The 1960 Schoolma'am
Presenting a Year of Colorful Memories
Beginning their year of colorful memories, freshmen come prepared for most anything.

We will remember the weekly walk from fourth period class to Wednesday assembly.
T.B. — or not T.B.? — That is the first question of each fall term.

Handbook tests prepare freshmen for their colorful new world.

The first S.G.A. dance of the season is the melting pot for all new dance steps.

Schoolma'am

ELIZABETH DAWSON, Editor
PATTIE LOU JERNIGAN, Bus. Mgr.
DR. CRYSTAL THEODORE,
MRS. MONA COFFMAN, Advisors
Madison College will hold many fond memories for all who have entered its gates — warm memories of sharing our time, our thoughts, and our talent. Senior girls will remember entertaining friends in Home Management House while all of us will remember sharing ideas and abilities.
Colorful memories are lasting memories — and lasting memories are those insignificant things which make college what it is. Living with friends, learning to accept our college environment, and checking the mailbox three times a day are small things never to be forgotten.
Dignified memories are memories of pride. New buildings, including our new Infirmary, a visit by Governor J. Lindsey Almond, stately Wilson Hall, banquets, ceremonies such as Old Student-New Student Day, and formal teas — add prestige to our memories.
Also among our memories are those events of a serious nature. Going to church each Sunday, preparing for emergencies, and formally meeting the administration for the first time are important events in our college life.
Our memories could not be complete without remembrance of our foremost purpose — learning. From the time of our first registration until the time when we become Alumnae, our classes play a most important role in our life.
Foreword

Nineteen hundred and sixty, “a year of colorful memories,” brings to Madison College its fifty-first yearbook — The 1960 SCHOOLMA’AM.

Madison will hold many memories for all of us — memories of sharing our work and play, memories of those insignificant events which we hold so dear, memories of those “great” moments when dignitaries and celebrities visited our campus, memories of serious moments, and memories of obtaining our store of knowledge. These are memories which will always have a special place in our hearts, because they are our college memories.

The 1960 SCHOOLMA’AM hopes to help keep these colorful memories alive and ever dear to all of us.

With these thoughts in mind, we proudly present to you, the students, the 1960 SCHOOLMA’AM.
We Dedicate

The fifty-first graduating class of Madison College takes pleasure in dedicating its yearbook to two people who, as man and wife, have contributed their services so generously to the growth of our school.

To a friendly and warm-hearted woman, we are grateful for the loyalty and interest which she has shown in our class.

To a man of fine character and creative ability, we feel enriched by his support and guidance in our class activities. By the application of his musical talent and ingenuity, he has been instrumental in the advancement of musical participation and enjoyment on this campus.

We owe much, but can give little, except our admiration for two people who have devoted their lives to each other and whose personalities are reflected in all that they do.

We, the Class of 1960, are proud and honored to dedicate our SCHOOLMA'AM to DR. and MRS. LESTER S. BUCHER.
Administration
The faculty will hold a spot among our warmest memories. We will remember their close relationship with us and with each other.

A Message
from the President

The year 1959-60 marks for Madison College the beginning of another half-century of service in providing opportunities for higher education to the citizens of our beloved Commonwealth and other States as well. We can look back with justifiable pride to the achievements of Madison during the past fifty years. Indeed many notable accomplishments have taken place during this era, but we must not dwell too much on the past. Instead, we must maintain a forward look in planning and working toward even greater progress and service during the next half-century. As the College continues to grow in enrollment and in the expansion of its physical plant, it must make sure that it also grows in developing and improving the instructional program for an increasing number of undergraduate and graduate students. I am convinced that during 1959-60, with the support and cooperation of the administrative staff, faculty, and students, significant advances have been made toward these desirable goals.

You, as students, have contributed to the successful operation of our College this year. I sincerely appreciate the good citizenship and cooperation on the part of most of the members of our student body. I am grateful to the leaders of the Student Government Association and the Honor Council and also to the other student officers and their respective councils for the leadership and direction they have given to the student community and to the particular organizations they serve.

Especially do I wish to commend the loyal and outstanding leadership of the Senior Class. As alumni, you will continue as important members of “The Madison College Family,” and I hope that years hence you will look back on your days at Madison with fondness, with nostalgia, and with pride in what you learned here. This 1960 edition of THE SCHOOLMA'AM will help to evoke these emotions as it has captured the people and events of a certain time and place that will always have a special significance for you. I trust that you will demonstrate your concern and attachment for your Alma Mater and that Madison College may look forward to your continued interest and support. On behalf of the administration, faculty, and underclassmen, I extend to each of you our special congratulations and best wishes for future happiness and success.

I hope that you, who are the members of the present junior, sophomore, and freshman classes, will continue at Madison until graduation. Let me assure those of you who expect to return that I shall look forward with much pleasure to the privilege of working and associating more closely with you as you assume increasing responsibilities as students here.

Sincerely

G. Tyler Miller

At Madison College students have the opportunity to develop vocational skills as well as the supplementary subject matter relating this skill to the social and cultural environment. The SOCIAL SCIENTIST, whether he is an economist, geographer, historian, political scientist, or sociologists, contributes to the understanding of human behavior by his unique focus. To be a HOME ECONOMIST, whether you wish to teach in school, work in a hospital, or assume the responsibilities of effective family living, instrumental skills have little meaning unless seen in the large complex of interpersonal relations. Likewise in BUSINESS EDUCATION, skills in typing or office management, accounting and bookkeeping become meaningful when viewed as one aspect of office or factory which in turn is part of the larger social and economic system. The LIBRARIAN must be trained in skills essential to professional competence. Librarians work with colleagues whose joint responsibility is to serve the needs of a particular school or community.

By the consistent and systematic coordination of the resources of the Department of Business Education, Geography, Home Economics, Library Science, and Social Science the student at Madison College is able to combine skill with knowledge. (• indicates Representative to the Education Department.)
The Division of Teacher Education

The Division of Teacher Education has the responsibility of administering those programs of the College which are designed for students who are preparing to teach. This Division includes all members of the faculty teaching courses in education and psychology; those directing or supervising the laboratory school experiences; and representatives from each department of the College offering a major or minor or field of concentration in the preparation of teachers. (These representatives and field supervisors are pictured in their respective departments.)

A look at

“SPRECHEN SIE DEUTSCH?”

Busy, busy, busy day!

But, Mr. Dickerson, where are your books?

“Ah, this is the life . . .”

Books, books, and more books.

Which male is the Professor?
“It’s them things we think’s for sho’ that ain’t so.”

Ummmm — Um good!

“The topic for today is not history—”

“There is more to this than meets the eye.”

“Now girls, let me see your lunge.”

“I’m glad I don’t have to grade papers!”
Academics
Foremost among our memories of Madison, are those of a serious nature — memories of our primary purpose, learning.
Students interested in teaching at both elementary and secondary levels are enrolled in Curriculum Y-B.S. Student teaching at either level is offered. Emphasis in this course is placed upon understanding children and their nature of learning.

Students who wish to teach in the elementary schools are enrolled in Curriculum I. Student teaching experience is provided for at each grade level.
The B.A. Curriculum in Secondary Education places emphasis on English, Social Science, and foreign languages. It is a four year course.

The B.S. prepares students for teaching science, mathematics, or physical education.

