Campus activity centers around Wilson Hall — truly a symbol of our college.

MADISON COLLEGE BRINGING...

Many Madison students enjoyed the privilege of teaching and observing in the completely equipped Anthony-Seegar Campus School.

Wayland Hall is one of two new dormitories opened this year to meet increased enrollment.

PROGRESS...
First semester Convocation marked the beginning of another year and officially recognized the new Senior Class.

TRADITION ...

Freshmen are traditionally introduced to the six major organizations on campus by a tea held early in the fall.

AND A SCHOOL OF ...

No Madison girl's wardrobe is complete without that one white outfit.
Student Government boosted the hula-hoop craze with their contest which brought out the top "spinners" on campus.

SPIRIT...

Every class night has its unsung heroes whose work is a major part of the show.

RESPECT...

The Y Prayer Room is always open to those who seek a quiet place to meditate.
Dormitory Buzz Sessions during Madison's first Honor Week served to strengthen the honor code on campus.

Sixteen years of education pays off when Seniors sign up for placement interviews.

HONOR...

Ever impressive is the faculty on the occasions for which they don their academic attire.

AND EMINENCE.
The Schoolma'am Has Covered Fifty Years At Madison College.
FOREWORD

Fifty years of progress, tradition, honor, respect, and loyalty brings Madison College to its Golden Anniversary. Thus the 1959 Schoolma'am is published with but one objective: to capture between its covers not only one year but fifty golden years of memories.

While we know that life at Madison College is a multitude of realities which are too intangible to be related in black and white, perhaps in some small way we can preserve the friendships which we all hold so dearly. If this book will serve to bridge the past and bring to mind the priceless memories of joys and pleasures of the year just gone by, it will have served its purpose.

This is the fiftieth Schoolma'am to be published, and with it we recall the fifty golden years that have made Madison College what it is today.

With these thoughts, we proudly present to you, the students, the 1959 Schoolma'am.
"In The Greens Of Shenandoah . . ."

The things that we have done,
and the knowledge that we've won,
O Madison, O Madison,
we'll love and cherish thee.

A song of lasting friendship,
and fond memories of you.
O Madison, O Madison,
to thee we'll e'er be true.

Of our college we will sing;
a song of endless praise,
The classmates and the fun,
we'll remember all our days.

In the greens of Shenandoah
stands our Alma Mater strong;
A symbol of fulfillment,
and to her we'll sing our song.
TO A MAN WITH A HEART OF GOLD

The 50th graduating class of Madison College is proud to dedicate its annual to a man whose willingness to be of service to the student body has made him an asset indeed to Madison's campus!

He makes teaching and learning a pleasurable task through his enthusiasm and interest in both. To this is added a genuine friendliness to all he meets, and you will find a man who provides vital experiences in personal enrichment.

If you have ever been exposed to the science department, have become dismayed during student teaching, or have found the microphones failed to work, then you have met this man.

His dedication to his family, students, and teaching makes it a pleasure for the Class of 1959 to dedicate their SCHOOLMA'AM to DR. JOHN C. WELLS.
Changes at Madison have been many and among the biggest is the increase of faculty members from the ones shown here in dark robes on either side of the sidewalk to well over one-hundred in 1959.
DR. G. TYLER MILLER
President of Madison College

President Miller converses with a student.
A MESSAGE FROM OUR PRESIDENT

The 1958-59 session has been an important and eventful year in the life of Madison College. Our Founders' Day celebration on March 14th marked the end of a year-long birthday observance for us. Appropriately, the close of our fiftieth year also saw the completion and presentation of our history, Madison College: The First Fifty Years. The expansion of our campus facilities could not have been more dramatically emphasized than by the opening of four major buildings — Wayland and Gifford dormitories, Anthony-Seeger Campus School, and the College Infirmary — and the dedication of these buildings and two others — Burruss Science Hall and Logan Hall. Yes, it was an eventful year, and in the years ahead, you, as alumni, will perhaps recall with pride and satisfaction your role in the life of the College during the 1958-59 session.

It has also been a significant year for me — my tenth as president of Madison. It isn’t a long time compared with the years of service that some of our faculty members have given; however, one decade out of the seven, which the Bible says we are allotted, is long enough out of any person’s life to be important. It is long enough to make one pause and consider how well it has been spent. To me, the worth of these past ten years has been immeasurable. My association with the faculty, students, and administrative staff of Madison has been a source of great pride and satisfaction. It has also been a source of gratification for many lasting friendships. I have never been more aware of these things than during the past year.

Now, at the close of the year, I would like to extend warmest congratulations, best wishes, and thanks to members of the Senior Class who are leaving the college, to the rising underclassmen who have other years at Madison to look forward to, and to the family of loyal alumni of which this year’s graduates will become members.

At the end of Madison’s first half-century, may we continue to join hands in support of the growth and development of the College so that the accomplishments of the next fifty years will be as outstanding as those we commemorated during the past session.

Sincerely,

G. Tyler Miller, President

THE DIVISION
OF HUMANITIES

The Division of Humanities comprises the departments of Art, English Language, Literature and Speech, Foreign Languages, Music, and Philosophy. Majors are offered in each department except philosophy. Courses given in this division fulfill certain basic requirements in General Education, lead to degrees of Bachelor of Arts or Bachelor of Arts in Education, serve as electives in all curricula, and provide majors or concentrations in the liberal arts subjects for students who are preparing to seek careers in teaching. (* indicates Representative to the Education Department.)

THE DIVISION OF
THE NATURAL SCIENCES

The Division of Natural Sciences is composed of the departments of Biology, Chemistry, Geology, Mathematics, Physical and Health Education, and Physics. In addition to Majors offered in each of the departments, the Division also offers a Divisional major in Science for those students who wish to obtain a broad background in science. It is particularly designed for high school science teachers. (* indicates Representatives to the Education Division).
THE DIVISION OF
THE SOCIAL SCIENCES

At Madison College students have the opportunity to develop vocational skills as well as the supplementary subject matter relating this skill to the social and cultural environment. The SOCIAL SCIENTIST, whether he is an economist, geographer, historian, political scientist, or sociologist, contributes to the understanding of human behavior by his unique focus. To be a HOME ECONOMIST, whether you wish to teach in school, work in a hospital, or assume the responsibilities of effective family living, instrumental skills have little meaning unless seen in the large complex of interpersonal relations. Likewise in BUSINESS EDUCATION, skills in typing or office management, accounting and bookkeeping become meaningful when viewed as one aspect of office or factory which in turn is part of the larger social and economic system. The LIBRARIAN must be trained in skills essential to professional competence. Librarians work with colleagues whose joint responsibility is to serve the needs of a particular school or community.

By the consistent and systematic coordination of the resources of the Department of Business Education, Geography, Home Economics, Library Science, and Social Science the student at Madison College is able to combine skill with knowledge. (* indicates Representative to the Education Department).

THE DIVISION OF TEACHER EDUCATION

The Division of Teacher Education has the responsibility of administering those programs of the College which are designed for students who are preparing to teach. This Division includes all members of the faculty teaching courses in education and psychology; those directing or supervising the laboratory school experiences; and representatives from each department of the College offering a major or minor or field of concentration in the preparation of teachers. (These representatives and field supervisors are pictured in their respective departments).

Well, maybe someday I'll learn.
Eleanor Fulk puts up that long-awaited mail from home.
Dr. Toller demonstrates new physics apparatus.

Really, Class, it's not impossible.
Some poor girl is about to receive a hypo.
Miss Showalter does routine work in the library.
Oh, my aching back.
Dr. Shorts is caught grading term papers.
Could this be art!

Dr. Tolbert shows an interest in each student.
The use of office machines is demonstrated in class by William Walsh.
A welcome relief after one of those history classes.
Although the old student-new student wedding is no longer one of our traditions the spirit of oneness remains among the classes at Madison.
Team work and long hours resulted in the Senior Class's last production.

MADISON’S FIFTIETH GRADUATING CLASS

Senior capping and convocation are big events in the life of a Senior.
Madison's fiftieth graduating class had a truly eventful year. In the Fall, we donned our academic robes for first semester convocation, and then later at the capping ceremony officially became Seniors. Our class night production, "You Can See It Now" highlighted events in the world and at Madison during the past fifty years.

With Spring came May Day, Moving Up Day, and Graduation Weekend with its many activities — teas, dances, concerts, and finally, the crowning of four years of shared work, play, laughter, and tears — our degrees.

Arthur Whittemore and Jack Lowe, who rank as one of the top two-piano teams in the United States, oblige three Juniors with their autographs.

