Solitude is hushed. There exists a silence in solitude, and where there is silence, there exists contemplation. To contemplate is to search for answers, to reason, to know that one may exit victoriously before even entering. Thus, there is contentment with one's being — the initial ray in the brightness of life.

At first, one feels a vast sense of alienation. To turn away as escape is to find nothing; dimness exists in alienation, but darkness exists in escape.
One must open the folds of dimness to allow the radiance of light to filter through. As the shadows diminish, behold the glow and accept it.
As each solitary snowflake falls and intermingles with the others, so must man intermingle with other men. Moments of solitude are vital, but the stillness must break just as the stillness of the night is broken by the falling snow.
The corners of silence that one calls his own will belong to him eternally, and he may choose the necessary time to return, as the sun similarly chooses to hide behind the ebony of each night. The hour approaches when one has to determine his place among the masses. A flame’s flicker must temporarily meet it’s demise, and so must seclusion.
Darkness is replaced by light and solitude is replaced by interaction. One needs to confront the possibilities of the beauty of friendship and take the first step towards realizing companionship. The relationship between two living beings can fulfill one's innermost desires. To communicate is to experience others.
As long as there is life, differences will exist. To turn away from them is to doom one's self to eternal exclusion.

Differences must be accepted and used advantageously.

Similarities must be focused upon.
When individuals unite, there can be no true darkness. The friendships one acquires must be celebrated. Life is truly enriched when souls join. Although there may be confusion and agitation accompanying human relationships, one must indulge and be content with the knowledge that serenity is not merely a dream...
but the light in all hearts.
Every individual lives his own way. Some prefer crowds, some solitude, some enjoy concerts and parties, others take to the quiet intimacy of a coffeehouse or rap session with friends.

Just as there are diversities among everyone so are there diverse activities, whether it be just for the individual or for a group.

Activities and opportunities are waiting for students to take advantage of them. It all depends on the person and the amount of effort he is willing to give.

If there isn't anything to do it's up to you to get something going, something satisfying and worthwhile. Because if you don't do it for yourself, who will?

If I am not for myself
Who will be?
But if I am only for myself
What am I?

KING LEAR
There are those of us who sit by and watch the world revolve around us, excluding ourselves from things which we would like to be a part of, yet we know not how to become involved.

And there are those who feel that for their purpose to be fulfilled, they must be involved in everything and everyone, which excludes them many times from being involved with themselves.

One must first look within himself and be satisfied with what he sees before he can even attempt to be satisfied with those around him.

Understanding oneself is the most vital purpose for us all, primarily because accepting ourselves leads us to accept others.

Yesterday is already a dream
And tomorrow is only a vision
But today well lived
Makes every yesterday a dream of happiness
And every tomorrow a vision of hope.

Being with others, expressing your ideas and allowing them, in turn, to express theirs is a rewarding experience of interaction between groups of people.

It is important for each of us, whether we admit it to ourselves or not, to communicate with others and share feelings, ideas and interests.

As a result of this basic human need, groups are formed which involve people with common interests. Within the groups, people are able to realize their potentials through the redeeming qualities of others... sportsmanship, brotherhood, sisterhood, sharing, and most important, caring for one another.

Those who cannot see the littleness of great things in themselves are apt to overlook the greatness of the little things in others.

BLACK STUDENT ALLIANCE

The Black Students Alliance (BSA) is a newly formed organization that has only been in existence for three years. Its main purposes are to articulate the problems of black students at Madison College; to promote interaction and involvement in school activities; to foster continuous Afro-American pride and responsibility; and to foster black awareness among ourselves and the student body. Though these objectives appear to only benefit the black students, they are necessary to provide a liberal education for all students at Madison.

BASEBALL

The 1974 baseball team, coached by Brad Babcock, had its finest season ever. It compiled a 23-11 record, the best in Madison College baseball history and was at one time ranked fifteenth in the nation.

Junior Larry Hunt led the Dukes and was named the top right-handed Division II pitcher in the nation. He received a unanimous vote to the All-VCAA team, along with outfielder Billy Sample and infielders Mike LaCasse, Chris Baker, and Jim Barbe. Hunt finished with an 8-1 record, the most victories for a Madison College pitcher in one season, and had an ERA of 1.75. He was also Madison's first Academic All-American.