Learning correct English.

Cutting up of frogs.
CURRICULUM IV
B. S. IN HOME ECONOMICS EDUCATION

CURRICULUM V
B. S. IN BUSINESS EDUCATION

Students completing Curriculum IV are qualified to teach home economics in high school.

Majors in Curriculum V are able to either teach business or be employed in business offices.

Learning to be a better seamstress.

Taking dictation — hard and fast.
CURRICULUM VI
BACHELOR OF MUSIC EDUCATION

CURRICULUM VII
B. A. LIBERAL ARTS

Majors in Curriculum VI are able to teach vocal or instrumental music in public schools.

Curriculum VII allows those students not interested in teaching to secure academic training equivalent to that offered in a liberal arts college.

Learning to play better.

Making objects.
Pre-Medical and Pre-Dental students are enrolled in Curriculum VIII which enables students to prepare for graduate work in the field of science.

It is a four year course for those interested in the field of Medical Technology.

Lectures are not always serious.

Experiments for Chemistry.
CURRICULUM IX  
B. S. IN INSTITUTIONAL MANAGEMENT  
CURRICULUM X  
B. S. IN GENERAL HOME ECONOMICS

After a year of internship in a hospital approved by the American Dietetics Association, graduates of Curriculum IX embark on their careers as dietitians or Food Administrators.

Graduating students in Curriculum X are prepared for general homemaking plus a great variety of positions in other home economics fields. Demonstration work, fashion design, and journalism are only a few of the diversified occupations available to students upon the completion of study in this area.

Food for thought.

Training in the Dining Hall Kitchen is a requirement for all dietetics major.
CURRICULUM XI
B. S. IN BUSINESS
CURRICULUM XII
BACHELOR OF MUSIC

Curriculum XI is for those students who are interested in becoming secretaries, office managers, bookkeepers, or accountants. This is not an education course.

This curriculum is designed for students with outstanding musical ability. It provides a basis for graduate work.

Smile while you work.

Practicing music.
Duets for the talented.

Trying to shorten daily work.

Learning the fundamentals.

Afternoon tea.

Painting for fun.

Gaining knowledge.
Classes
Memories of classmates and friends are those which will remain closest to us through the years.
Our Class Day speaker was terrific.

A memorable day!

The Seniors like economy.

A star in the night!

Our caps at last!

I mean — Big D!
The spirit of the Class of ’60 blazed high in our last eventful year. Spraks of unity were evident the first time we joyously donned our academic gowns and then when we proudly became official seniors in the Capping Ceremony. This was followed by our final ’60 production, “A Star in the Night.”

Spring brought May Day, Moving-Up Day, and Graduation week-end with its many activities. Finally, we received our long anticipated and cherished degrees, as we locked in our hearts the work, play, tears, and laughter shared together at Madison. To you we leave our heritage and a special gift, the “Spirit of the Class of ’60” . . . . guard it well.

The class of '63, new and inexperienced, started its first year at Madison a little hesitant and unsure. They soon learned that there was much to be done and to be learned. To lead them through their year of many first, the class chose Bee Stockdale. After working and experimenting, the class soon proved its true spirit and is now a well organized part of our campus. We expect to hear even more from them in years to come.

What do you mean, we missed the exam?

A toast to the food from home!
Organizations
Memories of co-operation, hard work, and warm rewards are a vital part of our life at Madison College.
Madison’s yearbook enjoys the distinction of having been the first student publication issued at the college. Celebrating its fifty-first year, the SCHOOLMA'AM still maintains the purpose of preserving those memories — scenes and events and accomplishments — which have made the year significant.

The Editor-in-Chief and Business Manager are elected in the yearly school elections. Each of the four classes elects a representative to serve as class editor for its section. Other members of the staff are selected from members of the student body.

The SCHOOLMA'AM staff enjoyed working to produce a book they believed would be of high standards. They relinquished hours of their time to sketch layouts, write copy, solicit advertisements, and go with Allen Litten to take pictures. Cooperation and enthusiasm were exhibited in high form from September to March when the final deadline rolled around.

Each member of the SCHOOLMA'AM staff assumed her responsibilities and kept in mind the basic purpose of the yearbook to serve as a resume of a year's events and accomplishments, a pictorial history, and a directory of acquaintances. They strove to reveal effectively all aspects of a year's life at Madison College.

Mrs. Coffman
and Dr. Theodore, Advisors.

The Schoolma'am staff enjoys a Christmas party each year.
In December of 1922, the BREEZE came to Madison College; and since that time, it has continued to swirl over the campus, carrying with it student opinion reflected as accurately as possible. The BREEZE has always had freedom in printing the news, but its chief purpose is to serve and be accepted by the student body.

Tuesday and Thursday nights are known as BREEZE nights among staff members and perhaps those living above the BREEZE room in Logan. These are the nights when amid cries of “This story has to go in. Who’s going to Doc’s, Where are the red pencils,” and the dreaded, inevitable “Here’s a hole that has to be filled,” comes a surprisingly well organized record of campus happenings. There is always an unending search for “something new” to print and a seemingly unattainable goal of no late copy. In spite of all the work that goes into making a newspaper and deadlines that must be met, the staff finds time each night for a coke break and an occasional party throughout the year.

After working on the BREEZE for a while, most of the staff becomes immune to such things as broken typewriters, glue all over the tables, waiting, waiting, waiting for one last story to come in, and even crawling in windows after being locked out of the dorm. In spite of all this, the word immune would be readily replaced with “loved” by all the trusty old staff members with printer’s ink in their veins.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is the major student organization to which every student who matriculates at Madison College belongs. The Student Council, composed of elected and class representatives, forms the nucleus through which students gain experience in the privilege of self-government. It is in this council that projects and problems in the interest of the student body are discussed.

This year began with a retreat at Riverwood at which time we set our goals for the '59-'60 session.

The first week in October was designated as Student Government Week with the hope that through activities and programs we could better acquaint the student body with the work and purposes of the S.G.A. on our campus. “Stu-Gu Is You” was the main theme and a quadrangle sing, a candlelight service, a Wednesday assembly, and buzz sessions in the dorms were among the week’s activities.

During the year, the S.G.A. sponsored the selection of the Harvest Princess and the Apple Blossom Princess, the Major Student Organizations Tea, and the annual Old Students-New Students Assembly and banquet.

Throughout the year our goals have been to strengthen school spirit on our campus; to have strong student council-student body communications and cooperation; and to help each student feel that she is the student government, that her suggestions, her interest, and her support are necessary.

HONOR COUNCIL

The Honor Tradition is a coveted heritage on Madison's campus. Through the years, the Honor Council had grown stronger in its efforts of promoting the personal and group integrity of all students.

Elected representatives from the respective classes and the Men's Student Government Organization serve as an impartial court in acting on violations of the Honor Code, and the Council also sees that all phases of the Code are explained to the students.

In September the Council helped to orientate the new students into the Honor Code through classes held in the dormitories. Soon after the classes an Honor Pledging Ceremony was held at which time each new student signed a pledge card, signifying an understanding of individual responsibility under our Honor System.

In November the Honor Council sponsored the third annual Honor Week. The activities of the week included buzz sessions in the dormitories, a mock trial, a Council meeting with certain faculty members and a Wednesday assembly presenting members of the Madison College student body who served on a panel discussion.