While "workmen" dig the foundation for Madison, these Juniors tell us how our college came to be.

CLASS OF 1960

Three Juniors surveying our campus.

A highlight of our class night.

What would Junior Class Night be without the traditional chorus line.

Studying hard?
Leaders of the Class of 1960, left to right, are: Carolyn Musser, parliamentarian; Faye Morgan, reporter; Martha McManaway, treasurer; Ellen Raines, secretary; and Barbara Jacobs, vice-president.

The Jolly Junior Class had a most eventful year. There existed a spirit of enthusiasm that is never to be forgotten.

Dr. and Mrs. Lester S. Bucher, our sponsors of the Junior Class.

GO WEST, YOUNG LADY!!

A. Man, we've really got some close harmony! B. This is what the "behind the scenes" crew went through! C. "Rockettes"??
Leaders of the Class of 1961, left to right, are: Alma Brown, president; Aida DeLuca, vice-president; June Stinson, secretary; Sally Lawrence, treasurer; Kitty Rogers, reporter.

When the Class of 1960 returned to the campus of Madison College, they were filled with the enthusiasm that had been theirs the year preceding. This spirit remained with them throughout the year, and of course will go with them until they graduate in 1960.

Our beloved sponsors, Dr. and Mrs. Tolbert and girls.  

Our president, Alma Brown.

A. Is this what happens when pinned, Gibby?

B. Look at the birdie!!

C. I thought I would goof-off a bit, girls.
Is somebody havin' a party? with scissors! This is Rock n’ Roll. that, Mary.

Come on, Funky, get with it. What you can do The Great Pyramid? It can't be as bad as all
Where do we go next?  We’ll stay for a while!

FRESHMAN FIRSTS

Wasn’t it fun getting acquainted with our “roomies”?  We really learned quickly to make the best of a lot of things!

Of course, we wouldn’t trade our “Big Sisters” for anything!  Capping was a pretty special event.
On September 21, 1958, the Freshmen of the Class of '62 began to invade the campus of Madison College. For the first week the fantasy of orientation, registering, meetings and getting acquainted seemed to be the most important things in our lives.

Now we would like to thank the wonderful upperclassmen, our "Big Sisters," our Sponsors, and the Administration for their help in making our first and foremost Freshman year, one never to be forgotten.

—108—
Yes, we do study — sometimes!  
The privacy is great around here!  
We're Snow White and the 
Seven Dwarfs — see?

Oh, yes I would, too!  
Who gains weight?  
Who needs men?  
I'm so tired!
Classes and equipment have changed a great deal at Madison but many of the basic principles have continued through the years.
Curriculum Y  
B.S. IN ELEMENTARY AND SECONDARY EDUCATION

Curriculum I  
B.S. IN ELEMENTARY EDUCATION

In order that students may be prepared to teach in both the elementary school and the high school, this curriculum has been planned. Student teaching experience is provided at both secondary and elementary levels. Understanding child growth and the nature of learning are stressed in this student teaching field.

At Harrisonburg High B. Edwards' English holds her students' interest.

S. Wilkinson listens approvingly as one of her students recites.
Curriculum II
B.A. IN SECONDARY EDUCATION

Curriculum III
B.S. IN SECONDARY EDUCATION

This four year curriculum for high school teachers places emphasis upon English, social science, and foreign language.

The B.S. diploma differs from the B.A. only in the emphasis which is placed on science, mathematics, or physical education.

How these explorers came from Spain is the topic of J. Wampler’s discussion.

P. Edwards points out the external parts of the frog to her class of interested students.
Curriculum IV
B.S. IN HOME ECONOMICS EDUCATION

B.S. FOR HIGH SCHOOL TEACHERS OF BUSINESS

Graduates of Curriculum IV are qualified to teach vocational home economics in high school. Teaching is the largest field of employment for specialists in home economics, but an institutional management major is also provided for students who wish to major in both.

The dual objective of being able to teach business and to hold positions in business offices has many employment advantages in Curriculum V.

M. Hardy explains that the bread plate should always be right above the fork.

R. Miller remarks that the copy is fine but could be improved with a lighter touch.
Curriculum VI
BACHELOR OF MUSIC EDUCATION

Curriculum VII
B.A. IN LIBERAL ARTS

Students who wish to teach vocal or instrumental music in the public schools should enter Curriculum VI.

This curriculum enables students who are not interested in teaching to secure academic training equivalent to that offered in a liberal arts college.

With the raising of the baton twenty-two eyes turn their attention to S. Davis.

Mr. Diller offers a suggestion as S. Heuser works with ceramics.
In Curriculum VIII work in science is emphasized. Pre-medical and pre-dental students enroll in this curriculum in order to prepare for graduate work.

This degree is given by Madison College upon the completion of a three year program at the College and one academic year at an approved school of medical technology.

Anatomical students examine a skeletal form.

Students of medical technology find good use for the microscope.
Curriculum IX
B.S. IN INSTITUTIONAL MANAGEMENT

Curriculum X
B.S. IN GENERAL HOME ECONOMICS

Curriculum IX is a professional course for food administrators. Graduates are eligible to practice as dietetic interns in hospitals and to enter administrative courses approved by the American Dietetic Association. Special emphasis is placed upon the preparation for responsibilities of homemaking and family living in Curriculum X.

B. McGinnis and A. Silman perform one of their daily activities in their eight weeks dietetic training.

Shown in her room at Home Management House, S. Chan demonstrates the correct procedure in making a bed.
Curriculum XI  
B.S. IN BUSINESS

Curriculum XII  
BACHELOR OF MUSIC

This professional, non-teaching curriculum is especially for those who are interested in becoming secretaries, supervisors and office managers or bookkeepers and accountants. It provides for a secretarial major, a business administration and accounting major, and a secretarial major with a science background.

This curriculum is for the unusually musical students with outstanding ability who wish to build a foundation for graduate work.

H. Hull and C. Wiltshire mimeograph a few copies for a recent assignment.

J. Henson, engrossed at the piano, attains that added touch of perfection.
And now I know how Old Mother Hubbard felt.
Custer's last stand.
Still life — real life — I wonder.

Think or thwim.
I could like you if it weren't for that front tooth.
And I thought they were kidding.
Times, costumes, and setting may have changed, but the zeal for drama remains at Madison.
The Student Government Association is the major student organization to which every student who matriculates at Madison College belongs. The Student Council, composed of elected and class representatives, forms the nucleus through which students gain experience in the privilege of self-government. It is in this council that projects and problems in the interest of the student body are discussed.

This year began with a retreat at Riverwood at which time we set our goals for the '58-'59 session.

The first week in October was designated as Student Government Week with the hope that through activities and programs we could better acquaint the student body with the work and purposes of the S.G.A. on our campus. “Stu-Gu Is You” was the main theme and a quadrangle sing, a candlelight service, a hula-hoop contest, a Wednesday assembly, and buzz sessions in the dorms were among the week’s activities.

During the year, the S.G.A. sponsored the selection of the Harvest Princess and the Apple Blossom Princess, the Major Student Organizations Tea, the annual Old Students-New Students Assembly and banquet, and brought Ralph Marterie and his band to campus for a concert.

Throughout the year our goals have been to strengthen school spirit on our campus; to have strong student council-student body communications and cooperation; and to help each student feel that she is the student government, that her suggestions, her interest, and her support are necessary.

STUDENT GOVERNMENT ASSOCIATION

Absent from picture: S. Brooks, J. Vought.
The Honor Tradition is a coveted heritage on Madison’s campus. Through the years, the Honor Council has grown stronger in its efforts of promoting the personal and group integrity of all students.

Elected representatives from the respective classes and the Men’s Student Government Organization serve as an impartial court in acting on violations of the Honor Code, and the Council also sees that all phases of the Code are explained to the students.

In September the Council helped to orientate the new students into the Honor Code through classes held in the dormitories. Soon after the classes an Honor Pledging Ceremony was held at which time each new student signed a pledge card, signifying an understanding of individual responsibility under our Honor System.

In November the Honor Council sponsored the second annual Honor Week. The activities of the week included buzz sessions in the dormitories, a mock trial, a Council meeting with certain faculty members and a Wednesday assembly presenting the presidents and representatives of Honor Courts of several other colleges of Virginia.

The student-chosen Honor Council continually strives to promote honor in every phase of a Madison student’s life.

HARRIET HAENSBERGER
President
The Men's Student Government Organization began its activities in the Fall of 1948. It was felt that the men students on campus were in need of an organized group by which they might integrate their activities and facilitate means of taking part in campus activities.