Sample is one of the leading hitters in the nation. He led the Dukes in almost every category: batting (.416), hits (57), runs (51), stolen bases (11) and walks (11). Other outstanding players were Chris Baker, Mike LaCasse, Jim Barbe, and Vinnie Jefferson.

The Dukes broke every school batting record, both team and individual, compiling a team average of .320. There were seven players who hit over .300, five of whom were freshmen.
The Women's Varsity Lacrosse team, under the direction of Gai Hall and Jean Dalton, had a successful season with six wins and three losses. Madison was the only undefeated team at the state tournaments. The offensive attack was led by the outstanding efforts of Ginger Harmon and Trish Frear; while the fine defensive team was led by Kathy Bond, Lynn Craun, and Jenny Jones. Ten Madison Players were chosen to represent Virginia at the Southern district tournament; from the ten, seven were chosen to go to nationals.

The junior varsity also had a winning season with a five and one record. Their success was the result of much determination and spirit. The fighting efforts of Barb Britton and Cindy Kruger, on the defensive team, proved to be the backbone of the team.

FOOTBALL
The Madison College Football Team had unexpected good fortune during their first year with a full varsity schedule. For a team which was predicted to only win two games, the Dukes finished their season with a 6-4 record.

Their success did not end there. The team also landed two players on the Virginia College Athletic's All-Star first team, finished the season as the VCAA's top offensive team and had head coach Challace McMillan named as co-VCAA Football Coach of the Year.

Madison quarterback Leslie Branich and tailback Bernard Slayton were named to the VCAA All-Star Team. Branich was the VCAA's individual total offensive leader with 1,468 yards to his credit. Slayton was the Duke's leading rusher and leading scorer with 54 points. Other standouts for the Dukes during the 1974 season were swingback Len Fields, tailback Ron Stith, split-end Chip Derringer, safety Brent Good, center Brian Gainer, and linebacker Dewey Windham.

FIELD HOCKEY

The 1974 season marked the 50th Anniversary of Madison College Field Hockey. It also marked Dr. Morrison's 21st year as coach of the Varsity and Junior Varsity teams. This year's team continued the tradition of successful teamwork with a 7-3-3 record for the season.

The Varsity team was led by co-captains Ginger Harmon and Betty Lewis, a returning player. Also returning from last year's team was Becky Rathbun.

Seven Varsity players were chosen to play on Blue Ridge teams after winning three games at Sweet Briar. The girls, Jill English, Barb Briton, Ginger Harmon, Betsy Cizek, Diana Knapp, Cindy Krueger, and Betty Lewis, participated in the Southeast Tournament at Goucher College.

The Junior Varsity team was led by co-captains Meredith Overstreet and Barb Horn. The team scored a total of 25 goals and had only eight scored against them. They finished with a 7-2-3 record for the season.

Madison is the only college in Virginia with a Freshman team which means the team plays only Varsity and Junior Varsity teams; however, this challenge made the team's determination even stronger. The team scored 46 goals with more than one-fourth of them scored by center forward Kathy McCleaf. Dalynn Patrick and Leatha Alcamo were the second highest scorers. The solid defense allowed only four goals throughout the entire season. Without Miss Harris' fine ability as a coach to work with freshmen, the undefeated season would not have been possible.

EQUESTRIAN TEAM

The Madison Equestrian Team, trained by Mrs. Berry of the Oak Manor Equitation School, completed its third year of competition. Coached by Mrs. Lois Geil, the team participated in various shows, including the Sweet Briar Schooling Show, the Madison Invitational Horse Show, and the Barracks Horse Show in Charlottesville. According to Mrs. Geil there were more people competing this year and the mounts were better than ever.
The Dukes’ Cross Country Team had a very successful '74 season, finishing first in the VCAA championships. Under Coach Dean Ehlers, they easily defeated second place Roanoke 34-62.

Five Madison runners placed in the top ten. They were led by Chris McDonald, the top runner for the Dukes, who placed third with a time of 25:51. Freshman Mike Grechan placed fifth with a time of 26:23. J.O. Phillips, Greg Gerlach, and Bill Malone placed seventh, ninth, and tenth respectively. The Dukes finished the season with 10-3 record.
The 1974-75 Basketball Team, with ten lettermen returning from last year’s 20-6 team, faced the toughest schedule in the school’s history. The Dukes played Division I opponents Western Kentucky, George Washington, and East Tennessee State in addition to Division II powers Old Dominion University and Randolph-Macon.