The student-chosen Honor Council continually strives to promote honor in every phase of a Madison student's life.

The Men’s Student Government Organization began its activities in the fall of 1948. It was felt that the men students on campus were in need of an organized group by which they might integrate their activities and facilitate means of taking part in campus activities.

The objectives of the SGO are to promote better student-faculty relations, act as an intermediary between the administration and the men students, and to promote the general good will and welfare of the college and student body. Toward these objectives, the SGO has aimed to promote and support the well-being of the men students at Madison.

The SGO has participated in various activities during the year, including the annual smoker (the stag party we look forward to each year), Old-New Student Day and Assembly, Student Government Assembly, Men’s SGO Annual Picnic, and various other get-togethers.

The SGO is very proud of its men and looks forward with much enthusiasm to the day when Madison will officially be co-ed.
GOVERNMENT

Men gather in the Day Room for a few hands of “Hearts” before class on Saturday morning.

Regular meeting of the Men's SGO held in Burrus lecture room under the leadership of William Wright, President.
MEN'S STUDENT COURT

The Judicial Branch of our self-government is our Student Court, which is composed of one freshman, two sophomores, two juniors, and four seniors, including the chairman.

All faculty members and all students are privileged to prefer charges, submit reports, or request decisions or opinions before the Student Court concerning any matter within the Court's jurisdiction. The Court is charged to hear and render decisions on breach of college rules, traditions, and social etiquette, as well as other problems or ideas which concern the men students. Also, the Court cooperates with the Women's Student Government Association in cases concerning male and female students here at Madison.

Under the Constitution, the Court has the power to affix such punishment as it may deem justifiable upon any member of the Men's Student Government Organization found guilty. A vote of two-thirds of the Court shall be required for conviction.

All decisions of the Court are subject to the approval of the College Administration. If a decision of the Court is not satisfactory to the defendant, an appeal may be taken to the Faculty Judiciary Committee whose recommendation shall be submitted to the President of the college for final decision.

The Court is rather proud of the fact that it has had to convene very few times in the past few years and is very optimistic concerning the conduct of men students at Madison in the future.
YOUNG MEN'S CHRISTIAN ASSOCIATION

We like to think of the YMCA as an organization existing primarily to “help others help themselves.” This theme has proven most successful this year, for the “Y” has engaged in many worthwhile activities, on and off the campus. Among these were Friday Chapel, Christmas gifts for underprivileged children of the area, attendance at the Southern Area Council in Atlanta, Georgia, participation in the Christmas Pageant, and numerous activities with the YWCA.

Having one of the largest memberships in its history, the YMCA is proud that the men students and faculty of Madison College find it just and rewarding to support a fellowship for the purpose of developing Christian personality and building a Christian society.

First row: Mr. Hanson, R. Hull, J. Braden, R. Crabill, S. Outen, D. Hooke, J. Zirkle, G. Pfoutz, A. Finks.
YOUNG WOMEN’S CHRISTIAN ASSOCIATION

The YWCA endeavors to lead each student into a richer college life through a belief in the Christian life, and the importance of a Christian character. To accomplish this, the “Y” sponsors such programs as Religious Emphasis Week, Friday Chapel, Sunday Vespers, Dorm Devotions, the Thanksgiving and Easter services, and the Christmas Pageant.

The “Y” Cabinet, composed of elected representatives from each class, also plans other activities through which closer relationships among the students are attained. The Big Sister-Little Sister program whereby freshmen are helped through those “trying first weeks” of school by the upperclassmen, the Halloween party which provides fun for all, the Christmas Kid party when presents are brought to give to needy children, Singspiration before the movies on Saturday night, and our column, “Y Ways, Come Along” which appears in the BREEZE each week — all of these play an important part in our campus life at Madison.

“Y” members are encouraged to active membership through volunteering their services in the area of their choice. In this way each member is a vital part of the “Y’s” activities.

Reverend Malmborg leads students in a buzz session.
First row: M. Jones, E. Witcher, B. Clark, B. King.

The Christmas Pageant is one of the biggest undertakings of the Y.W.C.A.
Where may we cut campus? When may we wear bermudas? What are the dance regulations? The Standards Committee studied these questions and other campus regulations, making some adjustments, in order to have more efficiency and cooperation among the students and the Committee.

Standards promotes good conduct and appearance. Members of the Committee are always willing to answer any questions pertaining to the rules, and to urge students to submit suggestions that they feel would bring needed improvements.

The duty as well as the desire of every individual student is to contribute to the wholesome attitude and healthful spirit of living for which Madison’s campus is known. Standing by as a reminder and counselor, is the Standards Committee.

CAROLYN NICHOLSON
President
SOCIAL COMMITTEE

Many of the activities and duties of the members on the Social Committee of the Student Government Association here at Madison are relatively unknown by the students of the college. These duties and responsibilities include anything from polishing silver to planning for receptions or planning decorations for dances. The main purpose of this committee, however, is to provide the social experience necessary for the poised and attractive individual of today.

The Major Student Organizations Tea started the activities for the year. This tea is held annually in the early fall to enable all new students to become better acquainted with the faculty and the campus leaders. The Student Government Dance, “Hawaiian Isle,” was the opening dance of the year.

During the spring the girls planned and decorated for the May Day Dance with the assistance of the German and Cotillion Dance Clubs. The members also helped with the Senior Dance and the Senior Reception at Hillcrest for the week-end of graduation.

The Social Committee members consider themselves quite fortunate in having such capable and cooperating advisers as Mrs. W. Elliot Wilkins, Mrs. E. R. Lincoln, and Mrs. B. S. Yancey. These three ladies have always been willing to lend a helping hand with the upholding of the social standards of the college.

JUDY SHRECKHISE
Chairman
THE HANDBOOK

The Student Government Handbook is compiled in the spring for the following school year. The main purpose of the Handbook is to present student regulations, but it also has such beneficial features as the campus map and the Alma Mater. Honor Council, Student Government Organization, which is the men students' governing body, clubs, honor societies, and sororities are represented in the Handbook. This year, for the first time at Madison, a Student Directory, containing each student's home address and school box number, has been published. The Handbook is financed by student organizations and local merchants.

FIRE SAFETY COMMITTEE

With the cooperation of the student body, the Fire Safety Committee completed its fifty-second successful year at Madison College. This committee was composed of an appointed fire chief from each dormitory and was led by Rosemary Jefferson, campus Fire Chief.

A demonstration by the Harrisonburg Fire Department was given in the fall to inform us about the use of fire equipment, and correct procedures to follow. Each month a fire drill was given in the dormitories. A mass fire drill from the dining hall, a drill during assemblies, and a drill during regular class meetings reminded us of the importance of being constantly prepared.
The Junior Marshalls are appointed each year by the class officers of the Junior Class.

The Marshalls assist and direct all formal processions on such occasions as Convocations, Founder's Day and Graduation.

The Ushers can be found at all programs which are held in Wilson Auditorium: the Community Concert series, the annual Glee Club concerts, or College Lyceum programs.

The Committee consists of representatives from each class. They assist guests with questions pertaining to the programs and seating arrangements.

In addition to serving the alumni and friends of Madison College, the Ushers have an opportunity to attend the varied programs.
The Bluestone Cotillion Club began its thirtieth year on campus by receiving forty-three goats into the club membership. The goating period extended for a period of two days with the wearing of blue skirts and sweaters displaying the Cotillion banner and the pointed hat.

