A most lasting symbol of our Alma Mater is Wilson tower at night.

OH, ALMA MATER, TO THY NAME
WE'LL EVER FAITHFUL BE . . .
We expand our general knowledge . . .

LIFT LEARNING'S TORCH

We sign the honor pledge as Freshmen...

and the honor system of Madison College remains with us in every phase of our lives.
Spring brings new beauty to the Medison College campus.

WHERE MOUNTAIN BLUE MEETS SUNSET GLOW
OUR COLLEGE STANDS SERENE . . .
With passing years, its friendships grow...

We welcome new friendships — new sisters into the Greek world...

...and new Freshmen into the world of college.
We have vivid memories of good times and special events. Carolyn Morrison is given an autograph by the "Four Freshmen"...

... and Madison students enter wholeheartedly into the Presidential race.
OH, MADISON!
Our college is a constant source of pride and inspiration.
Our faculty and administration provide expert instruction in the classroom . . .

OUR LOVE AND LOYALTY,
OUR LOVE AND LOYALTY.

Each of us leaves with Madison a part of ourselves.

MRS. MONA COFFMAN, MR. DAVID DILLER, Advisors
The Class of 1961 is proud to honor a man who has given many years of hard work and support to Madison College. He is remembered by his students for his willingness to aid them at any time and in any way; he is remembered by others for quiet service for the benefit of all.

There are many persons in our college who work for the betterment of the entire school, the entire student body, but who receive thanks and recognition from few. It is with a feeling of pride and sincere appreciation that we honor one of these persons...

DR. G. TYLER MILLER
President of Madison College
Dr. G. Tyler Miller, President of Madison College, was born in Rappahannock County, Virginia. He received his education in the public schools there, and at Randolph Macon Academy, Virginia Military Institute, and the University of Virginia. Bridgewater College awarded him the LL.D. degree in 1955.

President Miller welcomes two Freshmen, Diane Powell and Zane Campbell.

His appointment as President of Madison College was made by the State Board of Education in June 1949, after a distinguished career as an administrator of public education in Virginia which included services as principal of a high school, Division Superintendent of Schools in Warren and Rappahannock Counties and the City of Charlottesville, and State Superintendent of Public Instruction. He assumed the position as President of Madison on September 3, 1949.

President Miller has always been active as a civic, church, and educational leader, as evidenced by his membership in many organizations and on many committees and boards. Currently, he is the liaison representative for the State of Virginia of the American Association of Colleges for Teacher Education; a member of the Board of Directors of the Association of Teacher Education Institutions; and a member of the Committee on Research and Service of the Southern Association of Colleges and Secondary Schools. Dr. Miller is Senior Warden of Emmanuel Episcopal Church of Harrisonburg and a member of the Board of Trustees of Rockingham Memorial Hospital.

Students, faculty, and friends of Madison College are indeed proud of its president and of the record he has made as an educator and administrator.

At Madison College, students have the opportunity to develop vocational skills as well as supplementary subject matter relating this skill to the social and cultural environment. The SOCIAL SCIENTIST, whether he is an economist, geographer, historian, political scientist, or sociologist, contributes to the understanding of human behavior by his unique focus. By the consistent and systematic coordination of the resources of the Department of Business Education, Geography, Home Economics, Library Science, and Social Science, the student at Madison College is able to combine skill with knowledge.

HOME ECONOMICS. Martha D. Seig, Jean Copper, Edith Bryan, Anne H. Driver, Jeanette Lockard, Sue Raine, Mary E. Carroll.
LIBRARY SCIENCE. Left to Right: Milbrey Jones, Fern Hoover, Joe W. Kraus, Librarian.

The Division of Teacher Education has the responsibility of administering those programs of the College which are designed for students who are preparing to teach. This Division includes all members of the faculty teaching courses in education and psychology; those directing or supervising the laboratory school experiences; and representatives from each department of the College offering a major or minor field of concentration in the preparation of teachers.
INFIRMARY STAFF

There are very few students at Madison College who have not at one time or another benefitted from the skilled assistance of the Infirmary staff. These people are on duty day and night to help those persons who may become ill.

LIBRARY STAFF

Those persons who keep the library operating smoothly are a vital factor in the academic life of each student. Many hours are spent keeping the library operating efficiently.

Left to Right: Dr. W. F. Green, Mrs. Ruckman.

Left to Right: Joe W. Kraus, Beth Downey, Leta Showalter, Mary Kathryn King, Ferne Hoover.
COLLEGE SERVICES

In every large institution such as Madison College, there are persons acting behind the scenes to make it a better place in which to live. Such is true of those persons serving the school in such capacities as food management, dormitory management, the book store, and the Post Office.

DORMITORY HOSTESSES

The “housemothers” see that the girls in their dormitory carry out rules pertaining to dormitory life. They are always on hand to assist “their” girls in any way possible.

First Row: Miss Carroll, Mrs. Copp, Mrs. Dingledine, Mrs. Edinger, Mrs. Derrick, Mrs. Cox, Mrs. Wilkins, Mrs. Payne. Second Row: Mrs. Pendleton, Mrs. Malmburg, Miss Raine, Dorothy Garber, Dean of Women; Mary Latimer, Professor of Speech; Mrs. Reilly, Miss McNeil, Mrs. Stevens, Mrs. Bird, Mrs. Kietter, Mrs. Livick.
SECRETARIES TO THE ADMINISTRATION

These persons are those who are secretaries of the Administration or who operate an administrative office, such as the treasurer's office. Few people realize the great deal of work done by these people behind the scenes.

DEPARTMENT SECRETARIES

These persons work with the divisional heads and with department heads to keep their offices running smoothly. They, like the administrative secretaries, are regularly employed by the college, and render vital services.

First Row: Barbara Ayers, Beverly Dunn, Elaine Whitmer, Jean Simmons, Phillis Grattan. Second Row: Jo Ann Fitzsimmons, Thelma Branch, Binnie Miller, Peggy Shifflett, Vickie Slaubaugh, Helen Keezell, Joy Whittig.
Dr. Hamrick checks Philosophy readings in his file.

Dr. Sas is ready to head for home after a busy day.

Hope the experiment is a success, Mr. Partlow.

Miss Groves arranges a weaving exhibit.
Keeping her plants fresh is an enjoyable duty to Miss Hopkins.

Dr. Curtis makes his daily morning visit to the tea room.

Mrs. Coffman dictates a lesson to her shorthand class.

Mrs. Wilkins heads for her American Lit. class.

Practicing music is as much pleasure to Mrs. Gildersleeve as teaching it.
ACADEMICS
Lift Learning’s Torch to Brighter Flame...
CURRICULUM I
BACHELOR OF
SCIENCE IN
ELEMENTARY
EDUCATION

This curriculum is designed for those who are interested in teaching in the elementary grades. It gives the future teacher an understanding of child growth and the nature of learning, and adequate experience in guiding the learning experiences of children. It provides for a wide range of electives and constants because such a teacher needs a broad background of general or liberal education.

CURRICULUM II
BACHELOR OF ARTS
IN SECONDARY
EDUCATION

In this curriculum emphasis may be placed upon English, Social Science, and Foreign Language, or upon Art, Music, Library Science, Mathematics, and Science. Completion of four years of work in this curriculum leads to the Bachelor of Arts in Education degree and entitles the holder to the Collegiate Professional Certificate, enabling the holder to teach the subjects emphasized.

