1967 Bluestone
Madison College
Harrisonburg, Va.
THE COLOR OF A MOOD . . .

Madison College . . .

in its many moods reflects the students in their daily school activities—activities which possess the vital qualities to give a college its life.
EXPLORATION . . .
SKILL . . .
GROWTH...
FRIENDSHIP . . .
Our four years at Madison leave us with many treasured memories. Among these is the memory of two beloved people who have traveled through the years with us, offering guidance and a willingness to serve. Their sense of humor has warmed our hearts and brightened our days. Their genuine interest in each of us has helped us to realize our goals and has aroused in us a desire to pursue a definite purpose in life. They have shown their goodness and sincerity not only in what they say, but in what they are.

With appreciation and affection, we, the Class of 1967, proudly dedicate our Bluestone to Dr. and Mrs. Z. S. Dickerson, Jr. May this book hold for them precious memories of our "four good years together."

JUNIOR MARSHALS

Gail Thompson, Chairman,
KAPPA DELTA PI

Attention all Junior and Senior education majors — Alpha Chi chapter of Kappa Delta Pi, the national Honor Society in Education, is looking at you. It is checking to see if you have a strong scholastic average and leadership ability. If you have these qualities and are preparing to teach, then possibly you will be invited to become an integral participant in the society striving for betterment of the education profession.

KAPPA PI

What is your major? — Art, perhaps. If so, you may be eligible for membership in Gamma Kappa chapter of Kappa Pi, the national honorary art fraternity. Madison's chapter was founded in 1959 as Virginia's first. The qualifications which each prospective member must have are twelve hours in art, a high scholastic average, and personal merit. These requisites are extremely useful in achieving and furthering the goal of the society: promotion of art interest in college students, stimulation of higher academic endeavors, and recognition of personal and professional promise.
PI OMEGA PI

Pi Omega Pi is the national business education fraternity for students with high grades in the field of business and other academic areas. Members must have a 3.0 average in business subjects and a 2.5 average in other areas. The Beta Nu chapter of Pi Omega Pi ranks high in the ratings of Pi Omega Pi chapters in the nation. Members of Pi Omega Pi assist with "Business Day" and administer business placement tests to freshmen.

PI OMICRON TAU

To broaden outlooks on various topics is the aim of Phi Omicron Tau, the local home economics honorary fraternity. Members, through outside research, prepare programs relating to the theme "Observing Our World." Some of the activities for this year were a discussion on European travel, a world affairs panel, and book reviews. To become a member of Phi Omicron Tau, a student must be a junior or a senior and have a cumulative average of 2.5 and a 3.0 average in home economics subjects.

This National Romance Language Honor Society is composed of members of the faculty and advanced students of the Romance languages. Its membership is limited to those students maintaining a 3.0 average and having completed at least three semesters of college. Membership is by invitation only to those students and faculty members outstanding in this field. Monthly programs of the society are constituted by the readings and discussions of research papers done by seniors and faculty members striving to remain in the society.

The National Honorary Undergraduate library science fraternity is organized to promote friendship and encourage young student librarians. The membership is limited to those students majoring in Library Science, hoping to instill in them a desire to further their professional knowledge in this field. This organization sponsors many activities during the year. Besides Christmas parties, election of officers, initiation, and pledging, the club also presents a program for children at the Rockingham National Library.

**PHI SIGMA IOTA**

**ALPHA BETA ALPHA**
SIGMA ALPHA IOTA

Madison students, who are music majors and minors, are honored to join Gamma Iota, the local chapter of Sigma Alpha Iota. This honor society is a national, professional music fraternity for women. Each member must be in her second semester at Madison and carry a 2.0 average in her academic work with a 2.75 in music subjects. Membership is by invitation each fall and spring to those students who are both interested and musically inclined.

To promote and maintain scholarship is the main purpose of the local honor society, Sigma Phi Lambda. All students with a three point average or better may join upon invitation. Besides achievement of high academic scholarships, Sigma Phi Lambda also provides social interests by introducing monthly guest speakers and giving awards during spring initiation to the girls with the highest average.