The initiation for new members of the club was held in December. A Christmas party was held following this initiation.

More goats were initiated into the Cotillion Club during the second semester. These new members were initiated directly prior to our Cotillion-German formal dance weekend held on March fourth and fifth. The weekend festivities included a cabaret dance on Friday night, an informal concert Saturday afternoon, and the conclusion of the weekend was the formal dance on Saturday night.

Lester Lanin and his orchestra provided the music for the Saturday night dance.

In addition to sponsoring the mid-winter dances and the fall cabaret dance, the Cotillion Club also assisted with the May Day festivities and the Commencement dances.

The events of the year ended with a spring picnic at which time the graduating senior members of the club said their farewells to the advisors and members of the club. The incoming officers took their official stand at this meeting and prepared to begin work on the next year’s program.

GERMAN CLUB

As a beginning to its twenty-eighth year on campus, the German Club sponsored a cabaret dance held October 31; it was appropriately entitled “Witch Craft.”

The club welcomed thirty-three new goats into the club in November. These goats proudly displayed their crown and shield, encrusted with the traditional “G.”

Both old and new members attended a very interesting Christmas party which concluded the year 1959.

The German-Cotillion dance weekend was, however, the highlight of the year. The cabaret dance, the afternoon band concert, and the formal dance were greatly looked forward to, and it was at the formal dance that the officers of the club and their escorts participated in the traditional figure.

Among other activities in which the club participated were the May Day festivities, the Commencement dances, and a spring picnic.

STRATFORD PLAYERS

Stratford Players was first organized on Madison's Campus in 1917 as the Stratford Literary Society for the purpose of studying drama. But theory without practice is as bare as an undressed stage, so this organization grew into the Stratford Drama Society and is now the Stratford Players.

Membership in Stratford is based largely on interest manifested through attending classes in various phases of production conducted by the members. After attending these classes, the members of the club begin doing back-stage work, and acting roles in plays. For each of these jobs, points are given which, when they total the magic number of seventy-five, make one eligible for membership in Stratford. This year began with an active membership of twenty-four, and more were added with the fall and spring goating sessions.

The important impetus to the success of the group is the incomparable “Doc” Latimer, director, advisor, and hostess to the club. The club has prospered under the leadership of President Al Strickler and the slate of officers who have done a commendable job in promoting dramatic interest on the campus.

There are two public productions given during the year. The fall production was “Our Town,” by Thornton Wilder. Not to be forgotten as one of the highlights for the Players was the informative and enjoyable social which was given for the Canadian Players from Stratford, Ontario, after their performance of “The Cherry Orchard.”

Utmost satisfaction has come to the Players this year through expressing dramatic interest and talent.

Several members of Stratford post for the camera at their Christmas party. Do they dress up for all special occasions?
The Madison College Concert Orchestra provides music for many campus functions such as convocations, May Day festivities, graduation, and musical programs.

The highlight of the year was our annual tour, which took us to the southwest portion of the state this spring. The concerts consisted of classical and semi-classical selections, as well as Broadway hit tunes.

The members of the orchestra achieve a great sense of satisfaction from bringing the joys of music to our varied audiences.

ORCHESTRA

This has been an inspiring year in the lives of the members of the Madison College Concert Choir.

With an increased membership to sixty-five members, Dr. Lester Bucher immediately began industrious rehearsals for our traditional Christmas Vespers Program. Among the varied selections presented was the “Ceremony of Carols” by Benjamin Britton, for which the choir proudly welcomed Miss Jean Harrison as harp accompanist.

As soon as the second semester began, plans were made for the annual spring concert and the long-anticipated tour which took us to several points in Virginia and in the adjoining states. This trip provided fun and experience for all.

Commencement marked the end of an eventful year for the choir.

Everyone is anticipating the new experiences which are to come in the years to follow at Madison College.
The Madison College Wind Ensemble is a new organization formed from the old band; however, it is new in idea. Its purpose is to promote a deeper interest in music and love for it. The smaller groups allow for different, interesting and a fairly new type of music to be played. The smaller groups also allow room for more self-expression. High standards of musicianship are developed within each player.

Its activities include rehearsals once a week and a final concert at Anthony-Seeger Campus School.

MADISON COLLEGE WIND ENSEMBLES

Kappa Delta Pi, a national honor society in education, formally recognizes with membership those juniors and seniors who have met the national membership requirements of a scholarship above the upper quintile of the college and a certain number of completed semester hours in education. The members must indicate a continued interest in the field and manifest desirable personal habits and leadership attributes.

The theme for the year has been “Education Around the World.” In connection with the theme the chapter sponsored a project called “Books for Asia.” A campus-wide appeal was made for reading material to be used by Asian countries lacking in such facilities.

Kappa Delta Pi and Sigma Phi Lambda working together initiated a tutoring service to assist students with subjects especially difficult.

The election of candidates for membership in October was followed by the tapping ceremony on Kappa Delta Pi Day in November. Miss Frances Grove, our counselor, showed slides of England and Wales at our evening program. The December meeting
was followed by a social. With the new year came initiation of new members and such interesting speakers as Dr. Margarete Woelfel and Dr. Otto Frederickson.

In March our elected delegate and alternate delegate attended the twenty-second Biennial Convocation of Kappa Delta in Chicago. Their report was heard by the society in April following election of officers.

May brought the official closing of the 1959-60 school year with the installation of officers and our traditional banquet. The society strove to carry out its purposes in the encouragement of high professional, intellectual, and personal standards and of recognition of outstanding contributions to education.
Sigma Phi Lambda signifies scholarship, fellowship, and leadership. It is a local honor society for those students that have maintained a three-point average. Its purpose is to promote and maintain scholarship among students and to provide social experience for its members. Each member strives to uphold the ideals of this society and it becomes more firmly established each year as a vital and influential organization on campus.

Sigma Phi Lambda in cooperation with the college administrators and other honor societies aided in establishing and maintaining a tutoring program whereby this organization might better serve each student as well as recognize students of outstanding scholastic and leadership ability.
The Ex Libris Club enables prospective librarians, library assistants and those interested in library science to enjoy the companionship of fellow students with common interests. The club also attempts to interest others in library science and to impress upon them the pleasure and value of library use.

Each year the Club sponsors discussions, speakers, and field trips of special interest. Almost traditional are the Club's preparation of Christmas baskets for a needy family and the annual spring picnic.

The Criterion Club is one of the newest organizations on campus. The club aims to give students an opportunity to discuss and to gain a deeper appreciation of the various fields of literature. Membership is extended to all students interested in poetry, drama, prose and creative writing. Highlights of the year included a cultural exchange with foreign students and the publication of the CHRYSLIS, the college's literary magazine, in the spring.
The Madison College Madrigal Singers, who are in their seventh year, added some new faces. The Madrigal Group concentrates mainly on the singing of Old English Madrigals and A Capella sacred music, but has branched out to include four-part secular music.

Miss Gertrude Burau, director; M. Stockdale, L. Armentrout, N. Savage.

MADRIGALS

The group was busy singing for civic clubs, organizations, churches in the community, and participating in college activities.