Foreign language students practice speaking and comprehension in the laboratory.
CURRICULUM III
BACHELOR OF
SCIENCE IN
SECONDARY
EDUCATION

This is a four-year curriculum for the preparation of high school teachers. Emphasis may be placed upon Science, Mathematics, and Physical Education, or upon English, Social Science, Library Science, Art, Music, or Foreign Language. Courses in the professional subjects of psychology and education lead to certification for teaching.

Mary Comer serves tea to other Home Economics majors in Foods class.

Physical education is one of the many major areas offered in Curriculum III.

CURRICULUM IV
BACHELOR OF
SCIENCE IN
HOME ECONOMICS

Graduates of this curriculum are certified to teach vocational Home Economics in high school. The requirements of the Vocational Division of the U. S. Office of Education and the standards set up by the State Department of Education are fully met. Although this is a specialized curriculum, it is liberal in its content and scope. Students wishing management may arrange to do so by electing work in the two fields and spending one summer session in residence.
CURRICULUM VI
BACHELOR OF
MUSIC EDUCATION

Curriculum VI prepares students to teach vocal or instrumental music in the public schools. Students may also gain music skills required for church music, for private music teaching, or for work in a phase of the music business. When a student graduates with this degree, he should be able to perform acceptably as a singer, or on at least one instrument of the orchestra, or on the piano. In addition to his ability to perform solos, he should be able to sing well, to play simple piano accompaniments, and to be familiar with one instrument of the string, brass, and woodwind family.

CURRICULUM V
BACHELOR OF
SCIENCE IN
BUSINESS
EDUCATION

Curriculum V is designed to prepare teachers of Business Education for the secondary schools. It also provides training in the non-teaching areas of secretarial science, general clerical and office occupations. The program is so arranged that the business student completing this curriculum will receive a B.S. Degree in Education and the Collegiate Professional Certificate. The graduate is qualified in all four areas required for state certification: Stenography, Bookkeeping and Accounting, and Clerical Practice.

Penny Matthews receives aid in operating the duplicator.

Music majors become familiar with stringed instruments in a class conducted by Mr. Anderson.
CURRICULUM VII
BACHELOR OF ARTS
IN LIBERAL ARTS

Curriculum VII provides students who are not primarily interested in teaching with a broad, cultural education and at the same time enables them to secure pre-professional preparation for such fields as Library Science, Social Welfare, Medicine, Law, and other professions. A major and minor may be chosen from several fields including Art, English, Foreign Language, the Social Sciences and the Natural Sciences.

Mr. Diller instructs Nini Beijan in an oil painting class.

CURRICULUM VIII
BACHELOR OF SCIENCE IN LIBERAL ARTS

In Curriculum VIII, work in science is emphasized, although students may specialize in a number of other fields. Graduates of this curriculum are prepared to undertake graduate work along the lines of their college preparation, provided electives and the major-minor combination are chosen wisely, and the student has a good rating. A student may also enroll in Curriculum VIII-A, leading to the Bachelor of Science Degree in Medical Technology.

These science majors learn to develop pictures in photography class.
Carol Davis, Mary Comer, and Sandy Coomes receive instruction in institutional management from Miss Copper.

CURRICULUM IX
BACHELOR OF SCIENCE IN INSTITUTIONAL MANAGEMENT

This is a professional course for food administrators. Its graduates are approved eligible for entrance as dietetic interns in hospitals and administrative courses by the American Dietetic Association. This year of internship gives the graduate active membership in the American Dietetic Association and enables her to accept a full time position as a graduate dietitian.

CURRICULUM X
BACHELOR OF SCIENCE IN GENERAL HOME ECONOMICS

In Curriculum X special emphasis is placed upon preparation for the responsibilities of homemaking and family living. Courses designed to acquaint the student with family relationship, child development, and health of the family are offered. The curriculum also offers opportunities for preparation for income earning in such fields as Home Economics in Business, Journalism, Radio, Social Welfare, and many other fields. This curriculum does not meet the requirements for professional qualification in teaching or dietetics. However, it is possible for students to transfer to either Curriculum IV or IX without loss of credits.

Home Economics students work on their notebooks in clothing construction class.
CURRICULUM XI
BACHELOR OF
SCIENCE IN
BUSINESS

Curriculum XI is a professional, non-teaching curriculum designed for those preparing for careers as secretaries, supervisors and office managers. Two majors are offered. Plan I provides for a four-year secretarial degree. Plan II provides for a four-year business administration-accounting degree; this plan gives a broad and diversified background in business management and accounting.

CURRICULUM XII
BACHELOR OF MUSIC

This curriculum is for students whose chief interests lie within the fields of musical performance, theory, and composition. Emphasis is put on broad and complete preparation in music for a professional career and for graduate professional music study, and on academic background through the general education courses.

It has always been said that the last year of college is the best. In looking back over such an eventful year, the Class of '61 agrees with this idea.

Such events as Convocations, Senior Capping, our class night, "We Led Four Lives," those last exams, Moving-Up Day, May Day, and Graduation, have made this year one full of happy memories.

Much appreciation goes to our officers and sponsors for work well done.

The Class of '62 had another spirited and eventful year. Working together to put on our Class Day and Class Night performance, "Remember When," was fun for all.

We were happy to welcome a new "Sister Class," the Freshmen. With members of our own class being elected in spring to serve as campus leaders next year, came the realization that we will soon be entering into the last phase of our college lives.

Two numbers by the "Little Darlings" made Junior Class Night complete.

SOPHOMORE CLASS OFFICERS

September 1960 was quite different from the September of 1959 to the Class of '63. We arrived on campus experiencing the happiness of greeting old friends and anticipating the feeling of a new status.

To say the Class of '63 is enthusiastic is an understatement. It takes more than enthusiasm to bring sophomores pouring from their dorms minutes before the 10:30 bell. It takes the confiscation of their banner by the Juniors. Not to be outdone the Sophomores ended up with the Junior banner as well as their own.

We hope that this same enthusiasm and class spirit will stay with our class until we graduate.

Caos On Easy Street!
We arrived at Madison filled with anticipation... and quickly made new friends, and became acquainted with the administration at a formal tea.

We signed the pledges and became a part of Madison's honor system... and took time out to show off our talents to the upperclassmen and to our classmates.

At Freshman capping, we became full fledged members of the student body... and quickly learned the pace of college life.
FRESHMAN CLASS OFFICERS

On September 11, 1960, the Freshmen of the Class of '64 began to matriculate at Madison College. Our first days were filled with meetings, getting settled, making friends, and registering to complete our orientation program.

Without the guidance of our “Big Sisters,” Senior Counselors, campus leaders, and administration we would not have succeeded in having such a successful year.

ORGANIZATIONS
... Shed Honor's Light On Thee ...
The Student Government Association is the major student organization to which every student who matriculates at Madison College belongs. The Student Council, composed of the officers and class representatives, is elected by the student body and forms the nucleus through which students gain experience in the privilege of self government.

In accordance with tradition, we began the 1960-61 session with a retreat at Riverwood, the college camp. Here we made plans and set goals for the year. We planned for Orientation Week, Freshman Talent Show and the Freshman Coke Parties.