The objectives of the SGO are to promote better student-faculty relations, act as an intermediary between the administration and the men students, and to promote the general good will and welfare of the college and student body. Toward these objectives, the SGO has aimed to promote and support the well being of the men students at Madison.

The SGO has participated in various activities during the year, including the annual smoker (the stag party to which we look forward), Old-New Student Day and Assembly, Student Government Assembly, Men's SGO Annual Picnic, and various get-togethers of the Honor Council.

The SGO is very proud of its men and looks forward, with much enthusiasm, to the day when Madison will officially be co-ed.
Left to right: G. Pfoutz, Recording Secretary; L. Bohnert, Vice President; J. Buchanan, President; R. Miller, Treasurer; A. Strickler, Recorder of Points. Not pictured: G. Driver, Corresponding Secretary.

GOVERNMENT

President John Buchanan conducts a regular meeting of the Men's Student Government in Burrus Hall.
MEN'S STUDENT COURT

The Judicial branch of our self-government is our Student Court, which is composed of one freshman, two sophomores, two juniors, and four seniors including the chairman.

All faculty members and all students are privileged to prefer charges, submit reports, or request decisions or opinions before the Student Court concerning any matter within the court's jurisdiction. The Court is charged to hear and render decisions on breach of college rules, traditions, and social etiquette, as well as other problems or ideas which concern the men students. Also the Court cooperates with the Women's Student Government Association in cases concerning male and female students here at Madison.

Under the Constitution, the Court has the power to affix such punishment as it may deem justifiable upon any member of the Men's Student Government Organization found guilty. A vote of two-thirds of the Court shall be required for conviction.

All decisions of the Court are subject to the approval of the College Administration. If a decision of the Court is not satisfactory to the defendant, an appeal may be taken to the Faculty Judiciary Committee whose recommendation shall be submitted to the President of the college for final decision.

The Court is rather proud of the fact that it has had to convene very few times in the past few years and is very optimistic concerning the conduct of men students at Madison in the future.
YOUNG MEN'S CHRISTIAN ASSOCIATION

We, the members of this year's Y.M.C.A., have taken part in various religious activities on campus, such as Friday Chapel, cooperated with the Y.W.C.A. to give special programs and participated in the Men's Minstrel. Our sponsors, Dr. Chappell and Mr. Hanson, as well as Sonny Spinks, our president, and other officers, have promoted Christian fellowship among us.

To instill in every student of Madison College a belief in the true Christian life is the main purpose of the Y.W.C.A. To accomplish this, the "Y" sponsors such programs as Religious Emphasis Week, Friday Chapel and Sunday Vespers, Dorm Devotions, the Christmas Pageant, and the Thankgiving and Easter Sunrise services.

The "Y" Cabinet, composed of elected representatives from each class, also plans other activities through which closer relationships among the students are attained. The Big Sister-Little Sister program whereby freshmen are helped through those "trying first weeks" of school by the upperclassmen, the Halloween party which provides fun for all; the Christmas Kid party when presents are brought to give to needy children; and of course, the "Singspirations" we enjoy so much before the movies on Saturday nights — all of these play an important part in our campus life at Madison.

To promote Christian fellowship among the freshmen, the Junior "Y" was organized under the sponsorship of the Y.W.C.A. Cabinet. Activities for the freshman class are planned and programs and projects carried out through the year.

The Y.W.C.A. helps students to realize how important it is to develop spiritually.

Rev. Douglas Newman was the speaker for Religious Emphasis Week sponsored by the Y.W.C.A. In Tuesday assembly, he was introduced by Helen Warren, S.G.A. President.

Members of the "Y" Cabinet get together for an informal work session.

Junior "Y" officers, left to right: M. L. Saville, C. Picklesimer, J. Kent, President; A. L. Chilton, P. Ryerson.
Where may we cut campus? When may we wear bermudas? What are the dance regulations? The Standards Committee studied these questions and other campus regulations, making some adjustments, in order to have more efficiency and cooperation among the students and the Committee.

Standards promotes good conduct and appearance. Members of the Committee are always willing to answer any questions pertaining to the rules, and to urge students to submit suggestions that they feel would bring needed improvements.

The duty as well as the desire of every individual student is to contribute to the wholesome attitude and healthful spirit of living for which Madison's campus is known. Standing by, as a reminder and counselor, is the Standards Committee.

STANDARDS COMMITTEE

Many of the activities and duties of the members on the Social Committee of the Student Government Association here at Madison are relatively unknown by the students of the college. These duties and responsibilities include anything from polishing silver to planning for receptions or planning decorations for dances. The main purpose of this committee, however, is to provide the social experience necessary for the poised and attractive individual of today.

The Major Student Organizations Tea started the activities for the year. This tea is held annually in the early fall to enable all new students to become better acquainted with the faculty and the campus leaders. Because the Student Government Dance was cancelled, the Committee helped with the Ralph Marterie Concert. The Committee also assisted with teas after all home athletic activities throughout the school year.

During the spring the girls planned and decorated for the May Day Dance with the assistance of the German and Cotillion Dance Clubs. The members also helped with the Senior Dance and the Senior Reception at Hillcrest for the week-end of graduation.

The Social Committee members consider themselves quite fortunate in having such capable and cooperating advisers as Mrs. Wilkins, Mrs. Logan, and Mrs. Lincoln. These three ladies have always been willing to lend a helping hand in helping with the upholding of the social standards of the college.

SOCIAL COMMITTEE

In December of 1922, the Breeze came to Madison College; and since that time, it has continued to swirl over the campus carrying with it student opinion reflected as accurately as possible. The BREEZE has always had freedom in printing the news, but its chief purpose is to serve and be accepted by the student body.

Tuesday and Thursday nights are known as BREEZE nights among staff members and perhaps those living above the BREEZE room in Logan. These are the nights when amid cries of “This story has to go in, Who’s going to Doc’s, Where are the red pencils,” and the dreaded, inevitable “Here’s a hole that has to be filled,” comes a surprisingly well organized record of campus happenings. There is always an unending search for “something new” to print and a seemingly unattainable goal of no late copy. In spite of all the work that goes into making a newspaper and deadlines that must be met, the staff finds time each night for a coke break and an occasional party throughout the year.
Through the thirty-six years that the BREEZE has been on the campus, many new ideas have been incorporated into its publication. The annual Associated Collegiate Press Conference is one source of new ideas in newspaper writing. This year the BREEZE sent two representatives to Chicago to attend this conference.

After working on the BREEZE for a while, most of the staff becomes immune to such things as broken typewriters, glue all over the tables, waiting, waiting, waiting for one last story to come in, and even crawling in windows after being locked out of the dorm. In spite of all this, the word immune would be readily replaced with “loved” by all the trusty old staff members with printer’s ink in their veins.

MARILYN THOMAS
Business Manager

Left to right: J. Goehegan, V. Lynne, P. Davies.

Left to right: S. Staton, D. Cochran.
Staff members forget yearbook worries for one night to enjoy the Christmas party given by the editor.
Madison's yearbook enjoys the distinction of having been the first student publication issued at the college. Celebrating its fiftieth year, the SCHOOLMA'AM still maintains the purpose of preserving those memories — scenes and events and accomplishments — which have made the year significant.

The Editor-in-Chief and the Business Manager are elected in the annual school elections. Each of the four classes elects a representative to serve as class editor for its section. Other members of the staff are selected from members of the student body.

The SCHOOLMA'AM staff enjoyed working to produce a book they believed would be of high standards. They relinquished hours of their time to sketch layouts, write copy, solicit advertisements, and go with Allen Litten to make pictures. Cooperation and enthusiasm were exhibited in high form from September to March when the final deadline rolled around.

Each member of the SCHOOLMA'AM staff assumed her responsibilities and kept in mind the basic purpose of the yearbook — to serve as a resume of a year's events and accomplishments, a pictorial history, and a directory of acquaintances. They strove to reveal effectively all aspects of a year's life at Madison College.

SCHOOLMA'AM

Mrs. Coffman, advisor; Louise Brooking, co-editor; and Dr. Theodore, advisor, discuss the 1959 SCHOOLMA'AM.
The HANDBOOK is one of the school publications sent during the summer to all new and old students. This booklet contains not only the rules of the Student Government Organizations but also school songs, including the Alma Mater. In addition, the extra-curricular organizations and their functions are explained. THE HANDBOOK staff from the time of their election and appointments are kept busy securing ads from firms located in and around Harrisonburg and patronized by the college students. The staff also compiled general information for the HANDBOOK.