Several members were a part of the Virginia College Choral Clinic in Virginia.
The Madison College Chorus provides an outlet through group participation for those students who have a special interest in choral music. To be of service for campus functions is the primary aim of the organization.

The chorus took part in the Friday chapel programs by leading in hymn sings and rendering special music, and during the Christmas season helped to supply the music for the Christmas Pageant.

DIAPASON CLUB

The Diapason Club, which is affiliated with the American Guild of Organists, has as its aim the fostering of musical interest, abilities, and appreciation on the campus especially in regard to organ music.

It is composed of Madison College Organ Students. The club members participate in student recitals, assist with church music, sponsor the appearance of musical artists, and take an annual trip. In recent years the group has visited the Moller Organ Factory in Hagerstown, Maryland, and has taken a tour to see some of the larger, outstanding organs in Washington, D.C.
ASSOCIATION FOR CHILDHOOD EDUCATION

Through an exchange of ideas and experiences, the Association for Childhood Education enables its members to promote the interest of students enrolled in the elementary and dual curricula. It better equips its members to uphold the standards of professional training.

In the fall, a formal initiation for the new members was held at Dr. Poindexter’s home. During the year, many interesting programs, including a panel discussion of officials from the Arlington schools, were sponsored by the A.C.E. The activities were climaxed by the annual banquet in the spring. A picnic was held shortly after this.

STUDENT EDUCATION ASSOCIATION

The G. Tyler Miller chapter of the Student National Education Association was formed to give the opportunity for students to explore the opportunities of education as a career; to evaluate their own aptitudes, capabilities and interests as prospective professional educators; and to interest the most capable in education as a career. To acquaint students preparing to teach with the history, ethics, services, purposes, and accomplishments of the Virginia Education Association is another of its purposes.

Programs during the year included a movie, panel discussion, and initiation of new members.

Highlights of the year included the Christmas party and the picnic before exams.
FUTURE BUSINESS LEADERS OF AMERICA

The Future Business Leaders of America is nationally organized to promote the understanding of business procedures, thus helping adapt the business student to his selected vocation.

A social get-together with the freshman business students was first on the Chapter's calendar. The other meetings presented informative programs by the members and special guests.

In April the chapter had a field trip to some of the places of interest in the surrounding towns and concluded the year with a banquet and installation of officers for the coming year.

The aim of the Recreation Council is to obtain recreational facilities for use by the students.

This year the council acquired stereo sets for most of the dormitories. Each dorm received new games and sleds. Also, they obtained new ping pong tables and equipment.

Out of the Council's funds came contributions to the May Day festivities and Christmas decorations for Alumnae Hall.

All students are represented through their dormitory or some other organization. Requests are brought to the Council by the representatives and are then considered. The Council attempts to obtain these facilities most needed.
**PI OMEGA PI**

Gamma Iota, Madison’s chapter, will consider for membership those students of music with a “C” average in academic subjects, and a “B” average in music subjects.

The members of the chapter entertained Joan Harrison, the second harpist with the National Symphony Orchestra, when she appeared with the Concert Choir in its Christmas Concert. The SAI assembly program this year consisted of a piano recital given by Mrs. Mary Hause, an alumna of Madison and a member of SAI. Membership affords the opportunity of meeting such eminent persons who are or who have been in this music fraternity.

KAPPA PI

Virginia’s first chapter of Kappa Pi, an international honorary art fraternity was established at Madison in 1958. Gamma Kappa was founded to promote art interest and high scholarship among students and to recognize potential ability in the field of art. Those with majors, minors, and concentrations in art are eligible for membership when they meet the scholastic and professional requirements.
The Frances Sale Club is composed of eighty students who are majoring or concentrating in home economics. The club was named in honor of the first home economics teacher at Madison. Its purposes are to further interest in homemaking, to obtain a stronger spirit of friendship and cooperation among home economics students, to give training in club leadership, and to provide professional development of home economics.

At Christmas a party was held in the Home Management House. The Bridgewater Club members were guests at the February meeting. In the spring, representatives of the Club attended the Virginia Home Economics Association Convention in Roanoke.
Each Curie Science member tries to further the progress of science as expressed in the motto, “On with Science.” In order to fulfill the motto, the club scheduled various activities. Talks were given by professors and students. In the fall, a formal initiation of the new members took place in the reception room of Converse Dormitory.

Included in this year’s programs have been a talk on Russia and a social work panel which included discussion on work in an adoption agency, in a medical-psychiatric agency, in a local public welfare agency, and with juvenile delinquents.

SESAME CLUB

“Sesame” means open door and we of the Sesame Club have tried to make our club just that.

We welcome all women day-students into our club and we try to make the school year a more profitable year by working and playing together as an integral part of Madison College.

During the year we have a fall initiation at Riverwood, a Christmas party, and a spring picnic. There were many other activities for everyone.
MATH CLUB

The Mathematics Club, which is composed of Mathematics majors and minors, has as its purpose to maintain and foster an interest in mathematics on campus. At monthly meetings, members present subjects of mathematical interest to the club. This year our programs have been on the history of mathematics, from the early use of the abacus through modern algebra.

AREA CLUBS

The Area Clubs are composed of Madison students from these six areas: Southwestern Virginia, Richmond, Lynchburg, Norfolk, The Peninsula, and Northern Virginia. Their aims are to bring about a closer association among the students living in these areas, to facilitate holiday transportation arrangements, to be of assistance to prospective Madison students, and to promote social functions with other colleges having similar organizations. Membership is open to all students wishing to participate in these activities.

The Executive Council, composed of the presidents, serves as the coordinating body of these clubs.
THE ALUMNI ASSOCIATION

Congratulations and best wishes to the Class of 1960! We are delighted to welcome you into the Madison College Alumni Association, and look to you for new enthusiasm and support. Wherever you go you will be representing her, upholding her standard, we hope, and passing on her fine traditions of honor, faith, truth, and service for God and man.

The Alumni office is maintained to help keep you in touch with each other and with Madison College, to promote scholarship help where needed, to interest outstanding high school student in Madison College, to interest outstanding high school students in our Alma Mater in any possible way, and to foster all satisfying living and enduring values. So do keep us posted on your changes of name and address so that we can fulfill our purposes. We are “sunk” without your address!

Come back to see us often. “You who have received much must give much.” We are counting on you.

Yours always,
Agnes S. Dingleidene,
Executive Secretary,
Madison College Alumni Association.
PSYCHOLOGY CLUB

The Psychology Club is a newly formed organization on the Madison campus. It is composed of psychology majors and minors having at least six hours of psychology previous to membership and who are enrolled in a three hour course. The purpose of the club is to broaden the interests and knowledge of students in the area of "behavioral science." Meetings have been held in relation to various phases of psychology with outside speakers as the principle source of information.

Next year the club hopes to meet the necessary requirements for the national psychology fraternity, PSI CHI. Dr. Ben K. Patton, the advisor of the club and professor in the Psychology Department, was the instigator in organizing the club and supplying information for PSI CHI.

CANTERBURY CLUB

Every Sunday evening the Episcopal students can be seen Canterbury-bound, for their weekly meeting at Emmanuel Episcopal Church. After supper cooked by several Canterburians, devotions are held and are followed by planned activities. Madison sent representatives to both the Roslyn Conference and the Ecumenical Conference. The banquet, with a most interesting speaker, was a high point of spring.
NEWMAN CLUB

The Newman Club, a member of the Piedmont Province of the National Newman Club Federation, is organized for the spiritual, intellectual, and social welfare of the Catholic students on Madison's campus. Members strive together in achieving personal and group development.