Our S.G.A. is a member of S.I.A.S.G., the Southern Intercollegiate Association of Student Governments. Last year, we were represented by delegates at the New Orleans Convention. This year the convention was held in our own state, Westhampton College in Richmond, and we were again represented.

During the year, the S.G.A. sponsored the selection of the Harvest Princess and the Apple Blossom Princess, the Major Organizations Tea, the Four Freshmen Concert, an S.G.A. assembly, the annual Old Student-New Student Assembly and Banquet, and buzz sessions in the dormitories.

Throughout the year our goals have been to improve scholarship on our campus; to have strong student council, student communications and cooperation; and to help each student feel that she is the student government, that her suggestions, her interest, and her support are necessary.
The Honor Tradition is a coveted heritage on Madison's campus. Through the years, the Honor Council has grown stronger in its efforts of promoting the personal and group integrity of all students.

Elected representatives from the respective classes and the Men's Student Government Organization serve as an impartial court in acting on violations of the Honor Code, and the Council also sees that all phases of the Code are explained to the students.

Honor Council representatives attended the SSASG Convention at Sophia-Newcomb and also an Intercollegiate Conference on Honor Systems at Hood College.

In September the Council helped to orientate the new students into the Honor Code through classes held in the dormitories. Soon after the classes and Honor Pledging Ceremony was held at which time each new student signed a pledge card, signifying an understanding of individual responsibility under our Honor System.

Honor Council and Student Council held combined buzz sessions in the dormitories in December, and in January the Honor Council sponsored the fourth annual Honor Week. The activities of the week included a Council meeting with the dormitory presidents and a Wednesday assembly presenting the film "Honor Code."

The student-chosen Honor Council continually strives to promote honor in every phase of a Madison student's life.

HONOR COUNCIL PROMOTES PERSONAL AND GROUP INTEGRITY

The Young Women’s Christian Association endeavors to lead each student into a richer college life through a belief in the Christian life and in the importance of a Christian character. To accomplish this, the “Y” sponsors such programs as Religious Emphasis Week, Friday Chapel, Sunday Vespers, Dorm Devotions, the Thanksgiving and Easter services, and the Christmas Pageant.

The “Y” Cabinet, composed of elected representatives from each class, also plans other activities through which closer relationships among the students are attained. The Big Sister-Little Sister Program whereby freshmen are helped through these trying first weeks by the upperclassmen, the Halloween Party which provides fun for all, the Christmas Kid Party when presents are brought to give to needy children, and Singspiration before the Saturday night movie — all of these play an important part in our campus life here at Madison.

To promote Christian fellowship among the freshmen, the “Y” Co-Cabinet was organized under the sponsorship of the YWCA Cabinet. The Co-Cabinet plans and carries out various projects and activities throughout the year.

“Y” members are encouraged to active membership through volunteering their services in the area of their choice. In this way each member is a vital part of the “Y” activities.

For the trusty old staff members with printer’s ink in their veins, The BREEZE when it comes out on Friday night means more than a campus sheet filled with features and news stories.

To these staff members the Friday night edition is the end product of a week’s work of putting the BREEZE together. To the reporters on the news and feature staffs it has meant long hours of gathering news and then more hours in writing it. To the advertising staff the week is a series of trips downtown obtaining ads from the Harrisonburg merchants. After these two staffs have handed in their material, preparation of the copy for the printers is started as staff members meet in the BREEZE room to work on Tuesday and Thursday nights.

To the headline editors the headlines glaring at them from the paper bring back thoughts of the time and skill it takes for the arduous task in writing headlines. To the typists the paper stands for the many battles in getting the typewriters to work as well as trying to reach the handwritten copy.

THE BREEZE IS VOICE OF STUDENTS

The Advisor, Kyle Stirling; Assistant Editor, Sarah Chinn, and the Business Manager, Carol Eldridge, look over past editions for ideas for this week’s edition.

To the copyreaders it has meant rewriting and correcting endless errors in the copy. To the make-up staff it has meant counting words, measuring space to make the stories fit, and wracking their brains for creative ideas in the placement of the stories in the papers.

Typists J. Leitner, A. Shriver, V. Lynn, N. Gallahan, M. Lute, A. Hanowell prepare the news which will be sent to the printers.

But more than all these things the Breeze after it is completed, gives the staff members feelings of self-satisfaction in serving to the best of their ability the members of our very own student body.

A. Hanowell.

The staff appreciates the student interest in the paper as has been shown by the many letters that have been sent to the Breeze this year. Since the main purpose of the Breeze is to reflect student opinion the staff endeavors to make this its main objective.

D. Grant, C. Herrman, L. Cangolosi, L. Cox, B. Oyler, B. Wyn- der, J. Dunnington, N. and S. Chinn watch and offer suggestions.
Madison’s yearbook enjoys the distinction of having been the first student publication issued at the college. Celebrating its fifty-second year, the SCHOOLMA’AM still maintains the purpose of preserving those memories which have made the year significant.

The Editor-in-Chief and Business Manager are elected in the yearly school elections. Each of the four classes elects a representative to serve as class editor for its section. Other members of the staff are selected from members of the student body who are interested in the book.

This year’s SCHOOLMA’AM is a “patriotic” one. We have tried to create for you a memory book containing the most lasting symbols of our college — the Alma Mater, the school colors, and the college seal. We have also tried to present a lasting picture of our college days through significant pictures and meaningful words.

The members of the staff have worked hard to produce the 1961 SCHOOLMA’AM. It is a job requiring many hours of worry and struggle, but it is an enjoyable task, a rewarding one.

The Men's Student Government Organization began its activities in the fall of 1948. It was felt that the men students on campus were in need of an organized group by which they might integrate their activities and facilitate means of taking part in campus activities.

The objectives of the SGO are to promote better student-faculty relations, act as intermediary between the administration and the men students, and to promote the general goodwill and welfare of the college and student body. Toward these objectives, the SGO has aimed to promote and support the well-being of the men students at Madison.

The SGO has participated in various activities during the year, including the annual smoker (the stag party we look forward to each year), Old-New Student Day and Assembly, Student Government Assembly, Men's SGO Annual Picnic, and various other get-togethers.

The men students make good use of the men's day student room between classes by relaxing with a quick game of cards.
The Judicial Branch of our self-government is our Student Court, which is composed of one freshman, two sophomores, two juniors, and four seniors, including the chairman.

All faculty members and all students are privileged to prefer charges, submit reports, or request decisions of opinions before the Student Court concerning any matter within the Court's jurisdiction. The Court is charged to hear and render decisions on breach of college rules, traditions, and social etiquette, as well as other problems or ideas which concern the men students. Also, the Court cooperates with the Women's Student Government Association in cases concerning male and female students here at Madison.

Under the Constitution, the Court has the power to affix such punishment as it may deem justifiable upon any member of the Men's Student Government Organization found guilty. A vote of two-thirds of the Court shall be required for conviction.

All decisions of the Court are subject to the approval of the College Administration. If a decision of the Court is not satisfactory to the defendant, an appeal may be taken to the Faculty Judiciary Committee whose recommendation shall be submitted to the President of the college for final decision.

This year, the Men's Honor Court met in several sessions to confer on matters pertaining to the SGO.
We like to think of the Young Men’s Christian Association as an organization existing primarily to “help others help themselves.” This theme has proven most successful this year, for the “Y” has engaged in many worthwhile activities, on and off the campus. Among these were Friday Chapel, Christmas gifts for underprivileged children of the area, attendance at the Southern Area Council in Atlanta, Georgia; participation in the Christmas Pageant, and numerous activities with the YWCA.