With the cooperation of the student body the Fire Safety Committee completed its fifty-first successful year at Madison College. This committee was composed of an appointed fire chief from each dormitory and was led by Nora Jane Roberts, campus Fire Chief.

A demonstration by the Harrisonburg Fire Department was given in the fall to inform us about the use of fire equipment, and correct procedures to follow. Each month a fire drill was given in the dormitories. A mass fire drill from the dining hall, a drill during assemblies, and a drill during regular class meetings reminded us of the importance of being constantly prepared.

The Junior Marshalls are appointed each year by the class officers of the Junior Class.

The Marshalls assist and direct all formal processions on such occasions as Convocations, Founder's Day and Graduation.

JUNIOR MARSHALLS

USHERS

The Ushers can be found at all programs which are held in Wilson Auditorium; the Community Concert series, the annual Glee Club concerts, or College Lyceum programs.

The Committee consists of representatives from each class. They assist guests with questions pertaining to the programs and seating arrangements.

In addition to serving the alumni and friends of Madison College, the Ushers have an opportunity to attend the varied programs.
The Bluestone Cotillion Club began its twenty-ninth year on campus by welcoming new members and presenting the annual cabaret dance in the fall.

Second semester was highlighted by goating and the Cotillion-German dance weekend held March 6 and 7, which included a Friday night cabaret dance, an informal concert Saturday afternoon, and the formal dance Saturday night. The officers of both dance clubs led the figure to the music provided by Billy Butterfield and his orchestra.

The year's events were completed with a spring picnic when the incoming officers made their official stand.

WILDA KESTERSON
President

Left to right: Sandra Redden, Eleanor Bush, Social Chairmen; Judy Bird, Treasurer; Annie Lee Jernigan, Secretary; Pat Bisoe, Reporter; Sharon Keith, Vice President; Janet Cook, Business Manager; Jackie Jeffress, Sergeant-at-Arms.
Left to right: Dr. and Mrs. Charles G. Caldwell, Dr. and Mrs. Glenn C. Smith, Advisors.

COTILLION CLUB MEMBERS

At the beginning of its twenty-seventh year on campus, the German Club welcomed into its membership twenty goats who displayed the crown and shield with the traditional G on them for the "goating" period. Following the fall goating, the cabaret dance, "Evening After Glow" presented in November set the mood for informality and enjoyment.

The Christmas party for all members was in December. New members were again initiated into the club in February just in time to help with the big dance week-end.

Highlighting the year was the German-Cotillion dance week-end held on March 6-7, which included a cabaret dance, afternoon band concert and a formal dance centered around the theme, "Symphony in Gold."

The German Club also assisted with the May Day and Commencement Dances. The year's events were completed with a spring picnic at which time the officers and advisors received gifts from the club, and all "good-byes" were said to the graduating German Club members.
GERMAN CLUB MEMBERS

Left to right: Mr. Thomas, W. Leigh, Dr. and Mrs. R. C. Dingledine, Advisors.
Kappa Delta Pi, a national society in education formally recognizes with membership those juniors and seniors who have met the national membership requirements of a scholarship grade above the upper quintile of the college and a certain number of completed semester hours in education. The members must indicate a continued interest in the field and manifest desirable personable habits and leadership attributes.

The theme for the year has been “The Cultural Aspects of Education.” The election of candidates for membership in October was followed by the tapping ceremony in assembly on Kappa Delta Pi Day in November. The evening program was provided by our counselor, Miss Gertrud Burau, who spoke on “The Enrichment of Education Through Music.” The initiation of new members in December was climaxed by a social and caroling. The new year brought us other interesting speakers. These speakers were Dr. Fred Schab, Miss Nancy Warlow, Exchange Professor from Wales, and several exchange students.
In February, Miss Burau and a delegation attended the Regional Conference of Kappa Delta Pi at Duke University. Their report was heard by the society in March following the exchange student party. Election of officers was held during the April meeting.

May brought the official closing of the 1958-59 school year with installation of officers and our traditional banquet. The society strove to carry out its purposes in the encouragement of high professional, intellectual, and personal standards and of recognition of outstanding contributions to education.

Sigma Phi Lambda is a local honor society for Madison College women students who have maintained a three-point average. The purpose of the society is to promote and maintain scholarship and to provide social experience.

The activities of the organization included programs given by such faculty members as Dr. Crystal Theodore and Miss Nancy Warlow. The freshmen students who were eligible for membership were tapped at a regular assembly in February. They were later installed at a regular meeting. The society is making plans to become associated with a national honor society in the near future. At Christmas the annual tea was given for freshmen students who had outstanding high school records and who could be considered prospective members of Sigma Phi Lambda.

Sigma Phi Lambda welcomes the opportunity to recognize students of outstanding scholastic ability.

CURIE SCIENCE CLUB

Each Curie Science member tries to further the progress of science as expressed in the motto, “On with Science.” In order to fulfill the motto, the club scheduled various activities. Talks were given by professors and students. In the fall, a formal initiation of the new members took place in the reception room of Converse Dormitory. A most interesting talk on Russian vs. American education was given at this time.
Stratford Players was first organized on Madison campus in 1917 as the Stratford Literary Society, for the purpose of studying drama. But theory without practice is as bare as an undressed stage, so this organization grew into the Stratford Drama Society and is now the Stratford Players.

Membership in Stratford is based largely on interest manifested through attending classes in various phases of production conducted by the members, doing backstage work and acting roles in plays. For each of these jobs, points are given which, when totaled to the magic number required, make one eligible for membership in Stratford. This year began with an active membership of twenty-five and more were added with the fall and spring goating.

---

THE STRATFORD
For their fall play, the Stratford Players presented “Chalk Garden.”

PLAYERS

The important impetus to the success of the group is the incomparable “Doc” Latimer, director, advisor, and hostess to the club.
There are two public productions given during the year. The fall production consisted of “Chalk Garden” by Enid Bagnold.
Utmost satisfaction has come to the Players this year through expressing dramatic interest and talent.

At the Christmas party, new members bob for apples to the enjoyment and applause of the old Stratford players.
PI OMEGA PI

Pi Omega Pi, a National Honorary Business Education Fraternity, aims to promote scholarship and high ethical standards, aid in civic betterment in colleges, and teach the ideal of service as the basis of all worthy enterprise.

Activities during the year included administering business placement tests to new students sponsoring a shorthand and typing contest for high school students, presenting an award to the sophomore business major with the highest average, and sponsoring a speaker in assembly.

First row: E. Raines, R. Miller, A. Benesek, President; Mrs. M. Coffman, Sponsor; S. Early, J. Bennett, M. Sec. Second row: Z. S. Dickerson, Jr., Mrs. Earlene A. Smith, L. Heilig, M. McManaway, S. Crickard, L. A. Sanders, R. Rucker, Dr. Raus M. Hanson.

ALPHA RHO DELTA

The purpose of Alpha Rho Delta is to create a greater understanding and appreciation among its members of the life, arts and cultures of ancient civilization and to present the relationship of this heritage to the present day. Many varied and interesting programs are presented by speakers, movies and discussion during the year.

EX LIBRIS CLUB

The Ex Libris Club enables prospective librarians, library assistants and those interested in library science to enjoy the companionship of fellow students with common interests. The club also attempts to interest others in library science and to impress upon them the pleasure and value of library use.

Each year the Club sponsors discussions, speakers, and field trips of special interest. Almost traditional are the Club's preparation of Christmas basket for a needy family and the annual spring picnic.

KAPPA PI

This year Kappa Pi National Art Fraternity established a chapter at Madison. Its purpose is to recognize students of artistic influence and ability and to provide a means whereby those recognized may share and promote interests not only with other members of Kappa Pi but with the entire community.

The Gamma Kappa chapter, which is the first Kappa Pi chapter in Virginia, was chartered by juniors and seniors, but in the second semester girls in the other classes who met the requirements were recognized.

Although a new organization on campus, it has been a busy one this year. After the official installation the first week in February, the members carried out projects and programs, among which were conducting the "Miss Madison" Contest and making posters and helping organizations on campus in need of the talents of the group.
ASSOCIATION FOR CHILDHOOD EDUCATION

The Association for Childhood Education is established to promote the interest of students enrolled in the elementary and dual curricula in the education of young children through exchange of ideas and experiences, and to better equip its members to uphold the standards of professional training.

