development of children and adults.
The Duchesses practice with enthusiasm for their oncoming games.

In late November, the Madison Duchesses began polishing their skills and building their endurance for games. The usual tryouts were held with vigor and enthusiasm and the eagerness to make the team was felt strongly.

To open the season, the Duchesses traveled to Lynchburg College. The usual excitement of the Longwood game gave to the team added zest, which was also high in the Bridgewater game. A fast moving game with Westhampton ended the season for the Duchesses.

The games were ended, but the fun, good attitudes and fellowship in which the team shared, shall long be remembered. We shall remember the ’58 basketball season with happiness and appreciation to our coach, Miss Berkley.
The art of fencing, although a comparatively new sport on this campus, has a number of interested enthusiasts.

To develop skill in fencing requires speed, dexterity, co-ordination and a courteous attitude.

The Fencing Club members are most willing, under the sponsorship of Dr. Caroline Sinclair, to instruct interested persons in the individual skills demanded in foil fencing.

A schedule in March has been set for meets with William and Mary College and Mary Washington College.

The purpose of this organization is to create a desire for active participation on the part of the student body.

PORPOISE CLUB

The Porpoise Club is designed to provide an opportunity for advancement to the interested and skilled swimmers on campus. Membership is determined by try-outs after those interested have attended coach classes which are held several weeks after school begins in the fall.

It strives to promote a general interest in swimming by helping others to learn to swim and by emphasizing the importance of water safety.

The club presents to the college their annual water show during second semester. This year the theme of "Far Away Places" was depicted.

Officers of the club are: Nancy Talman, President; Dottie Dawson, Vice President; Charlotte Gratz, Secretary; Gail Matthews, Treasurer.
ORCHESIS

It is always fun for a group of girls to work together for the purpose of cultural advancement.

Orchesis accepts the challenge of advancement through television, work-shops with colleges in and out of Virginia, recitals, and civic clubs of the city.

By doing this we hope to fulfill the desires of the group and to provide an opportunity for individual members to broaden their own interests.

A highlight for seniors is the Fine Arts Forum in Greensboro, North Carolina.

We welcome all those who love to dance. There is a place for YOU in Understudies or Orchesis.

Group on left: R. Frank, N. Weirhein, C. Hicks, D. Whitten, D. Hickman, B. Shank, C. Carr, A. Shotwell.

G. Moffett and M. Mauck keep up the fast pace of a table tennis match.

M. Baumgardner concentrates on teeing off while N. Atkinson, the intramural golf leader, along with a group of other golfers, watches.
Intramural swimming is offered as a part of the A.A. program. Many students learn new strokes and improve their swimming.

**SPORTS**

Students take time out from their busy schedule to participate in an active game of hockey.

Teams from two dorms fight it out for the title of champions in the intramural basketball tournament.
MEN'S BASKETBALL

This year the Madison Dukes, composed mainly of freshmen, were a squad of twelve, who made a creditable showing. The team was essentially a volunteer group who liked the game and desired to have Madison represented in intercollegiate competition by a men's basketball team.

The team consists of Bill Crabill, senior; Tom Allebaugh and John Buchanan, juniors; Gene Pfoutz and George Teed, sophomores; Elbert Strickler, Don Miller, Mike Whitmire, Bruce Leffel, Bill Bly, Charles Rodeffer and Jack Bocock, freshmen.

Since most of these players are underclassmen, the Dukes are already planning for next year, and are eagerly anticipating a winning streak!

Yes, MODERN ELECTRIC LIVING is better living! Today, private enterprise supplies more power to more people in more ways than ever before!

That means more jobs, created by increased uses of electricity . . . more leisure, due to labor saving electrical equipment. So take a tip from Reddy: LIVE BETTER—ELECTRICALLY!

As a Madison College Schoolma’am, I would like to extend my best wishes to Ann Lee Chapman, Elizabeth Dawson, and the 1959 Schoolma’am Staff. Your positions are honors extraordinary as you will be publishing the fiftieth edition of a Madison College annual. May you perform your duties vigorously and wisely, ever keeping in mind that the yearbook should serve as a complete history of the outstanding events and accomplishments of your college.