The YMCA is proud that the men students and faculty of Madison College find it just and rewarding to support a fellowship for the purpose of developing Christian personality and building a Christian society.

YMCA ENGAGES IN CHRISTIAN ACTIVITIES

The committee, a segment of the Student Government Association, consists of four representatives from each class, plus the head waitress in each dining hall. These members are always willing to answer any questions pertaining to the rules of the Standards, and to urge students to submit suggestions that they feel would bring needed improvement.

The duties of Standards include checking date-books for complete and correct information, checking date centers for proper conduct, keeping order in the dining halls, and promoting other standards for general conduct and appearance.

STANDARDS COMMITTEE PROMOTES GOOD CONDUCT

Many of the activities and duties of the Social Committee of the Student Government Association here at Madison are relatively unknown by the students of the college. These duties and responsibilities include anything from polishing silver to planning for receptions or planning decoration for dances. The main purpose of this committee, however, is to provide the social experience necessary for the poised and attractive individual of today.

The Major Student Organizations Tea started the activities for the year. This tea is held annually in the early fall to enable all new students to become better acquainted with faculty and the campus leaders. The Student Government often presents a dance in the opening of the year.

During the spring the Social Committee assist the German Club and the Cotillion in the decorating for the May Day Dance. They also help with the Senior Dance and Reception for the weekend of graduation.

SOCIAL COMMITTEE PERFORMS MANY DUTIES

HANDBOOK AIDS ALL STUDENTS

The Student Government Handbook is compiled in the spring for the following school year. The main purpose of the Handbook is to present student regulations but it also has such beneficial features as the campus map and the Alma Mater. Honor Council, Student Government, clubs, honor societies, and sororities are represented in the Handbook. The Handbook is financed by student organizations and local merchants.

FIRE SAFETY COMMITTEE CONDUCTS DRILLS

The Fire Safety Committee is composed of a campus Fire Chief, an assistant campus Fire Chief, and an appointed Fire Chief from each dormitory on campus.

In the fall, a demonstration by the Harrisonburg Fire Department was given to instruct us as to the correct use of the fire equipment and correct procedures to follow. Monthly fire drills along with surprise drills were given in the dormitories.

The Junior Marshalls are appointed each year by the officers of the Junior Class.

The Marshalls assist and direct all formal processions on such occasions as convocations, Founder's Day, and Graduation.

JUNIOR MARSHALLS ADD TO SPECIAL EVENTS

USHERS AID COLLEGE PROGRAMS

The Ushers is a committee consisting of representatives elected by each class. The duties of the group are the preparation and distribution of programs and the conducting of seating arrangements in Wilson Auditorium. The Ushers serve at all College Lyceum programs, Glee Club Concerts, and Community Concerts held at the college.

The 1960-1961 year really began for the Bluestone Cotillion Club when it welcomed eighteen new “goats” in November. During the two-day goating period, the “goats” wore blue skirts and sweaters, the Cotillion banner and traditional pointed hat.

Initiation service and a party were held on November 16 and the club had eighteen new members.

Christmas and the ending of 1960 were celebrated at a party December 7.

Second semester brought the initiation of more goats. The initiation was followed by the big Cotillion-German formal dance week-end, March 3 and 4. The week-end festivities included an informal concert Saturday evening, and a formal dance on Saturday night. It was at the formal dance that the officers of the club and their escorts participated in the traditional figure.

The Cotillion Club also assisted in May Day festivities and commencement dances.

Graduating senior members said their farewells and incoming officers took their official stand and prepared to begin work on the next year’s program at the annual spring picnic.

Pat Bigger gives two Cotillion "goats" a hard time as they go through the initiation for becoming a member.
As a beginning to its twenty-ninth year on campus, the German Club sponsored a cabaret dance held in the fall.

The club welcomed new goats into the club in November. These goats proudly displayed their crown and shield, encrusted with the traditional "G."

Both old and new members attended a very interesting Christmas party which concluded the year 1960.

The German-Cotillion dance weekend was, however, the highlight of the year. The cabaret dance, the afternoon band concert, and the formal dance were greatly looked forward to, and it was at the formal dance that the officers of the club and their escorts participated in the traditional figure.

Among other activities in which the club participated were the May Day festivities, the Commencement dances, and a spring picnic.
The annual fall "goating" proves to be fun and excitement for old and new German Club members.
Phi Beta Lambda, formerly Future Business Leaders of America, is a nationally organized college organization whose purpose is to promote the understanding of business procedures, thus helping adapt the business student to his selected vocation.

A social get-together with the Freshmen business students was first on the Chapter's calendar. The other meetings presented informative programs by the members and special guests.

The chapter had a field trip to some of the business concerns of interest in the area, and the year was concluded with a banquet and installation of officers for the coming year.

FBLA BECOMES A MEMBER

OF PHI BETA LAMBDA

Sigma Phi Lambda signified scholarship, fellowship, and leadership. It is a local honor society for those students that have maintained a three-point average. Its purpose is to promote and maintain scholarship among students and to provide social experience for its members. Each member strives to uphold the ideals of this society and it becomes more firmly established each year as a vital and influential organization on campus.

Sigma Phi Lambda, in cooperation with the college administrators and other honor societies, aided in establishing and maintaining a tutoring program whereby this organization might better serve each student.

CURIE CLUB MOTTO IS "ON WITH SCIENCE"

Each Curie Science member tries to further the progress of science as expressed in the motto, "On with Science." In order to fill the motto, the club scheduled various activities. Talks were given by professors and students. In the fall, a formal initiation of new members took place in the reception room of Converse Dormitory.
The Stratford Players have come a long way since interest was first shown for this organization in 1917. The club has progressed from a small literary society to a hard working group of drama enthusiasts. Twice a year the Players sponsor a production. Diligent work, enthusiasm, cooperation and talent are the combination that provides dramatic presentations. The play given in the fall, “The Diary of Anne Frank,” was designed and directed by James A. Link, Stratford’s new sponsor and advisor. The club worked enthusiastically with the very able Mr. Link in making this play drama history on Madison’s campus.

For the Spring Arts Festival, the Stratford Players presented “Antigone,” a one act play by Jean Anouilh adapted from the Greek tragedy by Sophocles.

Many activities during the year serve to demonstrate the B.S.U. spirit found in the Madison Baptist Student Union. There were such events as the Freshman get-acquainted party, attending the state convention, the annual banquet, and the Spring Retreat at Eagle Eyrie in Lynchburg.

Weekly activities included "Pause for Power," Friday night Bible study, the Student Choir, and Sunday night fellowship. Through these, the members of B.S.U. have sought to develop wholesome social and spiritual lives, and strong Christian friendship.

The Baptist Student Union through its unit organizations, Sunday School, Training Union, and Y.W.A. has striven to create a closer relationship between the Baptist students on campus and the Harrisonburg Church.

VARIED ACTIVITIES AID B.S.U. CHRISTIAN FRIENDSHIP

The G. Tyler Miller chapter of the Student National Education Association was formed to give the opportunity for students to explore the opportunities of education as a career; to evaluate their own aptitudes, capabilities and interests as prospective professional educators; and to interest the most capable in education as a career. To acquaint students preparing to teach with the history, ethics, services, purposes, and accomplishments of the Virginia Education Association is another of its purposes.