In the fall, a formal initiation for the new members was held at Dr. Poindexter's home. Many interesting speakers, including a panel discussion of three officials from the Arlington schools, were sponsored by the A.C.E. Highlights of the year's activities were the annual banquet and the picnic at Rawley Springs.

The Future Business Leaders of America is nationally organized to promote the understanding of business procedures thus helping adapt the business student to his selected vocation.

A social get-together with the freshman business students was first on the Chapter's calendar. The other meetings presented informative programs by the members and special guests.

In April the Chapter had its annual Banquet and Installation of Officers for the coming year. A picnic in May climaxed the year's activities.
FRANCES SALE CLUB

The Frances Sale Club is composed of eighty students who are majoring or concentrating in home economics. The club was named in honor of the first home economics teacher at Madison. Its purposes are to further interest in homemaking, to obtain a stronger spirit of friendship and cooperation among home economics students, to give training in club leadership, and to provide professional development of home economics.

In November, the club was hostess to a workshop for the Virginia Home Economics College Clubs. At Christmas a party was held in the Home Management House at which time four children from the community were special guests. The Bridgewater Club members were guests at the February meeting. In the spring, representatives of the Club attended the Virginia Home Economics Association Convention in Roanoke.

First row: B. Dickerson, B. Hammack, President; A. di Zerega, Miss Rowe and Miss Sieg, Advisors. Second row: S. Coomes, W. Kesterson, G. Blair, M. Stowers.

MATH CLUB

The Mathematics Club, which is composed of Mathematics majors and minors, has as its purpose to maintain and foster an interest in mathematics on campus.

At monthly meetings, members present subjects of mathematical interest to the club.

Other activities of the Club included an initiation service and Christmas party in December and a visit to the home of Dr. and Mrs. Ikenberry in February.

AREA CLUBS

The Geographical Clubs were organized several years ago to meet the needs of students from the four areas: Southwestern Virginia, Richmond, Northern Virginia, and Norfolk. Their aims are to bring about a closer association among the students living in these areas, to facilitate holiday transportation arrangements, to be of assistance to prospective Madison students, and to promote social functions with other colleges having similar organizations. Membership is open to all students of the four areas wishing to participate in these activities.

The Executive Council, composed of the presidents and advisors of the individual clubs, serves as the coordinating body of these clubs.
LE CERCLE FRANCAIS

Le Cercle Francais attempts to create an understanding and an enjoyment of the French language, customs, and people for its members. It also tries to bring some knowledge of life in France to the other students on campus.

EL CLUB ESPANOL

El Club Espanol offers its members the opportunity of meeting informally and becoming familiar with the ways of life of Spanish-speaking people. Through the use of films and songs, participation in programs and by taking special trips, the Club has broadened its knowledge in the field of Spanish.
GRANDDAUGHTERS CLUB

In 1939 the Granddaughters’ Club was organized to cherish the traditions and memories of Madison as passed from Mother to Daughter.

The members participate each year in the Founder’s Day and Homecoming Exercises.

SESAME CLUB

“Sesame” means open door and we of the Sesame Club have tried to make our club just that. We welcome all women day-students into our club and we try to make the school year a more profitable year by working and playing together as an integral part of Madison College.

During the year we have a fall initiation at Riverwood, a Christmas party, and a spring picnic. There were many other activities for everyone.
THE ALUMNI ASSOCIATION

Congratulations, Seniors of 1959, and best wishes in every way. After Commencement, what then? You are going out from these College Halls to take your places as adults in an adult world, a fast growing, changing world. You will no longer be a student at Madison but you will always be an important part of our college family. We will be interested in you, and we hope you will continue to serve Madison and your fellow man wherever you are.

The Madison College Alumni Association was organized in 1911 by the first graduating class. Its purpose as expressed then and as it continues to be now is: to keep alive happy memories of campus living, to keep friends of college days in touch with each other, and to keep Madison in touch with you in order that she may continue to inspire and challenge you to right thinking, continuing growth and courageous living.

Our Alumni Association helps to serve the college, also, by interesting worthwhile students in matriculating at Madison, by establishing scholarships, by publicizing what Madison has to offer, and by endeavoring to build up fine public relations.

We have eight Madison Alumni Chapters in the State, one in Baltimore and one in Charleston, West Virginia. These groups have supported their Alma Mater in many different ways, and have enjoyed fine fellowship through common interests. If you are located in any one of these areas, we hope you will join one of these chapters.

Your Senior Class President will serve as your class agent. You will help her and help us tremendously if you will notify our Alumni Office promptly when any change of address or name occurs. An office is maintained on the campus where class lists, and alphabetical and area files are kept, and are available to everyone. From this office go out class letters, and twice a year an Alumni News Bulletin, containing news of the College and her Alumni.

Each person who has attended Madison for one year, or its equivalent, is eligible to become a member of the Madison College Alumni Association and is cordially invited to do so. Keep us informed as to your location and work, that we in turn may keep you informed about each other and your Alma Mater.

As you go out to take your place in the world’s work, you take with you something of Madison College, just as you have left something of yourself here. It is our earnest hope that through you the influence and contribution of our Alma Mater may continue to grow, and to instill principles of truth, righteousness and brotherhood in the lives of the future citizens of our nation.
The aim of the Recreation Council is to obtain recreational facilities for use by the students.

This year the council acquired television sets for the new dormitories and one for Jackson dormitory. Each dorm received new games and sleds. Also, they obtained a new ping pong table and equipment.

Out of the council’s funds came contributions to the May Day festivities and Christmas decorations for Alumnae Hall.

Left to right: C. Gratz, acting Treasurer; B. Mallery, Vice-President; N. Sydnor, President; D. Jones, Secretary.

All students are represented through their dormitory or some other organization. Requests are brought to the council by the representatives and are then considered. The council attempts to obtain these facilities most needed.

Recreation Council Advisors, Mrs. Wilkins and Miss Morrison, discuss the progress of the council this year.
Music majors and students who play for sheer enjoyment comprise the Madison College Concert Orchestra. This group contributes melodically to campus events, making appearances at traditional functions such as academic processions, convocations, and graduation.

During the second semester of each school year, the orchestra travels to various communities over the state and this year including the Washington-Maryland area, giving concerts for high schools and other local audiences. Among the concert orchestra’s program offerings are semiclassical and classical numbers as well as show tunes. One of the highlights of the year comes when the orchestra presents its annual concert in the spring for students and personnel of the college, its very favorite audience.

It is the hope of these Madison instrumentalists through their performances to share with others the pleasure and charm which music lends to life.

CONCERT

MR. HERBERT MARSHALL
Director
Left to right: J. Knapp, Concertmeistress; B. Linton, Librarian; P. Frith, Vice President; C. Phillippe, Treasurer; M. Stockdale, Secretary; J. Adams, Publicity Chairman.

ORCHESTRA

The Concert Choir, previously known as the Madison College Glee Club, has presented numerous concerts and programs during the past year. Under the direction of Dr. Lester Bucher, the Choir made its first appearance on campus by assisting in the Old Student-New Student Day Program.

Throughout the year the Choir participated in several of the college assemblies, one being just previous to the Easter vacation. At Christmas time the Concert Choir departed from the practice of a joint concert with a men’s glee club and presented a program consisting of a variety of Christmas music. The selections portrayed the Christmas story ranging from the serious to the jolly side of Christmas.

In the Spring they made a tour to several locations in nearby states. Other programs in which the Choir participated were the May Day Program, the Founder’s Day Program, and Senior Vespers. The members of the Concert Choir received satisfaction in knowing the essence of their contribution to the musical growth and pleasure of others as well as to themselves.

CONCERT CHOIR

The Madison College Wind Ensembles is a new organization formed from the old band; however, it is new in idea. Its purpose is to promote a deeper interest in music and love for it. The smaller groups allow for different, interesting and a fairly new type of music to be played. The smaller groups also allow room for more self-expression. High standards of musicianship are developed within each player.

Its activities include rehearsals once a week and a final concert at Anthony-Seeger Campus School.

Left to right: T. Warren, R. Fogle, President; M. Townsend, B. Tharpe.

MADISON COLLEGE WIND ENSEMBLES

MADRIGALS

The Madison College Madrigal Singers, who are in their sixth year, added some new faces, bringing the total to twenty-two members. The Madrigal Group concentrates mainly on the singing of Old English Madrigals and A Capella sacred music, but has branched out this year to include four-part secular music.

The group was busy singing for civic clubs, organizations, churches in the community, and participating in college activities.

Some highlights of the year were singing for state-wide conventions, the annual Christmas program at St. Stephens Church, representing the college on its Saturday morning television program, and a spring program.