The Newman Club meets regularly throughout the year, and among its activities have been a reception for new members in the Fall, a Day of Recollection, Communion Sundays, a carol sing, observance of Catholic Youth Week and Cardinal Newman Day, and other social and religious projects.

SCHWAZENAU CLUB

The Schwarzenau Club is organized for students who are members of the Church of the Brethren. The aims are to foster a well-rounded spiritual, intellectual, and social program for all members.

The church gives a welcoming banquet each fall, at which each club member is given church parents. The club participates with the local and district Youth Fellowships.

During the year, the club sponsored a choral program at the church. An annual retreat at Rawley Springs was enjoyed by all.
**INTERFAITH COUNCIL**

The Interfaith Council is composed of the presidents of the various religious groups on campus, their ministers, advisors, and the faculty advisors. The Council holds regular monthly meetings with the purpose of discussing and seeking to solve practical religious problems that might arise. Its primary function is to enrich the religious life on campus.

Included in the Council's activities for the year have been the religious preference registration held in the Fall, a monthly prayer in the BREEZE, a carol sing in conjunction with the Y, the sponsorship of an assembly program, and other campus projects.

**LUTHERAN STUDENT ASSOCIATION**

The Lutheran Student Association of Madison College is one of the three hundred Lutheran student groups which make up the Lutheran Student Association of America. By bearing witness in the academic community to the Gospel of Jesus Christ as confessed by the Lutheran Church, any student may become a member. Throughout the school year social and spiritual activities are combined in a strong fellowship in Christ's name.

Through Lutheran Student Action the group assists in a monetary way to help the missionary work of the Church in all the world, and on the campus, cooperation is given to the ecumenical movement by participation in the activities sponsored by the Interfaith Council.
The Westminster Fellowship is composed of Presbyterian students and those who wish to make the local church their church while at Madison. W.F. seeks to bring these students to a fuller knowledge of the Bible and Christ through Sunday School, inspirational programs and Christian fellowship together. Most of the year's activities were planned by the council at their fall retreat on campus. Freshmen were welcomed by letters and visits from Presby Pals, and a reception held for them in Alumnae Hall.

W.F. enjoyed many interesting programs and activities throughout the year. The communion services in the prayer room, the scavenger hunt to collect food for a needy family, filling stockings to give six children a happy Christmas, and caroling at various homes in Harrisonburg have added to the meaning of the W.F. group activities. The spring brought the election and installation of officers for the coming year and the end of another year of W.F. activity at Madison.

WESLEY FOUNDATION

The Wesley Foundation is the Methodist Church at work on the state college campus. Its membership is composed of Methodist and Methodist preference students.

The Wesley Foundation is affiliated with the National Methodist Student Movement which is one of fourteen denominational student Christian movements in the National Student Christian Federation.

The objectives of the Wesley Foundation are to develop students in worship, creative recreation, wholesome friendships, intelligent churchmanship, ecumenical understanding, and promotion of religion in higher education.

Moving into a new apartment and furnishing it added to our excitement and activities this year. New to our program this year were the interest cards which were followed up by interest group meetings. Also giving added meaning to Wesley was the creation of Morning Watch each Wednesday morning at 6:45 in the Y Prayer Room.

Attendance at state conferences and entertaining our own Regional Conference in March kept us in touch with the state movement, and through the Involvement study groups on campus we have been active in the Ecumenical Movement.

The “Spirits of B.S.U.” is surely found in the Madison Baptist Student Union. Activities of all sorts highlighted this school year for Madison B.S.U.’ers: beginning the year with the Freshmen Get-Acquainted party, and throughout the year such events as the fall State Convention in Bristol, the annual banquet in March with Mr. Sandridge as guest speaker, and the Spring Retreat at Eagle Eyrie in Lynchburg.

Our weekly activities included “Pause for Power,” Friday night Bible study, the Student Choir, and Sunday night fellowship. Through these we have sought to develop wholesome, social and spiritual life and strong Christian friendship.

The Baptist Student Union through its unit organizations, Sunday School, Training Union, and Y.W.A. has striven to create a closer relationship between the Baptist Students on campus and the Harrisonburg Church.

Greek Letter Organizations
Walking, rush parties, and open house, but most of all, the feeling of sisterhood will rate high among the memories of sorority girls.
Annual Panhellenic Sing helps promote unity among the Greeks.
ENIC COUNCIL

Madison College Panhellenic denotes an organization of some three hundred Greek letter men and women who are bound together in a spirit of unity and friendship in maintaining the purpose of the Council.

The Council is composed of three representatives from each sorority and fraternity who meet weekly to make plans and to lead the affairs of their organizations.

This year we have some new Greek names on campus — Pi Kappa Sigma merged with Sigma Kappa, and Theta Sigma Upsilon merged with Alpha Gamma Delta. Madison’s seventh sorority, a local organization, Delta Tau Alpha, became affiliated with Phi Mu Fraternity. Sigma Delta Rho, the men’s fraternity, joined with the Madison Panhellenic Council.

Rushees, bids, meetings, open houses, parties, and anxious days of waiting — all are synonymous with the experience of rush. The culmination and reward of these hurried weeks came when each rushee was greeted with tears and laughter by her chosen sisters.

Dean Ruth Wilkins was guest speaker for the annual Panhellenic sing. Alpha Sigma Alpha received the Cup for the highest scholastic average.

“Happy Holly Days” was the theme of Panhellenic’s Christmas dance. The chairman of the council led the figure, which consisted of members of the Council. The Sigma Delta Rho Sweetheart was presented at the end of the figure. An annual scholarship in honor of Mrs. Bernice Varner was established.

This will be a year long remembered by the Alpha Gams on Madison’s campus. Last May, Theta Sigma Upsilon merged with Alpha Gamma Delta Fraternity, and we proudly wore our new name of “Alpha Gam.”

The chapter was pledged in September and then began the pleasant task of planning for our fall rush party. Messick was transformed into a dreamy “Cinderella Land” of everything from pumpkins to Fairy God Mothers.

We were fortunate to have Alpha Gamma Delta’s Grand President, Lou Vogelsang, for our installation weekend in November. This included the initiation of undergraduate and alumnae members, a formal banquet at Ingleside Resort, and a tea the following day.

Santa and our pledges brought many surprises at our Christmas party. The spirit of giving was carried out when we made Christmas happier for a needy family.

Spring brought spring rush, our Founder’s Day banquet, a lively weekend at College Camp, and graduation.

As this charter year ended for Gamma Mu chapter, our sisters left for summer vacations full of memories held dear in the heart of every Alpha Gam.

This has been a long week!

It’s love-e-lee!

Sisters come in assorted sizes.

Messick House.
In September, Carter House returned to life as the Alpha Sigs made it once more their “home away from home.”

Rush was soon a reality, as the sisters welcomed their rushees to the “Teahouse of ASA” in true oriental fashion. On Saturday, we had the thrill of welcoming our new pledges, plus the pleasure of having alumnae with us over the weekend. Among them was our National President, former BE member, Mrs. Robert Grady. Our happiness was complete when ASA was awarded the Scholarship Trophy at the Panhellenic Sing.