Programs during the year include a movie, panel discussion, and initiation of new members.

Highlights of the year included the Christmas party and the picnic before exams.

Its purposes are to further interest in homemaking, to obtain a stronger spirit of friendship and cooperation among home economics students, to give training in club leadership, and to provide professional development of home economics.

A Christmas party was held in Home Management House following the theme, “Understanding Our International Friends.” Refreshments consisted of foods served in foreign lands. Highlights during the spring included a fashion show by Ney’s Department Store, a banquet at Belle Meade, and attending the state convention of Virginia Home Economics Association in Roanoke.
The Mathematics Club, which is composed of Mathematics majors and minors, has as its purpose to maintain and foster an interest in mathematics on campus.

At monthly meetings, members present subjects of mathematical interest to the club. This year our programs have been on the history of mathematics, from the early use of abacus through modern algebra.

**AREA CLUBS FACILITATE TRANSPORTATION**

The Area Clubs are composed of Madison students from these four areas: Southwestern Virginia, Richmond, Norfolk, and Northern Virginia. Their aims are to bring about a closer association among the students living in these areas, to facilitate holiday transportation arrangements, to be of assistance to prospective Madison students, and to promote social functions with other colleges having similar organizations. Membership is open to all students wishing to participate in these activities.

The Executive Council, composed of the presidents, serves as the coordinating body of these clubs.

Kappa Delta Pi, a national honor society in education, formally recognizes with membership those juniors and seniors who have met the national requirements of a scholarship above the upper quintile of the college, and a certain number of completed semester hours in education. The members must indicate a continued interest in the field and manifest desirable personal habits and leadership attributes.

Due to the national fiftieth anniversary of our society, our theme this year has been "Kappa Delta Pi Celebrates Fifty Years of Progress." We honored this anniversary with a tea in February.

The tapping ceremony was held in November. During the year the society had educational programs, the annual banquet, and election and installation of new officers. The society strove to carry out its purposes in the encouragement of high professional, intellectual, and personal standards and of recognition of outstanding contributions to education.

KAPPA DELTA PI CELEBRATES FIFTIETH YEAR

The aim of the Recreation Council is to obtain recreational facilities for use by the students.

This year the council acquired stereo sets for most of the dormitories. Each dorm received new games and sleds. Also, they obtained new ping pong tables and equipment.

Out of the Council’s funds came contributions to the May Day Festivities and Christmas decorations for Alumnae Hall.

All students are represented through their dormitory or some other organization. Requests are brought to the Council by the representatives and are then considered. The Council attempts to obtain these facilities most needed.
PSYCHOLOGY CLUB NEW TO MADISON

The Psychology Club is a newly formed organization on the Madison campus. It is composed of psychology majors and minors having at least six hours of psychology previous to membership and who are enrolled in a three hour course. The purpose of the club is to broaden the interests and knowledge of students in the area of "behavioral science." Meetings are held in relation to various phases of psychology with speakers and discussions as the principle source of information.

The club is presently trying to meet the necessary requirements for the national psychology fraternity, PSI CHI.

Greetings to the Seniors of '61.

We congratulate you on the work you have completed, and wish for you the very best success in the years ahead. No matter where you go or what you do, you will always be a part of Madison's ever growing family.

We invite you now to become an active member of our Madison College Alumni Association. Anyone who has been here for a minimum of one year or its equivalent is eligible for membership.

We publish two news bulletins each year and send out numerous class letters written by class agents. We maintain an office in Alumnae Hall, and keep files of our alumni for the convenience of the whole campus.

The annual dues are only $1.00 but we also ask all who can to contribute at least as much as $5.00 to our Loyalty Fund. This fund is used to supplement the amount coming in from dues, and is needed to meet the expenses of the office.

Please keep us posted on your new names and addresses, and do keep in touch with for only thus can we keep in touch with you.

We have fine Alumni Chapters in Charleston, W. Va., Baltimore, Md., Culpeper, Rockbridge, The Peninsula, Norfolk, Portsmouth, Winchester, Roanoke, Richmond and Harrisonburg, Va., and are in the process of attempting to organize chapters in Lynchburg, Arlington, Orange, and Clifton Forge.

Your Alma Mater has given you her best, and "we who have received much must give much."

May God bless each one as you go out with all of your enthusiasm, courage, and ability to help build a better world; one of peace, justice, and good will to all.

ALUMNAE ASSOCIATION WELCOMES CLASS OF '61

This drawing of the Madison arch is the familiar symbol used on the Alumnae Bulletin.

This picture, too, has been used by the Association for its bulletin, representing the welcome Madison College has for each student entering its gates.
The Madison College Concert Orchestra provides music for many campus functions such as convocation, May Day Festivities, graduation and musical programs.

The highlight of the year is the annual tour of the orchestra. The concert consists of classical and semi-classical selections, as well as Broadway hit tunes.

The members of the orchestra achieve a great sense of satisfaction from bringing the joys of music to our varied audiences.

MUSIC FOR SPECIAL OCCASIONS

The Orchestra presents its annual concert to the faculty and students of Madison College in a Wednesday assembly.
The Concert Choir, under the direction of Dr. Lester Bucker, began its forty-fourth year with the same basic purpose predominant in the minds of its members — service to Madison.

Throughout the year the choir participated in several of the college assemblies, and at Christmas time presented its traditional Christmas Vespers Program.

This year the choir traveled to New York where concerts were given in various high schools and churches. The choir's participation in the service at Saint Thomas church provided an experience that will long be remembered by its members.

Marking the end of an eventful year for the choir were Senior Vespers, Baccalaureate and Commencement.

The members of the choir received satisfaction in gaining musical growth and pleasure and in sharing it with others.

CONCERT CHOIR TOUR INCLUDES NEW YORK

WIND ENSEMBLE DEVELOPED FROM BAND

The Madison College Wind Ensemble is a fairly new organization formed from the old band; however, it is completely new in idea. Its purpose is to promote a deeper interest in music and love for it.

The smaller groups allow for different, interesting, and a fairly new type of music to be played. The smaller groups also allow room for more self-expression. High standards of musicianship are developed within each player.

Its activities include rehearsals once a week, and a final concert at Anthony-Seegar campus school.
The Madison College Madrigal Singers who are in their eighth year, added some new faces. The Madrigal Singers concentrate mainly on the singing of Old English Madrigals Accappella sacred music but has branched out to include four-part secular music.

Some of the activities of the group include performing for local civic organizations, churches, and programs at the college.

MADRIGAL SINGERS IN EIGHTH YEAR

The Madison College Chorus provides an outlet through group participation for those students who have a special interest in choral music.

The Chorus took part in the Friday chapel programs by leading in hymn sings and rendering special music, and during the Christmas season helped to supply the music for the Christmas pageant.

The Diapason Club, which is affiliated with the American Guild of Organists, has as its aim the fostering of musical interests, abilities, and appreciation on the campus, especially in regard to organ music.

The club is composed of Madison College organ students. The club members participate in student recitals, assist with church music, sponsor the appearance of musical artists, and take an annual trip. In recent years, the group has visited the Moller Organ Factory in Hagerstown, Maryland, and has taken a tour to see some of the larger outstanding organs in Washington, D.C.