Several members were a part of the Virginia College Choral Clinic in Richmond.

Left to right: J. Cook, Pianist; N. Wood, President; M. A. Davis, Vice-President; J. Setzer, Secretary-Treasurer; R. Fogle, Librarian.
MADISON COLLEGE CHORUS

The Madison College Chorus provides an outlet through group participation for those students who have a special interest in choral music. To be of service for campus functions is the primary aim of the organization.

The chorus took part in the Friday chapel programs by leading in hymn sings and rendering special music, and during the Christmas season helped to supply the music for the Christmas pageant.

DIAPASON CLUB

The Diapason Club, which is affiliated with the American Guild of Organists, has as its aim the fostering of musical interest, abilities, and appreciation on the campus especially in regard to organ music.

It is composed of Madison College Organ Students. The club members participate in student recitals, assist with church music, sponsor the appearance of musical artists, and take an annual trip. In recent years the group has visited the Moller Organ Factory in Hagerstown, Maryland, and has taken a tour to see some of the larger, outstanding organs in Washington, D.C.
Sigma Alpha Iota is a national women’s professional music fraternity, having as its purpose the upholding of the finest ideals of music education in America and foreign countries. Gamma Iota, Madison’s chapter, was formally installed December 7, 1958 by their “sisters” from Shenandoah Conservatory in Dayton. Assisting were the National Second Vice-President, Mrs. Ruble C. Gould, and the Province President, Mrs. Helen May. SAI presents a musicale each month to its members, advisors and patronesses. The chapter sponsored a recital given by Sally Best and Jo Ann Clark, and a reception for Jean Casadesus, a famous young pianist, who played at Madison on February 13. Students of music with a “C” average in academic subjects and a “B” average in music subjects are eligible.

SIGMA ALPHA IOTA

The Criterion Club is one of the newest organizations on campus. The club aims to give students an opportunity to discuss and to gain a deeper appreciation of the various fields of literature. Membership is extended to all students interested in poetry, drama, prose and creative writing. Highlights of the year included a trip to Charlottesville to see Katherine Anne Porter, author in residence at University of Virginia; a cultural exchange with foreign students; a trip to the Arena Stage in Washington to see three one-act plays; and the publication of the Chrysalis, the college’s literary magazine, in the spring.

CRITERION CLUB

First row: P. Tolley, A. Jernigan, P. Frith, President; Mrs. Fodaski, Advisor.
The Interfaith Council is composed of the presidents of the various religious groups on campus, their ministers, advisors, and the faculty advisors. The Council holds regular monthly meetings with the purpose of discussing and seeking to solve practical religious problems that might arise. Its primary function is to enrich the religious life on campus.

Included in the Council's activities for the year have been the religious preference registration held in the Fall, a monthly prayer in the Breeze, a carol sing in conjunction with the Y, the sponsorship of an assembly program, and other campus projects.

Left to right: C. Smith, S. Hull, C. Campbell, Dean Ruth Jones Wilkins, Advisor; P. Crockett, President; N. Gunter, Secretary; S. Lindsey, J. Snyder, M. Jones. Not pictured: B. Griffith, N. Moore, Dr. Hicks, Advisor.

INTERFAITH COUNCIL

LUTHERAN STUDENT ASSOCIATION

The Lutheran Student Association, a national organization, helps students attain a well-rounded college life through Christian study and fellowship.

Students were welcomed at Madison and Muhlenberg Church by a party given by members of the church. New students were extended a special welcome with a tea when they arrived.

The New Year began with a candlelight service. Programs also included exchange meetings with other groups on campus and the University of Virginia, a hymn sing, and spring retreat.
WESLEY FOUNDATION

Wesley Foundation is the Methodist Church at work on state college campus. Its membership is composed of Methodist and Methodist preference students.

Wesley Foundation is affiliated with the National Methodist Student Movement, which is one of 12 national agencies in the United Student Christian Council, which is the United States unit of the World's Student Christian Federation.

The objectives of the Wesley Foundation are to develop students in worship, creative recreation, wholesome friendships, intelligent churchmanship, ecumenical understanding and to promote religion in higher education.

The program for the year included studies on “The Life and Mission of the Church.” One outstanding project of the year was through the Methodist Student Fund. We contributed to Ewha College in Korea.

Interesting events of the year were the state conferences, Model United Nation Assembly and social events with other colleges.

WESTMINSTER FELLOWSHIP

The Westminster Fellowship is composed of Presbyterian students and those who wish to make the local church their church while at Madison. W.F. seeks to bring these students to a fuller knowledge of the Bible and Christ through Sunday School, inspirational programs and Christian fellowship together. Most of the year’s activities were planned by the council at their fall retreat on campus. Freshmen were welcomed by letters and visits from Presby Pals, and a reception held for them in Alumnae Hall.

W.F. enjoyed many interesting programs and activities throughout the year. The communion services in the prayer room, the scavenger hunt to collect food for a needy family, filling stockings to give six children a happy Christmas, and caroling at various homes in Harrisonburg have added to the meaning of the W.F. group activities. The spring brought the election and installation of officers for the coming year and the end of another year of W.F. activity at Madison.

Left to right: S. Wallace, Vice President; Mr. Randolph Harrison, Minister; S. Hull, President; Mr. Sam Shrum, Advisor; T. Grizzle, Treasurer; S. Bass, Secretary.
BAPTIST STUDENT UNION

Every Sunday evening the Episcopal students can be seen Canterbury-bound, for their weekly meeting at Emmanuel Episcopal Church. After supper cooked by several Canterburians, devotions are held and are followed by planned activities. One Sunday, Dr. Crystal Theodore spoke to us. Other speakers have been Miss Warlow and Nahid Beijan. One evening we were guests of Dr. Wells at the Planetarium, and on a cold Sunday last fall we met the boys from Randolph-Macon for a picnic on the Skyline Drive. St. Anne’s Home was our Christmas project. On one of the first spring weekends we went to Shrine Mont for a retreat. Madison sent representatives to both the Roslyn Conference and the Ecumenical Conference. The Banquet, with a most interesting clergyman as our speaker, was a high point of spring. Co-presidents Tuckie Campbell and Nancy C. Moore were influential in making this a successful year for Canterbury.

CANTERBURY CLUB

The Newman Club, a member of the Piedmont Province of the National Newman Club Federation, is organized for the spiritual, intellectual, and social welfare of the Catholic students on Madison's campus. Members strive together in achieving personal and group development.

The Newman Club meets regularly throughout the year, and among its activities have been a reception for new members in the Fall, a Day of Recollection, Communion Sundays, a carol sing, observance of Catholic Youth Week and Cardinal Newman Day, and other social and religious projects.

**NEWMAN CLUB**

**SCHWARZENAU CLUB**

The Schwarzenau Club is organized for students who are members of the Church of the Brethren. The aims are to foster a well-rounded spiritual, intellectual, and social program for all members.

The church gives a Welcoming Banquet each fall, at which each club member is given church parents. The club participates with the local and district Youth Fellowships.

During the year, the club sponsored a choral program at the church. An annual retreat at Rawley Springs was enjoyed by all.
STUDENT EDUCATION ASSOCIATION

The G. Tyler Miller chapter of the Student National Education Association was formed to give the opportunity for students to explore the opportunities of education as a career; to evaluate their own aptitudes, capabilities and interests as prospective professional educators; and to interest the most capable in education as a career. To acquaint students preparing to teach with the history, ethics, services, purposes, and accomplishments of the Virginia Education Association is another of its purposes.

Programs during the year included a movie, panel discussion by principals, superintendents, and supervisors on What is Expected of the Beginning Teacher, a speech “Education in Russia” by Dr. Lester Carper, and initiation of new members.

Highlights of the year included the Christmas party at which Santa visited ten underprivileged children; and the picnic before exams.
The Major Organizations tea gives the Freshmen an opportunity to meet the campus leaders.

One of the big events in the world of organizations is major elections.

During National Foreign Language Week, the French Club presented a play, “Les Deux Timides.”

Members of Sigma Phi Lambda entertain freshmen at their annual tea.
Themes for Rush parties change with the years but the Greek spirit remains the same.
Madison College Panhellenic denotes an organization of some three hundred and fifty Greek letter women easily recognized by white hats with sorority letters and a spirit of unity and friendship in maintaining the purpose of the Panhellenic Council. That purpose is to serve as a medium through which Madison sorority sisters may work together in promoting common interests and solving mutual problems.