Beta Epsilon celebrated National Founder’s Day with a banquet at Shenandale and a short commemorative program.

We filled our hearts with the real spirit of Christmas when we helped a needy family. Toys, food, and clothes were given and the children were entertained by Santa’s elves at a party at Carter House.

The pledges’ best Christmas gift was their initiation, when they became full fledged members of Alpha Sigma Alpha.

The new year brought spring rush, a fun-packed weekend at College Camp, and the senior breakfast in May.

As June approached, we had wonderful memories of our year in ASA and we looked forward to another one even better.

Mass Confusion.

Carter House.
September witnessed the return of Alpha Sigma Taus and Zirkle House once again rang out with fun and laughter.

Using their traditional “Carnival” theme, the Alpha Sigma Taus once again slipped into the disguises of fortune tellers, artists, and house haunters to present their big rush party. The following week-end everyone welcomed new pledges into the sisterhood. Also, there was the added joy of seeing many of the alumnae back.

National Founder’s Day was celebrated on November 4, at Shenandale by a banquet that was thoroughly enjoyed by all.

At Christmas, members went to the County Farm carolling and took gifts to the residents. There was a party at the house afterward.

Spring rushing brought forth much merriment as we welcomed new pledges into the sorority. Local Founder’s Day was celebrated by a big party and the Helen M. Frank scholarship was presented to the junior with the highest cumulative average. The juniors and sophomores gave the seniors a farewell breakfast as the term quickly drew to a close.

We all had memories of an inspiring Alpha Sigma Tau year as June came.

We're gonna rock-around-the-clock tonight.

Zirkle House.
The Phi Mus returned to campus in September bursting with spirit and anticipation. We were thrilled because we finally had a house of our own.

We were officially installed as Gamma Theta colony of Phi Mu Fraternity on October 4, 1959. Moving up from the local sorority, Delta Tau Alpha, to an international fraternity was an important step.

The theme of our rush party was “Perfume Party,” and Phi Mu house was turned into a haven of sweet-smelling scents as we welcomed our rushees.

Each member joined in the Christmas spirit of giving by buying gifts of food and clothing for the children of our adopted family. We were entertained by our pledges at our party.

On January 1, 1960, we were initiated and received our charter as the 82nd chapter of Phi Mu. Mrs. Louise Moore, our National President, was present for the initiation, which was followed by a banquet and a tea.

Other important events were Founder’s Day, the Panhellenic Sing when we received honorable mention for scholarship, a weekend at College Camp, and spring rush. This summer many of us plan to attend our National Convention in St. Louis, Missouri.

Not much music, but the volume’s fine.
We thought those new sweatshirts would never get here.

It’s a great day to be livin’.
We’re glad you’re a Phi Mu.

It's wonderful to be a pledge.

Lincoln House.
Shenandoah House was aglow with excitement and anticipation when the Sigma Kappas returned early for a workshop. Last spring, our sorority, Pi Kappa Sigma, merged with Sigma Kappa. At the workshop, Barbara Harvell and Julie Fowler related the experiences they had while in Iowa attending an Officers Training School. The week was climaxed with pledging, initiation, and a tea for the chapter.

Before we knew it, “Come to the Mardi Gras,” could be heard coming from Shenandoah as our rush party got under way. We welcomed thirteen new sisters into our sorority during walking.

In November, we held our Founder’s Day Banquet at Shenandale and the pledges entertained the pledges of the other sororities on campus.

Christmas time came and we joined in the festivities with a Christmas party for our patrons.

In the spring, we found relaxation at College Camp, entertained our seniors with a breakfast, and experienced excitement with spring rush.

June came and the Sigma Kappas said farewell to their seniors and looked back over a year of many unforgettable memories.

Hold that pose!
This could happen to you.

Panhellenic spirit — the tie that binds.

Just sittin’ and thinkin’.

Casualness.

Shenandoah Apartments.
Madison’s Tri Sigmas returned to campus, eagerly looking forward to the new school year. It wasn’t long before the sisters were checking passports and welcoming their guests aboard the “S. S. Sigma” for a cruise around the world. Walking weekend found the Tri Sigmas greeting new pledges.

In an impressive ceremony, we gave contributions to the Robbie Page Memorial, our national social service project.

As Christmas approached, the pledges conducted the T.B. drive on campus. We also helped the children at the local hospital celebrate their Christmas. The pledges gave a Christmas party for the members.

With the coming of the new year, the arrival of our Regional Collegiate Director brought inspection time. This time was filled to capacity with conferences, a tea, and many song sessions.

Spring brought new sisters to Tri Sigma and Sprinkle House. We found fun in a visit to Camp Strawderman. In April, we celebrated our 62nd anniversary.

With the coming of June, fond farewells were said to the Seniors and Tri Sigma looked back on a happy, successful year.

New sisters are welcomed with open arms.

“We’re Sigmas together and Sigmas apart.”

Are you sure those cards aren’t stacked?

Celebrity or disguised or guest?

Life gets tough, don't it?

Sprinkle House.
Amid the odor of fresh paint the happy Zeta's returned to Madison campus and to their new home — Nicholas house.

Before long our house was transformed into a pajama factory. The Zetas, dressed in their favorite PJ's, welcomed the rushees to the party and as a climax to Rush, Zeta greeted with open arms, new pledges which joined our bonds of sisterhood.

In honor of Founder's Day a special dinner was held at the house. This being our 10th anniversary on campus, we celebrated with a weekend including a banquet, reception, open house, breakfast and attending church en masse. Many alumnae returned.

The Christmas season brought Zetas excited over initiation and their visits home. The group was enthusiastic in preparing food and clothing for their adopted family.

Spring approached and with it came a weekend at College Camp, spring rush, senior picnic, and a tea for our patrons and patronesses. Upon graduation, the seniors left their beloved Madison College and with them will go many memories of college and fraternity life. They will know that wherever they may be that “Zeta memories live on.”

Every girl should go to a “Pajama Party.”
Now we know how a sardine feels.

Hollywood is calling, only not very loud.
Sisters belong together.

All dressed up and no place to go.
The fraternity began the year with its rush activities just before Thanksgiving. The "gloating days" proved quite enjoyable for the whole campus as well as the fraternity members.

Sigma Delta Rho greatly appreciates the privilege of being represented and working in the Panhellenic Council. This is one of the steps toward becoming a chapter of a national group, a goal which we hope to achieve in the next year or so.

The highlight of this semester's activities was the selection of its sweetheart. She was chosen from candidates sponsored by organizations on campus.

Later in the spring, it is the hope of the fraternity to again join the Y.M.C.A. in a variety show for the student body.

This year should prove to be an outstanding, progressive, and enjoyable year for all the members.

Sweetheart of Sigma Delta Rho, Anne Murphy, and Dick Barnes.

“Walking” is enjoyed by observers as well as participants.

Features
The gayer memories of Madison are truly colorful memories. Choosing outstanding persons on our campus is a privilege for everyone.
AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES

In recognition of their outstanding scholarship, leadership, and cooperation in educational and extra-curricular activities, these sixteen seniors were selected by a committee of students and faculty members to represent Madison College in the 1959-1960 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.