CRITERION CLUB ENCOURAGES CREATIVE WRITING

The Criterion Club was organized for the purpose of sharing and inspiring appreciation of literature in all aspects. The club provides interested students with the opportunity to develop literary talents through discussions, guest speakers, theatre trips, and the publication of the college literary magazine, CHRYSLIS.
The Interfaith Council is composed of the presidents of the various religious groups on campus, their ministers, advisors, and the faculty advisors. The Council holds regular monthly meetings with the purpose of discussing and seeking to enrich the religious life on campus.

Included in the Council’s activities for the year have been the religious preference registration in the Fall, a carol sing in conjunction with the Y, the sponsorship of an assembly program.

INTERFAITH COUNCIL GUIDES RELIGIOUS GROUPS

L.S.A. COMBINES SPIRITUAL AND SOCIAL ACTIVITIES

The Lutheran Student Association of Madison College is one of the three hundred Lutheran student groups which make up the Lutheran Student Association of America. Throughout the school year social and spiritual activities are combined in a strong fellowship in Christ’s name.

Through Lutheran Student Action the group assists in a monetary way to help the missionary work of the Church in all the world, and on the campus, cooperation is given to the ecumenical movement by participation in the activities sponsored by the Inter-Faith Council.
The Wesley Foundation is the Methodist Church at work on the state college campus. All Methodist and Methodist preference students are entitled to membership.

On the Madison Campus, Wesley aims to develop students in worship, intelligent churchmanship, fellowship, ecumenical understanding, creative recreation and to promote religion in higher education.

This year Wesley was given a home to be maintained by the members for their use and pleasure.

Wesley sponsors a variety of activities. A noon-day service of worship known as “Pause for Power” is held each Monday and Thursday. There is a choir known as the Wesley Singers, and also a drama group known as the Wesley Players. These groups have added very much to the effectiveness of the total program.

Other activities include a visit to other colleges; a banquet given the students by Asbury Memorial Methodist Church; pajama parties; Christmas caroling; MSM conferences. Through these activities, our membership hopes to achieve its objectives.

WESTMINSTER IS COMPOSED OF PRESBYTERIAN STUDENTS

The Westminster Fellowship is composed of Presbyterian students and those who wish to make the local church their church while at Madison. West Fell seeks to bring these students to a fuller knowledge of the Bible and Christ through Sunday School, inspirational programs, and Christian fellowship together.

Most of the year's activities were planned by the council at their fall retreat at Massanetta Springs. Freshmen were welcomed by letters and visits from Presby Pals, and a reception held for them in Alumnae Hall. The W.F. works very closely with the members of the First Presbyterian Church of Harrisonburg and the Campus Christian Life Committee in carrying out its aims.
SCHWARZENAU CLUB IS FOR BRETHREN STUDENTS

The Schwarzenau Club is organized for students who are members of the Church of the Brethren. The aims are to foster a well-rounded spiritual, intellectual, and social program for all members.

The church gives a welcoming banquet each fall for new members. The club participates with the local and district Youth Fellowships.

At Christmas, the club took gifts to a needy family in Rockingham County. An annual spring retreat was enjoyed by all.

Madison College Panhellenic denotes an organization of some three hundred and fifty Greek letter men and women who are bound together in a true spirit of unity and friendship in maintaining the purpose of the council.

The Council is composed of three representatives from each sorority and fraternity who meet weekly to make plans and to lead the affairs of their organization.

Rushees, bids, meetings, open houses, parties, and anxious days of waiting are all synonymous with the experience of rush. The culmination and reward of these hurried weeks came when each rushee was greeted with tear and laughter by her chosen sisters. At the annual Panhellenic Sing, we had Dr. William Mengebier as our speaker. The cup for the highest scholarship was awarded to Phi Mu Sorority.

After much planning and work, the Panhellenic Christmas dance, “December Dream,” will long be remembered. In the spotlights were Miss Pat Davis, Panhellenic Chairman, and Miss Margaret Hart, chosen Sweetheart of Sigma Delta Rho.

In February, the Council held a Freshman Orientation Program. Later in the spring, Panhellenic had its annual “Picnic-Auction” with the proceeds going toward the Foreign Student Program.

The climax of the Council’s year was with the presentation of the annual scholarship to a Madison student.
As inevitable as the fact that summer must end, September brought the Alpha Gams back to Messick House.

October and rush transformed Messick House into “Alpha Gam Castle,” home of Cinderella and the new home of eighteen rushees. The castle welcomed many alumni members as well as the national chapter visitor.

November left old Messick almost bare because of leaving student teachers. Only six Alpha Gams rattled around within her walls for eight whole weeks.

December unfolded many events — two of the most important were initiation and the initiation banquet at Ingleside Resort, and the Christmas party given by the pledges.

The following months brought spring rush, the party for the handicapped children at the Cerebral Palsy Center, the Feast of Roses Banquet, a weekend at College Camp, and, of course, graduation.

Thus ended another year for Gamma Mu chapter — a year which every sister will hold dear in her memories of Alpha Gam.

In September, Carter House once again became alive as the Alpha Sigs returned to their “home away from home.”

During Rush, Carter was disguised as “Club Tropicarter” when the ASA’s entertained in a night club setting. During the next week-end, ASA happily welcomed her alumnae and new pledges.

Bet Epsilon celebrated National Founders Day with a banquet at Shenandale and a short commemorative program.

Before Christmas, all members enjoyed a party given by the pledges, with a visit from Santa. A few days later everyone was again happy when Initiation was held for the new girls.

During the new year, there was the excitement of initiation of our new advisor, Mrs. Harnsberger; Spring Rush, and the Senior breakfast.

Work was done for the philanthropic project by helping the mentally retarded children of Harrisonburg.

At the end of May, the seniors left with unforgettable memories of ASA, as our sisters made plans for the coming year in Beta Epsilon.

September witnessed the return of Alpha Sigma Taus, and Zirkle House once again rang out with fun and laughter.

Using their traditional “Carnival” theme, the Alpha Sigma Taus once again slipped into the disguises of fortune tellers, artists, and house haunters to present their rush party. The following week-end everyone welcomed new pledges into the sisterhood. Also, there was the added joy of seeing many of the alumnae back.

National Founder’s Day was celebrated on November 4 at Shenandale with a banquet which was enjoyed by all.

At Christmas, members went to the County Farm carolling and took gifts to the residents. Afterwards at the house, there was a party at which we entertained our adopted family.

Spring rushing brought forth much merriment as we welcomed new pledges into the sorority. Local Founder’s Day was celebrated by a party and the Helen M. Frank scholarship was presented to the Junior with the highest cumulative average. The Juniors and Sophomores gave the Seniors a farewell breakfast as the term quickly drew to a close.

We all had memories of an inspiring Alpha Sigma Tau year as June came.

In September, Lincoln House again took on an air of excitement as the Phi Mu's returned, eagerly anticipating a new year.

Our social life began with an innovation at Madison when Phi Mu entertained UVa's chapter of our brothers, Kappa Alpha Fraternity, with a spaghetti supper and dancing.

Using the theme, "Showboat," our house was transformed into a floating palace of minstrels, mint juleps and southern belles. The following Saturday, we greeted our new pledges and many alumnae who returned for the big week-end.