The council is composed of three representatives from each sorority who must meet weekly to make plans and lead sorority affairs.

One of the biggest events this year was the organization of Madison's seventh sorority, Delta Tau Alpha, which will soon be affiliated with a National Panhellenic Group.

Fall rushing is perhaps the most important event for all sororities. Rushees, bids, meetings, open houses, exciting parties and anxious days of waiting — all were synonymous with the experience of fall rush. Then finally — the culmination and reward of these hurried weeks came when each rushee was greeted with tears and laughter by her chosen sisters.

"Fantasy in Frost" was the theme of Panhellenics' major social event, the Christmas dance. Reed Gym was decorated in hues of blue and white. The chairman of the council led the members in the formation of a huge snow flake and the letters NPC.

Panhellenic memories are many, including the visit of Mrs. Orlando Petrillo, Past National President of Theta Sigma Upsilon. Mrs. Petrillo was guest speaker for the Panhellenic sing when Zeta Tau Alpha received the Scholarship Cup for the highest scholastic average this year.
This philanthropic project of the council was to distribute a Christmas basket to a needy family. The council also contributed to the foreign student fund which will help a Madison student study abroad next year.

Spring rush with its traffic stopping activities was followed by the Panhellenic picnic. The annual auction was the highlight of the picnic.

Our banquet in the spring marked the official end of the year and past officials initiated the new — leaving them responsibilities and accomplished patterns to follow.
Members of Alpha Sigma Alpha proudly returned to Carter House in September bearing the National Efficiency Award. Joan Flora, sorority treasurer and convention representative related her experience to us. Beta Epsilon excelled with the election of three chapter members to national offices.

Toga clad sisters welcomed the Roman Rushees to the Temple of Alpha Sigma Alpha for an evening of entertainment in Latin.

In the campus scholarship competition the Alpha Sigs placed second for the Panhellenic Cup.

Beta Epsilon celebrated Founders’ Day with banquet at Belle Meade and a short commemorative program.

We filled our hearts with the real spirit of Christmas when we helped a needy family. Toys, food and clothes were given and the children were entertained by Santa’s elves at a party in Carter House.

After Christmas we had initiation and the enjoyable spring rush season. Also, we visited college camp for a fun-packed week-end.

Our Philanthropic project was completed as we sponsored the National Polio Drive on campus. With graduation of the class of ’59 new classes continue new activities and desired projects in Beta Epsilon.

ALPHA SIGMA ALPHA
September witnessed the return of Alpha Sigma Taus and Zirkle House once again rang out with fun and laughter.

Using their traditional “Carnival” theme, the Alpha Sigma Taus once again slipped into the disguises of fortune tellers, artists, and house haunters to present their big rush party. The following weekend everyone welcomed new pledges into the sisterhood. Also, there was the added joy of seeing many of the alumnae back.

National Founder’s Day was celebrated on November fourth at Shenandale by a banquet that was thoroughly enjoyed by the members, pledges, sponsor and alumnae representative.

At Christmas, members of Alpha Sigma Tau went to the County Farm to carol and take gifts to the residents. It was at this time that the true meaning of Christmas was felt. Afterwards we returned to the house for a small party.

During January, the pledges became official members of Alpha Sigma Tau and received their pins.

Spring rushing brought forth much merriment as we welcomed new pledges into the sorority. Local Founder’s Day was celebrated by a weekend trip to college camp. With the school term fast drawing to a close, the juniors gave the seniors a farewell breakfast.

We all had memories of an inspiring Alpha Sigma Tau year as June came.

ALPHA SIGMA TAU
Shenandoah House was again aglow with excitement when in September, the Pi Kapps returned.

Our first big event of the year was our “Rush Party.” “Come to the Mardi Gras” could be heard coming from Shenandoah as “The Mardi Gras” got under way. Basin Street was to be found in its true fashion. We welcomed fifteen new sisters into our sorority at the climax of “Rush.” Rush weekend found many alumnae returning to be with us on this happy occasion.

Christmas time came and our party was in honor of a needy family. Mrs. Johnson, our first sponsor, celebrated with us.

On November 17, Pi Kappa Sigma held the tradition founders banquet.

In the spring we welcomed more new sisters and were glad to see more alumnae sisters, too.

May was filled with events for us. First came May Day; then our annual trip to Riverwood, then came senior breakfast where each graduate was presented a gift.

June soon came and our seniors left with many unforgettable memories of Pi Kappa Sigma.

PI KAPPA SIGMA
With the coming of September Madison’s Tri Sigmas returned to campus eagerly and enthusiastically looking forward to the new school year.

Plans began at once for rush, and it wasn’t long before the sisters assisted their guests, passports in hand, aboard the “S. S. Sigma” for a world tour. The weekend of walking found Sprink House filled with visiting alumnae to help welcome 15 new pledges.

No sooner was the excitement of rush over when preparation began for inspection. Alpha Upsilon found the weekend, filled with conferences, a tea and coke party, a very rewarding and informative experience.

In an impressive annual ceremony Alpha Upsilon dedicated contributions to the Robbie Page Memorial, Sigma’s national social service project. On Halloween the sisters enjoyed giving a party for the children at the hospital and the Sigmas contributed clothes for an Indian school out West.

As Christmas approached the pledges conducted the Tuberculosis Association drive on campus, and they made scrapbooks for the children at the cerebral palsy clinic. Many Sigmas joined voices in singing Christmas songs to the children there. After caroling with the other sororities the pledges gave a Christmas party for the members, presenting them with personalized stockings filled with candy.

Spring brought new sisters to Sigma and Alpha Upsilon found fun and relaxation in a weekend visit to Camp Strawderman.

In April, Tri Sigma celebrated with a banquet, its sixty-first anniversary of Founder’s Day.

With the coming of June fond farewells were said to the graduating Seniors and Tri Sigma looked back on a happy, successful year.

SIGMA SIGMA SIGMA
The new school year brought with it renewed opportunity for service, friendship and fun to Theta Sigma Upsilon.

Messick House became a Convention Hotel for our rush party and we really bought some fine products at this Convention of Traveling Saleswomen Union.

December was a month to remember because we initiated our new members. The spirit of giving was carried out at Christmas when we made Christmas happier for a needy family. The new members entertained the old and presented a beautiful punch bowl and cups.

In the spring, Theta welcomed its new sisters in the rush and we also had our Annual Founder's Day banquet in March. The entertainment was provided by the spring pledges and a wonderful time was had by all.

A fitting break before exams was a weekend at College Camp. Everything seemed to happen at once after this, May Day, exams and finally graduation.

And as another year ended for the Thetas, the members will carry on the tradition of Theta sisterhood and add even more memories to be held in the heart of every Theta Sig.
"I Hear The Call of Zeta" was one of the first songs heard at our home in September when we once again returned to school.

Before we knew it, it was time for the "Rush Parties" again. Our theme, "Pajama Game" brought to our houses rushees in brightly clad PJ's. Eight new sisters were brought into the bonds of our fraternity at the climax of "Rush."

We were surprised and thrilled when once again the Scholarship Cup came to our house when it was awarded at the Panhellenic Sing.

Thanksgiving and Christmas found us preparing baskets of food and clothing for a needy family in this area. Our contributions to our National Funds and the drive for Cerebral Palsy were other service programs during the year.

January came and the Zetas dressed in white formals and held their traditional White Banquet in honor of our "new sisters."

Our Founder's Day breakfast, the tea for our patrons and patronesses, a social with Pi Kap, our spring weekend at college camp, the annual senior picnic and the weekend of spring rushing, are memories that will live in our hearts for many years.

When June came, the Seniors' college days came to an end but in coming years they will dream their "Zeta Memories" once more.

ZETA TAU ALPHA
This has been a fine year for the Sigma Delta Rho Fraternity. Due to the fine cooperation of the members, the fraternity has been able to accomplish many things.

Among the highlights of the year was the taking in of a wonderful group of new members. The initiation of these additions to the fraternity held fun for all, especially the old members.

Also during the year, the fraternity teamed up with the Y.M.C.A. and presented a minstrel which was enjoyed by all. The school year was topped off by the annual Sigma Delta Rho picnic at the College Camp.

As a whole, we the members, feel that this year will remain in our memories as one of the most successful in the history of our fraternity.
Madison's Deltas greeted the 1958-1959 session with excitement and anticipation. This was our first year to actually be organized. Dr. Mildred D. Hoyt, head of the reading clinic at Anthony-Seeger Campus School, was chosen as our sponsor. There is a lot of hard work connected with the chartering of a new sorority, but each girl has done more than her part and together we've had a successful year.