In receiving this highly coveted college award, these students gain recognition which will accompany them throughout their lives in any profession they may choose to follow. To be named to WHO'S WHO is a great honor, and these seniors are indeed worthy of this award.

Outstanding Students

The students pictured on the following pages were selected by the entire student body as outstanding representatives of their respective classes. They were not chosen on the basis of their merits as campus leaders and officers alone; rather, on the basis of their collective attributes which makes each of them a truly outstanding representative of their class.

Participation in sports molds for us, memories of sportsmanship, co-operation, and competition.
The Women's Athletic Association adopted in January of 1960, a devised constitution which provided that the nucleus of the Association be a council consisting of a president, a vice president, a secretary, a treasurer, a chairman of the program committee and an awards chairman. The constitution also allowed for extramural team managers, club presidents, intramural sports leaders and a representative for each dormitory.

"To provide a sport for everyone" is the motto of the Association; the Council with the assistance of the faculty advisors and faculty coaches strives to do just that — provide a sport for everyone. To execute this aim, four clubs and several other special events are offered during the year. The special events include the annual chuckwagon party, play days, fun nights, and the climax of all events, May Day.

W.A.A. CABINET AND COUNCIL
Second row: E. Bush, J. Waleski, M. E. Kildale, S. Dutemple, L. Brown, A. Shriver,
Many hours of planning and work go into our athletic program at Madison. We receive a large number of rewards from this program. The Association sincerely hopes that when a student enters the alumnae field, she will be able to feel that athletics have played as important a role in her education as they are capable of fulfilling.

The Association holds membership in the Virginia Athletic Federation of College Women and the American Recreation Federation of College Women.
One of the most inspiring aspects of our hockey season came at the Blue Ridge Tournament at Roanoke College. Three of our teammates were chosen to play in the Southeastern Tournament. They were J. Belda, K. Merrell, and E. Ashton.

During our season we played the campus Characters. In a tense game both teams were held scoreless. Our next game with Bridgewater was a 2-0 loss.

The Blue Ridge Tournament also supplied its thrills. We lost to Hollins, 1-0, and tied Sweetbriar.

**MERCURY CLUB**

As a professional organization for physical education majors and minors, the Mercury Club sets as its goal promoting good professional attitudes and understanding among the members, advancing good fellowships, promoting study and discussion of professional problems and presenting social and recreational programs throughout the year.

In association with such national and state organizations as the American Association for Health, Physical Education, and Recreation, the club also strives to promote growth and development of both children and adults.

The extramural basketball team started practice this year in December and continued until early March.

Our schedule included four away games — Sweetbriar, Longwood, Lynchburg, and Bridgewater. We also had a home game with Elizabeth Town College, Elizabeth Town, Penn.

Though our season wasn’t a winning one in terms of games won and lost, the members of the team and the coach, Miss Crawford, feel that in terms of friendships and teamwork, the season was most successful.
FENCING CLUB

Fencing is probably one of the oldest games in existence since it sprang directly from the duel. However, on Madison’s campus, the members of the Fencing Club are more interested in the development of their skills in regular competition.

A skilled fencer has speed, dexterity, coordination, and a courteous attitude. Under the sponsorship of Dr. Caroline Sinclair, the Fencing Club members meet regularly to further develop these skills and enjoy a spirit of friendly competition.

In addition to an Alumni Meet in February, a schedule in March was set for meets with William and Mary College and Mary Washington College.

Good luck, girls!
ORCHESIS

Creative dances for performances is only one of the many experiences gained by members of Orchesis. They also gain valuable knowledge in composition, and they gain a superior ability in dance. During the year, the club performs at many events. It takes part in the Christmas Pageant and such Fine Arts Festivals as the one held on this campus and one which was held at the University of North Carolina. It also takes part in the Virginia Fine Arts Festival.

This year, the club learned new techniques and movements which add up to a better dance club for our campus.

Looks complicated! Interpretation is the motto!

THE PORPOISE CLUB

Each Thursday night in Reed Pool, swimmers chosen because of their interest and ability, work under the guidance of their sponsor, Miss Soares, toward perfection of strokes and stunts. TALES FROM GREEK MYTHOLOGY was featured as the theme for the annual water show. The officers are: S. Anderson, President; B. Curry, Vice President; N. Bretz, Secretary; J. Setzer, Treasurer; and L. Curry, Reporter.

Oh, my aching back!

Practice makes perfect!
Peggy Dale and her faithful archers played their rounds between the rains which seemed to come frequently on their meeting days. Peggy was very glad to see the boys come out for her sport. She was assisted by Brenda Curry.

Ann Clark was pestered during her season by the rain but when weather permitted those who played enjoyed the break from classes and studies.

Bowling intramurals attendance was larger this year than ever before due to the new facilities at the Valley Bowling Center. Each Tuesday and Thursday a bus load of girls and men students accompanied Barbara Haney and Dr. Tate to the lanes. There were three leagues of bowlers with tournaments running for seven weeks.
Under Carole Mumpower's able direction the social dance program was expanded this year to include dances for the freshmen with the A.M.A. boys.

Basketball intramurals enjoyed a large attendance this year with a strong competition between the dormitory teams for the championship. Pat Deane directed the program with Dr. Tate as advisor.

For those interested in golf Jeannie Brinkley and Dr. Tate gave instructions every Tuesday and Thursday afternoons. The highlight of the season was a trip to Spotswood Country Club.
MEN’S BASKETBALL

Come on — risk a shot!

This year the Madison Dukes, composed of a squad of twelve, made a creditable showing. The team was essentially a volunteer group who like the game and desired to have Madison College represented in intercollegiate competition by a men’s basketball team. The Dukes are sponsored by the Men’s Student Government and coached by Mr. Ward Long.

The team was captained by Dick Dovel. Since most of these players were underclassmen, the Dukes are planning for next year, and are eagerly anticipating a winning streak!
This really isn’t heavy!

Another strike!

Straight as a board!

Keep the ball on the table.

Careful — Don’t move.

Natural ghost dance!

"WHY DIDN'T I THINK OF THAT?..."

"And then I'm going to eat all 28!"

Twenty-eight different flavors of ice cream is a fantasia to dreamy-eyed kids of any age. Sounds like fun.

You know something? With 28 Famous Flavors to choose from, most of you still choose vanilla! Then comes chocolate, then strawberry. All others are for the adventurers and connoisseurs.

All but one—a new delight we call Mocha Chip, a light touch of coffee ice cream into which we mix tempting bits of crunchy chocolate chips. Know who dreamed this up? One of our Howard Johnson girls behind the soda fountain. It's now our most popular "special"!

This has been a COLORFUL year for most all of us here on the campus of Madison College. It has been especially so for the SCHOOLMA'AM staff as they poured over photographs, copy, and layout, trying to decide just what would carry memories into many future years.

We sincerely hope this year will be as vivid in your mind as we have tried to capture it on paper — that the memories of your classmates and friends, classes and professors, organizations, and all those significant events, both sad and joyous, will be remembered long after this year has passed. If so — our job will be accomplished.

To Pattie Lou Jernigan, Carolyn Crosswhite, and Doris Humphries I extend all wishes for a successful, eventful, and "colorful" year. Your tasks as Editor, Assistant Editor, and Business Manager are so very important. They are difficult jobs — do them well and you will be well rewarded.