At the Panhellenic Sign, the Phi Mu ladies walked away with the Scholarship Cup. Also in October, we were honored with a visit from Mrs. Landon Freear, Phi Mu’s NPC delegate.

November saw the beginning of our new social service project. Many Phi Mu’s visited Rockingham Memorial Hospital to entertain and assist in the children’s ward.

Santa stopped by Lincoln House and surprised everyone with gifts at a party given by our pledges.

Spring ushered in spring rush, our Founder’s Day Banquet on March 4, and senior graduation.

With the coming of May, all Phi Mu’s looked back at a wonderful year full of fun, achievement, and more meaningful sisterhood.

Shenandoah House was aglow with excitement when the Sigma Kappas returned early in the fall for a workshop. At the workshop, Lois Howard related the experiences which she had while attending our National Convention in Sun Valley, Idaho. Delta Rho chapter received recognition at the convention for their gerontology project which consisted of visiting old people at the local hospital and making favors for them at holidays.

Before we knew it, “Come to the Mardi Gras” could be heard coming from Shenandoah as our rush party got under way. The following week-end everyone welcomed our new pledges into our sisterhood.

In November, we held our Founder’s Day banquet at Belle Meade, and our pledges entertained the pledges of other sororities at a tea.

Christmas time came, and we joined in the festivities with a Christmas party for our patrons.

In the spring, we found relaxation at college camp, entertained our seniors with a breakfast, and experienced excitement with spring rush.

June came and the Sigma Kappas said farewell to their seniors and looked back over a year of many unforgettable memories.

With joy and laughter Alpha Upsilon started her voyage into 1960-61. September saw our officers journey to Shepherd College in West Virginia to re-install the chapter that we had pledged the previous spring. Returning with them came Mrs. Chester Kyle, our National Collegiate Secretary, for National Inspection.

In October we lifted anchor as the S. S. Sigma departed for ports unknown. By the end of the month, we had added seventeen “yo-ho-pledgemen” to our crew.

Saving our pennies for Robbie Page Memorial, our National Social Service project, highlighted the month of November.

As Christmas drew nigh, the pledges took charge of the TB drive on campus, and assisted with the Christmas plans for the Cerebral Palsy School.

We all felt most fortunate to have Miss Hortense Hester join our band of sisterhood. Her wit and wisdom have meant much to us.

We thought spring would never arrive. With our new pledges, we celebrated our Founder’s Day banquet in April. Then we journeyed to Camp Strawderman for a week-end of fun and frolic with our sisters from Shepherd.

At the end of our collegiate voyage it was hard to leave our Sprinkle House, “Mama Ding,” and Miss Hester. We departed from Madison leaving our sisters at the stern to guide Alpha Upsilon through the channels of love and growth in our Sigma Sigma Sigma.

ANNUAL TB DRIVE ON CAMPUS

Tri Sigmas go “native” for their rush party. Sprinkle House.
The Zetas returned to campus early in September full of spirit and enthusiasm for the new year. Now we could proudly display our scholarship plaque won at the Zeta Tau Alpha Convention held at Quebec, Canada, in June.

As we hastily prepared for our fall rush party, Nicholas House was gradually transformed into Cape Nicholas. The rushees blasted off for a tour of outer space with the Zetas playing “space-hostesses.” As a climax to rush, Zeta greeted her new sisters with open arms.

On Founder’s Day we paid a final tribute to one of our beloved founders who died last June in Hawaii.

The Christmas season found the Zetas excited over initiation, the Panhellenic Dance, and the Christmas party. The chapter also happily prepared food and clothing for our adopted family.

In February the traditional banquet honoring the new initiates was held at Belle Meade.

With the coming of spring came a weekend at college camp, spring rush, a tea for patrons and patronesses, and the senior picnic. At graduation the seniors said a fond farewell to Madison College. With them go many memories, but wherever they go they know they will always hear “The Call of Zeta.”

Sigma Delta Rho started the year with many ambitions. One of its activities was undertaken at mid-semester, the rush activity. This “goating” was enjoyed by the whole campus and especially by our members of the fraternity.

Again this year, the fraternity acknowledges the privilege of participation in the Panhellenic Council. This, along with our growing membership, helps advance us toward our goal of becoming a member of a national group in the near future.

The high points of the first semester were the selection of this year’s Sweetheart, and our enjoyable banquet. This and many other undertakings termed this year’s work as productive and progressive.

In Memory Ever Green...
In recognition of their outstanding scholarship, leadership, and cooperation in educational and extra-curricular activities, these 11 seniors were selected by a committee of students and faculty members to represent Madison College in the 1960-1961 edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES.

In receiving this highly coveted award, these students gain recognition which will accompany them throughout their lives in any profession they may choose to follow. To be named to WHO'S WHO is a great honor, and these seniors are indeed worthy of this award.

Madison students were proud to have the “Four Freshman” appear for a concert in Wilson Auditorium.
... We Give Thee Alma Mater Dear Our Love and Loyalty ...
During the 1960-61 school session, the Women’s Athletic Association began work under a new constitution which was approved by the student body in January of 1960. The constitution provided for a council consisting of a president, vice-president, secretary, treasurer, sports coordinator, and awards chairman. The council is composed of the extramural team managers, the intramural sports leaders, club presidents, and a representative from each dormitory.

In an attempt to provide a sport to suit the interest of every student, the Association sponsors twelve intramural sports, four intramural teams, and four clubs. The WAA also sponsors special events such as the Chuckwagon Party for incoming Freshmen, the Massanutten Hike, and the climax of all events — May Day.

This year, the Madison WAA was hostess to the Blue Ridge Field Hockey Tournament.

WAA President Pat Dean taps the May Queen, Susan Moyar.
MERCURY CLUB HAS PROFESSIONAL GOALS

As a professional organization for health and physical education majors, minors, and concentrators, the Mercury Club sets as its goal promoting good professional attitudes and understanding among the members, advancing good fellowships, promoting study and discussion of problems and presenting social and recreational programs throughout the year.

In association with such national organizations as the American Association for Health, Physical Education, and Recreation, the club also strives to promote growth and development of both children and adults.

HOCKEY TEAM PLAYS VIRGINIA COLLEGES

The field hockey season included games with Bridgewater, Sweet Briar, Westhampton, Lynchburg, and Longwood. The hockey team, under the direction of Dr. Sinclair, played its best and most thrilling game against Bridgewater at home.

Madison placed Ruth Robertson on the Blue Ridge first team, with a selection committee comprised of the Blue Ridge Field Hockey Association and others.

Dr. Sinclair and E. Smith, Captain.

Left to Right: E. Smith, B. Mayo, L. Quist, P. Dean.
The Madison Duchesses started practicing for the season in early December and continued until the middle of February.

The season included games played away — Bridgewater College and Lynchburg College, and two home games — Sweetbriar College and Bridgewater College. Games with Wethampton and Longwood were cancelled because of the weather.

Though the season did not start out very well, the Duchesses were happy to end it by defeating Sweetbriar College.
Fencing is probably one of the oldest games in existence as it sprang directly from the duel. However, on Madison's campus, the members of the Fencing Club are more interested in the development of their skills in regular competition.

A skilled fencer has speed, dexterity, co-ordination, and a courteous attitude. Under the sponsorship of Dr. Caroline Sinclair, the Fencing Club members meet regularly to further develop these skills and enjoy a spirit of friendly competition.