Our home is officially in Wayland basement, but we have had activities in nearly every available corner of the campus. Our thanks go out to everyone who has made it possible for us to have a “home away from home” for our sorority activities throughout the year.

The fall rush party was “Out of this World!” Rush weekend was climaxed when we welcomed ten new sisters.

Since this was our first year to participate in the Panhellenic Sing, we were very excited and proud to now be a part of the Panhellenic Council. We joined in the spirit of the sing by presenting two new songs, written by one of our sisters.

December was an important month for us. Our new pledges and advisor were initiated and the pledges gave us a Christmas party. Each girl brought a gift which was given to an underprivileged child.

Informal activities such as our slumber party on Alumnae floor, Saturday night suppers, and the weekend at the college camp will never be forgotten.

Today, as in the past, May Day is the big event on campus and no less excitement accompanies the selection of the Queen.
In recognition of their outstanding scholarship, leadership, and cooperation in educational and extra-curricular activities, these nineteen seniors were selected by a committee of students and faculty members to represent Madison College in the 1958-1959 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.

In receiving this highly coveted college award, these students gain recognition which will accompany them throughout their lives in any profession they may choose to follow. To be named to WHO'S WHO is a great honor, and these seniors are indeed worthy of this award.

What a sensation these girls would have caused if they had appeared dressed for sports like these 1959 students.
The Athletic Association is an organization composed of the student body. Each and every student at Madison is a member. The purpose of our Athletic Association is to encourage an interest in the athletic activities, to promote good sportsmanship, and to cultivate a spirit of cooperation and fellowship.

The Athletic Association cabinet consists of the president, vice-president, secretary, and treasurer, elected by the student body; class representatives, intramural and extramural coordinators. The council consists of the cabinet, presidents of Fencing, Mercury, Orchesis and Porpoise Clubs, all six intramural sports leaders, and extramural team managers.

The Intramural sports provide fun and relaxation for all as well as an opportunity for physical and social development.
ASSOCIATION

Getting to know the sport and the other people who participate in the program are more important than winning the game. The extramural program grows out of the intramurals to provide a more competitive game for the persons who are more highly skilled.

The Organization also sponsors the annual Chuck Wagon Party for the Freshman Class during Orientation Week and the traditional May Day Program that climaxes the year.

It is hoped that each student will realize that the Athletic Association and its program exists not only for the experts and majors in the field of physical education but also for each and every student of Madison College.
HOCKEY

Madison’s hockey season opened in September as the smack of hockey sticks were heard on the field. The hockey team schedule included Longwood, Bridgewater, Westhampton, Hollins and the Shenandoah Club. The climax of the season was the Blue Ridge Tournament played at Sweetbriar where the team played its finest hockey. The team was guided in its plays by Miss Soares, the coach.

Ellen Ashton, Captain; Patsy Dean, Manager.

MERCURY CLUB

The Mercury Club is a professional organization for physical education majors and minors. The club co-operates with the American Association for Health, Physical Education and Recreation, and other state and national education associations interested in the growth and development of children and adults.

For the annual banquet Dr. Nash, Head of the Department of Physical Education at New York University and noted author, was the guest speaker.
The extramural basketball squad this year started practice early in November for a season that ended in February.

Keen competition was met by the Duchesses during their games with Bridgewater, Sweetbriar, Longwood and Lynchburg. The team traveled to Richmond for their only away game with Westhampton.

The Duchesses are noted for their enthusiasm and high spirit. They owe much of this spirit to Miss Crawford who has spurred the team on with her excellent coaching.
The art of fencing, although a comparatively new sport on this campus, has a number of interested enthusiasts.

To develop skill in fencing requires speed, dexterity, co-ordination and a courteous attitude.

The Fencing Club members are most willing, under the sponsorship of Dr. Caroline Sinclair, to instruct interested persons in the individual skills demanded in foil fencing.

A schedule in March has been set for meets with William and Mary and Mary Washington College.

The purpose of this organization is to allow fencing fans to further develop their skills in regular competition.
THE PORPOISE CLUB

The Porpoise Club was organized in 1939 by 25 girls who wanted to improve their swimming ability. This is still a goal of the club plus a greater interest in safety in water sports. “Fantasy Land” was the theme used by the Porpoise Club for their annual water show. Much work in swimming and decorating is done by the members for this show. The officers are Susan Matthews, President; Totsy Anderson, Vice-President; Helen Sullivan, Secretary; and Sallyann Lawrence, Treasurer. Miss Morrison is their able sponsor.

Members of Porpoise spend many long hours of practice in the pool.
Orchesis members work hard to perfect the routines for their annual dance recital.

**ORCHESIS**

Orchesis, the Madison modern dance group, is organized for all those who wish to do creative and performing work in dance. Members are selected on the basis of superiority of performance, interest in composition, and co-operative spirit.

Orchesis, accompanied by the Madrigals, took part in the Y Christmas pageant. In February, the club participated in Virginia's Fine Arts Festival performed at the Museum of Fine Arts in Richmond. Five members participated in the Fine Arts Forum at the Woman's College, University of North Carolina, in March, and another group went to the Physical Education State Convention to give a lecture demonstration program.

An active game of hockey is enjoyed by students taking time out of their busy study schedule.

J. Fisher, B. Cerry, N. Wehrheim, and E. Walker prepare for a brisk round of archery.

INTRAMURAL

Lacross, a relatively new game on Madison's campus, has many followers.
Teams, preparing for the intramural basketball tournament, practice their skills.

SPORTS

P. Tolley, K. Rogers, M. Hall, V. Goetz, and S. Bundy learn the Cha-Cha through the intramural dance program.

J. Brinkley, A. Woody, N. Condiff, and J. Wade enjoy a game of table tennis — a favorite in the intramural program.
MEN'S BASKETBALL

This year the Madison Dukes, composed mainly of Juniors and Sophomores, were a squad of twelve, who made a creditable showing. The team was essentially a volunteer group who liked the game and desired to have Madison College represented in intercollegiate competition by a men's basketball team.

The team consisted of John Peters, Dick Ely, Mike Whitmire, Dick Dovel, Kenny Frank, Bruce Leffel, Morrill Price, Fred Zerkle, Chester Bradfield, and Bill Diehl. Also seeing action were Jim Reilly and Sheldon Layman.

Since most of these players were underclassmen, the Dukes are already planning for next year, and are eagerly anticipating a winning streak!

John Peters sets pace with his jump shot.

Hail the mighty Pyramid.
Sink or swim, the float must be learned.
Tumbling is good for the back.
Where did the ball go?

Shall we have an evening of dance.
Side - two - three - four!
Get set, ready, go!
Fifty years of progress, growth, and change have not been limited to Madison but have been shared by our patrons and friends as well.

The girl, the men, and the atom

One of the happiest girls in the world is Joyce Myron, 18-year-old college student of Drexel Institute of Technology. She is known across America for her triumphs on TV’s “$64,000 Question,” where she brilliantly answered questions about the new science of atomic energy. And she has interested millions in the exciting promise of the peaceful atom.

This picture shows Joyce at the scene of one of her TV appearances, an atomic-electric power plant near San Francisco—the first completed among several now being planned and built by electric light and power companies and equipment manufacturers.

With Joyce are engineers and scientists who run the plant and the nearby atomic laboratory. Most are only a few years older than Joyce—members of the new generation that is unlocking the secrets of atomic energy.

We salute Joyce Myron and the other young atomic scientists and engineers. Theirs is the privilege of putting the atom to work—for power, for healing, and for other and still unknown services to mankind.

Joyce Myron photographed in front of the California atomic-electric power plant built by Pacific Gas & Electric Company and General Electric. With her are some of the men who operate the plant and the G-E Vallecitos Atomic Laboratory, site of the plant.

VIRGINIA ELECTRIC AND POWER COMPANY
A beautiful sight are the new additions to the campus. We hope that we may share in your pride of these new landmarks dedicated in the honor of higher education.

### STUDENT DIRECTORY

| 250 |
As we of the '59 SCHOOLMA'AM Staff present our yearbook we offer congratulations and best wishes to “Liz” Dawson and Pattie Lou Jernigan. The task awaiting you is a tremendous one which will require much thought, hard work and long hours. To you and your staff has been given the honor and responsibility of preserving for the student body the events of this year and the traditions of our Alma Mater. Ever keep as your ideal the thought that this book will remain long after other mementos have been lost or forgotten. Make it serve as a complete and nostalgic memory book of those things which make up life at Madison.