Heading the list of returnees for the Dukes was sophomore forward Sherman Dillard. Other top players back for the Dukes were: sophomores Van Snowdon, John Cadman, and David Van Alstyne; juniors David Correll, Wilbert Mills, Joe Pfahlcr, and Jim Phillips; and seniors Randy Michie and Tim Meyers. Joining the Dukes were talented freshmen Leon Baker and Pat Dosh.

Madison won their own tournament championship with Sherman Dillard and David Correll named to the All-Tournament team and Dillard named the tournament’s Most Valuable Player.

The season was highlighted by Lou Campanelli’s 50th victory as head coach of the Dukes. Coach Campanelli, in his third year as Madison’s head basketball coach, picked up his 50th win when the Dukes defeated York College 89-76 in early February.

VCAA CHAMPIONS
JV BASKETBALL
The Madison College Wrestlers captured the VCAA title which culminated the 1974-75 season at George Mason University. Seven other teams were vying for the title. Jim Prince, in his first year as coach for the Duke Wrestlers, was awarded “Coach of the Year.” Sophomore Robert Peach was named “Outstanding Wrestler of the Tournament.”

The team had several outstanding wrestlers this year who aided them in compiling their 8-8 record. Ken Sampson and Mike Barron were named VCAA conference champions for the '74-'75 season.

WOMEN'S BASKETBALL

Under the coaching of Miss Betty Jaynes, the Women's Basketball Team had another very successful season. This year’s team was young, the oldest players being a junior.

The Duchesses were led by sophomore Katherine Johnson, who was top scorer and top rebounder. Other key players were Jenny Jones, Cindy Livesay, Patti O’Donnell, and Gayle Freshwater.

The highlight of the season was playing Immaculata, three times national champions.

FENCING

The long process of knowing ourselves well enough to then understand and enjoy others prepares us for the sudden reality of the outside world.

This preparation is necessary in order for a person to be able to cope with the many problems he will face.

The main adversity which must be dealt with is the adjustment to new surroundings. It is essential to make these changes for us to survive in today's society. For if adjustments are not made we may fall.

Suddenly
there are now
so many giants everywhere
so many men who think
even God looks small
when they're walking tall
and the wind of change is troubled.

Learning...

...is awareness

...of politics and religion, economics and the arts, international affairs and sports. Since Madison College opened its doors in 1909, the Daily News-Record has been the publication most responsible for helping students keep informed about world news as well important campus events. The Shenandoah Valley's largest newspaper takes pride in the fact that it contributes to student awareness of contemporary issues. That is a responsibility we take seriously.

Throughout the 360 pages of the 1975 Bluestone we have tried to convey the varied places and opportunities on campus where an individual can try to discover what is right for him. Whether you like the quiet solitude of a walk in the snow, the social aspects of dorm life and the campus center, or the excitement of athletics and weekend parties, Madison seems to offer every degree of involvement. It is up to you as a student to find your place.

As the 1974-75 school year comes to a close and this book becomes a reality, it is very apparent that without the help of certain individuals none of this would have been possible. My special thanks and appreciation go to Margie, Ken, Bill, and Mr. Jim Logan who offered moral support and assistance so deeply needed throughout the year. The determination and cooperation exhibited by each section editor and their staff was fantastic. They all seemed to put forth their best when it was most needed. Your long hours and many headaches are greatly appreciated, Mary, Poco, Susie, Sandy, Roberta, and Melanie.

Hunter Publishing Company has certainly fulfilled a great service to Madison College. We are deeply indebted to Mr. Jim Ellis, company representative, for his assistance and guidance. Thanks are extended also to Stevens Studios for their professional assistance with the class pictures.

The financial success of the 1975 Bluestone would not have been possible had it not been for the many parents and advertisers who patronized the book. We have tried to recognize each contributor within the Patronage section and wish to thank them in this way. We give a special note of thanks to all who helped us reach our contributors.

Editing the '75 Bluestone has definitely been a rewarding experience. We thank you for giving us the opportunity to plan, prepare, and share with you a book we hope you will enjoy.

Ann Kite
As you take time out to ponder your achievements, Remember the places you would run to find solitude. You will never actually depart from these places, For they are very much a part of you. When you join your fellow man in the cycle of life A part of you will remain behind. Rejoice in this — you are a better individual for it.