In addition to an Alumnae match in February, a schedule in March was set for meets with William and Mary College, and Mary Washington College.
Creating dances for performances is only one of the many experiences gained by the members of Orchesis. They also gain valuable knowledge of techniques of well known artists, as well as staging. Besides the annual Orchesis concert, the club takes part in the Fine Arts Festival held on campus, the Arts Festival held at the Virginia Museum of Fine Arts, and the Christmas Pageant. This year, the club was represented at the Virginia Fine Arts Festival by five members who performed "Gossiper's Restraint." The dance was well received by the critics.

**PORPOIS CLUB PRESENTS “INTERPRETATIONS”**

Each Thursday night in Reed Pool, swimmers chosen because of their interest and ability, work under the guidance of their sponsor, Mrs. Hugh, toward perfection of strokes and stunts.

**INTERPRETATIONS** was featured as the theme for the annual water show of the Porpoise Club.

The officers are A. Sullivan, President; S. Pittman, Vice-President; L. Gonzales, Secretary; M. Kilday, Treasurer, and M. Hall, Reporter.

**INTERPRETATIONS. Left to Right:** D. Calary, H. Fulcher, M. Kilday, P. Davis, A. Graema, B. Pollock, V. Davis, E. Morris.
ARCHERY
The 50 persons who participated in this year’s archery season enjoyed good weather as well as additional equipment. With a few sore muscles and several broken arrows, the group was successful in improving their marksmanship in one of the world’s oldest sports. Left to Right: G. Munkasey, H. Fraser, C. Bailey, H. Conrad, N. Lee, Intramural Leader; C. Robbins.

FENCING
The intramural fencing program, held September 27-November 1, was very successful with an average of 20 students participating at each session. The first weeks consisted mainly of instruction, and a tournament was held the last week. Several of the intramural participants were invited to join the Fencing Club. Left to Right: L. Strickland, P. Waltman, B. Stockdale, J. Rockenbach, G. Munkasey.

SWIMMING
Intramural swimming included activities for everyone. Competitive interest started growing with the swimming marathon, won by Spotswood dormitory. The girls were quite enthusiastic over the highlight of the season, the swimming meet. Carolyn Jordan directed the program with Mrs. Hugh as advisor. First Row: M. Youmans, D. Bambacus, H. Conrad, S. Pittman, B. Quatse, A. Clarks, C. Jordan, C. Twomay. Second Row: H. Updike, H. Fulcher, B. Hicks, Z. Heilig, C. Noel, S. McCloskey, J. Jackson, B. Mitchell, K. Bruner.
SPORTS

BASKETBALL
The most popular winter sport at Madison is basketball. Beginning in January, each dormitory provides teams for intramural competition. After a required number of practice sessions, enthusiasm and tension rise as each dormitory wants to come out in the number one position. A round robin tournament is played, giving each team an opportunity to exhibit skill, sportsmanship, and their ability to work together.

VOLLEYBALL
Volleyball intramurals began on November 15 and ended December 15. It was one of the largest turn-outs of the intramural program with over 100 students participating. There was a Round Robin tournament in which practically every dorm participated. Wayland Dorm won the tournament and Logan Dorm ran a close second. Left to Right: M. Hall, K. Jones, D. Fritz, B. Armentrout, M. Blanchard, H. Simpson, B. Ambrose.

TENNIS
Intramural tennis offers students a chance for both relaxation and improving their game. Games were open to both experienced and unexperienced players. At the end of the season, a tournament was held in which all interested persons could play whether they had joined intramurals or not. Left to Right: B. Morgan, J. May, G. Munkasey.
INTRAMURAL

BOWLING
Intramural leaders, Ellen Morris and Judy Waleski, were pleased with the large attendance of the students interested in intramural bowling. There was league competition this season in which every team participated. Dr. Tate gave instructions to the beginning bowlers, and then they were placed on teams. Left to Right: P. Waltman, M. Bennett, G. Munkasey, V. Moore, E. Morris, J. Twigg.

GOLF
Golf intramurals were held from March 23 until April 27. The highlights of the season were the participation of several Madison students in the Virginia Collegiate Golf Tournament, and a trip to Spotswood Country Club for the experience of playing on a real golf course since the facilities on campus are fairly limited. Left to Right: J. Wade, M. Nelson, B. Haney, Intramural Leader.

HOCKEY
With fall and the return to school comes field hockey. Instruction is offered for those interested in learning to play hockey. Teams are formed and each team is given an opportunity to play as many games as possible during the season. This year, the intramural teams enjoyed playing on the new hockey fields located back campus. The intramural hockey leader was Ann Clark.
SPORTS

LACROSSE
Lacrosse is the newest intramural sport offered on the Madison campus. For this reason, almost everyone is learning together to play this exciting game. Those participating in intramural lacrosse find it a most challenging, rewarding, and enjoyable game. Intramural leader E. Smith describes a play to J. Wade, B. Mayo, and B. Fryer.

SOFTBALL
The softball program which is offered is one of the most popular spring activities. The reasons for this high rate of interest are many: softball is closely akin to the great American sport, baseball, and almost everyone is exposed to it in the early years of their lives. Also, softball is just plain fun to play. In the picture at right, M. Whittington, intramural leader; D. Fritz, H. Washington, and S. Pittman have their doubts about the success of the softball season with weather like this one week before the beginning of the intramural program.

SOCIAL DANCE
The purpose of the dance intramural program is to develop some degree of skill in the dance field. Basic techniques are taught so that participants can learn to improve their dancing ability. Although this year's season was fairly short, the girls enjoyed learning the cha cha and the polka. At right, J. Miller teaches a polka step to J. Culver, J. Miller, D. Davis, P. Tinsley, and S. Rosen.
MADISON DUKES DEFEAT LYNCHBURG

Captain Dick Dovel and Coach J. W. Long.

The men's basketball team is sponsored by the Men's Student Government Association and is essentially a volunteer group who like the game and desired to have Madison College represented in intercollegiate competition.

This year, the schedule included two games with Ferrum Junior College, National Business College, Bridgewater College J.V.'s, Shenandoah Junior College, and Lynchburg College J.V.'s.

The team was happy to win the last home game of the season by defeating Lynchburg College, 44-48.

"Why Didn't I Think of That? . . .

"And then I'm going to eat all 28!"

Twenty-eight different flavors of ice cream is a fantasia to dreamy-eyed kids of any age. Sounds like fun.

You know something? With 28 Famous Flavors to choose from, most of you still choose vanilla! Then comes chocolate, then strawberry. All others are for the adventurers and connoisseurs.

All but one — a new delight we call Mocha Chip, a light touch of coffee ice cream into which we mix tempting bits of crunchy chocolate chips. Know who dreamed this up? One of our Howard Johnson girls behind the soda fountain. It's now our most popular "special"!

This is it. This is the tangible reward of those who have worked so hard to put out the 1961 SCHOOLMA'AM.

The staff sincerely hopes that this book will cause each of your hearts to swell just a little with pride for our Alma Mater and its symbols. May this pride and these memories remain with you always.

I wish to express my sincere appreciation to all those who have made this book possible, and I extend my best wishes to Carole Ann Noel, Doris Humphries, and Diane Sykes who will guide the work of the 1962 yearbook staff.
